MEN'S BASKETBALL PREVIEW
A preview of what fans can expect from the Falcon basketball team in 1993-94.
Knowing that they still control their own destiny if they can continue winning, the Bowling Green State University football team hosts "sister" school Kent this afternoon in the Annual Parents' Day game. A big welcome to all the parents of BGSU students and athletes attending this afternoon.

The goal is the same, but the circumstances are different this season for the Falcons. In winning the Mid-American Conference title the last two seasons, by this time in the year BG had developed some breathing room in the standings and looked to be the favorite for the title. This season, while Coach Gary Blackney's troops have maintained their winning ways, so has Ball State and Western Michigan, who are also right in the thick of the race.

The adage in sports saying it's harder to repeat as a champion than winning the first one would certainly fit this year's league race and the road for the Falcons as they chase a third-straight league title.

Today's opponent, Kent, is one of those teams which you can, in no way gauge, by their record. Despite the fact they are looking to break a 13-game losing skid and are winless this season, you have to look no further than their scores in MAC play to realize this is a team which was a whisker away from winning four games and being a factor in the race.

Kent has three losses in league play by five points and they lost a six-point decision to Western Michigan. That fact alone will make the Golden Flashes a tough opponent for the Falcons. Factor in last year's game between these two teams, in which BG built a 28-9 lead and then had to hang on for a 28-22 victory, and you have the makings of a competitive collegiate game. A young Kent squad, three freshmen on each side of the ball start, should provide a stern test for the Falcons.

Two of those first-year players for the Golden Flashes lead the offensive attack. "True" freshman Raeshuan Jernigan is fifth in the MAC in rushing from his tailback position where he is averaging 4.6 yards per carry. A leading candidate for MAC Freshman of the Year honors, Jernigan is the only KSU running back with 25 carries this season for Kent is quarterback Mike Acie, who is a Marcel Weems (Akron) type quarterback possessing the ability to run and pass. Acie has taken over the controls from Kevin Shuman, last year's starter, who has been slowed by injuries. Shuman is expected to be available to play this afternoon.

Kent also features the MAC's top receiving, senior split end Brian Dusho, who is averaging 6.8 receptions per game.

Defensively, Kent plays a style which dares you to beat them with the pass as they normally will put as many as eight players near the line of scrimmage. Senior inside linebacker Sean Patterson and junior outside linebacker Rich Yarkiewicz lead a small, but quick, unit.

Head coach Pete Cordelli is in his third season at Kent.

The series has been dominated by the Falcons in recent years who hold an overall edge of 42-13-6 having won 18 of the last 19 meetings between the two schools. BG has compiled an 18-8-4 record at home in the series, including wins in each of the last 10 home contests in the series. Both schools were founded in 1910 thus the establishment of the Anniversary Award by the respective alumni departments at the two schools as the prize to the winner of the annual football clash.

**TODAY'S GAME**

**HOME SWEET HOME:** The Falcons were perfect at home last two seasons recording 5-0 records. They extended their home winning streak to 13 games with the victory over Akron three weeks ago. Over the last 12-plus seasons, BG has compiled a 36-4-3 (.833) mark in home league games. Head coach Gary Blackney has not lost in 13 games at Perry Stadium during his tenure. The longest home winning streak in the history of the program was a 16-game streak between 1983 and 1986.

**STRONG ON BOTH SIDES OF THE BALL:** During the Falcons' 21-game unbeaten streak in league play, the Falcon defense has been dominant while the offense has done its share of scoring. During the winning streak, BG's defense has been superb allowing an average of just 12.7 points (267 points in 21 games) holding the opposition to 10 points or less in nine games. In addition, only six teams have managed to score more than two touch-downs since the streak started in 1991 with the Falcons holding 15 of the 21 opponents to 14 points or less. On the other hand, the Falcon offensive attack has scored 435 points over the 21-game period for a 26.4 average. On the average, BG is outscoring its MAC foes by just less than two touchdowns (13.7 average) per contest. The 26 points Ball State scored two weeks ago are the most by an MAC school during Bowling Green's current unbeaten streak.

**ONE OF ONLY SIX:** BGSU is one of only six teams in Division IA who have won back-to-back bowl games the last two seasons. Besides the Falcons, Georgia, Notre Dame, Syracuse, Florida State and Alabama have bowl victories the last two years. BG defeated Fresno State in 1991 to win the California Bowl and last season the Falcons defeated Nevada in the inaugural Las Vegas Bowl.

**TAKING ADVANTAGE:** One part of the turnover story is taking advantage of opposition miscues while holding the opposition on a BG turnover. A trademark of Blackney's teams has been excellent performance in these two categories. Since the start of the 1991 season, BG has scored 229 points off of opposition turnovers while allowing only 97 points on their own miscues. While his teams have been very good in these two areas, maybe never...
better than this season. BG has scored 69 points off of opposition mistakes this season while allowing just 17 points on their nine miscues through the first eight games of the season. BG had a 79-25 edge in points off of turnovers in 1991 and an 81-55 edge last season.

**MORE ON FUMBLES:** The Falcons have lost the ball just twice this season via the fumble and for the sixth time in eight games this season they did not lose the ball via the fumble in the Miami contest. In 18 of 32 games during head coach Gary Blackney's tenure, the Falcons have not had a turnover via the fumble.

**OPPONENTS ARE SEEING REDD:** Junior split end Ronnie Redd was a vital cog in the Falcons winning MAC titles the last two seasons, leading the team in average yards per reception each season splitting time at his position with Dave Hankins. So making the big play is not anything new to Redd, but he has gone beyond the norm in helping the Falcons win this season. Redd has accounted for the following this year: a 77-yard touchdown on a pass-run play in the Toledo game, a 66-yard punt return to set up a BG field goal in the Ohio game, a 48-yard touchdown reception in the Akron game, a 48-yard reception in the Navy game, a 46-yard reception on a reverse pass catching the ball while on his back in the Akron game, a 42-yard reception for a touchdown in the Ohio game, a 39-yard reception in the Miami game, and a 30-yard touchdown catch in the Ball State contest. In all, eight plays covering 30 yards or more. He extended two impressive streaks in the Miami game by catching three passes, one of those for a touchdown. Redd has now caught a pass in 31 straight games while he increased his touchdown-catch streak to five games. He has a touchdown reception in six of eight games this season. His 17 career touchdowns ties him with Jim Ladd (1951-53) for the #4 spot on the BG list just four shy of the school record. His seven six-pointers this season is just four shy of the BG single-season record (held by Ladd, 1952). Of his 17 career touchdown receptions, 12 have covered 10 or more yards with eight of those covering 30 yards or more in length. He leads the team averaging 22.1 yards per reception this season and he has averaged 24.7 yards on his last 16 receptions covering the last five games.

Although he has accomplished as much as any coach in college football in his first tenure as a head coach, that will not stop Bowling Green State University head coach Gary Blackney from continuing to work as hard as he has in his first two seasons.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles while going undefeated in league play over the period. This comes on the heels of five straight years when 5-6 was the best record.

The 1993 season will present some new challenges for Blackney and his staff as they look to become only the third team in league history to win three consecutive titles. And there is also the matter of putting their names alone in the record book for the most consecutive wins in league play, which they now jointly hold with Miami (1973-75) at 16 games. Blackney will lead his team against arch-rival Toledo in the league opener this season, looking to add to his list of history-making accomplishments during his short tenure.

In order to three-peat, the Falcons will have to overcome the loss of eight starters on the defensive side of the ball, including the entire secondary, and the loss of one of the top quarter-

back-wide receiver duos in league history. But, overcoming obstacles in something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

The BGSU head coach is a much sought-after speaker during and after the season, having spoken to many community groups throughout the state since taking over as head coach, in addition to speaking at numerous banquets.
Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award the last two seasons. He has also been named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the last two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Coach of the Year.

A little less than three years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. Last season was the seventh time in the last nine years Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary's wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care. Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

"I look at Lauretta's situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me."

BRUCE CUNNINGHAM
Assistant Coach
Bruce Cunningham, 27, is in his second season as a full-time assistant coach after serving as a graduate assistant with the program in 1990 and 1991. Cunningham will work with the inside linebackers again this season. While a graduate assistant, Cunningham worked with the offense, mainly the wide receivers. The 1988 graduate of Eastern Connecticut State University coached high school football in his home state for five years before coming to BGSU. The Greenwich, Conn. native will recruit Upstate New York and the New England states.

MICHAEL FARAGALLI
Assistant Coach
Michael Faragalli, 34, returns for his third season after directing the Falcon offense to the #1 spot in the MAC in scoring last season while they were second in passing and total offense. Faragalli, the offensive coordinator, works with the quarterbacks and receivers while recruiting Canada and Indiana. Prior to coming to BGSU, Faragalli was one of the top offensive minds in the Canadian Football League for six years, most recently with Edmonton helping Tracy Ham develop into the CFL's 1990 Most Valuable Player. The Philadelphia, Pa. native is a Rhode Island graduate where he also coached for three seasons. Michael and his wife, Kathy, have four children, Joseph, 10, Phillip, 7, Theresa, 4, and Laura, 2.

PAUL FERRARO
Assistant Coach
Paul Ferraro, 34, is in his third season as the defensive coordinator at BGSU after joining the staff in December, 1990. Paul will work with the defensive secondary in addition to his duties as the defensive coordinator while recruiting Cleveland and Toledo as well as the states of New Jersey and Florida. Paul has 11 years of collegiate experience, most recently as a member of Tom Lichtenberg's staff at both Maine (1989) and Ohio (1990). The Ridgewood, N.J. native earned three letters at Springfield as a defensive back during his playing days.

BRUCE GREGORY
Assistant Coach
Bruce Gregory, 32, is the most recent addition to the football staff having joined the program last July. He came to BGSU after serving as the coach of the wide receivers at Boston University for four seasons. The South Kingstown, R.I. native will also coach the receivers again this season at BG. Prior to serving on the coaching staff at Boston University, Gregory spent two seasons (1986 and 1987) at BGSU under head coach Moe Ankney. Gregory, a Western Maryland College graduate, and his wife, Tracy, have two children, Megan, 4, and Brian, 2.

BOB LIGASHESKY
Assistant Coach
Bob Ligashesky, 31, who joined the staff in December, 1990, will coach the outside linebackers. Ligashesky is responsible for recruiting in the Akron-Canton and Pittsburgh areas as well as Northeast Ohio and the Western United States. The McKees Rock, Pa. native came to BGSU from Kent where he coached the inside linebackers under head coach Dick Crum. Ligashesky also coached collegiately at Wake Forest and Arizona State. Ligashesky earned three letters at Indiana University of Pennsylvania during his collegiate playing career.

TERRY MALONE
Assistant Coach
Terry Malone, 33, is in his eighth year at BGSU and will be coaching the offensive tackles and tight ends this season. Malone, who has the added responsibility of being the recruiting coordinator, is responsible for recruiting the state of Michigan. The Buffalo, N.Y. native has also coached the centers and guards during his tenure at BGSU. Malone previously coached at Holy Cross and Arizona. Malone was a four-year starting tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of two children, Kara, 3, and Patrick, 2.

TONY PUSATERI
Assistant Coach
Tony Pusateri, 42, joined the program in February, 1991 and will again coach the defensive line while also handling the kickers and special teams. Pusateri was one of the top high school coaches in the state for 15 years prior to coming to BGSU, spending 10 of those seasons at St. Francis DeSales in Columbus. At DeSales, Pusateri's teams won almost 75% of their games and the 1985 Ohio Division III title. Pusateri coached at Westerville South for five seasons before joining the BGSU staff. The Columbus, Ohio native is a graduate of Capital University. Tony and his wife, Kim, are the parents of one child, Antoinette, 1.
SCOTT SEELIGER
Assistant Coach
Scott Seeliger, 43, is in his second stint as an assistant coach at BGSU having been a member of Denny Stoltz’s staff for five years between 1979 and 1983. Seeliger joined the staff in January, 1991 as the assistant head coach in addition to his responsibilities with the guards and centers. He recruits Southwestern Ohio and the Southeast United States in addition to the Cincinnati, Dayton and Indianapolis areas. Besides his five years at BG, Seeliger’s 15 years of coaching experience on the collegiate level includes nine seasons at Wisconsin, where he spent most of his time coaching the offensive line. The Madison, Wis. native was a tight end on the 1972 Iowa State team that played in the Sun Bowl. Scott and his wife, Karen, have two daughters, Keri, 20, and Kori, 18.

JIM BRIDGE
Graduate Assistant
Jim Bridge begins his second season with the BGSU football program as a graduate assistant coach. Bridge, a Rocky River, Ohio native, will assist the coaching staff on the offensive side of the ball. The 1988 graduate of St. Edward High School earned his undergraduate degree from Wittenberg in 1992 in history. Bridge was a tight end on the 1989 Wittenberg team which advanced to the NCAA Division III national quarterfinals. He is currently working toward a graduate degree in sport management at BGSU.

VIC JAMES
Graduate Assistant
Vic James is in his second season with the BGSU football program helping the coaching staff on the defensive side of the ball. The Ramsey, N.J. native and 1983 graduate of Don Bosco prep earned two letters in hockey at William Paterson College where he received his degree in exercise physiology in 1988. He coached for three seasons at Pace University before joining the staff at BGSU. James is currently working on his graduate degree in guidance and counseling at BGSU. He and his wife, Maureen, live in Bowling Green.

MIKE WARD
Strength and Conditioning Coach
Mike Ward, 31, is in his second season as the strength and conditioning coach at BGSU. He is also the director of the BGSU Athletic Fitness Center, located on the west side of Doyt Perry Stadium. The Mansfield, Ohio native works with all 19 intercollegiate sports and is responsible for the maintenance and development of the $300,000 fitness center, a 5,800-square foot facility. The 1984 graduate of Georgetown (Ky.) College also earned his graduate degree there while earning All-America honors as a guard on the football team. Before coming to BG, Ward was an assistant coach at Findlay University. He and his wife, Jody, reside in Findlay.

MID-AMERICAN VS. BIG WEST CONFERENCE CHAMPIONS

FOR TICKETS CALL BGSU TICKET OFFICE (419) 372-2762

PRESENTED BY LAS VEGAS EVENTS • SPONSORED BY LAS VEGAS CONVENTION AND VISITORS AUTHORITY
The MAC is one of the 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 47th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University - nine schools have been members of the conference for 15 or more years. The University of Akron is the newest member having joined the league last year.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate enrollment.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC had an academic progress rule, strengthened admittance standards, and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 19 championships, 10 in men's sports and nine on the women's side. For men, the MAC sponsors championships in football, baseball, basketball, cross country, golf, tennis, and track and field since its founding, and added swimming and diving and wrestling championships five years later. Men's soccer begins as a MAC-sponsored sport this fall.

In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming and diving, tennis, track and field and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 43 individuals have been inducted into the MAC Hall of Fame in its first five years of existence, including 16 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), Jack Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 46 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

For the second straight year, the MAC champion will play the Big West champion in the Las Vegas Bowl. This year's game is scheduled for Dec. 17 at 5 p.m. This is the 13th season the winners of the MAC and BWC have battled in a bowl.

WELCOME TO DOYT L. PERRY STADIUM

- **Doyt L. Perry Stadium** celebrates its 28th anniversary as the home of Falcon football this season. Widely-regarded as the finest facility in the Mid-American Conference in which to watch football, Perry Stadium seats 30,599.
- **Authorized personnel ONLY** are allowed on the field before, during or after the game. Your adherence to this policy is appreciated.
- **Banners and signs** may be displayed in Perry Stadium **ONLY** with prior permission from Ken Kavanagh, associate athletic director. Kavanagh can be reached during weekday working hours at 372-2401.
- **Emergency medical aid** is available from the ambulance crew in the northeast and northwest corners of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.
- **Field headquarters** for stadium game operations is located on the ground level of the east side of Perry Field. The telephone number is 372-2401.
- **First aid** is located on the east side of the stadium next to the equipment room. It is easily marked for emergency situations. Trained medical personnel are in attendance at all Bowling Green State University football games.
- **Lost and Found** is located at field headquarters (see above) during the game or at the Perry Stadium office of Ken Kavanagh, associate athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.
- **Rest Rooms** are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3 and 5 and 7.
- **Telephones** are situated at frequent intervals on ground level on both the east and west sides of Perry Stadium.
- **Your cooperation** is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol. Anyone caught possessing alcoholic beverages may be ejected from the stadium.
- **Handicapped seating** areas are located on the north and south ends of the mezzanine levels on both sides of the stadium and can be easily reached via the ramped walkways. In addition, areas are available in the north end zone. For further information, please contact Scot Bressler, ticket manager, during weekday working hours at 372-2401.
- **Request for assistance** and reports of discourtesy should be directed to stadium ushers. Usher personnel wear orange jackets with identification tags and are positioned at each ramp throughout the stadium for your convenience.
- **In accordance** with University policy, smoking is prohibited in the seats, portals, locker rooms, both press boxes, and in the offices at Doyt L. Perry Stadium. Smoking is permitted on the blacktop areas underneath the stadium.

When Charlotta Jones, standout freshman basketball star, was looking for resources for a term paper on Anderson Arena, where did she go:

To the Athletic Archives and Museum at 121 Memorial Hall.

There Mickey Cochrane and Don Cunningham supplied her with two laden-down folders, the first telling a little about the history of Memorial Hall and Anderson Arena but the second giving complete background of Harold “Andy” Anderson, the person that carries the Anderson Arena name. There was more than enough material for a paper on the 33-year-old building.

More and more students, the BEE GEE NEWS, sports information office, MAC Conference office and the BG public relations office are turning to the Archives staff to supply the history or background on Bowling Green standout athletes like Nate Thurmond, Howard Komives, Brian McClure, Al Bianchi or even back to the good ole days of Earl Wittmer, BG’s leading baseball pitcher in 1921-25 or even the 1921 football win over Findlay, 151-0.

Cochrane noted, “that the addition to the Archives about two years ago has opened up our research area and given us more space to have the files on over 200 former athletes along with the records of all the teams since the first basketball team in 1915-16.

“We invite students to stop in and look over our holdings and maybe we can supply the topic for a speech or paper on some outstanding Bowling Green coach or athlete.”

The archives is open from 10-12 a.m. every day except Friday during the academic year.
Junior Ronnie Redd is the top returning receiver for the Falcons. He begins the 1993 season having caught a pass in 23 straight games with 10 of his 51 career receptions good for touchdowns.

Senior Brad Long was a second team All-MAC selection last season starting six games. He is one of 11 seniors on this year’s squad.
Senior Joe Wyse returns on the offensive line along with each of the other four linemen from a year ago. Wyse has started each of the last 25 BGSU games.
The Falcon Club Needs You!

To Our Falcon Fans:

You are the key to success for our Falcon teams. Our fine student-athletes greatly depend on the Falcon Club to raise more than $250,000 of income to help fund the athletic grants. The Falcon Club also assists in other athletic areas including the funding for facility budgets.

Your help and support does make a difference for the continued success of our outstanding teams. Falcon Club members are proud alumni, parents, friends and fans that provide financial support, volunteer hours and give their advisory expertise to the BGSU athletic program in order to share in the many benefits the Falcon Club has to offer.

The pride and tradition of Bowling Green has enabled the Falcon Club to once again set high goals for 1993. Your support is needed so participants and fans alike can continue to enjoy the winning combination provided by one of America's premier athletic programs.

Please give to our fine athletic program and its 19 very competitive teams as we look forward to you joining the Falcon Club in '93.

Go Falcons!!!

Sincerely,

Fran Voll
Associate Athletic Director

I am interested in learning more about the Falcon Club and its activities.

SOME TEAMMATES YOU NEVER OUTGROW.

A lasting financial relationship is forged through continuity of service and commitment to excellence across a lifetime of changing needs. From your first home mortgage to financing for your children’s education. From support of local business to investment in our community’s educational and athletic resources. National City Bank, Northwest makes every financial season a championship one.
Four University professors were recently honored for their dedicated efforts in the areas of teaching, research and service. They were presented three of the University’s highest awards.

Honored were Dr. W. Robert Midden of the chemistry department, who was presented with the Master Teacher Award; Dr. Ryan Tweney of psychology, who received the Olscamp Research Award; and Dr. Raj A. Padmaraj of finance and Dr. Ellen Williams of special education, who were selected to share the Faculty Service Award.

All three awards included the presentation of a plaque and a $1,000 cash prize.

The Master Teacher Award, which recognizes excellence in teaching, is given annually by the Undergraduate Alumni Association. Recipients are nominated by students and chosen by an alumni-student committee.

Midden, who joined the University in 1987, has been nominated for the Master Teacher Award annually since 1989. He has gained a reputation for being able to unravel the mysteries of science and present it in understandable form.

Midden is an active researcher and lecturer. He also has received numerous grants and is a frequent contributor to professional publications. He currently is preparing a book entitled How to Use Chemistry, which offers a new approach to teaching introductory chemistry.

Before joining the faculty at Bowling Green, where he is an assistant professor at the Center for Photochemical Sciences, Midden taught at The Johns Hopkins University in the environmental health sciences department.

The Olscamp Research Award is given annually to a faculty member for outstanding scholarly or creative accomplishments during the previous three-year period. It was initiated in 1985 to encourage and recognize faculty research.

Tweney, this year’s recipient, is a known expert on the life and works of Michael Faraday, a 19th century scientist noted for his contributions to the scientific method.

In 1989 Tweney traveled to England on a Fulbright grant to be a visiting scholar at the Science Studies Centre of the University of Bath. While abroad he also lectured on Faraday at the Royal Institution and a West German university.

In 1991 he organized the conference “Faraday ‘91” at the University which drew scholars from both the United States and Great Britain. Last year, the book “Michael Faraday’s ‘Chemical Notes, Hints, Suggestions and Objects of Pursuit’ of 1822,” which he co-edited, was published.

He also co-edited the test “Wundt Studies: A Centennial Collection” about the life and work of the famed German psychologist known as the founder of experimental psychology and he co-edited the book “On Scientific Thinking” with Bowling Green colleagues Dr. Michael E. Doherty and Dr. Clifford R. Mynatt, both of psychology.

The Faculty Service Award is presented by Faculty Senate and recognizes continuing outstanding service to the University. The award is designed to focus upon the importance of faculty service for the development and enhancement of the University.

The recipient of several large grants, Williams is currently the co-coordinator of Project CREST (Collaboration for Rural Education Special Teachers). Along with two other University faculty members, Dr. Veronica Gold and Dr. Steven Russell, she received a $110,000 grant to implement preparatory programs for teachers in rural schools.

From 1989-92 she also was a co-ordinator of Project RAISE (Rural America Institute in Special Education), a program that provided special education teachers with additional training needed to serve rural school districts. In addition, she has served as coordinator of the Undergraduate Teacher Training Program in special education.

Involved in University, community and professional activities, she is a member of the United Health Services Board and Executive Committee and a board member for the Autism Society of Ohio, the Toledo Society for Autistic Children and the SunShine Children’s Home. She is also a chair of the Wood Lane Residential Board for Wood Lane Schools.

In 1992 she was a nominee for Outstanding Teacher Educator in Ohio by the Ohio Federation Council for Exceptional Children. In 1990 she received the Professional Educator of the Year Award from the Autism Society of Northwest Ohio and was its Volunteer of the Year in 1987. She has been the recipient of the University-Public School Cooperation Award.

Padmaraj has been active in departmental management and Faculty Senate committees. He joined the University in 1974 and served as chair of the Department of Finance and Insurance from 1981-85.

Prior to coming to Bowling Green, Padmaraj taught 10 years at the University of Madras and served as an administrative officer in India’s Ministry of Defense. He earned his master’s degree in business administration at the University and his doctorate from The Ohio State University.

He currently is chair of the senate’s Committee on Committees and is a member of the Senate Executive Committee.

Four faculty members were recently honored for their teaching, research and service at Bowling Green. The four were honored at a Faculty Recognition Dinner. Those honored, from left to right, were Dr. Ryan Tweney, Dr. Robert Midden and Dr. Raj A. Padmaraj. The fourth honoree, Dr. Ellen Williams, separate photo, was unable to attend the dinner.
Office of Admissions Holds Preview Day

If you see some new faces on campus today, they no doubt belong to visiting high school students, their parents and teachers who are here participating in the Office of Admissions Annual Preview Day Program.

Display booths featuring information on academic programs and student services and activities were viewed this morning in the Grand Ballroom. Campus tours were conducted throughout the morning and special open houses and demonstrations were offered by various departments.

The Office of Admissions hosts Preview Day each year in order to provide prospective students with an opportunity to view many segments of college life. This year, over 2,500 students, parents and teachers will participate in Preview Day activities and a second Preview Day is scheduled for December 4.

Special recognition is given to the Bowling Green State University Alumni Association, whose financial support helped make today’s program a success.

For those students and parents who participated, we hope you found Preview Day to be a worthwhile and an enjoyable experience.

"FIRST CARE, THEN CARS"
FOR OVER 54 YEARS!

At Ed Schmidt, “first care, then cars” has been our way of
doing business since we first opened over 54 years ago. We
did business that way then, and we do it that way now!
Before we try to put you in one of our cars, we try to put
ourselves in your shoes. Some call that the Golden Rule, we
just call it good business. And that way of doing business
has given Ed Schmidt an A-1 rating in the Northwestern
Ohio area. See us for all your automotive needs.

Tuffy Does It Right!
In large measure, Bowling Green State University’s success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That’s a direct result of Bowling Green’s research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a “We Care” attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 17,300 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master’s degrees in 69 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University’s Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor’s degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University’s faculty members, 78 percent of whom hold Ph.D’s, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three departments—chemistry, philosophy and psychology—are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state’s universities. Only two other Ohio universities—Ohio State and Cincinnati—have more of these prestigious positions than Bowling Green.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the MidAmerican Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University’s students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 “non-traditional” adult students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.7 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry’s past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. Last fall, a $9.5 million addition to the Fine Arts Building was completed as well as the transformation of Hayes Hall into a computer center. Earlier this year, an $8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened. A $15 million renovation of Founders Quadrangle was completed in August and has transformed the building into a state-of-the-art residence hall. Construction on a $13.5 million classroom building and a $9.5 million major renovation of Eppler Hall are currently underway.

In the last 11 years, more than $160 million has been allocated for new construction and remodeling projects.

The University has also accomplished its goal of making computers a vital part of each student’s education. There are 19 computer labs, including one in every residence hall complex, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. And, following a successful pilot program, student rooms in Chapman Hall are equipped with computers.

Does This Sound Like Your Last Visit To A Hospital?

Most people think of a hospital as a peaceful place to rest and recover. But in many semi-private hospital rooms, getting peace and quiet is more wishful thinking than anything else.

At Mercy and St. Charles we understand that your only wish in the hospital is to get well soon, which is why all our regular rooms for adult medical patients are private rooms.

So while bigger hospitals are making noise about how many people they treat, remember to ask yourself—how noisy do you want your hospital to be?

BETTER HEALTH, TIMES TWO.

PRIVATE ROOMS. NO EXTRA CHARGE.
Building upon the inherent strengths of the University's faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence. He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty. Now, as Olscamp begins his 12th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. In 1992-93, private giving topped $4 million for the second straight year. During his tenure, the school's endowment has increased to nearly $44 million from $1.9 million when he arrived.

Olscamp also brings a personal touch to his presidency. He frequently hosts both students and faculty as his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**

*Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.*

*Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.*

*Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.*

*The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three $500,000 grants from the Ohio Board of Regents.*

*The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.*

*More than 275 students are National Merit Scholars, one of the highest numbers on any campus in the country, over the last six years.*

*Establishment of the University's first major scholarships for minority students.*

*Creation of a network of computer labs throughout the campus, including labs in each residence hall. One survey has BGSU listed 36th in the country in the number of personal computers on campus.*

*Securing more than $5 million from the Board of Regents' Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.*

*Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the nation's region.*

*Expansion of the library's holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials. Also, the library is among the first to be part of OhioLink, which enables students access to all holdings at state universities, community colleges and selected private libraries in Ohio.*

*Development of the Student Telephone Accessed Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.*

**Physical Plant**

*More than $160 million has been spent in the past 11 years for the construction of new buildings and upgrading existing buildings.*

*Completion of the $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988 and a $9.8 million Fine Arts Center and an $8.7 million field house.*

*Construction is now nearing completion on a $13.5 million classroom building.*

*Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, the Epler complex and Founders Residence Hall. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.*

**University Finances**

*Creation of an internal endowment fund of $4 million from various University reserves. The balance is expected to reach $10 million in 1994. Interest on the $10 million principle will be used to supplement the academic budget.*

*Developing a plan to restructure debt service obligations which is projected to result in a $32 million principle in 10 years. Interest on that amount, which could exceed $2 million annually, will go toward the academic budget.*

*Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.*

*Completion in 1993 of a $1.825 million Campaign for the Arts to benefit the theatre, music, art, and Dance and Arts Unlimited programs.*
The tradition of excellence that is Bowling Green State University athletics continued in 1992-93 as five Falcon teams captured league titles, three teams earned berths in the NCAA Tournament and three student-athletes earned Academic All-America honors.

As we move further into the final decade of the 20th century, the accomplishments of BGSU’s coaches and student-athletes solidify BGSU’s place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams in the first three years, the 90s may be even better.

Bowling Green claimed 24 conference titles during the 1980s. In the first three years of the 90s, FGU teams have already won eight league titles with seven of those teams making appearances in post-season action.

In addition, the last two years the women’s programs have captured the Jacoby Trophy for overall athletic excellence in the MAC.

The following is a brief synopsis of each program in the BGSU Athletic Department...

**BASEBALL** - The program has a young, energetic leader in fourth-year head coach Danny Schmitz, who is beginning to develop one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, coached in the minor leagues at the AAA level. Many former BGSU players have gone on to play professional baseball including two of the top pitchers in the game - Roger McDowell and Orel Hershiser - who play for the Los Angeles Dodgers.

**MEN’S BASKETBALL** - After making back-to-back post-season appearances for the first time in 30 years in 1989-90 and 1990-91 under head coach Jim Larranaga, a solid nucleus of returning players will try to get BGSU back in post-season play this season. Historically, BGSU leads the MAC in post-season appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU’s alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

**WOMEN’S BASKETBALL** - The tradition-rich program made a fifth NCAA Tournament appearance last season hosting Florida. BGSU’s 18-3-47 record over the last seven seasons is the 10th-best record among the almost 300 schools in Division I. The Falcons are the winningest team in MAC history having captured five league tournament titles and four regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 for BG’s NCAA Tournament game against Florida last season.

**CROSS COUNTRY** - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BGSU women to four CC titles in the 1980s. Now, he’s working his magic with the men. Price, an experienced coach on the national and international level, is in his fourth year as the head coach.

**FOOTBALL** - Back-to-back league titles and bowl victories along with 16 straight MAC wins have put the BGSU football program back among the elite. BGSU’s 21-3 record the last two seasons is the fifth-best mark in the country among the 106 Division I-A schools. Celebrating its 75th season of play this year, along the way the Falcons have won 11 conference titles and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

**GOLF** - Coach Todd Brunsink’s men’s and women’s golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men’s program has won four MAC Championships and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

**GYMNASTICS** - Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last ten years. In each of the last five seasons, his teams have consistently increased the school record for team score.

**HOCKEY** - A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last eight years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 418 career wins having led the Falcons to four CCHA regular season championships and one league playoff title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey’s greatest names, nine of whom currently play in the NHL, including defensemen Garry Galley and Rob Blake and forward Nelson Emerson.
SOCCER - The program posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 31-4-3 record the last two seasons. The Falcons were the top team in the Great Lakes Region last season posting a sparkling 15-2-1 record on their way to an NCAA Tournament berth. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in five of the last seven years for a 66.2 winning percentage.

SOFTBALL - After a 37-win season in 1991, MAC Coach of the Year Jacquie Joseph led her team to a MAC title and NCAA Tournament berth winning 34 games last season. Many of the key personnel return from the championship team which points to more success in the future for the program. The program has had an all-region player three of the last five years and the Freshman of the Year in the league the last two seasons.

SWIMMING AND DIVING - Coach Brian Gordon returns for his seventh year with the men and women hoping to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women's program established a school record while they have never finished lower than third in 12 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest's top swimming and diving facilities.

TENNIS - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men's team, under the guidance of third-year coach Dave Morin, finished fourth in the MAC last season and he returns his entire lineup intact for the 1992-93 season. The women's program is under the guidance of Penny Dean, who is in her fourth season.

TRACK & FIELD - Bowling Green, long associated with success in track and field, had five athletes win events at the MAC meet and four athletes compete in the NCAA meet, two earning All-America honors. The women's program was the runner-up in the race for the MAC team title last year. Among the track alumni is six-time NCAA All-American and 1972 Olympic gold medalist Dave Wottle. Sid Sink, a seven-time All-American at BGSU, heads the men's track team, while Steve Price directs the women's program.

VOLLEYBALL - Coach Denise Van De Walle has steadily built the Falcon volleyball program into one of the best in the country. Last year's team won a school-record 30 matches in capturing their second-straight MAC regular-season title. BG has won 20 or more matches six of the last seven years. Van De Walle, three times named the league Coach of the Year, has led the Falcons to 171 wins over the last six seasons or a victory three out of every four times they've played.

ATHLETIC DIRECTOR JACK GREGORY

Since his appointment 12 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

- the 1984 NCAA Division I Ice Hockey Championship;
- 18 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, men's golf, and volleyball;
- three California Bowl appearances;
- one Las Vegas Bowl appearance;
- five MAC postseason tournament championships;
- three Central Collegiate Hockey Association regular season championships;
- one CCHA postseason tournament championship;
- 20 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including 16 in the last seven years, the most of any MAC school;
- four home NCAA Tournament berths in hockey, softball and women's basketball;

Under Gregory's guidance, BGSU athletics has enjoyed two of its best years over the last two seasons. Five league titles and postseason appearances by each of those five teams made the 1992-93 athletic year very special. And the women's program earned the Jacoby Trophy for the second straight season with BG the first school to win MAC titles in the three required sports. All of that came on the heels of a 1991-92 season in which five teams set records for wins in a season, two earned postseason berths and the women's programs earned the Jacoby Trophy.

Some of the other highlights during Gregory's tenure include: postseason appearances by five BGSU teams in 1989-90 and 1990-91, back-to-back postseason appearances by the men's basketball program in 1989-90 and 1990-91 for the first time since the early 60s, and in 1989-90 Bowling Green was the only school in the country to send teams to national postseason tournaments in men's and women's basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school's 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I status in football. Behind Gregory's leadership, the football program attained I-A status.

Record crowds have attended Falcon football, hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another "first" during Gregory's tenure occurred in the fall of 1990 when more than 55,000 fans turned out for the first night game in Perry Stadium history.

In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1992, Bowling Green set still another MAC attendance record by playing in front of 94,808 fans at Ohio State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376) marks.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be active on the national level. Gregory has served on the NCAA IA Executive Committee, the IA Television Committee, the Division I Ice Hockey Committee, and the Pro Sports Liaison Committee. He has also worked on numerous MAC and CCHA committees.

Gregory, 65, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it is compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship in May, 1990 while BG has had 31 Academic All-Americans in the last seven years.

A 1952 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.
Today’s Halftime Show

BGSU FALCON MARCHING BAND
November 6, 1993

The Falcon Band has prepared a special halftime for our parents featuring colorful marching design and music designed to invoke a complete gamut of emotions. In an appropriate mood for the Halloween season, this afternoon’s halftime theme sets a foreboding tone. Today’s production, entitled “A Little Night Music,” was designed by assistant director, David Wieser. An ominous fanfare from Bach’s Toccata and Fugue in D Minor begins the show, and it is soon followed by Mussorgsky’s Night on Bald Mountain. The next selection is the passionate ballad from the Broadway production, Phantom of the Opera, entitled Music of the Night. The conclusion to today’s performance returns to an up-tempo mood with a driving arrangement of Tonight from West Side Story. Thanks for coming, Mom and Dad!

ATHLETIC PROMOTIONS
by BRAD BROWNING
Assistant Athletic Director

Hello football fans and welcome to Doyt L. Perry Stadium! Thank you for joining us.

Today’s game features yet another battle between two sister schools. Bowling Green and Kent, both founded in 1910, began their football series back in 1920 and since then have met 61 times. The Falcons have dominated the series with a record of 42-13-6. Today the Falcons will try and build on their 13-game home win streak, as well as their 21-game unbeaten streak!

I would like to especially welcome all BGSU parents with us today as part of the annual Parents’ Day celebration. Thank you for spending the afternoon with us. I truly hope that you enjoy your visit and time spent with your child. I would also like to bid farewell to our outgoing senior band members, managers, players, and trainers.

The Falcons will conclude their regular-season at home in two weeks — November 20 — against Western Michigan during Fan Appreciation Day. We have a big day planned for you fans who will be with us on that day, and included along with the free giveaways will be FREE ROUNDTrip AIRFARE FOR TWO to anywhere in the continental U.S., sponsored by American Airlines. To enter, just sign-up prior to the game on November 20.

Tickets for the Falcon finale can be purchased here today through halftime at the east side Will Call booth or during regular working hours at the Memorial Hall Ticket Office (372-2762).

Falcon hockey is underway and off to a great start! The Falcons will return to home action the first two weekends of December to host Ferris State on the 3rd and 4th and then Alaska-Fairbanks December 10-11. Tickets for either series and all home Falcon hockey games can now be purchased at the Memorial Hall Ticket Office (419/372-2762). Make your plans now to get out and support the Falcons!

Basketball season is here! Practices have begun and ticket orders are now being accepted for the upcoming home season. For more information stop by Field Headquarters or the East Side Will Call Booth today through halftime or at the Memorial Hall Ticket Office during the week. Plan to spend this winter’s cold afternoons in Anderson Arena.

VARSLTY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.
• Personal satisfaction in contributing to BGSU athletics through your continued involvement.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 28th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,422.

A large crowd is expected for this year's battle with Toledo on Oct. 2 as the Falcons go after their 17th straight league win, which would be a record, in front of a Homecoming Day crowd.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift five years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony were (left to right) Perry's children D.L., Judy Perry McClain, David and Doyt's wife, Loretta. They are joined by John Mahaney, president of the Board of Trustees, University President Paul J. Olscamp and Athletic Director Jack Gregory.
Stadium are the Falcon Club offices and clubhouse, the academic counselor's office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 14th year of operation, the Stadium Club's 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President's Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 66 percent of their home games, compiling a 86-42-5 record in the 133 games played at Perry Stadium. Over the last 11 seasons, Bowling Green is 42-9-3 at home for a .806 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

Cris Shale

Punter Cris Shale became the most decorated player ever at BGSU in 1990 earning a spot on five All-America teams while establishing four MAC records, including season (46.77) and career (43.09) average. For being selected to the Associated Press All-America team. Shale was invited to Ft. Lauderdale, Florida for the taping of the Bob Hope Christmas Show (photo at left), which annually presents the All-America team as one of the segments on the show. Shale, who was a 10th round draft pick of the Washington Redskins in 1991, led the nation in punting in 1990.

### Alma Mater

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

### Fight Song

Forward Falcons, Forward Falcons
Fight for victory,
Show your spirit, make them fear it
Fight for 'ol Bee Gee

Forward Falcons, Forward Falcons
Make the contest keen
Shout out the fame of our mighty name
And win for Bowling Green!

### Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

### Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is “beheaded” at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

### Why The Falcons?

The 1993 season marks the 66th anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname. Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

### Why Orange and Brown?

Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman’s hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns’ head coach Paul Brown. Following a trip to BGSU in the 1940s. Brown used the colors for his All-America Conference team.

One of the most significant wins in school history was the 1972 victory over Purdue by a 17-13 count. A fourth quarter field goal by freshman Don Taylor was the difference in the game. Photo above shows the Falcons stopping Purdue running back Otis Armstrong. Photo at right is head coach Don Nehlen being carried off the field as coaches and players celebrate the victory over the #18 team in the country.

Mark Miller (left) was the first in a succession of quarterbacks that continues to this day which comprise the list of the top five passers in school history. Miller passed for almost 6,000 yards during his career (1974-77) ranking behind only Brian McClure (1982-85), Rich Dackin (1986-89) and Erik White (1989-92) in school history.
Dave Preston (below) is the career rushing leader at BGSU with 3,423 yards which is seventh-best in MAC history. Preston also rushed for 39 touchdowns in his career with his 246 points also the top figure in school history. In 1974, he rushed for 1,414 yards and scored 19 touchdowns. He played eight years of professional football with the Denver Broncos of the NFL and the Denver Gold of the USFL.

Paul Miles (right) in action against rival Toledo. Miles is second on the BG career rushing list with 3,238 yards while he is also the only player to have his number (#29) retired. He was a three-time first team All-MAC selection and he rushed for 25 touchdowns in his career. At the time, he was only the third running back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Mike Weger helped the Falcons capture back-to-back MAC titles in 1964 and 1965 as a halfback. He is one of only three players in school history to earn All-America honors from Associated Press. He was a third team selection in 1965. He went on to enjoy a nine-year career with the Detroit Lions, six of which he spent as the starter at safety.

MEN’S BASKETBALL PREVIEW

With the basic nucleus of the team returning from a year ago, Bowling Green State University head basketball coach Jim Larranaga is optimistic about the chances of his 1993-94 team being in the hunt for the Mid-American Conference title.

One of the reasons for Larranaga’s optimism is the return of the Falcon front-court, which is the reverse of last season when seniors Michael Huger and Vada Burnett made the backcourt the strongest area on the team.

“This year, we expect our frontcourt to control the backboards and control the tempo of the game,” Larranaga said. “With experience and depth at each frontcourt position, we should be able to improve our defense and defensive rebounding. That will be the key to offsetting our inexperience at the guard position.”

But, more important than the dilemma in the backcourt, Larranaga feels the key is at the defensive end of the court for the 1993-94 squad.

“Our defense was solid last season, but we allowed too many second-chance opportunities to our opponents,” Larranaga said. “This year, when we can make the other team miss, we’ll be able to rebound and run.”

“Our frontcourt players, who are now upperclassmen, are stronger, and more physical. With additional experience in every area, we know that for us to be a better team our rebounding has to improve.

“The additional maturity of the front-court players should put us in a position to be a much better rebounding team. Last year at this time I said my main concern was rebounding. I think that proved to be true.”

Larranaga also thinks some added bulk among the frontcourt players from work in the weight room will help on the boards.

“We have improved on the boards to the point it has become a strength,” the eighth-year head coach said. “We should have more better physical presence inside making us more competitive on the backboards.

“Almost everything revolves around rebounding. If you are a good offensive and defensive rebounding team, you can keep yourself in a lot of games when your offense is not clicking. Last year, if we did not shoot the ball well, we did not win.”

A look at the Falcon follows:

POST: Every player returns at the two post positions, including the most experienced returning player, junior Shane Kline-Ruminski. The 1991-92 MAC Freshman of the Year did not suffer the sophomore jinx last season averaging 12.0 points and 5.4 rebounds while shooting 56.7% from the floor. He ranked among the top 15 in the conference in each category. Kline-Ruminski has started 50 games the last two seasons and will be counted on to be a team leader.

Also returning is senior Eric Steaple and juniors James Cerisier, Ramon Knopper and Floyd Miller.

Miller played the most of the foursome last season earning 21 starts and just over 23 minutes a game. He could become one of the top rebounders in the MAC this season after averaging 5.0 last season while shooting 59.1% from the floor.

Cerisier, Knopper and Steaple started seven games between them and played just over 400 minutes. They will see increased playing time this season with each needing to take the next step in their development.

Larranaga comments: “We expect every player at the post position to be effective this season. Their experience and physical maturity should be a strength for us.”

WING: Again the Falcons have good depth and talent at this position.

The top player is returning starter Shane Komives. One of the top freshmen in the conference last season, Komives, who averaged 9.0 points, 2.6 rebounds last season, is the leading returning three-point shooter after hitting 45 “threes” and shooting almost 38% from beyond the arc.

Two-year veterans Ray Lynch, Matt Otto and George Finney will also vie for playing time at the position. Lynch is the top defender on the squad and has excellent quickness while Otto is one of the top offensive players on the team with three-point range. Finney has seen action in a reserve role playing in 28 games the last two seasons.

Two of the newcomers, Jay Larranaga, the son of head coach Jim Larranaga, and Tyler Brown also have a good chance to see playing time at the wing.

Both players were ranked among the top 100 players coming out of high school last year and both should make an impact this season.

Larranaga was a second team Division I (big schools) all-state pick after leading Toledo St. John’s to the state championship game averaging 18 points, seven rebounds and four assists. Brown was one of the top players in New York City last year leading St. Raymond’s, ranked 16th in the country by USA Today, to state and city titles. Brown had 35 points in the state title game and was named the tournament MVP. He averaged 17 points and seven rebounds as a senior.

Larranaga comments: “This position should provide us with players who can score and run the court making us a much better running team. Shane Komives had a solid freshman season and should continue to get better. He’s very knowledgeable about the game and plays very hard.”

POINT GUARD: No matter who ends up playing at point guard it will be someone with very limited or no game experience, something that would be a concern for any coach.

Two players return at the position who have seen very little playing time during their careers. Junior Mike Swanson played 208 minutes as a freshman and 98 last season, and sophomore Mick Milnar made the team as a walk-on last season and saw action in only nine games.

The third candidate at the position is incoming freshman Antonio Daniels, who averaged 21.3 points and 9.6 assists last season earning division II district Player of the Year honors and second team all-state accolades.

It is also possible Jay Larranaga could see playing time at the point guard spot.

Larranaga comments: “The point guard position is where we have to develop quickly. We have three players vying for the playing time who have little or no playing experience. We probably will use two point guards alternating the two in order to keep fresh legs on the court.”
