FALCONS RANKED IN BOTH POLLS
For the first time in school history, Bowling Green is ranked in both of the two major polls. The Falcons are rated 23rd in the USA Today/ESPN Coaches Poll and 25th by the Associated Press. The last time BGSU appeared in a major national poll was in December of 1985, when the Falcons were ranked 20th in the AP poll.

BG SU LOOKS TO END BRONCO STREAK
Tonight's opponent, Western Michigan, has won the last five meetings against BGSU dating to 1995. Last year, WMU captured a 37-28 victory in Kalamazoo. BGSU will be the third ranked team the Broncos have played this season, joining Virginia Tech and Michigan.

STREAKING
The Falcons' win over Central Michigan gives BG an eight-game winning streak, dating to last year. The current streak is the longest for BGSU since the 1994 season when the Falcons captured nine-straight contests. The Falcons have the third-longest active winning streak in the country.

AMONG THE NATION'S BEST
The Falcons now lead the nation in scoring offense, averaging 49.6 points per game. Junior quarterback Josh Harris maintained his hold as the nation's top scorer with his three rushing touchdowns, and now averages 15.6 points per game. Harris also leads the country in points responsible for per game, at 24.8. He also is 14th in total offense (269.0). As a team, BGSU is second in the nation in total offense (500.8), seventh in rushing (254.6) and 11th in punting (38.8).

A BALANCED ATTACK
The Falcons have the nation's most balanced offense. BGSU is the only team in NCAA Division I-A to average more than 240 yards rushing (254.6) and 240 yards passing (246.2).

Urban Meyer has quickly established himself as one of the top young head coaches in the country. The native of Ashatabula, Ohio took over the BG SU program in December of 2000 and engineered the top turnaround in NCAA I-A football during the 2001 season.

His first squad finished with an 8-3 record and placed second in the MAC's East Division with a 4-2 ledger. The Falcons also became the first MAC school to post wins over three BCS conference schools in a regular season (Missouri, Temple, and Northwestern). In addition, BG SU knocked off two teams (Northwestern and Toledo) who were nationally ranked during the season and Brandon Hicks became the school's first defensive All-American since 1984. In addition, the Falcons doubled their home attendance in 2001.

For his efforts, Meyer was named the consensus 2001 MAC Coach of the Year. In addition, following the win at Missouri, he was named national coach of the week by ESPN.com.

An Impressive Background

Meyer came to BG SU after serving as receivers coach at Notre Dame. In 2000, Notre Dame ranked among the nation's leaders in passing efficiency, committed the fewest turnovers in the nation and earned a BCS berth in the Fiesta Bowl. In addition, they boasted one of the top special teams units in the country, ranking third in kickoff returns, 10th in net punting and 12th in punt returns. The 1999 season saw Meyer's receiving corps break the Irish single-season record for pass receptions with 192 and total receiving yards with 2,856.

During 1998, Meyer coached split end Malcolm Johnson, who ended his career with 110 receptions, the seventh-highest total in school history. Johnson is now with the New York Jets. The previous year, Meyer coached Johnson and fellow receiver Bobby Brown as they became the first Irish pair of players to record 40 or more receptions individually in a season. Brown made 45 catches and Johnson had 42. In addition, the Notre Dame receivers helped set a then-single-season school record with 190 receptions.

In 1996, he coached a youthful Irish receiving corps and helped integrate those players with veteran quarterback Ron Powlus to contribute to a Notre Dame attack that produced the third-highest figures for total offense and scoring in Irish history.

Prior to heading to Notre Dame, Meyer coached at Colorado State from 1990-95. He helped the Rams to the 1994 Western Athletic Conference title and to Holiday Bowl appearances following both the 1994 (10-2 final record) and 1995 seasons (8-4). Colorado State finished 16th in the final Associated Press poll in '94.

In 1992, Meyer coached wide receiver Greg Primus, an All-WAC pick who finished as Colorado State's all-time leading receiver ending up with 192 career catches for 3,200 yards. That latter total ranked 10th on the NCAA's all-time yardage list. Meyer also helped Colorado State to the Freedom Bowl title following the 1990 season.

Meyer spent two seasons at Illinois State, coaching quarterbacks and receivers in 1989 and outside linebackers in 1988. He worked as receiver coach at Ohio State in 1987 and helped the Buckeyes to a Cotton Bowl win following the 1986 campaign when he coached tight ends.

Meyer's Mentors

Meyer has worked for a number of the top head coaches in the country including Earle Bruce, Lou Holtz, Sonny Lubick and Bob Davie.

His Responsibilities

During his time at Notre Dame, Meyer had served as special teams coordinator and developed and installed the Irish passing game. In addition, he has heavily recruited in areas such as Ohio, Florida, south Georgia, New Jersey, New York, and Pennsylvania.

A Strong Ohio Background

A 13th-round pick in the amateur baseball draft in 1982, Meyer played two years in the Atlanta Braves organization. He played as a defensive back at the University of Cincinnati before earning his degree in psychology in 1986. Meyer went on to earn a master's degree in sports administration from Ohio State in 1988.

Meyer was born July 10, 1964. He and his wife, Shelley, are parents of two daughters, Nicole and Gigi, and a son, Nathan. Meyer is a native of Ashatabula, Ohio where he graduated from St. John High School.

The Meyer Impact In 2001

- Posted the NCAA I-A's top turnaround with a six-game improvement.
- Became just the second Falcon head coach to begin his BG SU career with a 3-0 record (Don Nehlen).
- Led BG SU to its first winning season since 1994.
- BG SU earned votes in the AF Top 25 poll.
- Named MAC Coach of the Year.
- Guided BG SU to wins over BCS conference members Missouri (Big 12), Temple, Big East, and Northwestern (Big Ten), making the Falcons the first team in MAC history to accomplish that feat.
- BG SU ranked second in the nation in fewest rushing TD's allowed, third in turnover margin and fourth against the rush. The Falcons led the MAC in each of those categories and also had the most interceptions in the league.
- Set eight school records.
- Improved from 13th to 4th in the MAC in total offense, boasting a 124-yard per-game improvement.
- Improved 67 yards per game in rushing offense.
- Improved from 11th to 3rd in the MAC in scoring offense.
- Defeated two teams that were nationally ranked during the 2001 season (Northwestern, 14, and Toledo, 23).
- Nose guard Brandon Hicks became the first Falcon position player since 1984 to earn All-American honors.
- Hicks and wide receiver Robert Redd became the first Falcons to earn first-team All-MAC honors since 1997.
- Quarterback Josh Harris earned National Player of the Week honors.

In addition, BGSU knocked off two teams (Northwestern and Toledo) who were nationally ranked during the season and Brandon Hicks Hicks became the school's first defensive All-American since 1984. In addition, the Falcons doubled their home attendance in 2001.

For his efforts, Meyer was named the consensus 2001 MAC Coach of the Year. In addition, following the win at Missouri, he was named national coach of the week by ESPN.com.

An Impressive Background

Meyer came to BGSU after serving as receivers coach at Notre Dame. In 2000, Notre Dame ranked among the nation’s leaders in passing efficiency, committed the fewest turnovers in the nation and earned a BCS berth in the Fiesta Bowl. In addition, they boasted one of the top special teams units in the country, ranking third in kickoff returns, 10th in net punting and 12th in punt returns. The 1999 season saw Meyer’s receiving corps break the Irish single-season record for pass receptions with 192 and total receiving yards with 2,858.

During 1998, Meyer coached split end Malcolm Johnson, who ended his career with 110 receptions, the seventh-highest total in school history. Johnson is now with the New York Jets. The previous year, Meyer coached Johnson and fellow receiver Bobby Brown as they became the first Irish pair of players to record 40 or more receptions individually in a season. Brown made 45 catches and Johnson had 42. In addition, the Notre Dame receivers helped set a then-single-season school record with 192 receptions.

In 1996, he coached a youthful Irish receiving corps and helped integrate those players with veteran quarterback Ron Powlus to contribute to a Notre Dame attack that produced the third-highest figures for total offense and scoring in Irish history.

Prior to heading to Notre Dame, Meyer coached at Colorado State from 1990-95. He helped the Rams to the 1994 Western Athletic Conference title and to Holiday Bowl appearances following both the 1994 (10-2 final record) and 1995 seasons (8-4). Colorado State finished 10th in the final Associated Press poll in ’94.

In 1992, Meyer coached wide receiver Greg Primus, an All-WAC pick who finished as Colorado State’s all-time leading receiver ending up with 192 career catches for 3,200 yards. That latter total ranked 10th on the NCAA’s all-time yardage list. Meyer also helped Colorado State to the Freedom Bowl title following the 1990 season.

Meyer spent two seasons at Illinois State, coaching quarterbacks and receivers in 1989 and outside linebackers in 1988. He worked as receiver coach at Ohio State in 1987 and helped the Buckeyes to a Cotton Bowl win following the ’86 campaign when he coached tight ends.

Meyer’s Mentors

Meyer has worked for a number of the top head coaches in the country including Earle Bruce, Lou Holtz, Sonny Lubick and Bob Davie.

His Responsibilities

During his time at Notre Dame, Meyer had served as special teams coordinator and developed and installed the Irish passing game. In addition, he has heavily recruited in areas such as Ohio, Florida, south Georgia, New Jersey, New York, and Pennsylvania.

A Strong Ohio Background

A 13th-round pick in the amateur baseball draft in 1982, Meyer played two years in the Atlanta Braves organization. He played as a defensive back at the University of Cincinnati before earning his degree in psychology in 1986. Meyer went on to earn a master’s degree in sports administration from Ohio State in 1988.

Meyer was born July 10, 1964. He and his wife, Shelley, are parents of two daughters, Nicole and Gigi, and a son, Nathan. Meyer is a native of Ashtabula, Ohio, where he graduated from St. John High School.

University President

Sidney A. Ribeau

Since becoming Bowling Green's ninth president seven years ago, Dr. Sidney A. Ribeau has worked to mobilize faculty, staff and students in realizing a new vision for the BGSU community. The University is to become a "principled community" of concerned citizens who will use their own moral ethics in their personal and professional lives to help further the country's democracy. Ribeau has worked to mobilize faculty, staff and students in realizing a new vision for the BGSU community.

President's Lecture Series, which focuses on student leadership development, and the President's Leadership Academy, a leadership development program for select students, both have been created through his efforts.

Not content with nurturing academic success alone, Ribeau has made values education a cornerstone of life at BGSU. His agenda for the University is to create a "principled community" of concerned citizens who will use their own moral ethics in their personal and professional lives to help further the country's democracy. This means infusing the campus culture with the University's core values, making implicit in basic curricula those values, and modeling those beliefs in everyday life by faculty and staff alike.

An important aspect of ethical leadership, Dr. Ribeau believes, is that the University not be perceived as the proverbial "ivory tower," but that it be an engaged university-engaged with the community, with the schools and with businesses to help all citizens achieve success in life. Two of his initiatives in this regard are the Center for Transformative Education and BGSU Partnerships for Community Action. Both organizations are predicated on the belief that the University must act in collaboration with school and community partners, drawing upon knowledge and wisdom, to effect positive change.

The president also leads by listening. Frequently he meets with student and faculty groups, alumni and community leaders, legislators and other government officials.

Dr. Ribeau is especially popular with students. "At most universities the students don't even know the name of the president, but here everyone knows Dr. Ribeau. We can feel the conviction in his voice when he talks about his vision. He doesn't lecture us; he listens. He has given us something to believe in," said Rosa da Nicto, a 2001 graduate from Paulding, Ohio, who was active in student governance.

Dr. Ribeau also has had a key role in promoting diversity issues in higher education. In addition to championing diversity initiatives at BGSU, he has participated in former President Clinton's nationwide dialogue on race relations. A staunch advocate for developing students' good hearts as well as able brains, Dr. Ribeau has been involved in student leadership development, and the President's Leadership Academy, a leadership development program for select students, both have been created through his efforts.

Commission for Higher Education, the American Council on Education (ACE), Fellows Selection Committee, and the ACE Commission on Leadership and Advisory Council. He is involved in the American Association of State Colleges and Universities (AASCU) and the National Association of State Universities and Land Grant Colleges (NASULGC).

The president is an expert in intercultural communication, African-American culture, relational communication, public discourse and race relations. His recent publications include "Preparing Our Students for the New Millennium" in Diversity Exchange, a magazine of Florida International University, and a research article on the advancement of African-American senior administrators at predominantly white institutions, currently in press with Negro Education Review.

Raised in Detroit, Dr. Ribeau received his bachelor's degree from Wayne State University in 1971. In 1996 WSU honored him with a Distinguished Alumnus Award. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1973 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he was named chair of the University's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at Cal Poly's San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

A firm believer in University-community involvement, Ribeau is a member of the chambers of commerce for both Bowling Green and Toledo and serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc., a Maumee, Ohio-based grain merchandising firm, and Worthington Industries.

Hillmann came to Notre Dame after serving as the football strength and conditioning coach at Connecticut from 1996-1998. He also has served as an assistant strength and conditioning coach at Cincinnati (1995-96) and Ball State (1992-96). Hillmann also has spent time as a strength and conditioning specialist for the Pittsburgh Steelers (summer, 1994), assisting in the supervision of their preseason strength and conditioning program. A native of St. Louis, Hillmann earned his bachelor of science degree in secondary education from Missouri in 1991. He also is working on his master’s degree in sport management from Ball State. He and his wife, Dina, have two sons, Jacob and Jonah.

In its 56th year of existence, the Mid-American Conference has grown and developed into one of the most aggressive and progressive conferences in the country. The MAC continues to lead by example to provide its student-athletes and the member institutions with the best possible opportunities.

Since 1946, the MAC has not only stood the test of time, but has flourished into forming a league that its founders could not have imagined or dreamed of. Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC strengthened admittance standards, established an academic progress rule and set increased grade-point-average requirements long before the NCAA adopted or discussed implementing such academic standards.

Under the direction of Rick Chryst, the seventh commissioner in the history of the conference, the MAC is coming off one of the most productive years both on and off the playing fields.

In the spring of 2001, the MAC guaranteed for the first time in the league's storied history that a second football team will attend a post-season bowl game. Beginning last December, the MAC sent a representative to the GMAC Bowl in Mobile, Ala., in addition to a team attending the Motor City Bowl in Pontiac, Mich. The Motor City Bowl moves to Ford Field in downtown Detroit in 2002.

The MAC also became a non-voting member of the Bowl Championship Series (BCS), a step to include the conference in future discussions regarding the sport.

Last year, for the third time in league history, both the men's and women's basketball tournaments were held in Cleveland with each event drawing eight institutions to Gund Arena.

The MAC is in its third year of a television agreement with ESPN. Announced on June 9, 2000, the deal features the MAC Football Championship game -- and also made nine national appearances over the three years.

In the first year of the television deal, the MAC played its first-ever over-the-air broadcast on ABC -- the MAC Football Championship game -- and also made nine national appearances on ESPN, ESPN2 and ABC.

The Mid-American Conference was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve admitted as charter members.

The Mid-American Conference, which now has 13 schools, consists of the University of Akron (joined in 1992), Ball State University (1973), Bowling Green State University (1952), University at Buffalo (1998), Central Michigan University (1971), Eastern Michigan University (1971), Kent State University (1951), Marshall University (1954-69, 1997), Miami University (1947), Northern Illinois University (1974-86, 1997), Ohio University (1946), University of Toledo (1950) and Western Michigan University (1947).

The University of Central Florida was added as a football-only member in 2001, and begins MAC football competition in 2002.

With the addition of two schools in 1997 and a third in 1998, the conference, which is the nation's largest I-A league, divided into two divisions - East and West - for competition in six sports. The East consists of Akron, Buffalo, Central Florida (football only), Kent State, Marshall, Miami and Ohio. The 2002-03 academic year sees Bowling Green move to the West Division, which also includes Ball State, Central Michigan, Eastern Michigan, Northern Illinois, Toledo and Western Michigan.

The member institutions have a total enrollment of better than 275,000, with individual enrollments ranging from 16,000-50,000. The MAC's overall enrollment makes it the fourth-largest conference in the United States. The schools' alumni number over 1.7 million.

The MAC was the first Division I-A conference to have its own Hall of Fame, and began honoring its tradition in 1988 with a Hall of Fame. From 1988 to May of 1994, a total of 52 individuals were inducted into the MAC Hall of Fame. Over its 55-plus years, the MAC has produced a long list of great athletes and coaches from all corners of the sports world. The list includes Olympic gold medalists, Major League Baseball, NFL and NBA standouts, PGA standouts, national-caliber game officials and Hall of Fame coaches and players.

The MAC is a presidentially controlled conference, where all major policy decisions are made by the Council of Presidents, which consists of chief executive officers of the universities.

In 1946, men's basketball was the first competitive sport in the MAC, which now sponsors a total of 23 sports. Women's sports were brought into the conference's structure in 1980.

For men, championships (11) are sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis.

For women, championships (12) are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and tennis.

BGSU Falcon Tradition

Why Orange and Brown?
Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman’s hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns’ head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Why The Falcons?
The 2002-2003 athletic year marks the 76th anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Frieda & Freddie Falcon
Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is “beheaded” at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Alma Mater
Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.
Time will treat you kindly
Years from now you’ll be
Ever dearer in our hearts,
Our University.
From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.
When all is just a mem’ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Ay Ziggy Zoomba
Ay Ziggy Zoomba is Bowling Green’s unofficial fight song. Gil Fox, an Air Force bomber pilot in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history. The Falcon football team traditionally sings “Ay Ziggy Zoomba” after each victory.

Fight Song
Forward Falcons, Forward Falcons
Fight for victory.
Show your spirit, make them fear it
Fight for ‘ol Bee Gee.

Forward Falcons, Forward Falcons
Make the contest keen,
Shout out the fame of our mighty name
And win for Bowling Green!

Ay Ziggy Zoomba
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Zi
Roll along you BG warriors
Roll along and win for BGSU

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 37th year as the home of Bowling Green State University football. Last year, permanent lighting was installed at the venue and home attendance doubled.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting. One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Stadium for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green’s season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,802 fans, an average of 22,960, attended the five home games. Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men’s and women’s soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club’s 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President’s Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more “fan-friendly” atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 114-57-6 record in the 177 games played at Perry Stadium.

Over the last 19 seasons, Bowling Green is 70-24-4 at home for a .734 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service on the collegiate level. Perry served as the BGSU athletic director for seven years (1965-71) after stepping down as football coach.
