COLLEGE BAND TO GIVE ANNUAL SPRING CONCERT

The State College Band, directed by Charles F. Church, will give its annual spring concert Thursday evening, May 17, in the College Auditorium. The band is a little larger than in former years, showing a steady, consistent growth.

Three members of the band, Lois Kindinger, Lawrence Ringenbert, and J. W. Jordan, will play a cornet trio, "The Three Kings", with band accompaniment.

A feature of the program, which it is hoped may be continued each year, will be the appearance of the student director, conducting one of the program numbers. The student director this year is Alfred George. College students and faculty will be admitted by activity tickets. Others will be charged a small admission fee. The concert will begin at 8:15 p. m.

Clyde Glee Club Sings

Members of the Girls' Glee Club of Clyde High School coming to Bowling Green May 8, to entertain the college in assembly. The girls, dressed first in modern white costumes, then in old fashioned ruffled dresses of yellow, sang many charming songs. Among the familiar songs included in the program were "Shortenin' Bread", "Way in de Middle of de Air", "Drink to Me Only With Thine Eyes", Schubert's "Serenade", and "Liebestraum."

THE MIKADO

On Thursday evening, May 25th, the Music Department will present Gilbert and Sullivan's comic opera, "The Mikado". This charming travesty of Japan has been the favorite of all comic operas since its original production in 1885.

The solo parts will be taken by Marjorie Sams, Irene C. Mooers, Fanchon DeVerna, Arlene Gill, Clement Premo, Ivan Lake, Earl Cryer, Roy Hilty and Alfred George. There will be an orchestra of nineteen pieces. The production is being prepared by M. C. McEwen, musical director, Ivan Lake, dramatic director, while Miss Marion Hall is in charge of the costumes.

The opera will be given at the High School Auditorium and there will be a general admission charge of twenty-five cents. Provision will be made whereby college students may secure tickets for fifteen cents by presentation of students activity tickets. Further announcement will be made next week.

MISS OGLE SPEAKS AT YWCA MEETING

One of the most interesting meetings of the Y. W. C. A. was on April 12, when Miss Ogle spoke on her recent visit to Russia. Many ideas and folkways of the Russian people were presented to us in the playing manner of the speaker.

On April 24, the organization met for a general open discussion on the topic "My Idea of an Ideal Young Man." It would have been well if the young men of our student body had been able to attend this meeting. In order that some may profit from the points in the discussion, there are listed below a few of the characteristics of an "ideal" young man: Some of his qualities were honesty, courtesy, attractive manners, sympathy, and intelligence. He must be an understanding individual, with an Education, a desire for learning and a definite purpose in life.

YWCA Gives Party

On Thursday evening, May 10, a group of Y. W. C. A. members met in Shatzel Annex to welcome the former sponsors to an informal party.

The meeting was opened by a short devotion, followed by a program of special numbers and group singing. Each of the past sponsors gave short accounts of the former work of the organization.

Delightful refreshments were served, after which the group once more joined in the singing of favorite songs.

FOREIGN LANGUAGE CLUB PLANS NEW ORGANIZATION

At a meeting of French majors and minors held on the afternoon of May 7, in the Administration building, it was decided that the Foreign Language club should petition to be admitted as a chapter of Beta Pi Theta, national French fraternity, next year. Students who attended the meeting were in favor of the projected change in the club, as it was explained by Miss Tressel, and the motion for the petition was passed without a dissenting vote.

With Ida Rome, President of the Foreign Language club, presiding over the meeting, the members then elected officers who will conduct the business of the chapter next year if all plans turn out satisfactorily. Those elected were: President, Rachel Conn; Vice-President, Charlotte Planson; Secretary, Elizabetha Ruth; Treasurer, Edna Miller; Local Editor and Publicity Manager, Helen Hastings; Corresponding Secretary, Eloise Barthold; Pianist, Mary Van Fleet; Critic, Ann Woestenburg; Faculty Advisor, Miss Tressel; Parliamentarian, Margaret Foster; Sentinel, Virginia Young.

Students To Present "Cuddie And The Goblins"

"Cuddie and the Goblins", a children's play, will be presented at the College Auditorium on May 21. Claire Tree Major, author of the play, has been the director of the Children's Theatre in New York City for several years. Their plays have been successful during the times when adult plays were failing. Progress in the line of children's plays has been made by John Dewey and George Counts of Columbia University, who have formed a company for an endowed National Children's Theatre in New York City.

Admission to the matinee for children is five cents. The evening performance for adults is ten cents.

Faculty Member Is Judge

Mr. Church, of the music faculty, acted as one of the two judges of woodwind instruments at the state final contests at Oberlin last Saturday. This solo and ensemble contest determined who would represent the state of Ohio in the national contests to be held in Des Moines, Iowa, and Ottawa, Kansas, later in May.

Mr. Church judged the clarinet, oboe, flute and piccolo solo events, hearing forty-eight soloists during the day.
The Record of Champions

Upper Sandusky High School can well boast this year of a team of champions. The Oneida Indian Maidens trampled through a heavier basketball schedule than usual without a single defeat, fourteen victories in all Coach Lurlene Beatty, who deserves the lion’s share of the credit in developing the team, has proven her ability in producing star basketball players.

Coach Beatty believes that every girl on the squad should be given a chance and does not believe in too uneven scores. As a result, every member of the squad played in at least four games. Eight of the girls received letters for their accomplishments and the remaining ten on the squad were awarded numerals. Eleven girls on an average played in each game. In addition to Miss Beatty’s successful season this year, her teams in the last three years have played thirty-six games, of which only three have been lost.

This season the Indian Maidens tallied a total of 415 points against 209 for the opposition. The local team averaged 29.6 points per game while the opposition averaged 14.9 points for each contest. Janis Bentcn accomplished high score of the season with a total of 180 points. Katherine Halbedel was second with 134. Edith Garner held her opponents to the least score of any member of the team with Rebecca Ayers a very close second. However, without Osborn and Hitchcock the team could not have functioned nearly as perfectly.

The record of this year’s team will undoubtedly stand long in the annals of the school history. However, the record may be threatened next year as the squad will lose only one member, Blanche Cross, who graduates in the spring.
SOCIAL EVENTS

SORORITIES

Phratra Phases

The members of Phratra Sorority discovered the talents of their pledges when they were entertained Monday evening, May 6, with a unique program arranged in their honor.

They never imagined what music could be produced from the pots, pans, brooms-ticks, and tennis rackets until they heard the Kitchen Symphony Orchestra under the direction of Otheola McClenathan, who yielded a wicked rolling pin for a baton. Incidental solos were given by Mary Ellen Wittenbrink on her “bass viol”, Margery Sheller on her “cello”, Frances Baxter on her “banjo”, Ruth Nachtrieb with her “drums”, Loretta Haack on her “guitar”, Virginia Dunson on her “viola”, and Virginia Rinker at the piano.

Further entertainment was provided by Virginia Rinker, who played “Gay Butterfly”, a piano solo. A playlet, “The Train”, followed. Virginia Dunson, on her “viola”, and Virginia Rinker, on her “cello”, were accompanied by Mary Ellen Wittenbrink (Dr. Shrivelshrinkem), Margery Shelles (Mrs. Thick), Ruth Nachtrieb (Mrs. Thin), and Virginia Dunson, followed.

At their last meeting on May 8, the Five Sisters received as honorary members Mrs. Frank Mooers and Miss Marian Hall. Mrs. Mooers, who is the sponsor at the present time, has served in this capacity for several years, and Miss Hall, although she resigned as sponsor last fall, has been with the sorority since its organization in 1923.

After a lovely initiation service, during which Mrs. Mooers and Miss Hall were made honorary members of the Five Sisters last Tuesday night . . . the girls are pretty proud of these two new members who have always been more than helpful to the sorority . . .

Did you hear about Dr. Slater’s ten-o’clock psychology class? It seems as though the Dr. was out of town; so the class was 100 per cent—absent . . .

The Men’s Tennis tournament is proceeding smoothly. The men who failed to enter missed a golden opportunity. In the doubles Garold Fry and Earl Brooks have reached the finals. They play the winners of the Norman Jones and Clifford Conrad vs. Walter Panning and Lewis Miller set.

In the singles those still in the running are: C. Conrad, Ellsworth Tippin, O. Thomas, N. Jones, Buntz, Gryting and Whiting. The competition is strong and the games interesting. Every afternoon the competitors may be seen struggling on the courts to see who can win those medals. Students interested in watching the matches may do so.
