BGSU Marching Band

The 1998 Falcon Marching Band continues its long tradition of entertaining halftime shows and high-energy pre-game performances that are an integral part of the excitement at Doyt Perry Stadium. The home opener on September 26 will feature music of one of the greatest rock groups of all time, The Beatles. Be sure to listen for all of your favorite hits, from “Hey Jude” to “Twist and Shout,” “Eleanor Rigby,” “A Hard Day’s Night,” and many more.

Homecoming is a special time at BGSU. The Falcon Marching Band will celebrate the weekend at the October 3 game with a tribute to Leonard Bernstein’s West Side Story. Relive the story of the star-crossed lovers Tony and Maria while thrilling to some of the finest music ever sung on Broadway. As usual, the BGSU Alumni Band will join the Falcon Band at pre-game for massed band entertainment.

The band’s performance on October 24 will feature music of the movies, from James Bond and The Jazz Singer to last year’s smash hit, Independence Day. The game performance on October 31 is sure to bring some Halloween surprises with it while Parent’s Day, November 7, will be devoted to the greatest hits of the Falcon Marching Band season.

The Falcon Marching Band season concludes with the “Sounds of the Stadium” concert on Sunday, November 22 at 3:00 p.m. in Kobacker Hall in the College of Musical Arts. The popular event includes all the music from the 1998 season including everyone’s favorite BGSU standards. Tickets are available in the Kobacker Hall box office beginning November 1.

The Falcons open the home portion of their 1998 schedule with this afternoon’s contest against Central Florida, a Div. I-A independent. The Golden Knights are in their third season as a I-A member after being a I-AA member for the previous six seasons. UCF fielded its first football team in 1979.

The Falcons are the first of four MAC teams the Golden Knights play this season. In fact, they will play MAC teams each of the next three weeks with games at Toledo (Oct. 3) and at home with Northern Illinois (Oct. 10). UCF also hosts Ball State on Nov. 14.

The “unofficial” members of the MAC come into today’s game having won four in a row over MAC schools, including their 27-19 win over Bowling Green in the 1996 season finale in the only other meeting between the two programs. The Falcons will play at Central Florida in the season finale next season (Nov. 20). UCF posted wins over Kent (59-43), Eastern Michigan (27-10), and Toledo (34-17) last season. The Eastern Michigan and Toledo games were played in Orlando.

Everyone in attendance today will get a chance to see a probable first-round draft pick in UCF senior quarterback Daunte Culpepper. The 6-4, 240-pounder has a higher rating than last year’s #1 pick, Peyton Manning, according to the NFL Draft Report, and the highest rating of any quarterback in the country this season, including Kentucky’s Tim Couch and UCLA’s Cade McNown.

All he has done in the first three games is complete 70.1% (82-of-117) of his passes for 1,144 yards (381.3 per game). He has thrown nine scoring passes with just one interception for a passing efficiency rating of 175.89, which is fifth in the nation. He threw for 370 yards in their 64-30 win over Louisiana Tech, 406 yards in their 48-0 win over Eastern Illinois, and 368 yards in their loss (35-7) to Purdue last Saturday. He has accounted for (passing and rushing) 14 of UCF’s 16 touchdowns this season and ranks tied for 12th in the country in scoring. He has accounted for 10,496 yards of total offense in his career and his season average of 431.0 yards per game is the top figure in the nation. By comparison, the BG leader, three-time MAC Player of the Year Brian McClure, ended his career with 9,774 yards of total offense. He has thrown for 300 or more yards in seven of his last nine contests.

He has a talented corp of wide receivers to throw to including seniors (Continued on page 3)

Senior punter Andy Pollock is off to the best start of his career averaging 49.2 yards on 17 punts to lead the country after the first three weeks of the season. He has seven efforts of 50 yards or more already this year.

Look for senior defensive back Paul Miranda to be a key player for the Golden Knights in the secondary and as a kickoff return man where he has averaged 36.2 yards on eight returns to rank second in the country.

UCF outgained Purdue (470-429) and had the same number of first downs (20) as Purdue last week, but three turnovers and 11 penalties hindered many of their drives.

The Golden Knights come into the game today ranked #3 in the country in passing as a team, #4 in total offense, and 12th in scoring.

FALCON FAST FACTS: The Falcons hope to get back to the home dominance they enjoyed in the early years of head coach Gary Blackney...the Falcons are 25-8-1 at home under Blackney, but just 7-8 in their last 15 home contests...six of BG's last nine

A winner.
There is no better way to describe Bowling Green football coach Gary Blackney.

He has resurrected a once-proud football program, guiding the Falcons to back-to-back Mid-American Conference titles - going undefeated in league play to win the titles - and second and third-place finishes the next two seasons.

To get an idea of how dominant Falcon teams were in MAC play during Blackney's first four seasons, consider the fact BG had a perfect record for 26 of the 32 weeks of league play during the period. In addition, Bowling Green did not have a loss on its slate for 29 of those 32 weeks. All in all, Blackney led his teams to an eye-popping 28-2-2 (.906) record in MAC play during those four seasons.

To get an idea of how dominant Falcon teams were in MAC play during Blackney's first four seasons, consider the fact BG had a perfect record for 26 of the 32 weeks of league play during the period. In addition, Bowling Green did not have a loss on its slate for 29 of those 32 weeks. All in all, Blackney led his teams to an eye-popping 28-2-2 (.906) record in MAC play during those four seasons.

This comes on the heels of five straight years when 5-6 was the program's best record.

In seven seasons, Blackney has accomplished what some have not in a lifetime. He is the first, and only, BGSU coach to win a bowl game. He was the first BGSU coach to lead his team to back-to-back seasons of at least 10 wins. He tied the NCAA record for "rookie" head coach wins in 1991. And, he led the program to a MAC-record 19 consecutive conference wins and a 22-game unbeaten streak to begin his tenure.

Blackney would like nothing better than to get the Falcons back among the elite teams in the MAC this season after his squads have struggled the last three seasons. There is a renewed drive to get the program back to the top of the MAC ladder.

But, overcoming obstacles is something Blackney, as a coach and person, has grown accustomed to.

All Blackney did, in not only his first season at BGSU but his first season as a collegiate head coach, was take a 3-5-2 team and turn them into a 11-1 squad, which won their last 10 games. The Falcons clinched the MAC title with two weeks of the league schedule remaining. The final standings showed BG with a perfect 8-0 mark while the second place team finished at 3-1-4.

The top first-year coach in the country, Blackney was just the fifth coach in MAC history to lead his team to an outright conference title in his first season. He is also the winnigest first-year head coach in BGSU history equalling the NCAA record for most wins by a coach in his first season in the top spot. The 11 wins by the 1991 team tied the school record.

For an encore, with the Falcons no longer an unknown as they were in 1991, the 1992 favorites gladly accepted that role and again won the league title with a perfect record. The Falcons earned the right to represent the MAC in the first Las Vegas Bowl and backed up the program's first bowl victory in 1991 over Fresno State in the California Bowl with a thrilling 35-34 win over Nevada in Las Vegas.

With his continued success he also ranks among the best in NCAA his-
HEAD COACH GARY BLACKNEY

tory in victories to start a career. He ranks among the top five with 11 wins in his first season (third on the list), 21 in two seasons (tied for fifth on the list), and ninth all-time with 36 wins in his first four seasons. He is also the 15th-winningest active coach in Div. I-A with at least five years of service.

 Needless to say, the success that Blackney has brought to the program has also meant some prestigious honors along the way.

 He became only the second coach in league history to earn Coach of the Year honors in back-to-back seasons earning the award in 1991 and 1992. He was also named the Coach of the Year in region 3 by his peers, the American Football Coaches Association, the same two seasons. The region included all F-A schools in the states of Ohio, Indiana, Michigan, Illinois and Big Ten member schools Wisconsin, Minnesota and Iowa. The BGSU mentor was also the 1992 Ohio Collegiate Coach of the Year.

 In February, 1996 he was named to the prestigious 16-member Board of Trustees for the American Football Coaches Association. The board formulates policy and provides direction for its more than 7,500 members.

 A little less than eight years ago, Blackney realized his dream of becoming a collegiate head coach. He certainly paid his dues serving as an assistant the previous 21 years at such programs as Wisconsin, UCLA, Syracuse and, most recently, Ohio State. The list of coaches he served under ranks among the best in the collegiate game - coaches such as Dick MacPherson, Terry Donahue, Earle Bruce, Rick Forzano and John Cooper.

 The Plainview, New York native began his coaching career at his alma mater, Connecticut, in 1968, where he spent two seasons as a graduate assistant on a staff that included, in addition to Forzano, former Notre Dame head coach Lou Holtz, former Cleveland Browns head coach Sam Rutigliano, and Dave Adolph and Dan Sekanovich, both NFL assistant coaches.

 That was followed by stops at Brown and Rhode Island, in addition to the aforementioned schools, with all but two of those seasons spent on the defensive side of the ball. In seven of the last 13 years, Blackney has helped a team to a bowl bid.

 His success story is certainly one that makes all people feel thankful.

 In March, 1986, Gary’s wife, Lauretta, suffered a basilar artery aneurysm which has led to her need for 24-hour care.

 Taking over the duties of running the household, which were previously handled by Lauretta, Blackney still keeps up with the demands of being a head coach and a father.
1998 BGSU Football Coaching Staff: (l to r) - assistant coach Tim Walton, assistant coach Michael Faragalli, assistant coach Dino Dawson, assistant coach Paul Ferraro, head coach Gary Blackney, strength and conditioning coach Mike Ward, assistant athletic director Mike Bartley, assistant coach Rick Denstorff, assistant coach Mark Murray, assistant coach Brian Sherman, assistant coach Tim Beckman, assistant coach Bob Ligashesky.

TIM BECKMAN
Assistant Coach
Tim Beckman, 33, joined the program in March as the coach of the secondary. The Berea, Ohio native spent the last two seasons at Elon College in North Carolina where he was the defensive coordinator with position responsibility with the defensive backs. The previous six seasons he served as the assistant coach under Gary Blackney, strength and conditioning coach Mike Ward, assistant athletic director Mike Bartley, assistant coach Tim Beckman, assistant coach Brian Sherman, assistant coach Tim Ligashesky, the head coach. The Mid-American Conference is one of 10 Division I-A conferences in the country, along with the Atlantic Coast, Big Ten, Big East, Big 12, Big West, Conference USA, Pacific-10, Southeastern, and Western Athletic conferences.

The Mid-American Conference was founded as a five-school league in 1946 with Ohio University, Butler, Cincinnati, Wayne State, and Western Reserve as the charter members. In 51 years, the MAC has grown in ways that its founders could not have imagined while standing the test of time.

The Mid-American Conference, which now has 13 schools, consists of the University of Akron (joined in 1992), Ball State University (1973), Bowling Green State University (1952), University of Buffalo (1998), Central Michigan University (1971), Eastern Michigan University (1971), Kent State University (1951), Marshall University (1997), Miami University (1947), Northern Illinois University (1997), Ohio University (1946), University of Toledo (1950), and Western Michigan University (1947). The newest member of the league, Buffalo, will compete in the all-MAC conference in 1998.

The MAC is the only Division I-A conference to have its own Hall of Fame. Over its 51 years, the MAC has produced a long list of great athletes and administrators from all corners of the sports world. A list that includes Olympic gold medalists, major league standouts in baseball, football, and basketball, top players on the PGA Tour, and Hall of Fame coaches and administrators. There are a total of 52 people in the Hall of Fame.

The MAC is a presidentially controlled conference sponsoring 23 sports. All major policy decisions are made by the Council of Presidents, which consists of the chief executive officers of the 13 universities. For men, championships are conducted in football, basketball, baseball, cross country, soccer, swimming and diving, indoor and outdoor track and field, wrestling, golf, and tennis. Women compete for conference titles in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, and indoor and outdoor track.

Numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national small college champion in 1959, and Ohio earned similar honors the following season. Toledo compiled a 35-game winning streak between 1969 and 1971, the second-longest streak in modern college football history. Miami won three consecutive Tangerine Bowls in the mid-70’s beating Florida (1973), Georgia (1974), and South Carolina (1975). And last season, Marshall’s Randy Moss made a strong run at the Heisman Trophy as one of the top players in the country finishing fourth in the balloting.

The MAC has been among the trendsetters. The MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC strengthened admittance standards, established an academic progress rule and set increased grade point average requirements long before the NCAA adopted or discussed implementing such academic standards.

Today's Game

(Continued from page 3)

Home games have been decided by a touchdown or less...senior punter Andy Pollock leads the country in his specialty averaging 49.2 yards on 18 efforts...he has seven kicks of 50 or more yards and just two under 40 yards...the Falcon offense made a big improvement in its last effort against Penn State over the opener against Missouri...BG rushed for 146 yards in the Penn State game on 37 carries compared to 17 yards on 21 carries in the opener...but, a better gauge of the increased offensive performance might be the fact the Falcon offense had just two plays of 10 or more yards in the Missouri contest while in the Penn State game the offense produced 12 plays of eight or more yards, nine of those going for 10 yards or more...the offense also had its first two sustained drives of the season in the Penn State game - a nine-play, 51-yard effort which resulted in a field goal and a 13-play, 46-yard drive late in the fourth quarter which ended on downs...BG's ability to run the ball effectively against Central Florida is one of the key points for the Falcons according to head coach Gary Blackney in order to minimize the time UCF quarterback Daunte Culpepper is on the field...Blackney begins this afternoon as the 19th winningest (by percentage) active coach in Div. I-A with a 60.5 (48-31-2) winning percentage...the Falcons return home next week to host Ohio in the annual Homecoming Day game...kickoff is scheduled for noon...former Bowling Green linebacker Kevin O'Neill continues to be impressive for the Detroit Lions having made the roster as a free agent, one of only two the Lions kept...O'Neill, who was a two-time Butkus Award candidate, is playing on special teams...he joins former wide receiver/defensive back Charlie Williams (Dallas) as the active BG players in the NFL...the tailback duo of freshman Godfrey Lewis and senior Robbie Hollis combined to gain more than 100 yards in the Penn State game...Lewis, who became the first "true" freshman at BG to start a season opener at the tailback position since they became eligible in 1973 starting the Missouri game, led the team with 65 yards on 15 carries while Hollis added 51 yards on 11 carries...Lewis is averaging 4.0 for the season and Hollis 4.3 yards...the Falcons are likely to use both senior Bob Niemt and sophomore Ricky Schneider at quarterback this afternoon...head coach Gary Blackney hopes to make a decision on who the starter will be for the conference season after today's game...former BGSU quarterback Erik White is the color commentator on the Fox Sports Net broadcast of today's game...if the Falcon offense is to continue to improve, they will have to do a better job on third down having converted just two-of-23 tries in the first two games.

Bowling Green State University aspires to be the premier learning community in Ohio and one of the best in the nation. In doing so, it is committed to creating an academic environment grounded in intellectual discovery and guided by rational discourse and civility. The core values to which Bowling Green adheres include respect for one another, cooperation, intellectual and spiritual growth, creative imaginings, and pride in a job well done.

This aspiration is being fueled in large part by BG's dedication to teaching and research that has attracted top faculty scholars and graduate students. They, in turn, have put the University on the cutting edge in the discovery of exciting new knowledge.

Bowling Green is a student-centered campus and those who study at the University are known for their curiosity and zest for life. Both graduate and undergraduate students are involved in scholarly and creative endeavors, ranging from research and independent studies to thesis projects and community service. About half of the undergraduate students live on campus in residence halls that are constantly being updated to meet changing needs.

BGSU has more than 900 full- and part-time faculty and over 17,500 students on its main campus. In all, the University offers more than 165 undergraduate degree programs, 13 master's degrees in 65 fields of study, and doctoral degrees in 14 departments with nearly 60 specializations.

The focal point of the 1,338-acre campus is the nine-story Jerome Library, with its collection of more than four million items, including two million volumes plus journals, periodicals, microforms, government documents, and other materials.

SCHOOLS WIN FIRST
Since being named Bowling Green's ninth president three years ago, Dr. Sidney A. Ribeau has led a revitalization of the campus that has resulted in greater involvement of faculty, staff and students. "Everyone's participation is needed to contribute to the shaping of our common future. We can accomplish a great deal by creating an environment in which people trust each other and work together in a collaborative manner," he said. He is committed to the four C's of communication, community, collaboration and consensus.

Under his leadership, Bowling Green has made clear its goal for the future: to become the premier learning community in Ohio and one of the best in the nation. "It's ambitious," Ribeau acknowledges, "but Bowling Green has a lot going for it and I am very confident that we will meet our objectives."

Since arriving on campus, he has been espousing a "Building Community" management philosophy that involves the entire University community in setting the institution's direction and goals. It's a style that is designed to bring out the best in people and emphasize the value that everyone brings to the team.

Also since arriving, Ribeau has made it a point to meet as many people as possible--to hear their opinions about Bowling Green and to share with them his thoughts about the University.

He often puts in 10-12 hour days, meeting with various student and faculty groups, both on campus and at his home. He has visited most of the 40-plus alumni chapters around the country and he makes one or two trips to Columbus each month to meet with legislators and other government officials.

He tries never to say no to an invitation to speak, and, as a result, he is talking to campus groups, civic and social organizations, area school groups and other gatherings two or three times each week.

Popular with students, he has been inducted into the student chapter of Omicron Delta Kappa national leadership honor society. He also meets regularly with student groups in his home and has student co-hosts on his weekly television program.

Ribeau has been busy off campus, as well. He has led Bowling Green in the development of new partnerships with government, public and business organizations. One recent partnership will enable Bowling Green to become a leader in digital media technology.

Raised in Detroit, he received his bachelor's degree from Wayne State University in 1971. In 1996, WSU honored him with a Distinguished Alumnus Award.

He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign in 1973 and 1976, respectively.

Ribeau's energy, can-do spirit and concern for others became obvious while
ATHLETIC DIRECTOR

Dr. Ron Zwierlein begins his fifth year as the director of intercollegiate athletics at Bowling Green State University having already accomplished a great deal in his short tenure.

During his first year as the director of Falcon athletics, he guided the men's sports program to the coveted Reese Trophy, symbolic of overall excellence in the Mid-American Conference. In addition, following the athletic season, Bowling Green earned the first MAC/Central Reserve Life Academic Achievement Award for having the highest cumulative grade-point average in the MAC among all its student-athletes participating in conference sports. BGSU captured the Academic Achievement Award for a second successive year in 1995-96.

He has served on numerous committees, both on a conference and national level. Zwierlein is the chair of the executive council in both the MAC, where the committee is comprised of three people, and the Central Collegiate Hockey Association, where the committee is comprised of five administrators. In addition, he is a member of the Mission and Values Committee in the National Association of Collegiate Directors of Athletics.

Zwierlein, who was named to his present position in July, 1994, is beginning his 19th year as an administrator at BGSU. A 1968 graduate of BGSU who also has his master's from BGSU and a doctorate degree in athletic, physical education, and recreation administration from Ohio State, Zwierlein has been associated with the athletic department in many different capacities.

Zwierlein, the 10th athletic director in the history of the department, spent the 1993-94 academic year as the interim vice president for student affairs. In that capacity, he oversaw all student related activities, which included residential life, financial aid, recreational sports and the health center to name just a few of the areas.

Zwierlein comes from a diversified background in athletics that includes everything from being a collegiate athlete himself, to coaching, to administration.

He returned to BGSU to head the men's and women's swimming and diving teams in 1981 while also serving on the faculty at the university.

After three years as the head coach, Zwierlein accepted the position as the associate director of the Student Recreation Center on campus.

While still working as a director of the Student Recreation Center, Zwierlein was appointed to direct the planning and oversee the construction of the $8.7 million Charles E. Perry Field House.

In 1992, he accepted the position as director of recreational sports, which included supervision of all facilities, staff, programs and financial resources associated with recreational sports.

Zwierlein was also involved in the athletic department at John Carroll University in University Heights, Ohio near Cleveland. While at JCU, Zwierlein served as head swimming and diving coach (1975-81) and athletic director (1977-81). In his six seasons heading the men's swimming and diving program, Zwierlein led JCU to the Presidents Athletic Conference title while placing seventh in the NCAA meet in 1980-81. During his tenure at JCU, Zwierlein helped develop 28 swimmers and divers who earned All-America honors.

Zwierlein's collegiate swimming and diving teams compiled a combined 92-37 record while he had a career mark of 171-50, including his time spent coaching at the high school level.

During his tenure at JCU as the athletic director, he also served as chair of the physical education department, which included overseeing all aspects of both areas.

Zwierlein and his wife, Cindy (Cromer), a 1969 Bowling Green graduate, have three children, Heidi, Heather and Chad. Heidi is a 1996 graduate of BGSU and is engaged to be married to former BGSU baseball player Jason Brown; Heather is a 1998 BGSU graduate and is attending the Fashion Institute of Technology in New York City; and Chad is a sophomore at Bowling Green High School.

A Mid-American Conference record crowd of 33,527 attended the Toledo-Bowling Green game in 1983.

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 33rd year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games.

The Falcons begin the 1997 season looking to maintain the home dominance they have enjoyed during the tenure of head coach Gary Blackney having compiled a record of 25-8-1.

Perry Stadium is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift nine years ago. A physical fitness center/weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium is the Doyt L. Perry Football Complex, formally dedicated as Doyt L. Perry Stadium on Sept. 26, 1992. Present for the ceremony was (left to right) Perry's children D.L., Judy Perry McClain, David, and Doyt's wife, Loretta. They are joined by John Mahaney, former president of the Board of Trustees, former University President Paul J. Olscamp and former Athletic Director Jack Gregory.
Stadium is the Falcon Club offices and clubhouse, the track and cross country areas, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 18th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, will make the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last year making for a more "fan-friendly" atmosphere.

Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 66 percent of their home games, compiling a 101-50-6 record in the 157 games played at Perry Stadium. Over the last 15 seasons, Bowling Green is 57-17-4 at home for a .756 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.

“CONVENIENCE AT ITS BEST”
All of the Bowling Green State University fall sports teams are well into their seasons and have started on a successful note. A preview of what Falcon fans can expect from those teams this season follows.

**Men's Soccer**

Head coach Mel Mahler’s squad will feature six starters and 14 letterwinners returning from last year’s 18-6 squad which captured the MAC Tournament, earned a berth in the NCAA Tournament advancing to the round of 16, and finished second in the Great Lakes region.

The Falcons will have strong goaltending as third-team All-American Scott Vallow returns. Vallow has already set the school record for career shutouts and tied the single-season record with 12 whitewashings last year. He came into this season with a career goals-against average of 0.70.

The Falcons also return the top three scorers from a year ago - Bobby Biggs, Chris Dore, and Zac Olson. Bowling Green was ranked 15th in the nation in the preseason poll and has started this season with a 3-1-1 record.

**Women's Soccer**

Head Coach Tom Piccirillo’s second squad will be much improved over his first unit for no other reason than having one year of collegiate play under their belts. The Falcons, who were 6-12 overall and 1-6 in the MAC in its inaugural season, have 11 returnees and six starters back. Ashley Enser, Autumn Harris, and Janice Mentrup return to lead the defense while Krista Shamblin, the leading returning scorer with six goals and 12 points a year ago and the only senior on the squad, leads the offense. Freshmen Sarah Gawel and Sarah Marchant will battle it out in the nets.

The top eight teams in the regular season will qualify for the MAC Tournament. BG has won half as many matches this season as all of last year compiling a 3-2 mark in its first five matches.

**Volleyball**

Head coach Denise Van De Walle’s 16th season as the BGSU women’s volleyball coach has started with a bang as the Falcons have won five of their eight matches including wins over Toledo, Boston College, and LSU. The Falcons will rely heavily on seven letterwinners and the lone senior, Bridget McIntyre. Juniors Heather Murphy and Melissa Lewis will key the attack from the outside. Murphy has started all 61 matches in her career and needed just 18 kills to move into the BGSU top 10.

Junior Lori Kemerer also returns after earning MAC Freshman of the Year honors in 1996 and a solid 1997 campaign has her among the all-time BG leaders in blocks and kills.

Van De Walle began the season as the all-time leader in the MAC with 285 career wins.

**Women's Cross Country**

Head coach Steve Price has another squad that should be one of the top contenders in the MAC for the league title. The Falcons were the preseason pick of the coaches to win the championship and were ranked 24th nationally in the preseason poll. The women’s squad has won two of the last three league titles and finished second last year.

BG returns its top four runners from a year ago - Jessica LaFene, Wendy Licht-Ordway, Laura Deneau, and Christine Thompson. LaFene and Licht-Ordway earned first-team All-MAC laurels last season finishing fourth and fifth, respectively in the league meet. Junior Angie Michael and newcomer Hanane Sabri, a member of the French national team, should also be among the top runners. Bowling Green will host the conference meet on Oct. 30.

**Men's Cross Country**

New head coach Sterling Martin has four returning letterwinners and some talented runners who have been in the program and will now get their chance to show what they can do.

Junior Dan Flaute was the top finisher for the Falcons in their first meet of the season and he was followed by letterwinner Steve Chapa, sophomore Austin Chapa, and junior Kreg Hatfield. Also expected to contribute this season are letterwinners David Anderson, Sam Fitzpatrick, and Aaron Usher.

The men will also serve as host of the league meet on Oct. 30. The men's race will begin at 11 a.m. while the women's race will commence at noon.
As part of the festivities surrounding the game today, the 35th Bowling Green State University Athletic Hall of Fame class will be recognized. The trio were formally inducted last night in a ceremony held at the Atrium.

The class of 1998 includes basketball player Bob Dwors '65; hockey player Dave Ellett '84; and the late former soccer player and coach Gary Palmisano '74. Palmisano passed away in 1994 and his wife, Jean-Marie, accepted on his behalf.

Dwors was a unanimous first-team All-Mid-American Conference selection his senior season (1964-65) averaging 23.0 points and 10.5 rebounds. He ranked among the MAC leaders in scoring (3rd, 21.1 ppg in MAC games), field goal percentage (5th, 51.7%), free throw percentage (7th, 78.6%), and rebounding (5th, 10.8 rpg) that season. His scoring average ranked 27th in the nation.

The Cleveland, Ohio native earned three letters for Harold Anderson (1962-63) and Warren Scholler. His scoring average as a senior still ranks seventh on the BG list. He shot 48.3% from the floor for his career (12.5 avg.) and had 480 rebounds (6.9 avg.). He averaged 9.7 rebounds in his junior and senior seasons.

He graduated from BGSU with a 3.22 GPA and earned the NCAA National Scholarship as a senior, one of only five basketball players in the country to receive the honor.

The Mayfield High School graduate earned his graduate degree in business from Ohio State in 1967 in business and earned his graduate degree in business in 1970. The last three years he has been the Senior Vice-President of Republic Industries, the largest automotive retailer in the world, in Fort Lauderdale, Fla. where he is in charge of corporate real estate and construction.

Dwors and his wife, Mary, have three daughters, Kristin, 29, Sara, 23, and Liz, 17.

Ellett was an integral member of the Falcon team in 1983-84 as a sophomore that won the only NCAA national championship in school history. He signed with the Winnipeg Jets shortly after the championship and is entering his 15th NHL season this year. Ellett has also played for Toronto, New Jersey and his current club, Boston, during his professional career.

The Kanata, Ontario native was fourth on the team with 54 points (15 gls.-39 ast.) in the 1983-84 season earning second-team All-Central Collegiate Hockey Association honors. He earned a spot on the CCHA and NCAA all-tournament teams as the Falcons captured the regular season CCHA title with a 22-4-2 mark. The Falcons finished the season with a 34-8-2 overall record.

Ellett's tenure in the NHL is as long as any in conference history while he has played in more NHL games than all but one player in the 27-year history of the CCHA. He is one of only 128 players in NHL history to play in 1,000 regular season games (1,023 games) which ranks him 34th all-time among defensemen. His 151 goals ranks 23rd all-time among defensemen in the NHL and his 401 assists rank 34th. His 552 points ranks 30th all-time among defensemen.

Ellett was an NHL all-star in 1989-90 while at Winnipeg and again in 1991-92 while in Toronto. He had his career highs of 58 points and 45 assists in the 1987-88 season at Winnipeg while his 22 goals the following season with the Jets was his best in that category. He has also played in 101 playoff games scoring 56 points and was also a member of Team Canada in 1989 which captured the silver medal in the World Championships.

Ellett and his wife, Annie, welcomed their first child in early September.

Palmisano earned two letters (1972-73) as a member of the Falcon soccer program posting a 15-3-2 record as a goalkeeper helping the Falcons to NCAA Tournament berths both seasons, the first two in the history of the program.

He began his coaching career in 1975 as a graduate assistant coach under Mickey Cochrane at Bowling Green and after two additional seasons as a part-time assistant coach, Palmisano was tabbed to replace Cochrane as the head coach in 1978 after Cochrane's retirement.

In 10 of his 16 seasons at the helm, the Falcons won 10 or more matches as the Comack, N.Y. native posted a sparkling 172-97-25 (62.8%) record. His 1992 squad posted a 15-2-1 mark and earned the highest national ranking in the history of the program, a #3 ranking, and finished the season ranked ninth in the nation.

He was named the Mideast Coach of the Year twice (1992 and 1983) and was the Ohio Collegiate Soccer Association Coach of the Year three times (1992, 1987, 1983). He was also one of the driving forces behind soccer being recognized as an MAC sport in 1993. He coached five All-Americans and a like number of Academic All-Americans during his career.

He spent more than a year working at the Detroit venue for the 1994 World Cup as the director of operations and deputy venue executive director. He did not coach in 1993, but returned for the 1994 season before his sudden and unexpected death on Dec. 8, 1994.

Palmisano and his wife had one child, Caroline, 9.
