ABOUT THE COVER: The Falcons will look to extend their 14-game home winning streak this afternoon with the victory securing no worse than second-place in the MAC. Sophomore inside linebacker Jason Woullard has been a part of the Falcon defensive unit which leads the MAC in total defense, rushing defense and scoring defense. BG also ranks in the top 15 nationally in those three categories.

75 YEARS OF EXCELLENCE
The fifth and final 15-year segment (1979-92) of Falcon football is covered in a series which saluted the 75th Anniversary.

WOMEN’S BASKETBALL PREVIEW
A preview of what fans can expect from the Falcon basketball team in 1993-94.
With the light at the end of the tunnel (a berth in the Las Vegas Bowl) out for the Falcons and barely flickering for today's opponent, Western Michigan, the two teams meet this afternoon for pride and second-place in the Mid-American Conference.

The Falcons were eliminated from earning a third-straight bowl berth after last week's heart-breaking loss at Central Michigan, but could still earn a piece of the league title with a win and a Ball State loss at home to last-place Kent. A win this afternoon would ensure the Falcons of no worse than a second-place finish in the MAC.

On the other hand, WMU is the league champion and bowl representative if they win this afternoon and Ball State loses or ties.

So, although the scenarios are not likely to happen, there is reason on both sides of the ball this afternoon to do more than play out the season.

But, before we move on to today's game, let's take a moment to reflect on what Coach Gary Blackney, his staff, and players over the last three seasons have accomplished.

It took a program 47 years to string together a 22-game unbeaten streak in MAC play and it may be that long again before another team approaches that. Earlier this season, the Falcons increased their winning streak to a league-record 19 games before settling for a tie at Ball State. That ended the winning streak but made maintained an unbeaten streak which was extended to 22 games until broken last weekend.

To try and put the streak into perspective, it is longer than the best winning or unbeaten streak in five of the other nine Division I-A leagues. Pacific-10 member Cal has the longest unbeaten streak, 50 games between 1920 and 1925, while Oklahoma has the longest winning streak posting 31 straight wins in Big Eight play between 1984 and 1989.

Today, a new streak begins with a Falcon victory, or a streak is continued if the Broncos, who have won four straight, are victorious.

Since losing the first two games of the season, WMU has captured seven of its last eight games with a 23-18 setback in their battle with rival Central Michigan the only loss in the last two months. Seventh-year head coach Al Molde has made a contender out of a team which returned the starter from the 1992 season at only six of 22 positions, only two on the offensive side of the ball.

Like Bowling Green, the Bronco offense is directed by a red-shirt sophomore quarterback, Jay McDonagh, who has completed 62.8% of his passes while throwing 15 touchdown passes and only three interceptions. He is third in the MAC's passing efficiency statistics and second in total offense.

His favorite target, junior flanker Andre Wallace, has 48 receptions, five of those for touchdowns.

The two tailbacks who have carried the bulk of the load running the ball, junior Dave Madsen and sophomore Jim Vackaro, are also second on the team with 28 receptions each. Madsen is averaging 4.1 yards per carry while Vackaro is averaging 3.6 yards. Either Madsen or Vackaro have carried eight of every 10 times WMU has handed off to a running back. McDonagh is also a running threat with over 300 yards this season.

Defensively, junior linebacker Peter Tuffo and senior defensive back Steve Hawkins are two of the best players at their positions in the MAC.

**FALCON FAST FACTS: BGU will** bid farewell to 10 players who are playing their last game this afternoon (see page 17 for a story on this year's senior class)...BGU is looking to extend a 14-game home winning streak this afternoon...a victory would give the Falcons three straight perfect seasons (5-0) under head coach Gary Blackney and leave the program one shy of the school record set between 1983 and 1986...BG has won eight of the last 11 in the series with Western Michigan, but the two teams have split the last six meetings...WMU was the last team to beat BGSU at Perry Stadium, posting a 19-13 victory in the final game of the 1990 season...BG has outscored the opposition, 426 (30.4 avg.) to 180 (12.9 avg.) during its home winning streak, and 127-31 this season...BG has lost the ball via fumble only twice this season and should break the school and MAC record for fewest fumbles lost in a season which is five, set by the Bowling Green team in 1985 and the Ohio team of 1957...
TODAY'S GAME

BG's 10 fumbles is also less than the MAC and BG record of 11 set by Falcon teams the last two seasons...senior tailback Zeb Jackson had his fourth straight 100-yard game last week against Central Michigan...he will look to equal the school record of five set by Fred Durig during the 1951 season...Jackson leads the MAC in rushing and all-purpose yardage and he is eighth in total offense...he needs only 69 yards rushing to become only the sixth back in school history to reach 2,000 yards for a career...BG needs 28 yards rushing to surpass the total of last year's team and have its best season running the ball since 1980...offensive lineman Joe Wyse will start his 36th game...how about the play of Ronnie Redd has caught a pass in 33 straight games...a quick look ahead - 14 starts will return next season (seven on both sides of the ball) as the Falcons once again should be a favorite for the league title...the 1994 season begins Sept. 3 at North Carolina State, a team which has been in and out of the top 25 this season...four of BG's first five games are on the road.

GO FALCONS!
Although he has accomplished as much as any coach in college football in his first tenure as a head coach, that will not stop Bowling Green State University head coach Gary Blackney from continuing to work as hard as he has in his first two seasons.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles while going undefeated in league play over the period. This comes on the heels of five straight years when 5-6 was the best record.

The 1993 season will present some new challenges for Blackney and his staff as they look to become only the third team in league history to win three consecutive titles. And there is also the matter of putting their names alone in the record book for the most consecutive wins in league play, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

The Blackney File

Full Name: Gary Richard Blackney
Age: 48
Birthdate/Place: December 10, 1944/Astoria, New York
Hometown: Plainview, New York
Height/Weight: 5-8/180
Began at BGSU: December 5, 1990; Record (Yrs.): 21-3 (2)
Wife: Lauretta
Children: Debbie (26), David (25), Kyle (19), Gary Jr. (15)

back-wide receiver duos in league history. But, overcoming obstacles in something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The BGSU head coach is a much sought-after speaker during and after the season, having spoken to many community groups throughout the state since taking over as head coach, in addition to speaking at numerous banquets.
Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award the last two seasons. He has also been named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the last two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Coach of the Year.

A little less than three years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. Last season was the seventh time in the last nine years Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful.

In March, 1986, Gary’s wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

“I look at Lauretta’s situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage, look at her - not me.”

**BRUCE CUNNINGHAM**
Assistant Coach
Bruce Cunningham, 27, is in his second season as a full-time assistant coach after serving as a graduate assistant with the program in 1990 and 1991. Cunningham will work with the inside linebackers again this season. While a graduate assistant, Cunningham worked with the offense, mainly the wide receivers. The 1988 graduate of Eastern Connecticut State University coached high school football in his home state for five years before coming to BGSU. The Greenwich, Conn. native will recruit Upstate New York and the New England states.

**MICHAEL FARAGALLI**
Assistant Coach
Michael Faragalli, 34, returns for his third season after directing the Falcon offense to the #1 spot in the MAC in scoring last season while they were second in passing and total offense. Faragalli, the offensive coordinator, works with the quarterbacks and receivers while recruiting Canada and Indiana. Prior to coming to BGSU, Faragalli was one of the top offensive minds in the Canadian Football League for six years, most recently with Edmonton helping Tracy Ham develop into the CFL’s 1990 Most Valuable Player. The Philadel-

**PAUL FERRARO**
Assistant Coach
Paul Ferraro, 34, is in his third season as the defensive coordinator at BGSU after joining the staff in December, 1990. Paul will work with the defensive secondary in addition to his duties as the defensive coordinator while recruiting Cleveland and Toledo as well as the states of New Jersey and Florida. Paul has 11 years of collegiate experience, most recently as a member of Tom Lichtenberg’s staff at both Maine (1989) and Ohio (1990). The Ridgewood, N.J. native earned three letters at Springfield as a defensive back during his playing days.

**BRUCE GREGORY**
Assistant Coach
Bruce Gregory, 32, is the most recent addition to the football staff having joined the program last July. He came to BGSU after serving as the coach of the wide receivers at Boston University for four seasons. The South Kingstown, R.I. native will also coach the receivers again this season at BG. Prior to serving on the coaching staff at Boston University, Gregory spent two seasons (1986 and 1987) at BGSU under head coach Moe Anchney. Gregory, a Western Maryland College graduate, and his wife, Tracy, have two children, Megan, 4, and Brian, 2.

**BOB LIGASHESKY**
Assistant Coach
Bob Ligashesky, 31, who joined the staff in December, 1990, will coach the outside linebackers. Ligashesky is responsible for recruiting in the Akron-Canton and Pittsburgh areas as well as Northeast Ohio and the Western United States. The McKee Rock, Pa. native came to BGSU from Kent where he coached the inside linebackers under head coach Dick Crum. Ligashesky also coached collegiately at Wake Forest and Arizona State. Ligashesky earned three letters at Indiana University of Pennsylvania during his collegiate playing career.

**TERRY MALONE**
Assistant Coach
Terry Malone, 33, is in his eighth year at BGSU and will be coaching the offensive tackles and tight ends this season. Malone, who has added responsibility of being the recruiting coordinator, is responsible for recruiting the state of Michigan. The Buffalo, N.Y. native has also coached the centers and guards during his tenure at BGSU. Malone previously coached at Holy Cross and Arizona. Malone was a four-year starting tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of two children, Kara, 3, and Patrick, 2.

**TONY PUSATERI**
Assistant Coach
Tony Pusateri, 42, joined the program in February, 1991 and will again coach the defensive line while also handling the kickers and special teams. Pusateri was one of the top high school coaches in the state for 15 years prior to coming to BGSU, spending 10 of those seasons at St. Francis DeSales in Columbus. At DeSales, Pusateri’s teams won almost 75% of their games and the 1986 Ohio Division III title. Pusateri coached at Westerville South for five seasons before joining the BGSU staff. The Columbus, Ohio native is a graduate of Capital University. Tony and his wife, Kim, are the parents of one child, Antoinette, 1.
### SCOTT SEELIGER
**Assistant Coach**

Scott Seeliger, 43, is in his second stint as an assistant coach at BGSU having been a member of Denny Stoltz's staff for five years between 1979 and 1983. Seeliger joined the staff in January, 1991 as the assistant head coach in addition to his responsibilities with the guards and centers. He recruits Southwestern Ohio and the Southeast United States in addition to the Cincinnati, Dayton and Indianapolis areas. Besides his five years at BG, Seeliger's 15 years of coaching experience on the collegiate level includes nine seasons at Wisconsin, where he spent most of his time coaching the offensive line. The Madison, Wis. native was a tight end on the 1972 Iowa State team that played in the Sun Bowl. Scott and his wife, Karen, have two daughters, Keri, 20, and Kori, 18.

### JIM BRIDGE
**Graduate Assistant**

Jim Bridge begins his second season with the BGSU football program as a graduate assistant coach. Bridge, a Rocky River, Ohio native, will assist the coaching staff on the offensive side of the ball. The 1988 graduate of St. Edward High School earned his undergraduate degree from Wittenberg in 1992 in history. Bridge was a tight end on the 1989 Wittenberg team which advanced to the NCAA Division III national quarterfinals. He is currently working toward a graduate degree in sport management at BGSU.

### VIC JAMES
**Graduate Assistant**

Vic James is in his second season with the BGSU football program helping the coaching staff on the defensive side of the ball. The Ramsey, N.J. native and 1983 graduate of Don Bosco Prep earned two letters in hockey at William Paterson College where he received his degree in exercise physiology in 1988. He coached for three seasons at Pace University before joining the staff at BGSU. James is currently working on his graduate degree in guidance and counseling at BGSU. He and his wife, Maureen, live in Bowling Green.

### MIKE WARD
**Strength and Conditioning Coach**

Mike Ward, 31, is in his second season as the strength and conditioning coach at BGSU. He is also the director of the BGSU Athletic Fitness Center, located on the west side of Doyt Perry Stadium. The Mansfield, Ohio native works with all 19 intercollegiate sports and is responsible for the maintenance and development of the $300,000 fitness center, a 5,800-square foot facility. The 1984 graduate of Georgetown (Ky.) College also earned his graduate degree there while earning All-America honors as a guard on the football team. Before coming to BG, Ward was an assistant coach at Findlay University. He and his wife, Jody, reside in Findlay.

LAS VEGAS
The MAC is one of the 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 47th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University - nine schools have been members of the conference for 15 or more years. The University of Akron is the newest member having joined the league last year.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate enrollment.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC had an academic progress rule, strengthened admittance standards, and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 19 championships, 10 in men's sports and nine on the women's side. For men, the MAC sponsors championships in football, baseball, basketball, cross country, golf, tennis, and track and field since its founding, and added swimming and diving and wrestling championships five years later. Men's soccer began as a MAC-sponsored sport this fall.

In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming and diving, tennis, track and field and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 49 individuals have been inducted into the MAC Hall of Fame in its first five years of existence, including 16 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schembechler (Miami), Jack Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 46 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls.

In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

For the second straight year, the MAC champion will play the Big West champion in the Las Vegas Bowl. This year's game is scheduled for Dec. 17 at 5 p.m. This is the 13th season the winners of the MAC and BWG have battled in a bowl.

WELCOME TO DOYT L. PERRY STADIUM

- Doyt L. Perry Stadium celebrates its 28th anniversary as the home of Falcon football this season. Widely-regarded as the finest facility in the Mid-American Conference in which to watch football, Perry Stadium seats 30,599.
- Authorized personnel ONLY are allowed on the field before, during or after the game. Your adherence to this policy is appreciated.
- Banners and signs may be displayed in Perry Stadium ONLY with prior permission from Ken Kavanagh, associate athletic director. Kavanagh can be reached during weekday working hours at 372-2401.
- Emergency medical aid is available from the ambulance crew in the northeast and northwest corners of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.
- Field headquarters for stadium game operations is located on the ground level of the east side of Perry Field. The telephone number is 372-2401.
- First aid is located on the east side of the stadium next to the equipment room. It is easily marked for emergency situations. Trained medical personnel are in attendance at all Bowling Green State University football games.
- Lost and Found is located at field headquarters (see above) during the game or at the Perry Stadium office of Ken Kavanagh, associate athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.
- Rest Rooms are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3 and 5 and 7.
- Telephones are situated at frequent intervals on ground level on both the east and west sides of Perry Stadium.
- Your cooperation is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol. Anyone caught possessing alcoholic beverages may be ejected from the stadium.
- Handicapped seating areas are located on the north and south ends of the mezzanine levels on both sides of the stadium and can be easily reached via the ramped walkways. In addition, areas are available in the north end zone. For further information, please contact Scot Bressler, ticket manager, during weekday working hours at 372-2762.
- Request for assistance and reports of discourtesy should be directed to stadium ushers. Usher personnel wear orange jackets with identification tags and are positioned at each ramp throughout the stadium for your convenience.
- In accordance with University policy, smoking is prohibited in the seats, portals, locker rooms, both press boxes, and in the offices at Doyt L. Perry Stadium. Smoking is permitted on the blacktop areas underneath the stadium.

All good things must come to an end. For 10 members of the 1993 BGSU football team, this afternoon is the end of something and at the same time the beginning of something else.

The 10 players making their final appearance in a BGSU uniform include linebacker Lee Boyer (Maumee, Ohio/Anthony Wayne H.S.), offensive lineman Vito Cinquepalmi (Chicago, Ill./Harper College/St. Patrick H.S.), defensive lineman Maurice Coles (Wheeling, W.V./Central Catholic H.S.), defensive lineman Bob Dudley (Northville, Mich.), offensive lineman Matt Foley (Springfield, Ohio), defensive lineman Clint Frazier (Cincinnati, Ohio/Lakota H.S.), running back Zeb Jackson (Toledo, Ohio/St. Francis H.S.), tight end Brad Long (Chesterland, Ohio/West Geauga H.S.), defensive back Darnell Staten (Cleveland, Ohio/Shaw H.S.), and offensive lineman Joe Wyse (Archbold, Ohio).

Many of the 10 players have had a large role in the success the program has enjoyed the last three seasons, and all have had a hand in that success at one time or another.

Along with the senior classes the last two seasons, this year's group has to be given credit for helping make the Falcon football program one of the best in the MAC again, and certainly a program that has the attention of many people across the nation.

"It all started this summer when the seniors got together and decided to make the sacrifice of staying in town in order to lift and stay in good shape," head coach Gary Blackney said. "It is a quality group of people. Any success we have had this season is in direct correlation to the senior class and their leadership."

The following are some comments from the seniors as they talked earlier this week about their last game.

Bob Dudley: "I have mixed emotions. It was not supposed to end this way. We wanted to still be practicing six weeks from now. So it has been an abrupt end. But at the same time it is also a happy time. The program has enjoyed a great deal of success the last three years and I am just happy to have played a small role in that success.

"I will miss my teammates, especially the seniors.

"We know what it's like to win, and we also know what it is like to lose. Through a majority of my time here I've felt like we were winners. I want to go out a winner."

Joe Wyse: "First, I think of my family and all the games they've travelled to and attended. That kind of support has been a big help during my career. Secondly, I think about the seniors and all the good times we've had.

"I am looking forward to playing the last game at home. Despite the fact we cannot make that third trip to a bowl game which we all wanted, no one can take away from us what we have accomplished the last three years."

Vito Cinquepalmi: "I will miss the people in Bowling Green and my teammates more than the game. I've made many lasting friendships while I've been here.

"Expectations are high around here so I look for us to bounce back after the loss last week and start a new streak ending our careers on a winning note."

Darnell Staten: "It's hard to believe it is all over. It has gone by so fast. I'm looking forward to going out with a good performance and a win."

Matt Foley: "I will not approach the game any different - give 100% like I have my whole career and hopefully go out a winner."

Lee Boyer: "For me it will be special because my brother is flying in for the game and you want to perform at your best for your family. Many times people only remember the last game, which makes it important that we win the game Saturday. We all want to go out winners."

Zeb Jackson: "Way back when we all came here as freshman, you never think the end will come. I think it is important for us to get a win in the final game, not only for ourselves to go out winners, but for the players returning next season so they have something positive to build on for 1994."
Junior Ronnie Redd is the top returning receiver for the Falcons. He begins the 1993 season having caught a pass in 23 straight games with 10 of his 51 career receptions good for touchdowns.

To Our Falcon Fans:

You are the key to success for our Falcon teams. Our fine student-athletes greatly depend on the Falcon Club to raise more than $250,000 of income to help fund the athletic grants. The Falcon Club also assists in other athletic areas including the funding for facility budgets.

Your help and support does make a difference for the continued success of our outstanding teams. Falcon Club members are proud alumni, parents, friends and fans that provide financial support, volunteer hours and give their advisory expertise to the BGSU athletic program in order to share in the many benefits the Falcon Club has to offer.

The pride and tradition of Bowling Green has enabled the Falcon Club to once again set high goals for 1993. Your support is needed so participants and fans alike can continue to enjoy the winning combination provided by one of America’s premier athletic programs.

Please give to our fine athletic program and its 19 very competitive teams as we look forward to you joining the Falcon Club in ‘93.

Go Falcons!!!

Sincerely,

Fran Voll

A Taste of Home at BGSU

Listening to its customers and trying to do what's right has been an award-winning combination for the University's Food Operations.

For the past several years, the operation, which employs more than 900 people and serves more than two million meals annually, has won a national award, either for its operation or for the food it serves.

In 1990, it won a cost-reduction award from a national organization for switching from paper products to glass. On an annual basis, the move saved the University $32,000 in paper products it no longer needed to buy and kept 26,000 pounds of paper trash out of the landfill.

In 1992, Food Operations director Jane Schimpf won an award from the International Foodservice Manufacturers Association for her management skills and contributions to the food service industry.

And most recently, this month Food Services was presented a Crystal Apple Award for its contributions in the employment of persons with disabilities. The award was presented by the Northwest Ohio Placement Association and Adult Services Providers Consortium. During the past six years, food operations has employed more than 30 individuals with disabilities.

But perhaps most important to students, is the fact that sandwiched between these awards have been two Ivy Awards for the quality and presentation of the food served at the University.

Sponsored by "Restaurants and Institutions" magazine, the international award recognizes the quality of the food and service, in addition to the philosophy of the management team.

Bowling Green State University is the only college or university food operation in the country to win the award twice. One of reasons for the operations' success is that it asks students what they want to eat, and prepares meals like mom—and sometimes even dad—make.

During Parents Day weekend earlier this month, Food Operations held its annual "Taste of Home" competition. Open to the parents of University freshmen, the contest was initiated by Jane Schimpf, who says food made from home recipes is the next best thing to having home cooking.

"We thought it would be a good, fun way to get the parents involved," Schimpf said. "The students enjoy eating prepared meals like the ones moms and dads make."

Fifty-eight recipes were entered in the contest this year. Recipes which could be adapted for use in the dining halls were kitchen tested. Employees at Harshman Dining Hall chose five finalists on the basis of taste, appearance, texture and color.

During the final round of judging, students chose the grand-prize winner.

The winner: Judith Fischer of Gibsonia, Pa., who submitted her neighborhood's favorite breakfast club recipe for crescent caramels. Fischer's daughter, Robyn, is a freshman.

The winning recipes will be used in the cafeterias in the years to come, but if you would like to try them at home...

Chicken in French Apricot Sauce

1 8-oz. jar of apricot preserves
1 (1% oz.) envelope of dried onion soup
1 8-oz. bottle of French dressing
2 quartered chickens

Mix preserves, onion soup, and French dressing. Spread the sauce onto chicken. (Chicken skin may be pulled off to lower cholesterol intake.) Bake at 350 degrees F. for 1½ hours. This sauce is also great on spareribs or chicken wings as an appetizer. Makes 8 servings.

Crescent Caramels

5 tbsp. of butter
¾ cup of brown sugar
¼ cup of water
½ cup of chopped pecans
2 8 oz. cans of crescent rolls
3 tbsp. of soft butter
¼ cup of sugar
2 tsp. of cinnamon

Preheat oven to 375 degrees F. Melt 5 tbsp. of butter in ungreased 13"x9" baking dish in oven. Stir in brown sugar, water and pecans. Separate package of crescent rolls into rectangles. Seal the perforations. Spread with 3 tbsp. soft butter. Combine cinnamon and sugar. Sprinkle over dough. Start at short side and roll up each rectangle. Cut each roll into 4 slices and put flat in a pan. Bake at 375 degrees F. for 20 minutes. Invert immediately.

Pepperoni Lasagne

16 oz. cottage cheese
1 medium size egg (slightly beaten)
1 cup (4 oz.) shredded mozzarella cheese
1 8-oz. box of lasagne (cooked and drained)
6 oz. of chopped pepperoni
3 cups (24 oz.) RAGU spaghetti sauce with mushrooms.

Combine cottage cheese, beaten egg, and ¾ cup of mozzarella cheese. Add chopped pepperoni to spaghetti sauce. Place 1 cup of spaghetti sauce in a 11"x7"x2" baking pan. Layer ⅛ of the cooked lasagne noodles, ⅛ of the cheese mixture and 1 cup of spaghetti sauce. Repeat once. Top with remaining lasagne noodles, spaghetti sauce, and ¼ cup of mozzarella cheese. Cover pan with aluminum foil and poke 5 small holes in foil. Bake at 350 degrees F. for 40 minutes. Let stand for 15 minutes before serving. Makes 6-8 servings.

A build-your-own salad bar is one of the options available to students eating in the newly renovated dining halls in Founders Quadrangle.
By Steve Barr,
BGSU Sports Information Director

The arts and football are two venues which generally do not go hand in hand. The subtle nuances of a painting, drawing or even a concert or play really have no relation to the hard reality and brutality of football.

But, Bowling Green State University inside linebacker and graphic design major Vince Palko has managed to combine the two with unparalleled success.

"Vince puts the same effort into football as he does when he's over here in our department," said Sherwood McBroom, an assistant professor in graphic design. "He never misses class and is always willing to spend the time needed to complete his projects and work in the best possible manner.

"It is a combination you don't see very often (football and the arts), but the one similarity I see is in the work ethic. It takes the same kind of work ethic to be successful in graphic design as it does to be successful in football. If you're not willing to spend the time needed, a person will not be successful in either field."

The combination of art and football is not one which has never been seen before, rather, it is a rare unification of skills. Former Cincinnati Bengal Mike Reid, a defensive tackle who played for Joe Paterno at Penn State, is a concert pianist and regularly performed while he was a player. He is now a songwriter living in Nashville, Tenn.

Palko originally became interested in art, drawing is his favorite form, at a young age through his mother, Donna, who was an art teacher. It is definitely a talent which runs in the family. His older sister is a graphic designer in Chicago and his younger brother also enjoys drawing.

"My mom was an art teacher and she had me drawing when I was very little," Palko said. "And I've been in love with it ever since. We all like to do things that we enjoy, and for me I enjoy drawing and designing along with football."

The conception of the arts being a quiet world with a person keeping to their own thoughts while painting or drawing in contrast with the three hours of mayhem, which characterizes football, provides Palko with a balance which is another plus to his unusual "double."

"Being involved in design and drawing is therapeutic for me," Palko said. "You get a chance to relax and it takes you away from everything else.

"To be real honest, I am not very good at anything but drawing and football. Hopefully, art and football will be my niche in the graphic design world."

But, he says the perception that drawing and designing is just something that you do for fun to pass the time is very wrong.

"It is demanding," commented Palko. "People think, art, it should be easy, it should be fun. But, it is time-consuming and combining that with the time football takes, I have to find time in order to give my best effort to both things."

His class load consisted of mostly basic art classes in his first two years as a student, but that has changed the last couple years.

"Now that I'm in the thick of my courses, I am taking things like advertising, where we design packages. I also spend quite a bit of time working with design programs on a computer."

On the athletic side, the Stow, Ohio native has been a main cog in the Falcons winning back-to-back Mid-American Conference titles and consecutive bowl games, but he was overshadowed by senior teammates at the other inside linebacking spot.

As a freshman, Palko was second on the team to Mike Calcagno with 98 tackles starting all 12 games. Last season, he increased his tackle total to 119 and again was second to senior Artie Mangham while starting 10 games. Its hard to start 22 games your first two seasons, finish second on the team in tackles both seasons, and get lost in the shuffle.

But this season is a whole different story. He has moved out of the shadow and is the leader of the defense and the team having been tabbed by teammates as a co-captain for the 1993 season. It is a role he relishes.

"I enjoy being the leader out there. When things get tough, the guys look to me and I love that challenge," Palko said.

"As a linebacker, I want to go out there and make every tackle. It's the best position on the field, you're in the middle everything. You get to make some big hits.

"I just do what I have to do. If I'm making more tackles that's great, but I don't care who makes more tackles. I just want the "W", that's all that counts."

The stuff that dreams are made of.

Hard work. Long hours.
And the drive to continually push
the limits and be the best.

It’s how winners play.
And how we work.

(Continued on page 37)
The page contains a schedule for future football games and a list of football players' statistics. The schedules are for 1994, 1995, and 1996, with games against various teams such as Navy, Ohio, Ball State, Miami, Central Michigan, and others. The players' names, positions, heights, weights, and hometowns are listed, along with some additional notes about their backgrounds. The schedules are subject to change, and MAC schedules for 1995-97 will be announced later this season.

LET US SHOW YOU THE DIFFERENCE BETWEEN MARKETING AND ENGINEERING.

Enhanced Mill.
Come and see the Enhanced Mill VTRs—the fifth generation of Panasonic half-inch component analog recording technology. The more you use it, the better it gets. Now, a three dimensional type TBC provides features like picture in picture, a full field of memory and digital still frame. RS-422 Serial Digital Control is standard as is a full complement of video and audio connectors. By offering features like a selectable, built-in 16:9 aspect ratio and an optional CCR 661, 4:2:2 component digital interface, we can link you to the future with Enhanced Mill.

"FIRST CARE, THEN CARS"
FOR OVER 54 YEARS!

At Ed Schmidt, "first care, then cars" has been our way of doing business since we first opened over 54 years ago. We did business that way then, and we do it that way now! Before we try to put you in one of our cars, we try to put ourselves in your shoes. Some call that the Golden Rule, we just call it good business. And that way of doing business has given Ed Schmidt an A-1 rating in the Northwestern Ohio area. See us for all your automotive needs.

There are a lot of reasons to switch to Fifth Third. We have shown our strength by ranking as one of the strongest banks in the country, year after year. And when you take a look at Fifth Third's total package of products and services like our One Account Plus†, Rainy Day CD and Club 53, we don't think anyone can match it!

So, stop by your nearest Fifth Third Banking Center—there are 47 in northwest Ohio, nine of which are in select Kroger stores and offer seven-day-a-week banking. You'll find out why we're not your ordinary bank!

Put College Degrees Within Your Children’s Grasp

By the year 2010, the average college education will cost $58,000 at a public university and $159,000 at a private institution.*

For many parents, the goal of providing children a college education seems out of reach. Find out how you can put college degrees within your children’s grasp. Call us today.

In large measure, Bowling Green State University's success has centered on its ability to offer its students the educational diversity and excitement of a large university, while maintaining the caring and camaraderie of a small college.

That's a direct result of Bowling Green's research and teaching commitment, which attracts top scholars and graduate students and puts the University on the cutting edge of the development of exciting new knowledge, combined with a "We Care" attitude that students are introduced to when they first arrive on campus.

Today, the University has nearly 1,000 full- and part-time faculty and 17,300 students on its main campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 170 undergraduate degree programs, 13 master's degrees in 69 fields of study and doctoral degrees in 14 departments with more than 60 specializations.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 78 percent of whom hold Ph.D's, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three departments—chemistry, philosophy and psychology—are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only two other Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than Bowling Green.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Mid-American Center for Contemporary Music, the Center for Quality Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 "non-traditional" adult students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.7 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recording Archives with 600,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. Last fall, a $9.8 million addition to the Fine Arts Building was completed as well as the transformation of Hayes Hall into a computer center. Earlier this year, an $8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened. A $15 million renovation of Founders Quadrangle was completed in August and has transformed the building into a state-of-the-art residence hall. Construction on a $13.5 million classroom building and a $9.5 million major renovation of Eppler Hall are currently underway.

In the last 11 years, more than $160 million has been allocated for new construction and remodeling projects.

The University has also accomplished its goal of making computers a vital part of each students education. There are 19 computer labs, including one in every residence hall complex, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. And, following a successful pilot program, student rooms in Chapman Hall are equipped with computers.
Port Lawrence people share a common responsibility for constructive ideas, work quality and individual productivity. We believe accuracy, thoroughness and promptness are imperative.

BOARD OF TRUSTEES

DAVID A. BRYAN
David A. Bryan is a partner with the Toledo law firm of Watersman, Bryan, Landry & Honold. He is a member of the board of directors of Mid American National Bank and Trust Co. and Mid Am Inc. and the BGSU Medici Circle. He has created a scholarship for minority children in the Big Brother Program to attend the University. A graduate of Muskingum College and the University of Toledo, he taught in the Toledo Public School system before beginning his legal career. Bryan is filling the unexpired term of Nick Mileti, which will end in 1994.

C. ELLEN CONNALLY
Judge C. Ellen Connally is serving her third term as judge of the Cleveland Municipal Court. She is the first black woman in Ohio to be elected to a judgeship without first being appointed. Very involved with civic affairs, she is a founding member of the Black Women Lawyers Association of Cleveland, a volunteer lecturer for the Weekend Intervention Program at Deaconess Hospital of Cleveland, a member of the Adult Continuing Education Advisory Committee of the Cleveland Board of Education, and a member of the National Conference of Black Lawyers. Connally, a 1967 graduate of BGSU, was appointed to the board in 1986 for a term ending in 1989.

JOHN A. LASKEY
John "Jack" Laskey of Perrysburg is the chairman and president of Port Lawrence Title and Trust Co. He also is an owner of Gulf Atlantic Title Insurance Group which has offices in Orlanda, Palm Beach and Daytona, Florida. Actively involved in regional economic development, Laskey has served as a trustee of the Toledo Area Chamber of Commerce, the Mid-American Council on Economic Development, and Toledo Scape, a leadership development organization. Laskey, who attended the University of Notre Dame, was appointed to the board in June 1989. His term expires in 1998.

DELBERT L. LATTA
Delbert Latta concluded a distinguished 30-year Congressional career in 1989. The Bowling Green Republican served the Fifth Congressional District and was one of the most influential members of the House of Representatives at the time of his retirement. He earned both bachelor's and law degrees from Ohio Northern University and following three terms in the Ohio Senate was first elected to Congress in 1968. Upon his retirement, friends and family created the Delbert Latta Scholarship Fund to benefit young men and women living in the 16 northwest Ohio counties that Latta served during his political career. His term on the board will expire in 2001.

JOHN C. MAHANEY JR.
John C. Mahaney Jr., president of the board, is the president of the Ohio Council of Retail Merchants in Columbus. He serves as president of the Merchants Services, Inc. and holds the position of executive director of both the Ohio Automatic Merchandising Association and the Ohio Association of Wholesaler/Distributors. A graduate of Niagara University, he is a former sports editor of the Piqua "Daily Call." Two of his children, John and Julia, are BGSU graduates and a third, Matthew, is currently a member of the football team. He was appointed to the Board in 1987 and his term expires in 1996.

G. RAY MEDLIN JR.
G. Ray Medlin Jr. of Toledo is executive secretary treasurer/business manager of the Northwest Ohio District Council of Carpenters and is responsible for contractor relations. He also is president of the Northwest Ohio Building and Construction Trade Unions, representing 10,000 members throughout northwest Ohio. The council consists of 19 affiliated local unions. He has received certification from the George Meany Institute in labor law, the Ohio State Workers Compensation Institute and the International Foundation of Employee Benefit Plans. His term will expire in 1999.

VALERIE L. NEWELL
Valerie L. Newell of Cincinnati is vice president/senior portfolio manager of Scudder Stevens & Clark where she is responsible for private investment counsel. Active in the Cincinnati community, she serves on the Cincinnati Playhouse in the Park board of trustees, the Cincinnati Federation of Women's Clubs, the Cincinnati Board of Education, United Way and Junior League of Cincinnati. She has received such honors as YWCA Career Woman of Achievement and Cincinnati Board of Commerce Distinguished Career Woman of 1985. A 1975 accounting graduate of BGSU, she was named the Outstanding Woman Graduate that year and also served as captain of the women's swimming team where she received All American honors in 1974 and 1975. Newell is filling the unexpired term of G.O. Herbert Morehead Jr., which expires in 1996.

THOMAS W. NOE
Thomas W. Noe is founder and president of Numismatic Investments of Ohio in Sylvania. A native of Bowling Green, he has been a full-time coin dealer since 1970. He is a member of numerous organizations including the Professional Numismatic Guild and vice-chair of the Industry Council for Tangible Assets. Active in the community, he is the chair of the Lucas County Republican party, a member of the Toledo and Sylvania Chambers of Commerce and the Rotary Club of Toledo. He is also a member of the board of directors of the St. Vincent Medical Center Foundation and the board of regents of the Catholic University of America in Washington, D.C. His term will expire in 2000.

KERMIT STROH
Kermit Stroh of Wapakoneta is president and chief executive officer of Moulton Gas Service Inc. His company provides propane gas service to more than 14,000 customers in West Central Ohio and he has been president of the Ohio Propane Gas Association. Stroh has been a generous contributor to the University through his involvement with the Charles E. Perry Sociey, Gold University Circle and Falcon Club. He is also active in the Republican party. Two of his three daughters, Tracey (Stroh) Wright '77 and Melissa (Stroh) Wanaker '82, are University alumni. His term will expire in 2002.

DOES THIS SOUND LIKE YOUR LAST VISIT TO A HOSPITAL?

Most people think of a hospital as a peaceful place to rest and recover. But in many semi-private hospital rooms, getting peace and quiet is more wishful thinking than anything else.

At Mercy and St. Charles we understand that your only wish in the hospital is to get well soon, which is why all our regular rooms for adult medical patients are private rooms.

So while bigger hospitals are making noise about how many people they treat, remember to ask yourself—how noisy do you want your hospital to be?

BETTER HEALTH, TIMES TWO.

PRIVATE ROOMS. NO EXTRA CHARGE.
Building upon the inherent strengths of the University's faculty and its academic programs, Olscamp charted a course that would move Bowling Green into the ranks of the country's most important colleges and universities. The effort focused on teaching, research and service and has involved a University-wide commitment to excellence. He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Now, as Olscamp begins his 12th year at Bowling Green, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty now have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. In 1992-93, private giving topped $4 million for the second straight year. During his tenure, the school's endowment has increased to nearly $44 million from $1.9 million when he arrived.

Olscamp also brings a personal touch to his presidency. He frequently hosts both students and faculty as his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**

*Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.*

*Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.*

*Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.*

*The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three $500,000 grants from the Ohio Board of Regents.*

*The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BG SU.*

*More than 275 students are National Merit Scholars, one of the highest numbers on any campus in the country, over the last six years.*

*Establishment of the University's first major scholarships for minority students.*

*Creation of a network of computer labs throughout the campus, including labs in each residence hall. One survey has BGSU listed 55th in the country in the number of personal computers on campus.*

*Securing more than $5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.*

*Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.*

*Expansion of the library's holdings to more than four million items, including 1.7 million books, plus journals, periodicals, microforms, government documents and other materials. Also, the library is among the first to be part of OhioLink, which enables students access to all holdings at state universities, community colleges and selected private libraries in Ohio.*

*Development of the Student Telephone Accessed Registration system which enables students to schedule their classes from a touchtone telephone. The STAR system has made long registration lines a part of University history.*

**Physical Plant**

*More than $160 million has been spent in the past 11 years for the construction of new buildings and upgrading existing buildings.*

*Completion of the $7.2 million Physical Sciences Laboratory Building in 1984 and a $3.65 million addition to the Business Administration Building in 1988 and a $9.8 million Fine Arts Center and an $8.7 million field house.*

*Construction is now nearing completion on an $13.5 million classroom building.*

*Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, the Eppler complex and Founders Residence Hall. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.*

**University Finances**

*Creation of an internal endowment fund of $4 million from various University reserves. The balance is expected to reach $10 million in 1994. Interest on the $10 million principle will be used to supplement the academic budget.*

*Developing a plan to restructure debt service obligations which is projected to result in a $32 million principle in 10 years. Interest on that amount, which could exceed $2 million annually, will go toward the academic budget.*

*Completion of the most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University's first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.*

*Completion in 1993 of a $1.825 million Campaign for the Arts to benefit the theatre, music, art, dance and Arts Unlimited programs.*
The tradition of excellence that is Bowling Green State University athletics continued in 1992-93 as four Falcon teams captured league titles, three teams earned berths in the NCAA Tournament and three student-athletes earned Academic All-America honors.

As we move further into the final decade of the 20th century, the accomplishments of BGSU’s coaches and student-athletes solidify BGSU’s place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams in the first three years of the 90s, the 90s may be even better.

Bowling Green claimed 24 conference titles during the 1980s with twenty-one teams earning berths in post-season play. In the first three years of the 90s, BG teams have already won eight league titles with seven of those teams making appearances in post-season action.

In addition, the last two years the women’s programs have captured the Jacoby Trophy for overall athletic excellence in the MAC.

The following is a brief synopsis of each program in the BGSU Athletic Department...

**BASEBALL** - The program has a young, energetic leader in fourth-year head coach Danny Schmitz who is beginning to develop one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, coached in the minor leagues at the AAA level. Many former BGSU players have gone on to play professional baseball including two of the top pitchers in the game - Roger McDowell and Orel Hershiser - who play for the Los Angeles Dodgers.

**MEN’S BASKETBALL** - After making back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91 under head coach Jim Larranaga, a solid nucleus of returning players will try to get BGSU back in postseason play this season. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU’s alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

**WOMEN’S BASKETBALL** - The tradition-rich program made a fifth NCAA Tournament appearance last season hosting Florida. BGSU’s 163-47 record over the last seven seasons is the 10th best record among the almost 300 schools in Division I. The Falcons are the winningest team in MAC history having captured five league tournament titles and four regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 for BG’s NCAA Tournament game against Florida last season.

**CROSS COUNTRY** - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four CC titles in the 1980s. Now, he’s working his magic with the men. Price, an experienced coach on the national and international level, is in his fourth year as the head coach.

**FOOTBALL** - Back-to-back league titles and bowl victories along with 16 straight MAC wins have put the BGSU football program back among the elite. BG’s 21-3 record the last two seasons is the fifth-best mark in the country among the 106 Division I A schools. Celebrating its 75th season of play this year, along the way BGSU alumni have included former NFL all-pros Phil Villapiano (Oakland), Mike Weger (Detroit) and Doug Smith (Los Angeles Rams).

**GOLF** - Coach Todd Brunsink’s men’s and women’s golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men’s program has won four MAC Championships and made four NCAA Tournament appearances while the women’s program is annually among the best in the region.

**GYMNASTICS** - Year in and year out, Coach Charles Simpson fields an MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last ten years. In each of the last five seasons, his teams have consistently increased the school record for team score.

**HOCKEY** - A winning tradition is what the Falcon hockey program is all about. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last eight years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. Coach Jerry York ranks among the best collegiate coaches of all-time with 448 career wins having led the Falcons to four CCHA regular season championships and one league playoff title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey’s greatest names, nine of whom currently play in the NHL, including defensemen Garry Galley and Rob Blake and forward Nelson Emerson.
SOCCER - The program posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 31-4-3 record the last two seasons. The Falcons were the top team in the Great Lakes Region last season posting a sparkling 15-2-1 record on their way to an NCAA Tournament berth. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in five of the last seven years for a 66.2 winning percentage.

SOFTBALL - After a 37-win season in 1991, MAC Coach of the Year Jacquie Joseph led her team to a MAC title and NCAA Tournament berth winning 34 games last season. Many of the key personnel return from the championship team which points to more success in the future for the program. The program has had an all-region player three of the last five years and the Freshman of the Year in the league the last two seasons.

SWIMMING AND DIVING - Coach Brian Gordon returns for his seventh year with the men and women hoping to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women’s program established a school record while they have never finished lower than third in 12 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest’s top swimming and diving facilities.

TEennis - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men’s team, under the guidance of third-year coach Dave Morin, finished fourth in the MAC last season and he returns his entire lineup intact for the 1992-93 season. The women’s program is under the guidance of Penny Dean, who is in her fourth season.

track & field - Bowling Green, long associated with success in track and field, had five athletes win events at the MAC meet and four athletes compete in the NCAA meet, two earning All-America honors. The women’s program was the runner-up in the race for the MAC team title last year. Among the track alumni is six-time NCAA All-American and 1972 Olympic gold medalist Dave Wottle. Sid Sink, a seven-time All-American at BGSU, heads the men’s track team, while Steve Price directs the women’s program.

VOLLEYBALL - Coach Denise Van De Walle has steadily built the Falcon volleyball program into one of the best in the country. Last year’s team won a school-record 30 matches in capturing their second-straight MAC regular-season title. BG has won 20 or more matches six of the last seven years. Van De Walle, three times named the league Coach of the Year, has led the Falcons to 171 wins over the last six seasons or a victory three out of every four times they’ve played.

Athletic Director Jack Gregory

Since his appointment 12 years ago as director of athletics at Bowling Green State University, John C. (Jack) Gregory has set a standard of excellence designed to place Falcon men's and women's teams on equal terms with today's elite intercollegiate athletic programs.

To reach these goals, Gregory challenges his staff of administrators, coaches and classified personnel to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU:

• the 1984 NCAA Division I Ice Hockey Championship;
• 18 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, men's golf, and volleyball;
• three California Bowl appearances;
• one Las Vegas Bowl appearance;
• five MAC postseason tournament championships;
• three Central Collegiate Hockey Association regular season championships;
• one CCHA postseason tournament championship;
• 20 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including 16 in the last seven years, the most of any MAC school;
• four home NCAA Tournament berths in hockey, softball and women's basketball;
• and the 1987-88 and 1991-92, and 1992-93 Jacobsy Trophies, awarded annually to the MAC school with the best overall record in women's sports.

Under Gregory's guidance, BGSU athletics has enjoyed two of its best years ever in the last two seasons. Five league titles and postseason appearances by each of those five teams made the 1992-93 athletic year very special. And the women's program earned the Jacoby Trophy for the second straight season with BG the first school to win MAC titles in the three required sports.

All of that came on the heels of a 1991-92 season in which five teams set records for wins in a season, two earned postseason berths and the women's programs earned the Jacoby Trophy.

Some of the other highlights during Gregory's tenure include: postseason appearances by five BGSU teams in 1989-90 and 1990-91, back-to-back postseason appearances by the men's basketball program in 1989-90 and 1990-91 for the first time since the early 60s, and in 1989-90 Bowling Green was the only school in the country to send teams to national postseason tournaments in men's and women's basketball and hockey.

Gregory came to Bowling Green during one of the most difficult periods in the school's 73 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division I-A status in football. Behind Gregory's leadership, the football program attained I-A status. Record crowds have attended Falcon football, hockey and women's basketball games during Gregory's tenure. Soccer, volleyball, gymnastics and softball are drawing larger crowds, too.

Another "first" during Gregory's tenure occurred in the fall of 1990 when more than 25,000 fans turned out for the first night game in Perry Stadium history. In 1983, 33,527 fans packed Perry Stadium to witness the Bowling Green-Toledo football clash, one of college football's best rivalries. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, the third-largest average attendance (22,422) in MAC history. In 1992, Bowling Green set still another MAC attendance record by playing in front of 94,808 fans at Ohio State.

Sell-out crowds for BGSU hockey games are a tradition. In 1989-90, 1,700 seats were added to the BGSU Ice Arena, and all attendance records were broken, including single game (5,005) and season (79,376) marks.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. This year promises more of the same. Falcon football and basketball will be aired as part of the MAC Game of the Week broadcasts, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week.

With the world of college athletics changing constantly, it is important for Gregory to be active on the national level. Gregory has served on the NCAA I-A Executive Committee, the I-A Television Committee, the Division I Ice Hockey Committee, and the Pro Sports Liaison Committee. He has also worked on numerous MAC and CCHA committees.

Gregory, 65, has also been instrumental in the development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed all of northern and west central Ohio, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that is compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of college athletics depends on the continued emphasis of the "student" in student-athlete. In that regard, he appointed an academic coordinator in 1984, the first such appointment in the MAC.

Many BGSU student-athletes have excelled in the classroom. Volleyball's Linda Popovich became the MAC's first female to receive the Byers Scholarship in May, 1990 while BG has had 21 Academic All-Americans in the last seven years.

A 1963 graduate of East Stroudsburg State College and holder of a master's degree from Temple University, Gregory and his wife, Peg, reside in Bowling Green. They are the parents of two sons and have two grandchildren.

BGSU FALCON MARCHING BAND

November 20, 1993

The Falcon Band extends a warm “Thank You” to Coach Gary Blackney and the Falcon football team and staff for another exciting season. With excitement in mind, the Band concludes its 1993 season by presenting some of moviemaking's finest western themes. What better way to begin than with Clint Eastwood and John Wayne? The opening medley includes themes, emotions, and action from The Good, The Bad, and the Ugly and The Cowboys. The finale is the overture from a more recent western that catapulted the film careers of Kevin Costner, Scott Glenn, Danny Glover, and Kevin Kline. The Falcon Band says “Good Bye” until next season with Silverado.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates. We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.
• Personal satisfaction in contributing to BGSU athletics through your continued involvement.

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 28th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,000, an average of 22,422.

A large crowd is expected for this year's battle with Toledo on Oct. 2 as the Falcons go after their 17th straight league win, which would be a record, in front of a Homecoming Day crowd.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift five years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium is a large gymnasium and recreational facility.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony was (left to right) Perry's children D.L., Judy Perry McClain, David and Doyt's wife, Loretta. They are joined by John Mahaney, president of the Board of Trustees, University President Paul J. Olscamp and Athletic Director Jack Gregory.
Stadium are the Falcon Club offices and clubhouse, the academic counselor’s office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 14th year of operation, the Stadium Club’s 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President’s Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 66 percent of their home games, compiling a 86-42-5 record in the 133 games played at Perry Stadium. Over the last 11 seasons, Bowling Green is 42-9-3 at home for a .806 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

The Bowling Green State University Athletic Department recognizes and appreciates the efforts of the automobile dealers from Bowling Green, Maumee, North Baltimore, Marion, Findlay, Fostoria and Toledo pictured on this page. The generosity of these people and their support of Falcon athletics enables BGSU coaches to be on the road to recruit student-athletes, scout opponents, and represent the University. Please show your support by patronizing our “Wheels of the Falcons” automobile dealers.

Cris Shale

Punter Cris Shale became the most decorated player ever at BGSU in 1990 earning a spot on five All-America teams while establishing four MAC records, including season (46.77) and career (43.09) average. For being selected to the Associated Press All-America team, Shale was invited to Ft. Lauderdale, Florida for the taping of the Bob Hope Christmas Show (photo at left), which annually presents the All-America team as one of the segments on the show. Shale, who was a 10th round draft pick of the Washington Redskins in 1991, led the nation in punting in 1990.

Alma Mater

Alma Mater hear us,  
As we praise thy name  
Make us worthy sons and daughters  
Adding to thy fame.

Time will treat you kindly  
Years from now you’ll be  
Ever dearer in our hearts,  
Our University.

From your halls of ivy  
To the campus scene,  
Chimes ring out with gladness  
From our dear Bowling Green.

When all is just a mem’ry  
Of the by-gone days,  
Hear our hymn dear Alma Mater  
As thy name we praise.

Ay Ziggy Zoomba is Bowling Green’s unofficial fight song (the official fight song is “Forward Falcons”). No one knows who wrote “Ay Ziggy Zoomba,” but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film “Paper Lion.” The Falcon football team traditionally sings “Ay Ziggy Zoomba” after each victory.

Fight Song

Fight for victory,  
Show your spirit, make them fear it  
Fight for ‘ol Bee Gee

Forward Falcons, Forward Falcons  
Make the contest keen  
Shout out the fame of our mighty name  
And win for Bowling Green!

Frieda & Freddie Falcon

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is “beheaded” at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Why The Falcons?

The 1993 season marks the 66th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname. Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Why Orange and Brown?

Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s. Brown used the colors for his All-America Conference team.

Conference Affiliation
Mid-American Conference (1952-present)
Brian McClure came to Bowling Green as a highly-recruited player in 1982 and left BGSU in 1985 with just about every passing record as well as several MAC marks. He completed his career passing for 10,280 yards, which still ranks fifth on the all-time NCAA list. He is the holder of 21 school records and 17 MAC marks. His career passing yardage total is more than 3,000 yards better than any player in league history while he is one of only two players (BG's Erik White is the other) to earn league MVP honors twice. McClure led both the 1982 and 1985 teams to MAC titles and bowl berths while in his other two seasons the Falcons finished as the runner-up in the conference. McClure led the Falcons to a 34-12 record during his four years losing only one of 20 home contests.

Back-to-back MAC titles in 1991 (left) and 1992 included 16 straight league wins, tying the conference record.

1985 Mid-American Conference Champions
It would be easy for the Bowling Green State University women's basketball program to rest on its laurels.

After all, the program has been one of the winningest in the country over the last seven years compiling a 163-47 record, a 77.6 winning percentage; over the same period, BG has compiled a record of 98-16 in Mid-American Conference play, an 86.0 winning percentage; over the last seven seasons they have made five NCAA Tournament appearances, won four MAC regular season titles and four MAC regular season titles; and they have won 20 or more games in six of the last seven seasons.

But, even though they probably have a right to sit back and admire what the program has accomplished, head coach Jack Clark will not let the past have an effect on the present. She also believes the players will not let that happen.

"I think making it to the NCAA Tournament last season will help the players keep their focus on our goals which include winning the conference and earning the NCAA berth," Clark said. "I think the team wants to get back to the tournament, but this time have some more success and advance." All the elements are in place for the tradition to continue.

"Experience is certainly a strength for us again this season," said Clark, whose team has been a first team All-MAC performer returning first team All-MAC performer Lori Albers, who played in her first year. Newcomer Sarah DelOye will also vie for playing time.

Clark comments: "We have to find out who plays well together inside and that will determine how the playing time is split up in the middle."

FORWARDS: If Albers does not start at center, then she will likely team with senior Talita Scott along the frontline at the forward spots.

Scott was a first team all-league selection last season averaging 15.5 points while shooting 63.3% from the floor, 10th best in the country. Scott also averaged 6.6 rebounds, 2.6 assists and 2.3 steals per outing. She needs 75 points to reach 1,000 for her career.

Freshman Charlotta Jones averaged 23.0 points and 15.0 rebounds last year in high school and should earn some playing time behind the veterans.

Clark comments: "No matter what combination we decide on, we have players who can score, rebound, defend and run the floor at forward. It it ends up being Lori and Talita at forward, we would have a tandem as good as any in the country."

GUARDS: A group of five players, all of whom should see playing time, give Clark some options in the backcourt.

Senior Susie Cassell, who has started the last 75 games, should be able to play fewer minutes with the addition of junior college transfer Sharleen Hooper. Cassell averaged 6.4 points and 6.2 assists last season in over 30 minutes per game. Hooper averaged 14.6 points and 4.2 assists last season at Lake Michigan College leading them to a share of the league title and a spot in the junior college national tournament.

The shooting guard will likely be sophomore Jenny Kulics with Nickey Heilmann and Jena Ault backing up. Kulics gained valuable experience last season as the backup to Cassell at point guard averaging three points in 12 minutes of action per game. He is probably the best outside shooter on the team and she does possess three-point range.

Heilmann missed the entire 1992-93 season with a knee injury. Clark says Heilmann has fully recovered from the injury and expects her to earn playing time at the shooting guard and small forward spot.

Ault played in 18 games last season averaging 1.1 points.

Clark comments: "I feel good about our situation at the guard spots because we have experience, scoring ability and quickness at the point with Susie and Sharleen. And in Jenny, Nicky and Jena, we have talented players at shooting guard, although they are all a little inexperienced."
Winning coaches like Gary don't just come out of a mold, you know... Winning programs like BGSU's don't either. But if anything could copy them, chances are it would be sold and serviced by a Minolta dealer...like Goodremont's!
