On paper, and at quick glance, today's game, pitting the U.S. Naval Academy against the Falcons in BG's home opener, looks like the scales may be tipped in Bowling Green's favor. But, if the series is any indication, today's contest will be decided in the fourth quarter by a touchdown or less.

Welcome to Doyt L. Perry Stadium, the 29th season the 30,599-seat stadium has served as the home for the Falcons. And, it has been a successful marriage with the Falcons compiling a 90-42-6 (.674) record since the first game was played in 1966, and over the last 12 seasons BG has been almost unbeatable compiling a 46-9-4 (.814) record. Of course, no team has been able to beat a BG team coached by Gary Blackney at Perry Stadium over the last three seasons with the Falcons possessing a 14-0-1 record over the time period.

The first two games in the series have been nailbiters. The Falcons took the 1991 contest by a 22-19 count with an Erik White to Ronnie Redd scoring pass in the final stanza the difference. Before that, BG defensive back Ken Burress had run down a Navy receiver who seemed like he was headed for a 67-yard touchdown which would have given the Midshipmen a 12-point lead in the fourth quarter. Burress also caused Tom Pritchard to fumble, setting the stage for the winning points.

Last season, despite playing without six starters, the Falcons were tied with Navy at 20-all with 11 minutes left. Navy drove 71 yards to paydirt on its next possession to recapture the lead, 27-20. BG's last drive ended on a Mids interception at the Navy five-yard line.

So, if history is any indication, today's game should keep you in your seat to the end.

The Annapolis, Md. based institution has struggled to an 0-2 start in 1994 losing a 56-14 decision to San Diego State to begin the season and last week in their home opener, Virginia was a 47-19 count.

(Continued on page 3)
That is not a good sign considering how Blackney-coached Falcon squads have seized the opportunity to capitalize on the opposition miscues (BG is +26 in turnover margin during Blackney's tenure and they hold a 267-97 edge in points off of turnovers during the same time period).

A key for the Falcons will be to get pressure on senior quarterback Jim Kubiak. The holder of 15 Navy passing records, Kubiak was near perfect in last year's contest in Annapolis, completing 28-of-34 throws for 317 yards. And, Navy is not afraid to give Kubiak's arm a workout. In the first two games this season, they are averaging 47 passes per game. His favorite target is wide receiver Damon Dixon, who has 12 receptions this season after a 51-reception season in 1994, the fifth-best total in Navy annals. Keep your eye on tight end Kevin Hickman, too. He is considered one of the top players at that position in the country.

The Navy defense has allowed an average of 460.5 yards per game and 51.5 points this season so they will be looking to tighten things up today. The unit is led by junior linebacker Fernando Harris (27 tackles) and secondary players Joe Speed and Andy Thompson, both of whom have 20 tackles.

Former Ohio State assistant coach George Chaump is 11-35 in five seasons at Navy. Former Washington Redskin quarterback Doug Williams, the Super Bowl XXII MVP, serves on Chaump's staff as the running backs coach. The Naval Academy is looking to... (Continued on page 78)
This afternoon, at the beginning of the halftime activities, the 1994 Bowling Green State University Athletic Hall of Fame class will be introduced. The class of six was formally inducted last night at a dinner at the University Union. Their induction into the Hall of Fame brings membership to 136. The 1983-84 national championship hockey team is also in the Hall of Fame.

The class of 1994 includes soccer player Dave Dyminski ’74; recently retired athletic director Jack Gregory, baseball player Gary Haas ’74; hockey goalie Gary Kruzich ’87; women’s basketball player Jackie (Motycka) Mosing ’89; and men’s basketball player Rich Walker ’71.

Dyminski was a mainstay on BGSU soccer teams in the early 70s which compiled a 26-13-5 record during a period of time when collegiate teams were playing only 10 matches per season. In addition, Dyminski helped the Falcons earn a spot in the NCAA Tournament in both 1972 and 1973, the first NCAA appearances by the program.

A halfback and fullback on Falcon teams during his career, Dyminski was a first team All-Ohio choice in each of his final three seasons and an All-Midwest selection, earning first team honors as a senior. He is one of only six players in the history of the program to earn All-America honors, honorable mention accolades in 1972 and second team honors in 1973.

The top defensive player in the state as a senior, Dyminski ranked no lower than fourth on the team in scoring in any of his four seasons concluding his career with 17 goals and nine assists. The Webster, N.Y. native was also the cam-

with 17 goals and nine assists. The 1983-84 national championship hockey team is also in the Hall of Fame.

Gregory’s tenure. He was also the first athletic director in the MAC to appoint an academic coordinator, something done in 1984 to improve academic services to the student-athletes. His decision has certainly paid off, with BG athletes earning Academic All-America honors 22 times over the last seven years.

Certainly the finest moment in BGSU athletic history occurred in March, 1984 as the Falcon hockey team realized the ultimate goal - a NCAA championship, the first and only NCAA team title in the history of the athletic department.

Jack and his wife, Peg, reside in Bowling Green. They have two sons, Bruce, an assistant football coach at BGSU, and, John, a lawyer in Philadelphia.

Gary Haas

was a member of two BGSU baseball teams, the 24-12-2 team in 1972 and the 30-14 squad in 1974, which set the standard for excellence in the program. The 1972 squad captured the Mid-American Conference title and hosted the NCAA District Four Tournament. Two years later, the Falcons set a school record with 30 wins (14 losses) placing second in the MAC.

A starter at shortstop all four seasons, the Stony Ridge, Ohio native and graduate of Eastwood High School was the team MVP as a freshman in 1971 on a team that included future major league Doug Bair. As a sophomore, Haas hit .433 in MAC play to help the Falcons to the league title and NCAA berth.

A first team all-league pick as a junior, Haas led the team with a .397 average in league play and a .364 overall mark. Haas closed out his career hitting .435 in league play and .345 overall. For his career, Haas hit .392 in league games and .318 overall. He was the team MVP his final season.

Haas began working for Rudolph/Libbe, one of the top 100 general contracting firms in the United States, before graduation and continues to work for the company. The Chief Project Manager at the company, Haas and his wife, Debbie, reside in Walbridge, where the company is located. Haas has three children, Gary, 21, a member of the University of Toledo baseball program, Lisa, 16, and Brandy, 15, who both attend Eastwood High School.

Kruzich was one of the driving forces - as a freshman - on the 1983-84 hockey team which captured the national title. He posted a 21-5-2 record and a 2.87 goals-against in his initial season earning NCAA Tournament MVP honors backstopping the Falcons to a 2-1 semi-final win over Michigan State and the memorable 5-4 win in the title game over Minnesota-Duluth in four overtimes.

After earning honorable mention honors in the Central Collegiate Hockey Association as a sophomore, Kruzich was a first team selection as a junior and senior while also earning first team All-America honors his final two seasons. Kruzich is one of only two players (Brian Hills is the other) in the history of the program to earn first team national honors twice.

His 88 career wins stood as the NCAA record until Michigan’s Steve Shields surpassed that total during the 1993-94 season. The Oak Lawn, Illinois native played two seasons with Flint in the International Hockey League before starting his own business, an embroidery company for licensed products. He finished his career with a 3.43 goals-against and a .889 save percentage.

Kruzich and his wife, Kimberly, reside in Fountain Hills, Arizona. They are the (continued on pg. 24)

WELCOME TO DOYT L. PERRY STADIUM

• Doyt L. Perry Stadium celebrates its 29th anniversary as the home of Falcon football this season. Widely-regarded as one of the finest facilities in the Mid-American Conference in which to watch football, Perry Stadium seats 30,599.

• Properly credentialed and team personnel ONLY are allowed on the field before, during and after the game. Your adherence to this policy is appreciated.

• Banners and signs may be displayed in Perry Stadium ONLY with prior permission from Ken Kavanagh, associate athletic director. Kavanagh can be reached during the weekday working hours at 372-2401.

• Emergency medical aid is available from the ambulance crews in the northeast and southwest corners of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.

• Field Headquarters for stadium game operations are located on the ground level of the east side of Perry Stadium. The telephone number is 372-2401.

• First aid is located on the east side of the stadium next to the equipment room. Trained medical personnel are in attendance at all Bowling Green State University football games.

• Lost and Found is located at field headquarters (see above) during the game or at the Perry Stadium office of Ken Kavanagh, associate athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.

• Rest Rooms are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3, and 5 and 7.

• Telephones are situated at frequent intervals on ground level on both the east or west sides of Perry Stadium.

• Your cooperation is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol. Anyone caught possessing alcoholic beverages may be ejected from the stadium.

• Group tailgating parties and tents are invited and encouraged, providing a festive environment for Falcon fans. If you are interested in further information regarding ideas, locations, etc., please contact Brad Browning, Assistant Athletic Director, during weekday hours at 372-7093.

• Handicapped seating areas are located on the north and south ends of the mezzanine levels on both sides of the stadium and can be easily reached via the ramped walkways. In addition, areas are available in the north end zone. For further information, please contact Scot Bressler, ticket manager, during weekday hours at 372-2762.

• Request for assistance and reports of discourtesy should be directed to stadium ushers. Usher personnel wear orange jackets with identification tags and are positioned at each ramp throughout the stadium for your convenience.

• In accordance with University policy, smoking is prohibited in the seats, portals, locker rooms, both press boxes, and in the offices at Doyt L. Perry Stadium. Smoking is permitted on the blacktop areas underneath the stadium.
When it comes to winning games, few have done it better than Bowling Green State University head coach Gary Blackney.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles, going undefeated in league play to win the titles, and a third-place finish last season in which the Falcons were in the hunt for another title to the last weekend. This comes on the heels of five straight years when 5-6 was the program's best record.

In just three short seasons, Blackney has accomplished what some have not in a lifetime. He was the first, and only, BGSU coach to win a bowl game. He was the first BGSU coach to lead his team to back-to-back seasons of at least 10 wins. He tied the NCAA record for "rookie" head coaches winning 11 games in 1991. And, he led the program to a MAC record 19 consecutive conference wins and a 22-game unbeaten streak to begin his tenure.

The 1994 season will present some new challenges for Blackney and his staff as they look to add a third title. In order to achieve what they have set out to, they will have to overcome the loss of one of the top lineman in the MAC (Joe Wyse), the sixth-leading rusher in school history (Zeb Jackson), and the loss of the entire defensive front. Nonetheless, he believes BGSU will be a factor again. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining, which is believed to be the earliest any team has ever wrapped up the title. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling...
35-34 win over Nevada.

Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

A little less than four years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 10 years, Blackney has helped a team to a bowl bid.

His success story is certainly one the makes all people feel thankful.

In March, 1986, Gary’s wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney made the necessary changes and still keeps up with the demands of being a head coach and a father.

“I look at Lauretta’s situation and know she could call it quits. But she keeps competing to get better and better. If you want to talk about endurance and courage look at her - not me.”

ASSISTANT COACHES

DINO DAWSON
Assistant Coach
Dino Dawson, 28, is in his first season on the staff after joining the program in January. Dawson will work with the running backs. The Detroit, Mich. native spent the 1993 season at Illinois State helping the Redbirds to a 6-4-1 record, which included wins over I-AA Division III title. Pusateri coached at Holy Cross and Arizona State. Malone was a four-year starring tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of two children, Kara, 4, and Patrick, 3. The couple is expecting their third child in September.

TERRY MALONE
Assistant Coach
Terry Malone, 34, is in his ninth year at BGSU and will be coaching the offensive tackles and tight ends this season. Malone, who has the added responsibility of being the recruiting coordinator, is responsible for recruiting the state of Michigan. The Buffalo, N.Y. native has also coached the centers and guards during his tenure at BGSU. Malone previously coached at Holy Cross and Arizona. Malone was a four-year starring tight end at Holy Cross where he earned his degree in 1983. Malone and wife, Ann, are the parents of two children, Kara, 4, and Patrick, 3. The couple is expecting their third child in September.

MICHAELE FARAGALLI
Assistant Coach
Michael Faragalli, 35, returns for his fourth season directing a Falcon offense which has finished no lower than third in the MAC in passing and total offense under his guidance. Faragalli, the offensive coordinator, works with the quarterbacks while recruiting Canada and Indiana. Prior to coming to BGSU, Faragalli was one of the top offensive minds in the Canadian Football League for six years, most recently with Edmonton helping Tracy Ham develop into the CFL’s 1990 Most Valuable Player. The Philadelphia, Pa. native is a Rhode Island graduate where he also coached for three seasons. Michael and his wife, Kathy, have four children, Joseph, 11, Phillip, 8, Theresa, 5, and Laura, 3.

PAUL FERRARO
Assistant Coach
Paul Ferraro, 35, is in his fourth season as the defensive coordinator at BGSU having built a unit which ranked first in the MAC in rushing, scoring and total defense last season. Paul will work with the defensive secondary in addition to his duties as the defensive coordinator while recruiting Cleveland and Toledo as well as the states of New Jersey and Florida. Paul has 12 years of collegiate experience, most recently as a member of Tom Lichtenberg’s staff at both Maine (1989) and Ohio (1990). The Ridgewood, N.J. native earned three letters at Springfield as a defensive back during his playing days. He and his wife, Marsha, have one daughter, Allison, 11.

BRUCE GREGORY
Assistant Coach
Bruce Gregory, 33, is in his third season on the staff as the coach of the wide receivers. He came to BGSU after serving as the coach of the wide receivers at Boston University for four seasons. The South Kingstown, R.I. native has played a role in the development of Falcon receivers Rameir Martin, Ronnie Redd, and Charlie Williams. Prior to serving on the coaching staff at Boston University, Gregory spent two seasons (1986 and 1987) at BGSU under head coach Moe Ankney. Gregory, a Western Maryland College graduate, and his wife, Tracy, have two children, Megan, 5, and Brian, 3. Gregory recruits the state of Indiana and the city of Chicago.

BOB LIGASHESKY
Assistant Coach
Bob Ligashesky, 32, who joined the staff in December, 1990, will coach the outside linebackers. Ligashesky is responsible for recruiting in the Akron-Canton and Pittsburgh areas as well as Northeast Ohio and the Western United States. The McKees Rock, Pa. native came to BGSU from Kent where he coached the inside linebackers under head coach Dick Crum. Ligashesky also coached collegiately at Walla Walla and Arizona State. Ligashesky earned three letters at Indiana University of Pennsylvania during his collegiate playing career.

TONY PUSATERI
Assistant Coach
Tony Pusateri, 43, joined the program in February, 1991 and will again coach the defensive line while also handling the kickers and special teams. Pusateri was one of the top high school coaches in the state for 15 years prior to coming to BGSU, spending 10 of those seasons at St. Francis DeSales in Columbus. At DeSales, Pusateri’s teams won almost 75% of their games and the 1985 Ohio Division III title. Pusateri coached at Westerville South for five seasons before joining the BGSU staff. The Columbus, Ohio native is a graduate of Capital University. Tony and his wife, Kim, are the parents of one child, Antoine, 2. Pusateri recruits the central and southeast Ohio areas.
SCOTT SEELIGER
Assistant Coach
Scott Seeliger, 44, is in his second stint as an assistant coach at BGSU having been a member of Denny Stolz's staff for five years between 1979 and 1983. Seeliger joined the present staff in January, 1991 as the assistant head coach in addition to his responsibilities with the guards and centers. He recruits Southwestern Ohio and the Southeast United States in addition to the Cincinnati, Dayton and Indianapolis areas. Besides his eight years at BG, Seeliger's 15 years of coaching experience on the collegiate level includes nine seasons at Wisconsin, where he spent most of his time coaching the offensive line. The Madison, Wis. native was a tight end on the 1972 Iowa State team that played in the Sun Bowl. Scott and his wife, Karen, have two daughters, Keri, 21, and Kori, 19.

STEVE TELANDER
Assistant Coach
Steve Telander, 38, is the most recent addition to the football staff having joined the program in March. The graduate of Rome (N.Y.) Free Academy will coach the inside linebackers. Telander spent the last five seasons on the staff at Missouri where he worked with the inside linebackers for one season and the defensive ends the other four years. Previously he had coached on the staffs as UTEP, for three years, and five years at Massachusetts, his alma mater. Telander recruits East Cleveland, Western Pennsylvania and Western New York.

PAUL HAYNES
Graduate Assistant
Paul Haynes, 25, is in his first season as a graduate assistant with the BGSU football program. Haynes is no stranger to the Mid-American Conference having earned four (1987-91) letters as a defensive back in the Kent program. Haynes served as team captain his senior year and was a second team all-league selection his last two seasons. Haynes will work with the Falcon coaches on the defensive side. Haynes, a Columbus, Ohio native, earned his undergraduate degree from Kent in 1992 in criminal justice. Last year, he was a teacher/coach at St. Francis DeSales High School in his hometown.

RYAN HOCKMAN
Graduate Assistant
Ryan Hockman, 25, begins his first season with the BGSU football program as a graduate assistant coach. Hockman, a Harrison, Ohio native, will assist the coaching staff on the offensive side of the ball. The University of Kentucky graduate comes to the BGSU program after spending the last six months on the staff at Nicholls (La.) State. Prior to that, he had served as an assistant coach for the Braunschweig Lions in Braunschweig, Germany. A three-time All-Southeastern Conference academic selection, Hockman threw for almost 1,000 yards earning four letters as a quarterback at Kentucky. Hockman is the younger brother of former Falcon tight end, Kyle, '89, and his father, Ken, was a 1964 BGSU letterman.

MIKE WARD
Strength and Conditioning Coach
Mike Ward, 32, is in his third season as the strength and conditioning coach at BGSU. He is also the director of the BGSU Athletic Fitness Center, located on the west side of Doyt Perry Stadium. The Mansfield, Ohio native works with all 19 intercollegiate sports and is responsible for the maintenance and development of the $300,000 fitness center, a 5,800-square foot facility. The 1984 graduate of Georgetown (Ky.) College also earned his graduate degree there while earning All-America honors as a guard on the football team. Before coming to BG, Ward was an assistant coach at Findlay University. He and his wife, Jody, reside in Findlay.

The MAC is one of the 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 48th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University - nine schools have been members of the conference for 15 or more years. The University of Akron is the newest member having joined the league in 1992.

The 10 member institutions have a total enrollment of better than 220,000, with individual enrollments ranging from 16,000 to 30,000, and have produced more than one million alumni. The MAC is the fourth-largest conference in the country in terms of undergraduate students.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC had an academic progress rule, strengthened admittance standards, and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 19 championships, 10 in men's sports and nine on the women's side. For men, the MAC has sponsored championships in football, baseball, basketball, cross country, golf, tennis, and track and field since its founding, and added swimming and diving and wrestling championships five years later. Men's soccer was added as a MAC-sponsored sport in 1993. In 1980, the MAC Council of Presidents voted to bring women's athletics into the conference structure. The MAC currently sponsors women's championships in basketball, cross country, field hockey, gymnastics, softball, swimming and diving, tennis, track and field and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 52 individuals have been inducted into the MAC Hall of Fame in its first six years of existence, including 21 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schenbeckler (Miami), Jack Lambert (Kent) and Phil Villapiano (Bowling Green). Numerous MAC football teams and players have received national recognition during the MAC's 47 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

For the third straight year, the MAC champion will play the Big West champion in the Las Vegas Bowl. This year's game is scheduled for Dec. 15 at 6 p.m. This is the 14th season the winners of the MAC and BWC have battled in a bowl.

The Falcon Club Needs You!

To Our Falcon Fans:

You are the key to success for our Falcon teams. Our fine student-athletes greatly depend on the Falcon Club to raise more than $270,000 of income to help fund the athletic grants. The Falcon Club also assists in other athletic areas including the funding for facility budgets.

Your help and support does make a difference for the continued success of our outstanding teams. Falcon Club members are proud alumni, parents, friends and fans that provide financial support, volunteer hours and give their advisory expertise to the BGSU athletic program in order to share in the many benefits the Falcon Club has to offer.

The pride and tradition of Bowling Green has enabled the Falcon Club to once again set high goals for 1994. Your support is needed so participants and fans alike can continue to enjoy the winning combination provided by one of America's premier athletic programs.

Please give to our fine athletic program and its 19 very competitive teams as we look forward to you joining the Falcon Club in '94.

Go Falcons!!!

Sincerely,

Fran Voll
Associate Athletic Director

parents of one child, Danielle Marie, six months old.

The most prolific scorer in the history of basketball (men and women) at BGSU, Jackie (Motycka) Mossing is the most recognizable name in a program which has a tradition as rich as any in the athletic department.

Her 2,122 points is the highest figure ever at BGSU and ranks second only to Ohio's Caroline Mast in MAC history. She currently holds 21 BGSU career and season records.

One of only two players in league history to earn first team All-MAC honors four times (Mast is the other), Mossing was the Player of the Year in the MAC twice (1986-87 and 1987-88) leading the league with a 20.2 point average in 1987-88.

The Convoy, Ohio native led the Falcons to three consecutive regular season MAC titles and three straight league tournament titles to conclude her career. She helped BG become the first MAC women's team to win a NCAA Tournament game with their 69-59 triumph over Cincinnati in 1989.

A durable and consistent player, Mossing started 115 games during her career playing in 117 of a possible 119 contests. She scored in double figures 107 times and scored 20 or more points in 43 contests. BGSU compiled a 96-23 record during her career, a 78-13 mark her last three seasons (46-2 in MAC play her last three seasons). Mossing averaged 18.1 points, 6.8 rebounds, shot 51.7% from the floor, and 80.8% from the foul line for her career.

She and her husband, Matt, reside in Wauseon. They are the parents of one child, Chad, 3. Mossing has taught third grade in the Pettisville school system the last four years. She will serve as the head coach of the women's varsity basketball program beginning this season.

Walker averaged 20.1 points his senior season and still ranks 11th on the BGSU career scoring list with a 16.2 average.

At the time of his graduation, Haas held five BGSU season and career records including the marks for career hits (176), total bases (211) and runs scored (90).

Walker has long been recognized as one of the top all-around basketball players to ever wear the brown and orange. A three-year starter beginning with the 1968-69 season, Walker concluded his career with 1,167 points, ninth on the BG scoring list at the time. His total now ranks 19th on BG's career ladder.

The Inkster, Mich, native started 23 of 24 games as a sophomore finishing fourth on the team with an 11.8 scoring average. He had a career high 39 points as a junior against Ball State finishing 10th in the league in scoring (16.5 ppg). He scored in double digits in 22 of 24 games as a junior.

Walker earned second team All-MAC honors as a senior leading the team with a 20.1 scoring average to rank fourth in the league. Named the team MVP, Walker scored 20 or more points 14 times in his final season.

A ninth round pick of the Cleveland Cavaliers and sixth round choice of the Indiana Pacers (ABA) in 1971, Walker was among the final cuts of the Pacers.

After spending one year teaching and coaching in his hometown, he returned to BGSU to serve as a graduate assistant coach in 1972-73 under Pat Haley. He then served as an assistant coach at Western Michigan under Eldon Miller before becoming the head coach at Elmhurst College and later Florida International. In the spring of 1990 he joined Coach Tom Davis' staff at Iowa, helping the Hawkeyes to three straight NCAA Tournament berths, where he presently is considered one of the top assistant coaches in the country.

Walker and his wife, Janet, reside, in Iowa City, Iowa. They are the parents of Joseph, 12, and, Michael, 6.
Again this season, junior Chad Bukey (65) will provide the protection for quarterback Ryan Henry, who passed for 2,243 yards last year.

CHEMIST RECEIVES NATIONAL HONOR

The man who has vigorously guided Bowling Green State University to position itself in the vanguard of the growing materials science field has been chosen by President Bill Clinton to receive the nation's top scientific honor.

Dr. George S. Hammond, Senior McMaster Fellow and a Distinguished Visiting Professor at the University's Center for Photochemical Sciences, is the only chemist named to receive the National Medal of Science this year. The eight winners were announced last week in Washington, D.C.

Established in 1961, the award recognizes lifetime achievement in physics, biology, mathematics, engineering and the behavioral and social sciences. This year's winners will be honored later this fall at a White House dinner.

Hammond is being recognized for virtually creating the field of organic photochemistry, laying the theoretical foundations for research in this area and for hundreds of commercial products developed from its applications. Photochemistry is the study of the interaction of light with matter.

"No scientist is more deserving of the great honor Professor Hammond has been given by this country," declared Bowling Green President Paul J. Olscamp. "For decades he has been known throughout the world for his work, and Bowling Green State University has been richly rewarded by our affiliation with him. He is directly responsible for much of the University's drive to establish expertise in materials science."

Center for Photochemical Sciences Executive Director Dr. Douglas Neckers, who was instrumental in bringing Hammond to Bowling Green,

"His basic understanding of the chemical sciences has allowed him to simplify complexity so that it can be understood and practiced by a large body of practicing scientists. You should know, too, that George has trained a major percentage of the important American organic photochemists of nearly three decades," Neckers pointed out.

From 1984 until retiring in 1987, Hammond was executive director of bioscience, metals and ceramics at Allied Signal, a maker of aerospace and automotive products, chemicals, fibers, plastics and advanced materials. He joined Allied Signal, which is based in Morristown, N.J., in 1978 after four years as foreign secretary of the National Academy of Sciences. From 1972-78, he was vice chancellor for natural science and a professor of chemistry at the University of California at Santa Cruz. Previously, he was the Arthur Amos Noyes Professor of Chemistry and head of the Division of

(Continued on page 78)

Awarded periodically by the President, the National Medal of Science has been awarded to only 320 scientists since President John F. Kennedy named the first recipient in 1962.

Says:

GO FALCONS!
Bowling Green State University

Always changing. Always striving to improve. But never forgetting the best of the past.

That has been the key to Bowling Green State University's success in offering its students the educational opportunities, diversity and excitement of a large university, while maintaining the personality, camaraderie and caring of a small college.

This high-speed engine of learning is fueled by Bowling Green's commitment to research and teaching. That commitment has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green has nearly 900 full- and part-time faculty and 17,000 students on its campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing and Health, Physical Education and Recreation.

In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 60 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College is located in Perrysburg, Ohio, offers five associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty, more than 95 percent of whom have the highest degree in their field, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three academic departments - chemistry, philosophy and psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only two other Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than BGSU.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Center for Photochemical Sciences, the Population and Society Research Center, the Mid-American Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Canadian studies program, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 4,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.8 million volumes plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recording Archives with one million recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, a $13.5 million classroom building, Paul Obscrape Hall, was opened and dedicated. The new building features state-of-the-art telecommunications capabilities which open unlimited possibilities for classroom instruction.

Also, a $9.5 million renovation of Eppler Hall is nearing completion.

In the past two years, a $9.8 million addition to the Fine Arts Building was completed. Hayes Hall was converted into a computer center, an $8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened, and a $15 million renovation of Founders Quadrangle was completed, creating one of the finest and most modern residence halls in the state.

In the past dozen years, more than $174 million has been allocated for new construction and remodeling projects. The University has also accomplished its goal of making computers a vital part of each students education. There are currently 20 computer labs, including one in or near every residence hall complex, for use by students. In addition, nearly a half dozen departments have created computer labs for their students.

David A. Bryan is a partner with the Toledo law firm of Wasserman, Bryan, Landry & Honold. He is a member of the board of directors of Mid American National Bank and Trust Co. and Mid Am Inc. and the HGSU Medic Circle. He also has created a scholarship for minority children in the Big Brother Program to attend the University. A graduate of Muskingum College and the University of Toledo, he taught in the Toledo Public School system before beginning his legal career. Bryan, after completing an unexpired term, was reappointed in 1984 for a term that will end in 2003.

C. Ellen Connally is serving her third term as judge of the Cleveland Municipal Court. She is the first black woman in Ohio to be elected to a judgeship without first being appointed. Very involved with civic affairs, she is a founding member of the Black Women Lawyers Association of Cleveland, a volunteer lecturer for the Weekend Intervention Program at Deaconess Hospital of Cleveland, a member of the Adult Continuing Education Advisory Committee of the Cleveland Board of Education, and a member of the National Conference of Black Lawyers. Connally, a 1967 graduate of BGSU, was appointed to the board, in 1987 and his term expires in 1996.

John C. Mahaney Jr. is the president of the board, is president of the Ohio Council of Retail Merchants in Columbus. He serves as president of the Liberty Services, Inc. and holds the position of executive director of both the Ohio Automatic Merchandising Association and the Ohio Association of Wholesaler/Distributors. A graduate of Niagara University, he is a former sports editor of the Piqua Daily Call. All three of his children are BGSU graduates. He was appointed to the Board in 1987 and his term expires in 1996.

G. Ray Medlin Jr. of Toledo is executive secretary treasurer / business manager of the Northwest Ohio District Council of Carpenters and is responsible for contractor relations. He also is president of the Northwest Ohio Building and Construction Trades Unions, representing 10,000 members throughout northwest Ohio. The council consists of 10 affiliated local unions. He has received certification from the George Meany Institute in labor law, the Ohio State Workers Compensation Institute and the International Foundation of Employee Benefit Plans. His term will expire in 1999.

Valerie L. Newell of Cincinnati is vice president/senior portfolio manager of Scudder Stevens & Clark where she is responsible for private investment counsel. Active in the Cincinnati community, she serves on the Cincinnati Playhouse in the Park board of trustees, the Cincinnati Museum, the Cincinnati Board of Education, United Way and Junior League of Cincinnati. She has received such honors as YWCA Career Woman of Achievement and Cincinnati Chamber of Commerce Distinguished Career Woman of 1985. A 1979 accounting graduate of BGSU, she was named the Outstanding Woman Graduate that year and also served as captain of the women's swimming team where she received All American honors in 1974 and 1975. Newell is filling the unexpired term of G.O. Herbert Moorhead Jr., which expires in 1995.

Thomas W. Noe is founder and president of Numismatic Investments of Ohio in Sylvania. A native of Bowling Green, he has been a full-time coin dealer since 1973. He is a member of numerous organizations including the Professional Numismatic Guild and vice-chair of the Industry Council for Tangible Assets. Active in the community, he is the chair of the Lucas County Republican party, a member of the Toledo and Sylvania Chambers of Commerce and the Rotary Club of Toledo. He is also a member of the board of directors of the St. Vincent Medical Center Foundation and the board of regents of the Catholic University of America in Washington, D.C. His term will expire in 2000.

Kermit Stroh of Wapakoneta is president and chief executive officer of Moulton Gas Service Inc. His company provides propane service to more than 14,000 customers in West Central Ohio and he has been president of the Ohio Propane Gas Association. Stroh has been a generous contributor to the University through his involvement with the Charles E. Perry Society, Gold University Circle and Falcon Club. He is also active in the Republican party. Two of his three daughters, Tracey (Stroh) Wright ’77 and Melissa Stroh Wagner ’82, are University alumni. His term will expire in 2002.
Presidency

As Dr. Paul J. Olscamp begins his 13th and final year as president of Bowling Green State University this fall, those who are already beginning to review his tenure are finding a president who has charted an unaltered course in the development of a consistently strong faculty and academic program.

(Olscamp, the University's eighth president, will retire June 30, 1995. At that time, only Homer B. Williams, the University's first president who served from 1912 until 1937, will have spent more time in the University's top office.)

Under Olscamp's direction, Bowling Green has moved into the ranks of the country's most important colleges and universities. His efforts have focused on teaching, research, and service, and he has led a University-wide commitment to excellence in all aspects of University life.

He adopted the slogan "An Environment for Excellence," a clear indication of the vision he had for Bowling Green.

Early in his administration, Olscamp and the faculty outlined the task ahead in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of incoming undergraduate and graduate students; academic programs; learning resources, particularly computing and the library; and the faculty development, including recruitment of minority faculty.

Today, many of those original goals have been met and new priorities have been established, including additional scholarships for academically gifted students, strengthening the graduate program, creating international education opportunities for students, and further enhancement of the University's endowment.

One of his most important accomplishments has been to fully involve the faculty in University governance. Faculty have a key role in developing the annual budget and share authority with the president in interpreting the University's Academic Charter. The faculty also have greater control over the curriculum and development of new academic programs.

While always a concern, finances have taken center stage in recent years. With a tightening state budget, Olscamp has directed efforts to increase private giving. In 1993-94, private giving topped $4 million for the third straight year. During his tenure, the school's endowment has increased to nearly $45 million from $1.9 million when he arrived.

Olscamp brings a personal touch to his presidency. He frequently hosts both students and faculty at his home. He also holds periodic forums with students wanting to discuss campus issues.

A great deal has happened at Bowling Green since 1982. Here are some of the highlights:

**Academic Programs**
- Creation of Bowling Green's first endowed professorships, in management, finance, chemistry and philosophy.
- Development of the Center for Pharmaceutical Sciences, the only one of its kind in the country. Photochemistry is a multibillion dollar growth industry and some key research for that industry is being conducted at Bowling Green.
- Development of the Center for Quality, Measurement and Automation, the only center of its kind in the state designed to assist manufacturing and other businesses in the design and production of products.
- The appointments of three Ohio Eminent Scholars in photochemical sciences, moral philosophy and industrial/organizational psychology; the positions are the result of three $500,000 grants from the Ohio Board of Regents.
- The addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at BGSU.
- More than 315 students are National Merit Scholars, one of the highest numbers on any campus in the country, over the last seven years.
- Establishment of the University's first major scholarships for minority students.
- Creating a Canadian studies program emphasizing Canada-U.S. trade relations and economic development in the northwest Ohio region.
- Securing more than $5 million from the Board of Regent's Selective Excellence Programs, which are designed to attract top scholars, conduct pioneering research and develop centers of excellence. Grants have been awarded in both the sciences and the humanities.

**University Finances**
- More than $174 million has been spent in the past 12 years for the construction of new buildings and upgrading existing buildings.
- Completion of the $7.2 million Physical Sciences Laboratory Building in 1984, a $3.65 million addition to the Business Administration Building in 1988, a $9.8 million Fine Arts Center and an $8.7 million field house.
- Most recently, the opening of Paul Olscamp Hall, a $13.5 million multi-faceted classroom building featuring a high-tech teleconferencing system.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls, the Eppler complex and Founders Residence Hall. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.
- Securing more than $5 million from the Stranahan Foundation awarded a $3 million gift...

Collaboration. Joint ventures. Mergers. Those are the buzz words sweeping hospitals across the nation as health care reform begins.

Mercy and St. Charles Hospitals applaud this way of thinking. In fact, right here in Toledo, we've been practicing this “new” philosophy for more than 20 years.

To us, it makes good sense for hospitals, and for the community. Because when administrative services, technology and staffing are shared, costly duplication can be greatly reduced or even eliminated.

At Mercy and St. Charles, we share a single source for gerontology services, purchasing, computer services, rehabilitation services and more than 15 other operations. Which has helped save tens of millions of dollars over our two decades of working together.

The savings are reward enough for doing business this way. But it's also nice to know we've been a trend-setter for all these years.
The 1994-95 athletic year marks the beginning of new leadership in the Bowling Green State University athletic department as former University vice-president Ron Zwierlein was named the new athletic director on July 6, 1994.

Zwierlein replaced Jack Gregory, who retired in July after 12 very successful years of leading the athletic department.

Zwierlein is more familiar with the BGSU athletic department, its operation, and the people, than one would expect of a person just appointed to a position. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities over the years.

The new athletic director, the 10th in the history of the department, spent the 1993-94 academic year as the interim vice-president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams at BGSU in 1981 while also serving on the faculty at the university.

After three years as the head coach, during which his women's teams finished second in the Mid-American Conference all three seasons, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio, near Cleveland. While at JCU, Zwierlein served as the head swimming and diving coach (1975-81) and athletic director (1977-1981). In his six seasons heading the men's swimming and diving program, Zwierlein led JCU to the Presidents Athletic Conference title once while they placed seventh in the NCAA meet in 1980-81. During his tenure as JCU's swimming and diving coach, Zwierlein helped develop 28 swimmers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams combined to compile a 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure as the athletic director at JCU, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

A native of Rochester, N.Y., Zwierlein earned three letters as a member of the Falcon swimming and diving team serving as a senior. Zwierlein was a diver, finishing among the top four in the one-meter event at the MAC Championships as a junior and senior.

During his undergraduate days, Zwierlein also served as BGSU mascot Freddie Falcon.

After graduation from BGSU, Zwierlein served as head swimming and diving coach at Monroe High School in his hometown and in the same capacity at Fremont (Ohio) Ross High School.

Zwierlein and his wife Cindy, a 1969 BGSU graduate, have three children, Heidi, Heather and Chad. Heidi and Heather are both students at BGSU.
Today's Halftime Show
BGSU FALCON MARCHING BAND
September 17, 1994

The 1994 edition of the Falcon Marching Band wishes the best of luck to Coach Gary Blackney and the Falcon football team as they return to the top of the Mid-American Conference ladder. The Band has been hard at work over the past several weeks to produce the same quality at pregame and halftime as the fighting Falcons do after the game clock begins.

Today, it is our pleasure to welcome the Midshipmen from the U.S. Naval Academy and representatives of the Academy's Drum and Bugle Corps. We hope you have a pleasant day in Bowling Green.

This afternoon's halftime theme includes the unforgettable sounds of Earth, Wind, and Fire. The powerful group became famous during the 1970s for its unique juxtaposition of soul, rock, and jazz styles. Today's opener welcomes all to Bowling Green for a new school year with the sounds of September.

The East stands will appreciate the second tune—prepared just for them—with the sincere thought: Gotta Get You Into My Life. A collection of late 'seventies music is incomplete without the Falcon Band's next contribution, the quick-hitting hit Getaway.

Today's Earth, Wind, and Fire tribute concludes with a hit that brought the group into the 'eighties—In the Stone. The Falcon Band welcomes back all returning BG fans as well as first-time supporters. We look forward to another great season in the total entertainment package that is Falcon Football.

The tradition of excellence that is Bowling Green State University athletics continued in 1993-94 as both the Falcon men's and women's athletic programs earned the top award from the Mid-American Conference, the Reese Trophy by the men and the Jacoby Trophy by the women, for overall athletic excellence. Bowling Green was the first school to sweep the award since 1983.

In addition, by winning the Jacoby Trophy last season, the BGSU women's programs continued its run of dominance over the rest of the MAC earning its third consecutive Jacoby Trophy and fourth in the last seven years.

As we move further into the final decade of the 20th century, the accomplishments of BGSU's coaches and student athletes solidify BGSU's place as one of the top athletic programs in the country.

BGSU's coaches and student athletes have 10 letterwinners, including all five starters, and seven seniors returning from a team which placed second in the MAC last season. Coach Jim Larranaga's ninth team has all the ingredients to make a run at the league title. BG made 29-18 record in 1993-94 as both the Falcon baseball team for post season competition five of the last seven years.

The following is a brief synopsis of each program in the BGSU Athletic Department...

**BASEBALL** - The program has a young, energetic leader in fifth-year head coach Danny Schmitz who has developed one of the top programs in the region. Schmitz, who played eight seasons of professional baseball, led BG to a 29-18 record in 1994, the program's best winning percentage in 11 years. Many former BGSU players have gone on to play professional baseball including two of the better pitchers in the game - Roger McDowell and Orel Hershiser - who play for the Los Angeles Dodgers.

**MEN'S BASKETBALL** - The Falcons have 10 letterwinners, including all five starters, and seven seniors returning from a team which placed second in the MAC last season. Coach Jim Larranaga's ninth team has all the ingredients to make a run at the league title. BG made back-to-back post-season appearances for the first time in 1989-90 and 1990-91. Historically, BGSU leads the MAC in post-season appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU's alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

**WOMEN'S BASKETBALL** - The tradition-rich program made a sixth NCAA Tournament appearance last season hosting Creighton. BGSU's 189-51 record over the last eight seasons is the 10th best record among the almost 300 schools in Division I. The Falcons are the winningest team in MAC history having captured six league tournament titles and five regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 for BG's NCAA Tournament game against Florida in 1993.

**CROSS COUNTRY** - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four CC titles in the 1980s. Now, he's working his magic with the men. Price, an experienced coach on the national and international level, is in his fifth year as the head coach.

**FOOTBALL** - Bowling Green won 19 straight league games over the last three years setting a MAC record while head coach Gary Blackney has yet to lose a game in Perry Stadium over the same time period. BG's 27-6-2 record the last three seasons is among the best marks in the country. With five bowl games and 10 MAC titles in its history, BGSU alumni have included former NFL all-pro Phil Villapiano (Oakland), Mike Weiger (Detroit), Doug Smith (Los Angeles Rams), and 12-year veterans Bob Reynolds and Jamie Rivers.

**GOLF** - Coach Todd Brunsin's men's and women's golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men's program has won four MAC Championships and made four NCAA Tournament appearances while the women's program is annually among the best in the region.

**GYMNASTICS** - Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for post season competition five of the last 11 years. In each of the six seasons, his teams have consistently increased the school record for team score.

**HOCKEY** - A winning tradition is what the Falcon hockey program is all about with a new head coach Buddy Powers now heading the program. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last nine years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey's greatest names, nine of which who currently play in the NHL, including defensemen Gary Galley and Rob Blake and forward Nelson Emerson.
SOCCER - The program posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 41-11-3 record the last three seasons. BG was the top team in the Great Lakes Region in 1992 posting a sparkling 15-2-1 record on their way to a NCAA Tournament berth. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in five of the last eight years, a 65.3 winning percentage.

SOFTBALL - Second-year head coach Rachel Miller saw her 1994 team win seven of their last nine games to finish fourth in the MAC. The top four hitters and both pitchers return for what should be a banner 1995 season. The program earned league titles in 1993 and 1988.

SWIMMING AND DIVING - Coach Brian Gordon returns for his eighth year with the men and women hoping to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women’s program established a school record while they have never finished lower than fourth in 13 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest’s top swimming and diving facilities.

TENNIS - The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men’s team under the guidance of MAC Coach of the Year Dave Morin, has never finished lower than fourth. The women’s program is under the guidance of Penny Dean, who is in her fifth season.

TRACK & FIELD - Bowling Green, long associated with success in track and field, have had eight athletes compete in the NCAA meet the last three seasons. Among the track alumni is six-time NCAA All-American and 1972 Olympic gold medalist Dave Wottle. Sid Sink, a seven-time All-American at BGSU, heads the men’s track team, while Steve Price directs the women’s program.

VOLLEYBALL - Denise Van De Walle has steadily built the Falcon volleyball program into one of the best in the country. The 1992 team won a school-record 30 matches on its way to a third MAC title in four seasons. BG has won 20 or more matches seven of the last eight years. Van De Walle, three times named the league Coach of the Year, has led the Falcons to 191 wins over the last six seasons or a victory three out of every four times they've played.

Get a TEAMLINE Season Ticket and be at every game this year - even if you live 2,000 miles away!

No matter how far away you live from your favorite team, you can always hear the live play-by-play by calling TEAMLINES®. Now with the TEAMLINE Season Tickets you can hear the games you want at a lower cost and with faster access.

The TEAMLINE Season Ticket is a pre-paid telephone calling card designed to ease access to your favorite team's games by eliminating the need to use a Visa or MasterCard each time you call. Plus for the first time fans can enjoy great savings by buying in bulk. Instead of starting at the regular rate of 50¢ per minute fans can pay as little as 25¢ per minute, including long distance charges, for every minute they listen. A savings of over 25% off the average per minute charges last year. Plus the athletic department gets a percentage of each season ticket order to help support the team financially. To order a TEAMLINE Season Ticket call 800-225-5321 or mail in the coupon below.

Even without a season ticket, you can hear any game by calling TEAMUNE. Just call 800-846-4700 during a game and enter your team's four digit access code listed below. You can listen as long as you like and pay between 50¢ and 30¢ per minute depending on how long you listen.

No matter how you choose to use TEAMLINE you can call from any telephone in the U.S. or Canada including home, office, car, hotel, even a pay phone. TEAMLINE provides the live games of over 350 college and professional sports teams. So no matter where you are - even from 2,000 miles away - you can follow your favorite team on TEAMUNE.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 800 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.
• Personal satisfaction in contributing to BGSU athletics through your continued involvement.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 29th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green’s season attendance to an all-time high 112,110, an average of 22,422.

The Falcons begin the 1994 season looking to extend a 15-game unbeaten streak at home as head coach Gary Blackney has never lost a game during his three-year tenure with his teams compiling a 14-0-1 record.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift six years ago. A physical fitness center/weight room opened its doors to all 19 intercollegiate athletic teams in the

They Put BGSU In The Driver's Seat

The Bowling Green State University Athletic Department recognizes and appreciates the efforts of the automobile dealers from Bowling Green, Maumee, North Baltimore, Marion and Findlay pictured on this page. The generosity of these people and their support of Falcon athletics enables BGSU coaches to be on the road to recruit student-athletes, scout opponents, and represent the University. Please show your support by patronizing our “Wheels of the Falcons” automobile dealers.

Alma Mater
Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you'll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem'ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Ay Ziggy Zoomba
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Zi

Roll along you BG warriors
Roll along and win for BGSU

Ay Ziggy Zoomba is Bowling Green's unofficial fight song (the official fight song is "Forward Falcons"). No one knows who wrote "Ay Ziggy Zoomba," but it became famous nationally when former Falcon All-American and Detroit Lion All-Pro halfback Mike Weger sang it in the film "Paper Lion." The Falcon football team traditionally sings "Ay Ziggy Zoomba" after each victory.

Frieda & Freddie Falcon
Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is "beheaded" at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Why Orange and Brown?
Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns' head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Retired Jersey
The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

Why The Falcons?
The 1994-95 season marks the 67th anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were "the most powerful bird for their size and often attacked birds two or three times their size."
Punter Cris Shale became the most decorated player ever at BGSU in 1990 earning a spot on five All-America teams while establishing four MAC records, including season (46.77) and career (43.09) average. Shale, a 10th round pick of the Washington Redskins in 1991, led the nation in punting in 1990.

CHEMIST RECEIVES NATIONAL HONOR

(Continued from page 37) Chemistry and Chemical Engineering at Caltech (1958-72). Before that he taught 10 years at Iowa State University.

Hammond, who also is a visiting research professor at Georgetown University, has been affiliated with Bowling Green’s Center for Photochemical Sciences since 1989. The center seeks to expand the synergism of research, teaching and applications in the photochemical sciences in a unique interdisciplinary environment.

“What is going on now is, we hope, a prelude to much more important action that will be going on a decade from now,” Hammond has said of the center’s work toward integrating scientific research and industrial applications.

Author or coauthor of five books and more than 300 papers, Hammond has been recognized numerous times by the National Academy of Sciences and the American Academy of Arts and Sciences. He has received the ACS Award in Petroleum Chemistry, the James Flack Norris Award in Physical Organic Chemistry, the Danforth Award for Gifted Teachers and the Priestley Medal, the American Chemical Society’s highest award for service to the profession.

Hammond’s major scientific accomplishments include his work with W.M. Moore on the photoreduction of benzophenone, which led to the relationship between spectroscopy and organic reaction theory. He also produced a series of papers with J. Saltiel that helped clarify the photochemistry of a stilbene system that had been the target of investigators since the mid-19th century. These papers and others published from 1959-62 provided the foundation for contemporary mechanistic photochemistry.

Born in 1921 in Auburn, Maine, Hammond is a graduate of Bates College in Maine and earned master’s and doctoral degrees from Harvard University.

Others honored by President Clinton are Cal-Berkeley engineering professor emeritus Ray Clough, retired IBM computer scientist John Cocke, Cornell University biologist Thomas Eisner, Carnegie Institution of Washington geophysicist Frank Press, Columbia University sociologist Robert Merton, UCLA biochemist Elizabeth Neufeld, and Purdue University physicist Albert Overhauser.

(Continued from page 3) break a 13-game road losing streak which dates back to the 1990 season when they were 14-10 winners at Toledo.

The Falcons are coming off an impressive 45-0 thrashing of Akron in the league opener last weekend. The Falcons have had the Zips number since they joined the league three years ago outscoring them, 118-10. The Falcon running game came alive in the contest after getting shut down by North Carolina State in the opener.

Sophomore Keylan Cates rambled for 91 yards on 13 carries and two touchdowns to lead a host of BG runners who amassed 261 yards on the ground, the best day for the Falcons running the ball since a 269-yard effort against Miami in 1992.

Junior quarterback Ryan Henry set a school and MAC (MAC games only) record for passing percentage completing 13-of-14 passes against Akron. His performance eclipsed the BG record of 11-for-12 set by Jim Bryan in 1955 against Baldwin-Wallace and the MAC record of 10-of-11 set by Ron Rummel from Central Michigan against Bowling Green in 1977. Henry has not thrown an interception in 108 tosses dating back to the last two games of the 1993 season. He completed his first nine passes in the Akron game before misfiring his only time.

FALCON FAST FACTS: Senior tight end Ryan McElroy, who has been slowed by back problems the last two seasons, caught a career-high five passes against Akron, two going for six-pointers...he is second on the team in receiving...Ronnie Redd will join Stan Hunter (1982-85) and Mark Szlachcic (1989-92) as the only players in school history to catch a pass in 37 consecutive games with his first reception this afternoon...Redd needs five TD receptions to break the BGSU school record and just 11 receptions to become only the 12th player in school history to catch at least 100 passes...his senior teammate at the other receiving spot, Rameir Martin, needs 36 receptions to reach triple figures for his career...BG’s 45-point margin of victory over Akron was the largest since a 49-3 win over Grand Valley State in 1978 and the largest ever against a Division I opponent...senior place-kicker Brian Leaver has been a big plus for the Falcons this season converting all four of his field goal tries, including a career-best 47-yarder against Akron, and all six PATs...senior outside linebacker Willie Gibson was named the MAC Defensive Player of the Week Monday.

*Big West Game*
The football team is not the only athletic team at BGSU which is in full swing this fall. Cross country, volleyball and soccer squads have also opened their seasons. A short preview of each team follows.

CROSS COUNTRY

Head coach Steve Price calls this year’s Falcon women’s squad his strongest since he has been at Bowling Green.

The Falcons, tabbed to place second in the MAC according to the pre-season coaches poll, return two of the conference’s best runners in junior captain Tracey Losi and sophomore Laura Hall — both of whom earned All-MAC honors a year ago.

Losi was the circuit’s top sophomore runner at the league meet last year, placing fourth overall, while Hall turned in the best effort by a freshman with her eighth-place showing.

Junior Kristin Gaddis, an Academic All-MAC pick in 1993, sophomore Renee Strayer, and freshmen Christin Lacroix and Missy Lyne round out BG’s top six.

Junior Suzanne Isco, one of BG’s fastest runners last season, will be red-shirted this year.

On the men’s side, head coach Sid Sink will again field an extremely young group of runners.

The Falcons, picked to finish seventh in the pre-season coaches poll, may depend on as many as three to four rookies in their regular rotation.

Junior co-captain Tim Arndt should be one of the team’s best performers if he can stay healthy.

Freshmen Jason Salak and Jim Weckesser are the Falcons’ top two newcomers and look to be immediate contributors.

Sophomores Dave Exner and Tom Williams, and first-year runners Rob Bowman and Jason Izworski will also see time in BG’s regular pack.

Senior co-captain Brad Schaser, an All-MAC selection last year, will be red-shirted this season.

The Falcon men and women will compete in their only home meet of the fall next Saturday when they host the Mel Brodt Invitational.

VOLLEYBALL

Head coach Denise Van De Walle’s Falcons have consistently been one of the MAC’s top teams over the past several years and this season should be no different.

A total of eight letterwinners — including five starters — return from the 1993 unit that compiled a 20-11 overall record (14-4 MAC/2nd) and received the program’s third consecutive national postseason tournament berth as BG took part in the NIVC for the second time in as many years.

Left-side hitter Jessica Andrasko, one of only two seniors on this year’s team, and junior middle hitter Carlyn Esslinger, will be BG’s on-court leaders.

Andrasko was a second team All-MAC pick last year, while Esslinger was an honorable mention selection. Both will serve as team captains.

Juniors Jenny Ostrom (left side) and Jodi Olson (setter), and red-shirt sophomore Lori Hilton (middle) are BG’s other returning starters.

Perrysburg product, Marlene Metti, a junior, again returns as the team’s defensive specialist.

BG opened its MAC schedule last night at home against Western Michigan and plays pre-season league favorite Ball State tonight at Anderson Arena. The conference coaches picked the Falcons for third in their pre-season poll.

SOCCER

The BG soccer team is hoping the experience its younger players gained last year will pay dividends in 1994 — the program’s 30th season of intercollegiate varsity competition.

Head coach Gary Palmisano, back behind the Falcon bench after his stint working with the World Cup, has seven returning starters to work with off last year’s 10-7-0 club that finished second in the conference with a 4-1-0 record.

Despite returning the majority of its players (including seven starters), the Falcons will be faced with the task of rebuilding its entire midfield and molding its backfield. Several of last season’s starters and top reserves have moved to different positions this year to help strengthen the team.

Key starting personnel returning from 1993 include senior goalkeeper Dan Traver, junior fullback Dave Michels, junior forward Tim Concannon and senior midfielder Frank Frostino.

Traver and Frostino were both All-MAC picks last season at their respective positions.

Concannon, an Academic All-MAC pick a year ago, finished second on the team in 1993 with five goals.

Sophomores Tony Doré (back), Brian Gilbkowski (midfield), Steve Klein (midfield), Jamie Harmon (midfield), Michael James (midfield) and Dave Kindl (forward), and junior transfer Duane Ely (forward) will also be keys to BG’s success this year.

The Falcons are set to play their sixth match of the season Sunday against Western Kentucky at Cochrane Field. Starting time is set for 2 p.m.
THANKS, B.G.!

We're not the most conspicuous copier store in the area. Which is why your business means so much to us. You see, we know that you know that story: while the big universities get the attention, BGSU just does its job... and develops programs, academic and athletic, to rival any in the Midwest! So... thank you, BG, for letting Goodremont's and Minolta to help you in "reproducing" your very considerable accomplishments.

--MARK GOODREMONT, President
1994 BGSU Football Team
