PLANS ARE MADE FOR SCHOLARSHIP CONTEST

On May 5, 1934, about 1,000 students of scholarship teams of 30 each will assemble at Bowling Green for the District Scholarship Contest. These students have been selected on the basis of high scholastic rank in various school units.

There will be two examiners for each subject. The examiners will have ten students to assist in scoring and recording the results of the test in each subject. Since there are fifteen subjects, this means the services of 150 students will be required.

In addition to this group about 40 people will be used in making the final summaries and tabulations of results in what we call the “central office.” The following faculty members will assist in the “central office”: Miss Mills, Miss Simmons, Miss West, Miss Craun, Miss Day, Miss Reed, Miss Van Dorn, Miss Ordway, Miss Mc Kibben, Dr. Hoppes, Dr. Witherington, and Dr. Zaugg. Miss Cummings, Miss Felsted, and Miss Bottles will have charge of the typing of the awards. About 15 college students will assist in “central office.”

It is quite essential that every student who is not helping directly with the scholarship contest should take upon himself the responsibility of making the strangers he meets on the campus that day, feel at home. President Williams has arranged a faculty committee consisting of Dr. Zaugg, chairman, Prof. Powell, Prof. Reeds, and Prof. Holt to take charge of the reception of our guests. A number of students will be appointed by them to act as guides in acquainting the students and their friends with the college.

The tests will be over at 10:45 and immediately thereafter the examiners and their student assistants will begin scoring the papers. This process will be completed about 12:30 and the workers in the central office will immediately begin tabulating the results which will be announced at seven o’clock on Saturday evening.

As an additional feature of the scholarship day, all the seniors in Northwestern Ohio who ranked high in the Senior Scholarship Test held on March 24th will be invited to come to Bowling Green, and at 11 o’clock in the auditorium these high ranking students will be given awards. The special program for their entertainment during the hours from 11 to 12 is being arranged.

JUDGE AMOS L. CONN SPEAKS AT ASSEMBLY

Judge Amos L. Conn, Common Pleas Judge of Wood County, spoke at the Assembly last Tuesday, April 24, on the subject of the Judicial System of Ohio. The speaker described the four kinds of courts and the jurisdiction of each. He then told something of the minor officials of the court, and distinguished between the Grand and Petit Juries.

Judge Conn touched upon his own problems when he listed the considerations which determine a Judge’s verdict or sentence. He then described the parts of witnesses and attorneys in a trial. In closing, the speaker gave this motto that all judges adhere to, “to see that justice is done”.

Sheriff Bruce Pratt Will Address Y. M. C. A.

Thursday night the Y. M. C. A. will have as their guest speaker Sheriff Pratt. His topic will be ‘Duties of the Sheriff.’ On commenting upon this subject, Mr. Pratt said that people have the mistaken idea that all the duties of a sheriff are dealings of a criminal nature; but this office has many civic duties, also.

The meeting will be held in the Y. M. C. A. Room in the Adm. building at seven o’clock, Thursday night, May 3rd. All men are invited to attend.

THE COLLEGE ATHLETE

Self-realization on the part of the college athletic makes for perfection but to whom—himself or his associates?

There is a question in regard to the college man who wears a varsity sweater— is he a true athlete? There is more in being an athlete than winning races, and breaking records. Sometimes it is not because a man is good, but because someone else is worse.

College athletics is one of the processes in the moulding of human character, if applied correctly. The training of the athlete and his condition during a game, are of vital importance. His training and condition are essential for the "spirit" and team work that a team must have, to win. Absence of validity in the sense of duty on the part of the college athlete to himself and his team mates, and the lack of character and authority of moral obligations on the part of the coach and the athlete, undermines the whole athletic department, the public backing, and never produces a winning combination.

The quality of moral principles of the athletic department as a whole, determines the ability of the college athlete, and to some extent the enrollment of the college. The little man may fortify himself with pride, but fortitude is the guard and support of moral virtues. The college man may mean well, but his ethics are better than his practices.

3-K Kapers

The 3 K's went on a journey this weekend. In fact, they arrived in Japan where two young Japanese girls ushered them into their lovely garden and asked them to dance. At one end of the lantern-lit garden was a pool surrounded by blossoming cherry trees with dainty lanterns hanging in their branches. The orchestra was placed in front of a screen covered with dragons and rare Japanese fish.

First degree was given last Tuesday evening to a group of pledges. Cheer up, the duties just can't last forever! Frances Raifsnider has returned—glad to see you back, Frances!

WOOSTER CLUB DEFEATS BEE GEE

Playing their second game of the season and the first one in home territory, the spectators saw the Falcons win and then lose a game in the final innings, by not using the grey matter in the pinches. This was probably due to over anxiousness on the part of the players.

B. G. at the end of the second inning, had a four point lead over the Wooster nine, but when th 6th closed the score was tied 7-7.

Neither team was able to score in the 7th or 8th, but during the first half of the ninth the Wooster aggregation opened up. Hamilton got a single. Fuhlman made a sacrifice placing Hamilton on second. Dodez singled, Collins walked Dottshal, loading the bases. James got a single scoring Hamilton. Dodez tried to get home but was out at the plate, making two outs. Bunting got a hit and stole second. Boren got a hit, and due to many errors, Dottshal, James and Bunting scored. Sekerak flied out to Thomas.

B. G. was unable to score in the last half of the last inning. Wilson grounded to Smith, who threw him out at first. Murray, pinch hitting for Thomas, was passed. Hart struck out. McCollough got a single and the Falcons were retired as Radenbaugh struck out.

Score by innings:

B. G. 3 0 0 0 2 0 0 — 7
Wooster 1 0 0 3 2 1 0 0 4 — 11

FALCONS DROP OPENER TO TOLEDO U. NINE

Wednesday afternoon the B. G. nine traveled to Toledo to start the baseball season for the Falcons. B. G. out hit their opponents but failed to bring home a win.

Toledo opened up their season sometime ago. Perhaps after B. G. has more experience on the diamond the team will chalk up some wins.

It seems that the battery for the Falcons, composed of Collins and Albon, isn't clicking in the pinches as it should. With more experience they may prove to be a great asset. Collins has keen competition for the mound position. Pisel and Adkins are both winning hurlers if the need arises. Pisel has plenty of "stuff" on the ball.

In the first inning B. G. lead the procession 4-3, but they were unable to keep their lead, letting up just when they should have tightened up.

Score by innings:

R H E
Bee Gee ........... 4 0 0 0 0 0 0 0 — 6
T. U. ............. 3 1 2 0 2 0 0 0 x — 8 9 4

Track Season Opens for Co-Eds

Tuesday and Thursday are the nights given over to track and field events. In order to get W. A. A. points it is necessary to be present both nights and to do an additional half hour's work during the week or be present one night, doing an extra hour of work.

The events are, javelin and discus throw, high jump, hurdles and 50 yard dash. Instructions are given in all events and beginners are urged to come out.

For further information see Ann Rimelspach.
Copeland came in third. Berry, Weber and third. The 440 dash won by Overmier and high jump. Phillips won the 880, and Gaeth the event, and Warner placed third. Ellis tively. In the 120 high hurdles Ellis won the 100 yard dash. Richenbaugh won the javelin 157 feet, 2 inches to take first. He also placed second in the 220 and third in the 100 yard dash. Richenbaugh won the 100, 220 and broad jump.

The mile run was carried off by B. G., Phillips first, McCrory, second, and Gaeth third. The 440 dash won by Overmier and Copeland came in third. Berry, Weber and Stevenson placed in the pole vault respectively. In the 120 high hurdles Ellis won the event, and Warner placed third. Ellis and Stevenson took first and second in the high jump. Phillips won the 880, and Gaeth followed him in for a second. The discus was won by K. Weber, Wallace second and Lowell third. McCrory won the two mile, and K. Skinner placed third. Warner and Ellis chalked up second and third in the 220 low hurdles. The mile relay was won by forfeit.

Baseball Games On

Manager DeMongeot issued a call for feminine ball players. As a result 75 co-eds came out, rough and ready to begin. Six big league teams have been formed, namely: Mud Hens, White-Sox, Red-Sox, Cubs, Senators and Giants. Every Monday and Wednesday night these teams get together on the playground for their hard battles.

Because of the short season, due to bad weather, Wanda DeMongeot, head of the sport, has devised a plan whereby each team will be given the chance to play each team twice. So far, each team has played three games.

Since the losers are to act as hostesses for the annual Spring Sport supper given by the Womens Athletic Association, the competition is keen. The co-eds would rather swat a homer than do kitchen duty.
