Backyard battle. Battle for Northwest Ohio bragging rights. The 1-75 battle.

Whatever you care to call it, this afternoon is the 60th renewal of one of the best rivalries in collegiate football - Bowling Green and Toledo.

All the normal cliches apply - you can throw out the records when these two programs play, if you can't get up for this game then you can't get up for any game, etc.

Added to all the normal incentive for the Falcons in this game, it is also Homecoming today with all the normal activity associated with this celebration. Welcome back to all alumni who have returned to campus for the game and activities this weekend.

Beyond the rivalry, the Rockets also enter today's game with some added incentive - the Mid-American Conference championship and trip to the Las Vegas Bowl.

Toledo is in the thick of the league race standing second behind Eastern Michigan, the only undefeated squad in the conference. Eastern Michigan faces its sternest MAC test to date travelling to Ball State to face the Cardinals today. So, by the end of the day, the Rockets have a chance to be sitting atop the MAC standings depending on the outcome of play today.

Toledo, which is looking to extend a six-game unbeaten streak, comes into the game with an explosive offense and a defense that ranks in the top half of the league statistics.

Despite struggling the last couple weeks, the Rocket offense features the running of tailback Wasean Tait and the playmaking skills of quarterback Ryan Huzjak.

Tait, who is averaging 158.7 yards rushing per game to lead the MAC and rank second in the nation behind Troy Davis from Iowa State, went over the 100-yard barrier last week against Miami to establish school records for most consecutive games over the century mark (6) and most times in a career topping the milestone (13). Tait, who has 10 rush (Continued on page 3)

The Bowling Green defensive unit ranks among the top five in the Mid-American Conference in scoring defense. BG defensive units have ranked fifth or better in each of the last five seasons leading the MAC two of those years.

(Continued from page 2) ing touchdowns this season to lead the MAC and rank in a tie for ninth nationally, is also the MAC leader in all-purpose yardage (173.7 yds./game), which ranks him 10th in the nation. He is 195 yards shy of the UT career record for rushing yards.

Huzjak leads the MAC in passing efficiency and is second in total offense. He led the Rockets with 87 yards on the ground in BG’s 31-16 victory last season. He has completed 58% of his passes this season for 10 touchdowns with only three interceptions.

Senior tight end Steve Rosi is the leading receiver having caught 27 balls for a 13.6 average and five scores. Red-shirt freshman Brock Kreitzburg is top wide receiver with 15 receptions. Rosi ranks fifth in the MAC in receptions, just ahead of Bowling Green split end Eric Starks.

UT has three seniors on its offensive line which is anchored by center Pete Stone, a second-team all-conference selection a year ago.

The Toledo offense has not been guilty of a turnover in the last nine quarters helping the team to the #1 spot in the MAC and in the nation in turnover margin. UT has forced 18 turnovers this season, while committing just six themselves.

Defensively, the Rockets are fourth in the MAC in total defense while leading the league and ranking 13th nationally against the run yielding only 113.0 yards per game. UT is led by junior inside defensive line which is anchored by split end Eric Starks.

REDEDICATION CEREMONIES FOR EPPLER COMPLEX
HELD THIS MORNING

Homecoming has a special meaning for faculty and students in the University’s School of Health, Physical Education and Recreation as they “officially” returned to renovated quarters this morning in the Gertrude M. Eppler Complex.

The complex, comprised of three buildings, was dedicated—actually rededicated—during ceremonies held this morning in the gymnasium of the North building.

Presiding over the ceremonies was Dr. Mary Ann Roberton, director of the School of HPER. Also giving remarks were John Laskey, president of the University Board of Trustees; Dr. Sidney Ribstein, president of the University; Dr. Les Sternberg, dean of the College of Education and Allied Professions; and Dr. Richard Powers, director of the recreational sports program.

Following the remarks, a plaque honoring Eppler was unveiled.

Following the ceremony, two rooms within the building were named and dedicated for long-time faculty members. A learning resource center was named for Dr. Mary A. Watt and a dance studio was named for Mary E. Whitney.

When built in the late 1920s and 30s, the three buildings, then called the Men’s Gym, the North building and the Women’s Gym, were showplaces. The Women’s Gym and Natatorium were among the first buildings in the nation to be built as a result of the Depression Era’s Works Progress Administration.

For many of those early years, what happened in those buildings was under the direction of Gertrude Eppler, who chaired the women’s division of the then-department of health and physical education from its inception in 1943 until her retirement in 1969.

By 1979, the showplaces were in need of an update. Beyond its useful life, the natatorium was razed and an activities center with an open floor plan was built in its place. But a recession and a tight state budget postponed an additional $10 million in renovation monies again became available to complete the project.

However, with the new activities building ready for occupancy in 1981, it was decided to name all three buildings for Eppler, and the first dedication ceremony was held that year.

Able to attend, Eppler, then 75, called the dedication, “The greatest moment of my life,” and then added, “This is like winning an Emmy!”

Today, the three buildings are once again showplaces.

Redesigned and remodeled to bring in light, the buildings feature state-of-the-art classrooms and activities areas. Of special interest for University alumni who earned their degrees between 1940 and 1980, will be what was called the Men’s Gym. More restored than remodeled, the gym still has its original hardwood floor that at various times throughout its life played host to varsity basketball games, gym classes, formal dances, and even, in the early post-World War II years, dormitory beds.

Eppler joined the University faculty in 1941, becoming chair of the women’s division two years later. During the next 26 years, she guided the program during a period of unprecedented growth. When she became chair, there were two other physical education faculty members; by the time she retired, there were 20 full-time instructors and 300 students majoring in health and physical education.

Eppler’s career as an educator spans almost 50 years. A native of Chelsea, Michigan, she graduated from high school at age 16 and immediately began teaching sports at the high school level.

She earned her bachelor’s degree from Michigan State Normal School (now Eastern Michigan University) and her master’s degree from the University of Michigan.

Before coming to Bowling Green, she taught physical education in the Michigan public schools and supervised physical education programs in a school for handicapped children at Eastern Michigan. She was the former president of both the Ohio Association for Health, Physical Education and Recreation and the Women’s Physical Education Section of the Ohio College Association.

An avid fisherman, one of her most prized honors was a medal from “Field and Stream” magazine for catching a 19 lb., 2 oz. Great Northern Pike in 1954. She died in 1983, two years after the first dedication ceremony; she was 77.

Mary Watt retired in 1978 after 23 years of service to Bowling Green. A leader in the field of professional preparation of physical educators, she was instrumental in developing and implementing improvements to the physical education teacher curriculum at the University. She also supervised student teachers during her tenure.

A graduate of the Boston-Bouve School of Physical Education, she earned her master’s degree from Wellesley College and a doctorate from the University of Iowa.

Although retired, Watt continues to live in Bowling Green and is active in a number of volunteer activities, including The Link.

Whitney, who was known to friends and colleagues as “Ell,” died in 1981. She was a faculty member from 1952 until her retirement in 1974.

A nationally recognized instructor of dance, she was active in the American Alliance for Health, Physical Education, Recreation and Dance, and was one of the founders of the Ohio Association for Health, Physical Education, Recreation and Dance.

She earned her bachelor’s degree from the University of Michigan and a master’s from New York University. She studied professionally under Doris Humphrey, Hanya Holm, Martha Graham and at the Bennington School of Dance.

AND A ONE, AND A TWO—The men’s gym has been more restored than remodeled. The hard wood floors, which once played host to varsity basketball games and a formal dance or two, have been refinished and readied for the next generation of students.

When it comes to winning games, few have done it better than Bowling Green State University head coach Gary Blackney.

Blackney has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles - going undefeated in league play to win the titles - and second and third-place finishes the last two seasons.

To get an idea of how dominant Falcon teams have been in MAC play during Blackney's tenure, consider the fact BG has had a perfect record for 26 of the 32 weeks of league play over the last four years. In addition, Bowling Green has not had a loss on its slate for 29 of the 32 weeks. All in all, Blackney has led his teams to an eye-popping 28-2-2 (.906) record in MAC play.

The 1995 season will present some new challenges for Blackney and his staff as they look to win a third title. In order to achieve what they have set out to, they will have to overcome the loss of Vince Palko, two-time MAC Defensive Player of the Year, and the record-setting receiving combo of Ronnie Redd and Rameir Martin. Nonetheless, he believes BGSU will be a factor again. But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule still remaining. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winningest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991-92, Blackney will have to overcome the loss of Palko and the high-scoring offense of Redd and Martin. Nonetheless, he has shown he can do it and he will again have his Falcons competing for another MAC title.
HEAD COACH GARY BLACKNEY

1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program’s first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all I-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

A little less than five years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game — coaches such as Dick MacPherson, Terry Donahue, Earl Bruce, Rick Forzano and John Cooper.

The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, current Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 11 years, Blackney has helped a team to a bowl bid.

His success story is certainly one that makes all people feel thankful. In March, 1986, Gary’s wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

Forced to take over the duties of running the household, which were previously handled by Lauretta, Blackney still keeps up with the demands of being a head coach and a father.

The MAC is one of the 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big Eight, Big West, Pacific-10, Southeastern, Southwest and Western Athletic conferences.

Entering its 49th year of existence, the MAC consists of 10 state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. Of the 10 current members - the University of Akron, Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University - nine schools have been members of the conference for 15 or more years. The University of Akron is the newest member having joined the league in 1992.

The league will change composition in 1997-98 adding Marshall and Northern Illinois while the University of Buffalo will become a MAC member in 1998 or 1999 bringing membership to 13.

The 10 member institutions have a total enrollment of better than one million alumni. The MAC has sponsored championships in football, baseball, basketball, cross country, field hockey, gymnastics, softball, swimming and diving, tennis, track and field and volleyball.

The MAC is the only Division I conference with its own Hall of Fame. A total of 52 individuals have been inducted into the MAC Hall of Fame since its beginning in 1988, including 21 inductees with football backgrounds. Some of those include Ara Parseghian (Miami), Doyt Perry (Bowling Green), Bo Schmeeckler (Miami), Jack Lambert (Kent) and Phil Villapiano (Bowling Green).

Numerous MAC football teams and players have received national recognition during the MAC's 48 years. Bowling Green was recognized as the national small college champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second-longest streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years the non-conference victims of MAC teams include opponents from the Big Ten, Big Eight, SEC and WAC.

For the fourth straight year, the MAC champion will play the Big West champion in the Las Vegas Bowl. This year's game is scheduled for Dec. 14 at 6 p.m. This is the 15th season the winners of the MAC and BWC have battled in a bowl.

The junior tailback combination of Courtney Davis (#36) and Keylan Cates will be one of the best in the MAC this season. They combined for almost 1,500 yards rushing last season and almost 2,000 all-purpose yards.
Senior Steve Ayers moves into the starting lineup this season at cornerback after being an important member of the special teams and a reserve in the secondary the last three seasons. Ayers has started six games previously in his career.

Since 1964, the Bowling Green State University Falcon Club has been a driving force behind one of the nation's most successful athletic programs.

For the last 31 years, the Falcon Club has helped Bowling Green athletes achieve success in both intercollegiate sports and academic endeavors.

Although the Falcon Club's primary purpose is to provide financial support for the intercollegiate athletic program, members also enjoy a number of benefits and special programs. Among them are priority seating for football, basketball and hockey, pre-and post-game parties, luncheons, travel opportunities with Falcon teams, greens fees for BGSU's 18-hole Forrest Creason Golf Course, and priority parking in Falcon Club lots.

This year, the Falcon Club has already held its annual “Meet-The-Team” cookout just prior to the start of the football season.

The 1995-96 hockey season has begun and the start of the basketball season is not far behind. Falcon Club members will be active throughout the winter and spring, cheering on all of the Falcon teams.

Fran Voll, associate athletic director, feels the Falcon Club has been growing in membership thanks to a very active and interesting calendar of events.

“Our annual membership drive got off to the best start in Falcon Club history last spring with nearly $254,000 raised in cash and pledges,” Voll said. “We’re excited about our calendar of events which revolves around our very competitive athletic schedules for the 1995-96 year. We will again be hosting Friday noon luncheons with featured speakers, such as, head football coach Gary Blackney, head volleyball coach Denise VanDeWalle, head hockey coach Buddy Powers, and head women’s and men’s basketball coaches Jaci Clark and Jim Larranaga. Our Falcon Club tent will also be filled with activity before and after our five home football games.”

The Falcon Club today bears little resemblance to the fledgling group of BGSU backers 30 years ago. For one thing, membership has grown from 137 members in 1964 to this year’s goal of 1,700.

During the late 1960s, the Falcon Club grew within the framework of the University’s Development Office, located at the time in the Alumni House, site of the BGSU Popular Culture Center today.

Throughout its history, the Falcon Club has looked for ways to expand its scope. In 1983, the Falcon Club of Toledo opened. A chapter in West Central Ohio, serving Lima and Wapakoneta, followed in 1984. Another chapter opened that same year in the greater Cleveland area.

“We continue to see growth and development in our membership and be prepared to take an even greater role in the support of our athletic teams,” Voll said. “Our goal is to reach out to all prospective Falcon Club members and include them in supporting one of America’s finest sports programs. The key is offering Falcon Club members a number of special events, like organized trips to BG games, luncheons and more.”

Bowling Green State University Athletic Director Ron Zwierlein believes the Falcon Club is a very important aspect of the athletic department.

“The Falcon Club is an exceptional organization,” Zwierlein said. “It’s bigger and better than ever, and we feel its potential for growth is unlimited. We’re very pleased with all the support we have received from the Falcon Club members.”

“Our recent successes in athletics and in the Falcon Club makes us feel proud to wear the Brown and Orange,” Zwierlein added. “Each year, we face the challenge of maintaining our proud position through the dedicated efforts of our student-athletes, our coaches and administrators. It’s good to know that we have the support of the Falcon Club members. They enable us to set and reach our very ambitious goals at Bowling Green State University.”

BOWLING GREEN FOOTBALL
"A SACK FOR A SACK"

This season Kroger wants to help families in need. Each time a BGSU defensive player sacks the opposing quarterback, Kroger will donate a sack of groceries to food pantries throughout the region.

Last year, Kroger donated over $65,000 worth of food for food pantries serviced by the Mid-Ohio Food Bank. We encourage you to support your local food pantry. Together, we can fight hunger!

Wings Of The Falcons
BGSU Football Alumni Network

In its initial year, this "organization" was established to create a networking system that encourages former Falcon football players to attend BGSU games (home and away), team reunions, etc. in greater social numbers.

The program is also designed to better cultivate, through a caring attitude, those Falcons who are prepared or would be willing "to give back to Bowling Green football", not always in financial terms, but in the equally important aspect of spreading the positive word about Falcon football and BGSU in general.

Finally, via increased interaction amongst friends and peers, "Wings" strengthens the linkage that further enhances the tremendous life-long benefits that being a part of such a special program delivers.

Volunteer class representatives play a vital role in assisting the football staff by enlisting support and updating information on their former teammates.

Further information is available by contacting Jean Panning, football secretary at (419) 372-7083, or Ken Kavanagh, associate athletic director, at (419) 372-7054. Or stop by the "Wings" tent in the northeast corner of Perry Stadium before or after any home game.

Falcon Quest

One of only 46 institutions to have participated in the NCAA Life Skills 1994 pilot study, BGSU's "Falcon Quest" program is designed to address the "total development" of the student-athlete in preparation for the biggest game of all - the game of life. With the assistance of numerous University and Bowling Green community personnel, a variety of programs are held during the year. In its inaugural year, Falcon Quest created and activated the Student-Athlete Advisory board, held a comprehensive Life Skills conference - attended by nearly 500 student-athletes, initiated the Falcon Speakers Bureau, and organized the Fall Falcon Fling picnic. Falcon Quest provides a well-rounded program for BGSU student-athletes to develop the individual skills necessary to lead a productive, successful life.

Bowling Green State University's success lies in offering its students the educational opportunities, diversity and excitement of a large university, while maintaining the personality, camaraderie and caring of a small college.

This success is fueled in large part by Bowling Green's commitment to research and teaching which has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green has nearly 875 full- and part-time faculty and 17,000 students on its campus. Degree programs are offered through the colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology and the Graduate College. Within the undergraduate colleges are schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 60 fields of study and doctoral degrees in 14 departments with more than 80 specializations.

In addition to courses on the main campus, the University's Firelands College, located in Huron, Ohio, offers 21 associate degree programs, as well as courses which fulfill the first two years of bachelor's degree requirements. Firelands enrollment tops 1,400 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty, more than 95 percent of whom have the highest degree in their field, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, such as the industrial psychology program ranked fifth in the country in a recent U.S. News and World Report study. Also, faculty have been elected to high ranking positions in several national and regional professional organizations.

Three academic departments - chemistry, philosophy and psychology - are home to Ohio Eminent Scholars. The scholar program was created by the Ohio Board of Regents to attract world-class educators and researchers to the state's universities. Only two other Ohio universities - Ohio State and Cincinnati - have more of these prestigious positions than BGSU.

While committed to teaching, faculty are researchers as well, generating new knowledge through independent research and involvement in University units such as the Center for Photochemical Sciences, the Population and Society Research Center, the Mid American Center for Contemporary Music, the Center for Quality, Measurement and Automation, the Center for Canadian Studies, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center.

Bowling Green is also the site of the National Drosophila Species Resource Center and the Mid America Stock Center - the largest scientific facilities of their kind in the world - where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and more than 80 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. Last year, more than 5,000 "non-traditional" students enrolled in undergraduate and graduate programs on a full- or part-time basis.

The University is also making great strides towards accomplishing its goal of making computers a vital part of each student's education. There are currently 18 computer labs, including eight in residence halls, for use by students. In addition, nearly a half dozen departments have created computer labs for their students. This year the Board of Trustees has committed additional funds towards updating equipment in campus computer labs and additional networking of labs and academic buildings.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including 1.8 million volumes plus journals, periodicals, microforms, government documents and other materials.

Special sections of the library include the Center for Archival Collections, which houses materials relevant to northwest Ohio history, and the Sound Recordings Archives with one million recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually improving its more than 100 existing buildings and upgrading facilities to meet current needs. This fall, the Eppler Center, which houses the School of Health, Physical Education, and Recreation, is open following a $9.5 million renovation. A year ago, a $13.5 million classroom building, Paul Olscamp Hall, was opened and dedicated. The new building features state-of-the-art telecommunications capabilities which open unlimited possibilities for classroom instruction.

Also, the Board of Trustees this summer approved spending $17 million to upgrade both Kreischer and Harshman Quadrangles, which each house 1,300 students. Kreischer should be completed in time for the start of the 1996-97 academic year and renovation work on Harshman will follow.

In the past three years, a $9.8 million addition to the Fine Arts Building was completed, Hayes Hall was converted into a computer center, an $8.7 million field house for intramurals, physical education classes and intercollegiate sports was opened, and a $15 million renovation of Founders Quadrangle was completed, creating one of the finest and most modern residence halls in the state.

In the past dozen years, more than $174 million has been allocated for new construction and remodeling projects.

Dr. Sidney A. Ribeau’s appointment last spring as the ninth president of Bowling Green State University was met with a great deal of enthusiasm from faculty, staff, students, alumni and friends of the University. In the intervening months, that enthusiasm has not diminished.

He came to Bowling Green from California State Polytechnic University at Pomona where he had been vice president for academic affairs since 1992.

“Bowling Green is going to like Sidney Ribeau and Sidney Ribeau is going to like Bowling Green,” John Laskey, president of the University’s Board of Trustees, said at the time.

The search for Bowling Green’s new president was the most open in University history. Judge C. Ellen Connally, former president of the Board of Trustees and chair of the search committee, promised early that no constituency would be left out of the process.

“Dr. Ribeau fulfills the credentials that the Presidential Search Committee established after listening to all the constituencies of the University. He has a warm and easy manner that portrays the confidence he has in himself. I think Dr. Ribeau will not only do things right—he will also do the right things. That is a leader!” Laskey said.

In accepting the Bowling Green presidency, Ribeau said he was eager to accept the challenge of leading the University. “Bowling Green State University is ready to move decisively and quickly towards the challenges of the future. The president is just one player in a team that has to be prepared, motivated and ready to act. I am able...I am willing...to make my contributions to this process. I will not weary, I will not fail the University,” he said.

Ribeau was a popular selection.

Dr. Sidney Ribeau

He was endorsed by the student newspaper and was the clear choice of the faculty and staff. “Sidney Ribeau was by far the number one choice of administrative staff,” said Pat Green, the former chair of the Administrative Staff Council.

“Bowling Green is very fortunate to have found such an able leader who can be supported by all campus constituencies,” said Dr. Fiona MacKinnon Slaney, chair of Bowling Green’s Faculty Senate.

Ribeau’s career in higher education includes extensive background in university administration and experience in the areas of strategic planning, faculty development, fund raising, program planning, communications and university relations.

At Pomona, he managed a division of approximately 1,300 faculty and staff and a $70 million annual budget. Ribeau also implemented a divisional strategic plan, developed a campus diversity plan, implemented a faculty professional development program and reorganized the divisional financial management system, among other accomplishments.

As dean of the College of Liberal Arts at Cal Poly San Luis Obispo from 1990-92, Ribeau increased faculty ethnic and gender diversity, developed a college strategic plan and initiated a college annual giving campaign during a time of significant budgetary reductions.

From 1987-90, Ribeau was dean of undergraduate studies at California State University at San Bernardino. From 1976-87, he was chair of the Pan African studies department and professor of communication studies at California State University at Los Angeles.

He has continued to teach throughout his administrative career and has maintained an interest in intercultural communication, African-American culture, relational communication, public discourse and race relations. He is the co-author of African American Communication: Ethnic Identity and Cultural Interpretations, which in 1994 received the Distinguished Scholarship Award for New Books, International and Intercultural Communication Division from the Speech Communication Association. He was selected earlier this year to give the 1995 B. Aubrey Fisher Memorial Lecture at the University of Utah. The lecture is one of the highest awards given to a scholar in the field of communications.

In the summer of 1994, he was invited to deliver the keynote address, “I, Too, Dream America,” at the Chautauqua Institution, Chautauqua, N.Y.

Ribeau, who grew up in the Detroit, Mich. area, holds a bachelor’s degree from Wayne State University. He received his master’s and doctoral degrees from the University of Illinois in 1973 and 1976, respectively.

FOR MANY HOSPITALS, CONSOLIDATION IS A BOLD NEW TREND.

FOR US, IT'S A 20 YEAR TRADITION.

Collaboration. Joint ventures. Mergers. Those are the buzz words sweeping hospitals across the nation as health care reform begins.

Mercy and St. Charles Hospitals applaud this way of thinking. In fact, right here in Toledo, we've been practicing this "new" philosophy for more than 20 years.

To us, it makes good sense for hospitals, and for the community. Because when administrative services, technology and staffing are shared, costly duplication can be greatly reduced or even eliminated.

At Mercy and St. Charles, we share a single source for gerontology services, purchasing, computer services, rehabilitation services and more than 15 other operations. Which has helped save tens of millions of dollars over our two decades of working together.

The savings are reward enough for doing business this way. But it's also nice to know we've been a trend-setter for all these years.

BETTER HEALTH, TIMES TWO.
Dr. Ron Zwierlein begins his second year as the director of intercollegiate athletics at Bowling Green State University having already accomplished a great deal in his short tenure.

During his first year as the director of Falcon athletics, he guided the men's sports program to the coveted Reese Trophy, symbolic of overall excellence in the Mid-American Conference.

Zwierlein, who was named to his present position on July 6, 1994, is more familiar with the BGSU athletic department, its operation, and the people than one would expect of a person recently appointed to the position. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic, physical education, and recreation administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities over the years.

Zwierlein, the 10th athletic director in the history of the department, spent the 1993-94 academic year as the interim vice-president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams in 1981 while also serving on the faculty at the University.

After three years as the head coach, during which his women's teams finished second in the Mid-American Conference all three seasons, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

While still working as a director of the Student Recreation Center, Zwierlein was appointed to direct the planning and oversee the construction of the $8.7 million Bowling Green University Field House in 1991.

In 1992, he accepted the position as director of recreational sports, which included supervision of all facilities, staff, programs and financial resources associated with recreational sports. He was also responsible for overseeing the building and establishing the operational structure of the Field House.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio, near Cleveland. While at JCU, Zwierlein served as the head swimming and diving coach (1975-81) and athletic director (1977-1981). In his six seasons heading the men's swimming and diving program Zwierlein led JCU to the Presidents Athletic Conference title once while they placed seventh in the NCAA meet in 1980-81. During his tenure as JCU's swimming and diving coach, Zwierlein helped develop 28 swimmers and divers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams combined to compile a 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure as the athletic director at JCU, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

A native of Rochester, N.Y., Zwierlein earned three letters as a member of the Falcon swimming and diving team, serving as team captain in 1967-68 as a senior. Zwierlein was a diver, finishing among the top four in the one-meter event at the MAC Championships as a junior and senior.

During his undergraduate days, Zwierlein also served as BGSU mascot Freddie Falcon.

After graduation from BGSU, Zwierlein served as head swimming and diving and soccer coach at Monroe High School in his hometown and as swimming and diving coach at Fremont (Ohio) Ross High School.

Zwierlein and his wife Cindy, a 1969 BGSU graduate, have three children, Heidi, Heather and Chad. Heidi and Heather are both students at BGSU.
Today’s Halftime Show
BG SU FAL CON MARCHING B AND
October 21, 1995

Today marks the 20th successive year that the BGSU Alumni Band has marched in Doyt Perry Stadium for Homecoming. In celebration of that event and in honor of the 30th season since the arrival of Director of Bands Emeritus, Mark S. Kelly, the Falcon Marching Band presents an historic chronology of the Band’s first 10 years under Mr. Kelly’s direction.

Long-time Falcon football fans will be reminded of past games in Perry Stadium by sights and sounds indicative of the long tradition of the Falcon Marching Band. The music and marching drills for today’s show are actual recreations of shows performed between 1966 and 1976. With the exception of the modern uniforms and the current band’s contemporary percussion section, the style and signature maneuvers of the Falcon Band are revisited for the entertainment of fans, alumni, and the band itself! Sit back, and enjoy a trip down memory lane and the proud heritage of the Falcon Marching Band. Welcome home alumni!

BGSU Athletic Department

The tradition of excellence that is Bowling Green State University athletics continued in 1994-95 as the Falcon men's athletic programs earned the top award from the Mid-American Conference, the Reese Trophy, for overall athletic excellence. It is the second successive year the men have captured the all-sports award. The Falcon women's programs have captured the Jacoby Trophy four of the last eight years, including three consecutive years between 1992 and 1994.

As we move further into the final decade of the 20th century, the accomplishments of BGSU's coaches and student-athletes solidify BGSU's place as one of the top athletic programs in the country.

Bowling Green sports teams of the 1980s achieved a level of success matched by few and, based on the performance of Falcon teams as we approach the midway point of the 90s, they are maintaining their place among the elite in collegiate athletics.

Bowling Green claimed 24 conference titles during the 1980s with twenty-one teams earning berths in postseason play. Halfway through the 90s, BG teams have already won 10 league titles with nine teams making appearances in post-season action.

The following is a brief synopsis of each program in the BGSU Athletic Department...

BASEBALL - The program has a young, energetic leader in sixth-year head coach Dan Schmitt who has developed one of the top programs in the region. Schmitt, who played eight seasons of professional baseball, has steadily built the program into one of the best in the MAC which culminated with the 1995 league title, the program's first since 1972. BG has won 62% of its games the last two seasons. Many former BGSU players have gone on to play professional baseball including two of the better pitchers in the game, Roger McDowell and Orel Hershiser.

MEN'S BASKETBALL - Coach Jim Larranaga's 10th team will make a run at the league title with a young, energetic squad led by the return of all three players in the backcourt. BG made back-to-back postseason appearances for the first time in 30 years in 1989-90 and 1990-91. Historically, BGSU leads the MAC in postseason appearances (22 games), victories (eight) and number of All-Americans (eight). Former NBA standouts Nate Thurmond and Al Bianchi are among BGSU's alumni. Thurmond and coaching great Harold Anderson were inducted into the National Basketball Hall of Fame in 1985.

WOMEN'S BASKETBALL - The traditional rich program will look to return to the top of the MAC standings in 1995-96. BGSU has compiled a 198-67 record over the last nine seasons. The Falcons are the winningest team in MAC history having captured six league tournament and five regular season championships. The success of the program has attracted large crowds to Anderson Arena, including 4,408 fans for the 1993 NCAA Tournament game against Florida.

CROSS COUNTRY - The program is in good hands with Sid Sink in charge of the men and Steve Price directing the women. Sink, a former track and cross country All-American at BGSU, coached the BG women to four cross country titles in the 1980s. Now, he's working his magic with the men. Price, an experienced coach on both the national and international level, is in his sixth year as the head coach.

FOOTBALL - Two MAC titles and a run at championships each of the last two seasons has put the program back among the elite. BG won 19 straight league games in head coach Gary Blackney's first three seasons while compiling a 28-2-2 MAC mark over the last four years. BG's 36-8-2 overall record the last four seasons is the seventh best mark in the country among Division I-A schools. With five bowl games and 10 MAC titles in its history, BGSU alumni have included former NFL all-pros Phil Villapiano (Oakland), Mike Weger (Detroit), and Doug Smith (Los Angeles Rams), 12-year veteran Bob Reynolds (St. Louis), and Jamie Rivers (St. Louis).

GOLF - Coach Todd Brunsink's men's and women's golf teams play on some of the most challenging courses in the country and in some of the most prestigious tournaments on the collegiate level. The Falcon men's program, which was second in the MAC last season, its best finish since 1983, has won four league titles and made four NCAA Tournament appearances while the women's program is annually among the best in the region.

GYMNASTICS - Year in and year out, Coach Charles Simpson fields a MAC title contender. With three MAC titles since 1980, the Falcons have qualified as a team for postseason competition five of the last 12 years. In each of the last six seasons, his teams have consistently increased the school record for team score.

HOKEY - A winning tradition is what the Falcon hockey program is all about with head coach Buddy Powers leading the 1994-95 squad to a top 10 national ranking and a second-place CCHA finish. One of only five teams in the country to earn 20 or more wins every year between 1981 and 1990, BGSU will be looking to make its fifth NCAA Tournament appearance in the last 10 years this season. In all, the Falcons have appeared in nine NCAA Tournaments winning the 1984 national title. In all, the Falcons have won 11 conference titles. BGSU has produced some of college hockey's greatest names, 10 of which who currently play in the NHL, including defensemen Garry Galley and Rob Blake and forward Nelson Emerson. BG is also the home of two players who have captured the Hobey Baker Award.

SOCCER - The program, which has made...

three NCAA Tournament appearances, posted a winning record in all but one year of the 1980s and the success has continued in the 90s with the team compiling a 64-24-4 record the last five seasons. BG ranked sixth in the Great Lakes Region in 1994 and second in Ohio. The BGSU schedule annually includes perennial NCAA power Indiana along with the Kwik Goal/BGSU Classic. BG has won 12 or more matches in six of the last 10 years for a 67.2 winning percentage.

SOFTBALL
- Third-year head coach Rachel Miller-Reif will have another title-contending squad in 1996 with many of her key players returning. The program earned league titles in 1993 and 1988. The program annually plays some of the top teams in the country besides its demanding league schedule.

SWIMMING AND DIVING
- Randy Julian begins his first year with the men’s and women’s programs looking to continue to make winning a habit. Thirteen dual meet wins in 1991-92 by the women’s program established a school record while they have finished third or better in 12 of 14 MAC meets. The Falcons train at beautiful Cooper Pool, one of the midwest’s top swimming and diving facilities.

TENNIS
- The Falcon tennis teams have the advantage of playing and practicing at one of the finest facilities of its kind in the region - Robert Keefe Courts. The men’s team, under the guidance of 1994 MAC Coach of the Year Dave Morin, has never finished lower than fourth. The women’s program is under the guidance of Penny Dean, who is in her sixth season.

TRACK & FIELD
- Bowling Green, long associated with success in track and field, have had 10 athletes compete in the NCAA meet the last four seasons. Among the track alumni is six-time NCAA All-American and 1972 Olympic gold medalist Dave Wottle, Sid Sink, a seven-time All-American at BGSU, heads the men’s track team, while Steve Price directs the women’s program.

VOLLEYBALL
- Coach Denise Van De Walle has steadily built the Falcon volleyball program into one of the best in the country. The 1992 team won a school-record 30 matches on its way to a third MAC title in four seasons. BG has won 20 or more matches seven of the last nine years. Van De Walle, three times named the league Coach of the Year, has led the Falcons to 206 wins over the last seven seasons or a victory three out of every four times they’ve played.

VARSITY BG CLUB SAYS
GO FALCONS!

ABOUT THE VARSITY BG CLUB
The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $20 per year, can help operate the club and support BGSU athletics at the same time. Almost 600 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BG Club is offering a lifetime membership for $200; no other dues will ever be required. Lifetime memberships for those 65 and older are only $100.

The Varsity BG Club undertakes two major projects each year. In July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It's a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

MEMBERSHIP BENEFITS
All active members of the Varsity BG Club will receive:
• Membership in an exclusive organization open only to BGSU varsity letterwinners.
• A list of special activities and programs, such as the ones described above.
• Subscription to the quarterly newsletter.
• Personal satisfaction in contributing to BGSU athletics through your continued involvement.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 30th year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games. The Falcons begin the 1995 season looking to maintain their home dominance where they have compiled an 18-1-1 record during head coach Gary Blackney’s tenure.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift seven years ago.

In 1944, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games. The Falcons begin the 1995 season looking to maintain their home dominance where they have compiled an 18-1-1 record during head coach Gary Blackney's tenure.

The football facility at BGSU was formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Doyt's wife, Loretta, is joined by Varsity BG Club President Tom Vogtsberger (far left), BGSU Athletic Director Dr. Ron Zwierlein (next to Vogtsberger) and head football coach Gary Blackney. A plaque (inset) was put up on the west side of the stadium commemorating the dedication.
A physical fitness center/weight room opened its doors to all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium is the Falcon Club offices and clubhouse, the office for the Director of Academic Affairs, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of Perry Stadium is the plush Stadium Club. Now in its 16th year of operation, the Stadium Club’s 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the field and supports of Falcon football.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 94-43-6 record in the 143 games played at Perry Stadium. Over the last 13 seasons, Bowling Green is 50-10-4 at home for a .813 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fourth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame) and Frank Leahy (Notre Dame) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years after stepping down as football coach.

**Alma Mater**

Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.

Time will treat you kindly
Years from now you’ll be
Ever dearer in our hearts,
Our University.

From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.

When all is just a mem’ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

**Fight Song**

Forward Falcons, Forward Falcons
Fight for victory,
Show your spirit, make them fear it
Fight for ‘ol Bee Gee
Forward Falcons, Forward Falcons
Make the contest keen
Shout the fame of our mighty name
And win for Bowling Green!

**Frieda & Freddie Falcon**

Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is “beheaded” at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

**Retired Jersey**

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73. Miles rushed for 3,239 yards and 25 touchdowns in his career and was a three-time first team All-MAC selection. He was just the third back in NCAA history to rush for 1,000 or more yards in three consecutive seasons.

**Why Orange and Brown?**

Burnt orange and seal brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman’s hat on a bus trip to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns’ head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

**Why The Falcons?**

The 1994-95 season marks the 68th anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

**Ay Ziggy Zoomba**

Ay Ziggy Zoomba is Bowling Green’s unofficial fight song. Gil Fox, an Air Force bombardier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings “Ay Ziggy Zoomba” after each victory.

Perry Society

Bowling Green State University has enjoyed tremendous intercollegiate success in recent years—dating back to 1980, Falcon teams have won a national championship and 30 conference titles.

This glowing track record has resulted from an effective administration, a hard-working staff, good coaching, fine facilities, and, of course, outstanding performances on the fields, courts and ice.

A growing athletic endowment program is another reason. Athletic endowments will play a leading role in guaranteeing successful Falcon teams down the road.

Each year, the Falcon Club raises expendable funds for the athletic scholarship program. Generally, all of the funds raised throughout the year are expended.

And yet the needs for more continue to grow.

It is often difficult to forego the resolution of an immediate need in favor of the long-term growth of the department, but it is increasingly apparent that if BGSU is to continue to offer a quality education to our student-athletes then some funds must be invested in endowments as a protection for the future.

The Charles E. Perry Society provides a significant and everlasting avenue of support to Falcon athletics.

The Society was established in 1983 for the purpose of funding athletic scholarships through private contributions to the athletic endowment fund.

The Society is named for its founder, Charles E. Perry, a 1959 graduate with honors (and two degrees) from Bowling Green State University and a former placekicker on the Falcon football team.

Perry currently the Dean of the Graduate School of Management at the University of Dallas, was one of the principle founders of the Falcon Club and is the organizer and sponsor of an annual fund-raising event for the BGSU athletic endowment fund. This fund-raiser is called the Perry Society Golf Outing, and has been held the past 12 years at the Muirfield Village Golf Club, and also, The Golf Club, in New Albany, Ohio.

In just twelve years, the Perry Society has contributed approximately $170,000 raised through the golf outing to the athletic endowment fund. Perry Society members contribute $1,250 per year for the privilege of playing in the golf outing, with every dollar donated going directly to the athletic endowment fund. When a player contributes a total of $5,000, an endowed scholarship is established in the player’s name within the Perry Society.

Before becoming Dean at Dallas University, Perry was President and CEO of the Western Trading & Management Company, president and CEO of the Friedkin Companies, chairman and CEO of Worldvest, Inc., and years earlier he had been vice chairman, CEO and partner with golfing great Jack Nicklaus in the Golden Bear/Nicklaus Organization. Perry was instrumental in helping develop the organization into a substantial private business enterprise. He is also currently general partner of BC Golf Ltd. in Dallas.

Some of Perry’s other previous jobs have included senior officer for The Charter Company, founding president of Florida International University, and several positions at BGSU. He served as admissions counselor, director of admissions, director of development and assistant to the president.

Perry has been honored on numerous occasions, including being named one of the Ten Outstanding Young Men in America by the U.S. Jaycees in 1971. Four years later in 1975, he was granted the Distinguished Alumnus Award from Bowling Green State University. In 1986, Perry was inducted into the BGSU Athletic Hall of Fame for his outstanding contributions to the program.

Charles and his wife, Betty, have one son, Tom, and a daughter, Lynn.
(Continued from page 3)

linebacker Jamie Johnson and junior Mark Herron, the starting free safety. Johnson is third in the MAC averaging 13 tackles per game while Herron is averaging over 11 stops per contest. Senior cornerback Jamal Belt leads the MAC in interceptions with five to tie for fifth nationally.

Toledo head coach Gary Pinkel is in his fifth season with his team having compiled a 28-19-3 record. A Toledo team under Pinkel has not defeated Bowling Green in four years.

Only time will tell if the 50th meeting of the Northwest Ohio rivals will continue the recent trend which has seen the home team win nine of the last 11 meetings. The only break in the trend was BG’s wins at the Glass Bowl last season (31-16) and in 1992 (10-9). Overall, BG has a 33-22-4 edge and a 17-8-1 advantage at home. Bowling Green will be looking to extend a four-game winning streak in the series while having won seven of the last 11 meetings. At home, BG has won five in a row and eight of the last 10. UT’s 6-3 win in 1983 was the last road win for the Rockets in the series.

Five of the last six meetings have been decided by seven points or less.

The Falcons will also be looking to send the Homecoming Day crowd home happy having compiled a 44-19-10 record down through the years on Homecoming. BG has an 8-3-2 edge over Toledo in meetings which have also been Homecoming for Falcon fans, including the last three in the series.

TOM WALTON SELECTED FOR 1995 ALUMNI SERVICE AWARD

A former president of the BGSU Alumni Board of Trustees, who also served as the University's commencement speaker in August, 1993, has been selected to receive the 1995 Alumni Service Award. It will be presented today in special pregame ceremonies.

Thomas W. Walton '65 of Bowling Green, who is editor of The Blade in Toledo, has been involved in countless activities of the Alumni Association and University and his long, devoted service is being recognized today.

Mr. Walton has been a member of the Alumni Association’s Awards, Finance and Nominating Committees and he currently serves on the University’s Foundation Board of Directors. He served as chair of the search committee which hired three current members of the alumni office staff, has been a speaker at many campus functions and was emcee of the 1994 BGSU Journalism Reunion and 1995 farewell dinner for President Olscamp.

Additionally, he has been a speaker at the University’s Mass Communication Week and a contributing writer for the ATBG publication. He also served on the BGSU Publications Committee for the School of Mass Communication. An avid supporter of Falcon athletics, he is also a member of the Falcon Club.

"Tom is truly phenomenal," notes Larry Weiss, director of alumni affairs and associate vice president for University relations. "As editor of The Blade, his professional obligations are many. Yet he seems to pack 48 hours of service into every 24-hour day and he is always there for his alma mater and the Alumni Association. There isn’t much that Tom has not done at this University. He has taught, served as speaker and emcee, been an officer on various boards and committees, followed Falcon sports and counseled students."

Weiss adds, "Words cannot express the admiration and respect I have for Tom. He is a tremendous volunteer and we are greatly appreciative of his commitment to BGSU."

Letter From The President

Green State University via one of our Special Annual Football Magazines. On behalf of the entire University Community, welcome back home in 1995! I am expecting exciting things in the years ahead for this great school, and your support as alumni and friends certainly will enhance my ability to lead BGSU as it prepares for the 21st century.

When I look at BGSU I see an institution with solid academic programs and a well-managed campus. I am impressed by the sense of pride and accomplishment I see in our faculty, staff, students, alumni and friends. My career has been based on forming partnerships with those I meet, and one of my first goals is to meet as many people here as I possibly can. I hope to develop broad working relationships which will create a better environment for the discussion of issues and goals; for an exchange of ideas; and for the development of consensus on how we can position the University to better serve the community, the area, the state and the nation. As you know, BGSU is in a very enviable position of leadership in the academic world. Its academic reputation is known both at home and abroad. Other schools habitually look to us for leadership, and they draw on our expertise. BGSU is indeed a leader in higher education and you have played a major role in our accomplishment.

We have much to promote today regarding the University and the community. But, we must also have an eye to the changing needs of our society and work together in a manner that will strategically position Bowling Green State University to serve others better and more widely in the years ahead.

I trust that you will enjoy all the Homecoming activities which form the agenda for this weekend. Take a little time to reflect on the fond memories of the past and visit the faculty or other friends who influenced your life in years past.

I am very glad to have you with us for Homecoming 1995. Please come back as often as you can.

"Welcome Back BGSU Alumni"

The Alumni Association and Athletic Department welcome all alumni who have returned to campus for today’s 74th Homecoming celebration. It is a pleasure to have you back “home” and we hope you will enjoy strolling through campus, visiting with BG students and renewing old friendships as well as cheering for the Falcons in today’s key MAC encounter between BG and Toledo.

A special welcome is extended to all those groups holding reunions today: the Bowling Green Pioneers (graduates of the 1920s-1930s); graduates of the 1940s, featuring the Golden Anniversary Class of 1945 and those who were V-5 and V-12 cadets during World War II; graduates of the 1950s, featuring the 40-year reunion Class of 1955; the graduates of the 1960s, featuring the 30-year reunion Class of 1965; the Silver Anniversary Class of 1970; our Black Alumni and our Latino Alumni.

We hope all returning alumni have a great Homecoming celebration and we look forward to seeing you back on campus often.
