FALCONS CLOSE OUT HOME SCHEDULE
Tonight’s game with Eastern Michigan will be the sixth and final home game for BGSU during the 2002 season. With a win, the Falcons will set a school record for most home wins in a season (6) and will notch their first unbeaten and untied season at home since 1992. The Falcons also are looking to notch its first nine-win season since 1994.

SENIOR NIGHT
Tonight will mark the final home game for 15 seniors who will play on the Doyt Perry Stadium turf for the final time. Those who are playing their final home game include LB Marcus Allen, RB Joe Alls, P Pat Fleming, DL Alex Glantzis, LS Joe Gutierrez, RB Chris Haneline, RB Martez Johnson, OL Greg Kupke, RB Godfrey Lewis, OL Jon Mazur, DT D.J. Owchar, WR Robert Redd, QB Andy Sahm, DB Jerry Wagner, and OL Dennis Wendel.

THE REDD ZONE
With his 11 catches and 128 receiving yards, senior Robert Redd continues to position himself statistically as the top receiver in BGSU history. Redd needs just one reception to reach the 200 mark in his career and two catches to break his single season record of 72 set last season. He also needs 91 receiving yards to become the school’s all-time career receiving yards leader surpassing Stan Hunter’s career mark of 2,679 set from 1982-85.

HANELINE HONORED
Senior linebacker Chris Haneline has been named to the Verizon Academic All-District IV University Division Football Team. A native of North Olmsted, Ohio, Haneline holds a 3.43 GPA and leads the team with 87 tackles, including eight for a loss. He captured the Falcons’ President’s Award in 2001, as the team’s top student-athlete and has twice been named the MAC Scholar Athlete of the Week during his career.
PEPSI FAMILY FOUR PACK
Fans can redeem specially-marked Pepsi cans at the BGSU Athletic Ticket Office in advance of gameday or the day of the game at the ticket booths outside the stadium and receive four tickets for $20 to any of the six BGSU home football games.

MCDONALD'S FALCON EXTRA VALUE MEAL
Fans who purchase a Falcon Extra Value meal at participating McDonald's (Bowling Green, Fostoria, North Balitmore) will receive a coupon for $2.00 off a game ticket to any BGSU Athletic contest.

An Impressive Background

Meyer came to BGSU after serving as receivers coach at Notre Dame. In 2000, Notre Dame ranked among the nation's leaders in passing efficiency, committed the fewest turnovers in the nation and earned a BCS berth in the Fiesta Bowl. In addition, the quarterback trio of Drew Brees, T.J.n. Brown and Johnson helped set a single-season school record with 190 catches and Johnson had 42. In addition, the Notre Dame receivers helped set a single-season record for pass receptions with 192 and total receiving yards with 2,858.

During 1998, Meyer coached split end Malcolm Johnson, who ended his career with 110 receptions, the seventh-highest total in school history. Johnson is now with the New York Jets. The previous year, Meyer coached Johnson and fellow receiver Bobby Brown as they became the first Irish players with veteran quarterback Ron Powlus to contribute to a Notre Dame offense that produced the third-highest figures for total offense and scoring in Irish history.

Prior to heading to Notre Dame, Meyer coached at Colorado State from 1990-95. In 1992, Meyer coached wide receiver Greg Primus, an All-WAC pick who finished as Colorado State's all-time leading receiver, ending up with 192 career catches for 2,300 yards. That latter total ranked 10th on the NCAA's all-time yardage list. Meyer also helped Colorado State to the Freedom Bowl title following the 1990 season.

Meyer spent two seasons at Illinois State, coaching quarterbacks and receivers in 1989 and outside linebackers in 1988. He worked as receiver coach at Ohio State in 1987 and helped the Buckeyes to a Cotton Bowl win following the '86 campaign when he coached tight ends.

Meyer's Mentors

Meyer has worked for a number of the top head coaches in the country including Earle Bruce, Lou Holtz, Sonny Lubick and Bob Davie.

His Responsibilities

During his time at Notre Dame, Meyer had served as special teams coordinator and developed and installed the Irish passing game. In addition, he has heavily recruited in areas such as Ohio, Florida, South Georgia, New Jersey, New York, and Pennsylvania.

A Strong Ohio Background

A 13th-round pick in the amateur baseball draft in 1982, Meyer played two years in the Atlanta Braves organization. He played as a defensive back at the University of Cincinnati before earning his degree in psychology in 1986. Meyer went on to earn a master's degree in sports administration from Ohio State in 1988.

Meyer was born July 10, 1964. He and his wife, Shelley, are parents of two daughters, Nicole and Gigi, and a son, Nathan. Meyer is a native of Ashtabula, Ohio, where he graduated from St. John High School.

Bowling Green 1045 N. Main St.

419-353-BGSU
Since becoming Bowling Green's ninth president seven years ago, Dr. Sidney A. Ribeau has worked to mobilize faculty, staff and students around a new vision for the University. That vision is to make BGSU "the premier learning community" in Ohio and one of the best in the nation.

"Everyone's participation is needed in order to define the nature of the community that we want to become and to contribute to the shaping of our common future. We can accomplish a great deal by creating an environment in which people trust each other and work together in a collaborative manner," Dr. Ribeau told the University community when he arrived. This collaborative style, one that emphasizes the value everyone brings to the team, is the hallmark of his and the University's recent successes.

Using a systems approach to management, the president has mobilized people around issues vital to the lifeblood of the institution, evidenced by the creation of groups such as the Universitywide enrollment-management team. The team has developed successful long-range recruitment and retention plans featuring a variety of programs designed to assist first-year students in adjusting to college life. In 1999-2000, about half of all first-year students participated in one of those programs, designed to ease new students' transition into college.

With these successful enrollment initiatives have come opportunities to hire new faculty and staff and to make $90 million in capital improvements on campus, including an ongoing $34 million project to renovate and enlarge the Student Union. There also have been significant gains in annual giving to the University during the past five years. For the 2000-01 fiscal year, total giving to BGSU surpassed $10 million, including nearly $5 million in annual giving and slightly more than $2 million in bequests.

Academic programs have also been strengthened under Dr. Ribeau's leadership. Some, such as industrial/organizational psychology, higher education and student affairs, broadcast journalism, philosophy and chemistry, are nationally ranked. The University this year (2001) added a master's degree program in criminal justice, filling a need for such a program in northwest Ohio, and the year-old MFA program in computer art further strengthens the University's computing curriculum. With over 17,750 students in the major and state-of-the-art equipment, BGSU has become one of the leading programs in the nation for studying computer art.

"Our success is due to the president's vision. He identified the demand for this field of study and put resources into a program that can be and is successful," said Beverly Smith, assistant professor in the School of Art and an expert in computer art.

Dr. Ribeau's ability to inspire people, set attainable goals and provide leadership extends to helping other members of the University community learn these same skills. The President's Lecture Series, which focuses on student leadership development, and the President's Leadership Academy, a leadership development program for select students, both have been created through his efforts.

Not content with nurturing academic success alone, Dr. Ribeau has made values education a cornerstone of life at BGSU. His agenda for the University is to create a "principled community" of concerned citizens who will use their strong moral ethics in school and, later, in their professional and personal lives to help further the country's democracy. This means infusing the campus culture with the University's core values, making explicit in basic curricula those values, and modeling those beliefs in everyday life by faculty and staff alike.

An important aspect of ethical leadership, Dr. Ribeau believes, is that the University not be perceived as the proverbial "ivory tower," but that it be engaged university-engaged with the community, with the schools and with businesses to help all citizens achieve success in life. Two of his initiatives in this regard are the Center for Transformative Education and BGSU Partnerships for Community Action. Both organizations are predicated on the belief that the University must act in collaboration with school and community partners, drawing upon available knowledge and wisdom, to effect positive change.

The president also leads by listening. Frequently he meets with student and faculty groups, alumni and community leaders, legislators and other government officials.

Dr. Ribeau is especially popular with students. "At most universities the students don't know the name of the president, but here everyone knows Dr. Ribeau. We can feel the conviction in his voice when he talks about his vision. He doesn't lecture; he listens. He has given us something to believe in," said Rebecca Nieto, a 2001 graduate from Paulding, Ohio, who was active in student governance.

Dr. Ribeau also has had a key role in promoting diversity initiatives at BGSU, he has participated in former President Clinton's nationwide dialogue on race relations. A staunch advocate for developing in students "good hearts as well as able brains," Dr. Ribeau has served on the faculty for the National Institute on College Student Values and is on the advisory board of the new electronic "Journal on College and Character."

He has also served as a guest leader at the LeaderShape Institute, the flagship program of LeaderShape Inc., a nonprofit organization committed to developing young adults who will lead with integrity. He was a contributor to Leadership Inc.'s Visions and Values 2000, which offers a series of short articles, vision and leadership, and is a regular contributor to area newspapers in the opinion-editorial pages on issues in higher education.

A recognized advocate of higher education at state and national levels, Dr. Ribeau is a member of the State Funding Commission for Higher Education, the American Council on Education (ACE) Fellows Selection Committee, and the ACE Commission on Leadership and Advisory Council. He is involved in the American Association of State Colleges and Universities (AASCU) and the National Association of State Universities and Land Grant Colleges (NASULGC).

The president is an expert in intercultural communication, African-American culture, relational communication, public discourse and race relations. His recent publications include "Preparing Our Students for the New Millennium" in Diversity Exchange, a magazine of Florida International University, and a research article on the advancement of African-American senior administrators at predominantly white institutions, currently in press with Negro Education Review.

Raised in Detroit, Dr. Ribeau received his bachelor's degree from Wayne State University in 1971. In 1996 WSU honored him with a Distinguished Alumnus Award. He earned master's and doctoral degrees in interpersonal communication from the University of Illinois, Urbana-Champaign, in 1975 and 1979, respectively.

He began his teaching career in 1976 as a professor of communication studies at California State University, Los Angeles. Eight years later, after being honored as an outstanding teacher and student adviser, he was named chair of the university's Pan African Studies Department. He held that position until 1987, when he was named dean of undergraduate studies at California State University, San Bernardino. Three years later, he became dean of the College of Liberal Arts at Cal Poly's San Luis Obispo campus. In 1992 he was named vice president for academic affairs at Cal Poly Pomona, a position he held until coming to Bowling Green.

A firm believer in University-community involvement, Ribeau is a member of the chambers of commerce for both Bowling Green and Toledo and serves on the boards of United Way, the Greater Toledo Urban League, the Toledo Symphony Orchestra, the Andersons Inc., a Maumee, Ohio-based grain merchandising firm, and Worthington Industries.

Paul Krebs was named the 11th athletics director at Bowling Green State University on March 15, 1999.

Krebs leads one of only 13 programs which sponsor Division I-A football, men’s and women’s basketball and men’s ice hockey. This past year, the Falcons enjoyed tremendous success finishing as one of six schools in the country to win at least eight Division I-A football games and 24 men’s basketball games. With the top turn-around in Division I-A football (a six-game improvement), BGSU athletics also enjoyed success at the turnstiles with football attendance doubling this past season.

Interest in men’s basketball also has never been higher with BGSU and Kent State setting a MAC Tournament Championship game attendance record this past March in Cleveland’s Gund Arena.

He has helped bring head coaching salaries in-line with other peer institutions and has been praised for identifying and hiring dynamic, young coaches, and retaining some of the most respected coaches in their sports, who look to lead the Falcons into the new century. One of Krebs’ first tasks was to maximize the department’s revenue opportunities. He has been instrumental in creating a partnership with CAVS/Gund Arena properties in Cleveland to market BGSU athletics on a full-time basis. This arrangement is the first of its kind in the MAC and already has paid dividends. Last year, BGSU increased the reach of its television coaches shows by aligning itself with Fox Sports Ohio, the only school in the MAC to do so.

Krebs also fostered a relationship with ESPN Regional television which has seen BGSU make 16 appearances in football and men’s basketball, including the Falcons’ first national television appearance in football since 1992.

Under his direction, BGSU athletics now manages all of its radio and television sponsorship in-house and manages its own website with OCSN (formerly the FansOnly Network) and oversees the University’s licensing program.

He also has helped lead the charge to improve facilities including the installation of permanent lighting at Doyt Perry Stadium in August, 2001, the renovation of the locker rooms and new offices at the BGSU Ice Arena, and new bleachers and a press box at Warren Steller baseball field and a new infield and warning track at the school’s softball facility.

Nationally, Krebs is a faculty member for the Division I-A Athletic Director’s Institute. He also has been chosen to serve on the Games Committee for the National Association of Collegiate Directors of Athletics (NACDA), 2002 Pigskin Classic.

At the Mid-American Conference level, Krebs has served for three years on the Infractions Committee and also is the chair of the MAC Baseball committee.

Krebs is a member of the BGSU President’s Advisory Council, Student Affairs Executive Council, Homecoming Committee and served as chair of Student Affairs’ Training and Development.

Krebs is involved locally as a member of the Exchange Club of Bowling Green and as a member of the Board of Directors of the American Red Cross Blood Services of Northwest Ohio. He also is a member of the Bowling Green Presbyterian Church.

Before coming to BGSU, Krebs had served as the senior associate athletic director at The Ohio State University since September of 1993.

In that capacity, he managed the daily operation of the department and coordinated and provided oversight for the departments’ $58 million budget, directed its long-range financial planning and budget oversight/reporting programs. He was the department’s main liaison when dealing with engineers, architects, and financial planning committees.

In addition to overseeing the ticket office, athletic business office, information systems, facility operations and maintenance areas, he was the point person in the planning and design of Ohio State’s $105 million Jerome Schottenstein Center, the $150 million renovation of storied Ohio Stadium, the Jesse Owens Stadium, and the $5 million Bill Davis Stadium for baseball.

He was also actively involved in fund-raising and securing corporate sponsorship for the new facilities.

He also served as meet director for the NCAA Div. I Golf Championships in 1987 and 1995 and the regional championships in 1993.

He went to Ohio State in 1985 as the ticket director and quickly implemented a new computer program that streamlined the ticket office while improving efficiency. He was named assistant athletic director in 1987. In 1991, he was promoted to assistant athletic director for administration, a position he held until 1993.

He began his professional career as the assistant ticket director at Oklahoma in 1981 before being promoted to the ticket director in 1983, a position he held for two years before going to Ohio State.

Paul and his wife, Marjori, an instructor in the college of Education, have two children, a daughter, Taylor, 13, and a son, Jacob, 9. The Canfield, Ohio, native earned a bachelor’s degree in business from BGSU in 1978 and a master’s degree in athletic administration at Ohio State in 1981.

Gregg Brandon is in his second year directing the BGSU offense. In his first season at BGSU, the Falcon offense showed tremendous improvement accumulating 124.46 more yards per game and 14.48 more points per game than the 2000 squad. Among MAC schools, the Falcons improved from 13th to fourth in total offense and from 11th to third in scoring offense under his leadership.

BGSU set five school records on offense including total offensive plays in a game (100 vs. Kent State), individual receiving yards in a game (215, Robert Redd vs. Marshall), individual total offense in a game (408, Josh Harris vs. Northwestern), rushing yards by a quarterback in a game (148, Harris vs. Ohio), and individual receptions in a season (72, Redd).

He joined the Falcons after spending two seasons at Colorado under Gary Barnett, where he coached the receivers and kickoff return both years and was the team's passing game coordinator in 2000 and recruiting coordinator in 1999.

Brandon, 46, played football for Barnett at Air Academy High School in Colorado Springs, and stayed in close touch with him throughout the years. When Barnett was hired as head coach at Northwestern in 1992, Brandon joined the Wildcat staff as receivers coach. He was also Northwestern's recruiting coordinator for his last two seasons there (1997-98). In his seven seasons at Northwestern, Brandon assembled an extremely talented group of receivers, including D'Wayne Bates, the second all-time leading receiver in Big Ten history. Bates was a semifinalist for the Biletnikoff Award and an All-America candidate.

Brandon played collegiately as both a defensive back and wide receiver at Mesa State (1974) and Northern Colorado (1975-77). He graduated from UNC in 1978 with a bachelor's degree in education, and began his coaching career that fall as head football coach at Ellicott (Colo.) High School. He spent three seasons there (1978-80) before joining the college ranks at Weber State, where he would coach the next six seasons (1981-86). He coached the tight ends and special teams in his first four seasons, the linebackers in his fifth year and the receivers and tight ends during his final year in Ogden. He was then named receivers coach at Wyoming, where he would coach the next four years (1987-90). During his tenure with head coach Paul Roach, the Cowboys posted a 35-15 record, including a 16-0 run in Western Athletic Conference play in 1987 and 1988, and played in three bowls ('87 and '88 Holiday and '90 Copper). In 1991, he returned to Utah where he coached the linebackers for one season (1991) at Utah State.

He was born Feb. 29, 1956, in Tucson, Arizona, and is married to the former Robyn Mitchell. They are the parents of two sons, Nicholas (18) and Timothy (10).

Tim Beckman, 37, joined the program in March, 1998, as the coach of the secondary, as the defensive coordinator, and he took over in 1999 as the offensive coordinator. He was promoted this spring to assistant head coach-defense.

In 2001, the Falcons were the MAC's top-ranked unit in total defense, scoring defense, rushing defense and scoring margin. Nationally, BGSU finished third in turnover margin, seventh against the rush and in interceptions, and 22nd overall in total defense.

The Falcons posted two shutouts, forced 36 turnovers and held eight opponents under 100 yards rushing. In addition, nose tackle Brandon Hicks earned All-American honors. For his efforts, Beckman has twice been nominated for the Frank Broyles Award, given annually to the nation's top assistant coach, and was a finalist in 2001.

In 2000, he was responsible for guiding a defense which finished fourth in the conference in total defense and rushing defense, and second in sacks. He also served as recruiting coordinator for three seasons. Prior to his appointment at BGSU, the Berea, Ohio, native spent two seasons at Elon College in North Carolina as the defensive coordinator and defensive backs coach.

The previous six years he was the secondary coach and recruiting coordinator at Western Carolina. While at WCU, he helped in the development of Willie Williams, who was a sixth-round pick of the Pittsburgh Steelers and led the AFC in interceptions in 1993. The Catamounts finished second in the Southern Conference in both 1992 and 1993.

Beckman began his coaching career as a graduate assistant at Auburn in 1984 and 1985. In his two years there, the Tigers earned back-to-back top-10 national rankings and bowl berths as Southeastern Conference champions participating in the 1988 Sugar Bowl and 1989 Hall of Fame Bowl. He assisted with the defensive backs at Auburn while earning his master's degree in education.

A 1988 graduate of the University of Findlay, Beckman majored in physical education and lettered in 1984 and 1985 on Oiler teams which qualified for the NAIA national playoffs both seasons. He attended Forest Park High School in Beaumont, Texas, for two years before completing high school at Berea High School.

Born January 19, 1965, he and his wife, Kimberly, have three children, Tyler, 11, Lindsay, 9, and Alex, 5.

The Mid-American Conference

In its 56th year of existence, the Mid-American Conference has grown and developed into one of the most aggressive and progressive conferences in the country. The MAC continues to lead by example to provide its student-athletes and the member institutions with the best possible opportunities.

Since 1946, the MAC has not only stood the test of time, but has flourished into forming a league that its founders could not have imagined or dreamed of. Based in Cleveland since July 1999 following a 15-year stay in Toledo, Ohio, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC strengthened admittance standards, established an academic progress rule and set increased grade-point-average requirements long before the NCAA adopted or discussed implementing such academic standards.

Under the direction of Rick Chryst, the seventh commissioner in the history of the conference, the MAC is coming off one of the most productive years both on and off the playing fields.

In the spring of 2001, the MAC guaranteed for the first time in the league's storied history that a second football team will attend a post-season bowl game. Beginning last December, the MAC sent a representative to the GMAC Bowl in Mobile, Ala., in addition to a team attending the Motor City Bowl in Pontiac, Mich. The Motor City Bowl moves to Ford Field in downtown Detroit in 2002.

The MAC also became a non-voting member of the Bowl Championship Series (BCS), a step to include the conference in future discussions regarding the sport.

Last year, for the third time in league history, both the men's and women's basketball tournaments were held in Cleveland with each event drawing eight institutions to Gund Arena.

The MAC is in its third year of a television agreement with ESPN. Announced on June 9, 2000, the deal features over 30 football and men's basketball appearances over the terms of the deal, which ends in 2003. Highlighting the programming agreement are exclusive national rights to both the MAC Football Championship Game and the MAC Men's Basketball Championship Game, as well as a minimum of five regular-season football games and nine regular-season basketball appearances over the three years.

In the first year of the television deal, the MAC played its first-ever over-the-air broadcast on ABC -- the MAC Football Championship game -- and also made nine national appearances on ESPN, ESPN2 and ABC.

The Mid-American Conference was founded as a five-school league on February 24, 1946 in Columbus, Ohio with Ohio, Butler, Cincinnati, Wayne State and Western Reserve as charter members.

The Mid-American Conference, which now has 13 schools, consists of the University of Akron (joined in 1992), Ball State University (1975), Bowling Green State University (1952), University at Buffalo (1998), Central Michigan University (1971), Eastern Michigan University (1971), Kent State University (1951), Marshall University (1954-69, 1997), Miami University (1947), Northern Illinois University (1975-86, 1997), Ohio University (1946), University of Toledo (1930) and Western Michigan University (1947).

The University of Central Florida was added as a football-only member in 2001, and begins MAC football competition in 2002.

With the addition of two schools in 1997 and a third in 1998, the conference, which is the nation's largest I-A league, divided into two divisions - East and West - for competition in six sports. The East consists of Akron, Buffalo, Central Florida (football only), Kent State, Marshall, Miami and Ohio. The 2002-03 academic year sees Bowling Green move to the West Division, which also includes Ball State, Central Michigan, Eastern Michigan, Northern Illinois, Toledo and Western Michigan.

The member institutions have a total enrollment of better than 275,000, with individual enrollments ranging from 16,000-30,000. The MAC's overall enrollment makes it the fourth-largest conference in the United States. The schools' alumni number over 1.7 million.

The MAC was the first Division I-A conference to have its own Hall of Fame, and began honoring its tradition in 1988 with a Hall of Fame. From 1988 to May of 1994, a total of 52 individuals were inducted into the MAC Hall of Fame. Over its 55-plus years, the MAC has produced a long list of great athletes and coaches from all corners of the sports world. The list includes Olympic gold medalists, Major League Baseball, NFL and NBA standouts, PGA standouts, national-caliber game officials and Hall of Fame coaches and players.

The MAC is a presidentially controlled conference, where all major policy decisions are made by the Council of Presidents, which consists of chief executive officers of the universities.

In 1946, men's basketball was the first competitive sport in the MAC, which now sponsors a total of 23 sports. Women's sports were brought into the conference's structure in 1980.

For men, championships (11) are sponsored in football, basketball, baseball, cross country, soccer, swimming and diving, indoor track and field, outdoor track and field, wrestling, golf and tennis.

For women, championships (12) are sponsored in basketball, softball, volleyball, cross country, field hockey, golf, soccer, swimming and diving, gymnastics, indoor track and field, outdoor track and tennis.

Why Orange and Brown?
Orange and brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a women’s hat on a bus to nearby Toledo, Ohio. He liked the brown and orange color combination. So, too, did former Cleveland Browns’ head coach Paul Brown. Following a trip to BGSU in the 1940s, Brown used the colors for his All-America Conference team.

Frieda & Freddie Falcon
Frieda and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and winners remain anonymous to the student body until each is “beheaded” at the last home basketball and hockey game. The Freddie Falcon tradition began in 1950 while Frieda Falcon was added for the 1979-80 athletic year.

Why The Falcons?
The 2002-2003 athletic year marks the 76th anniversary of Bowling Green’s nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake ’23 suggested the nickname after reading an article on falconry. Lake, managing editor and sports editor of the Sentinel Tribune in Bowling Green at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Fight Song
Forward Falcons, Forward Falcons
Fight for victory.
Show your spirit, make them fear it
Fight for ‘ol Bee Gee.

Alma Mater
Alma Mater hear us,
As we praise thy name
Make us worthy sons and daughters
Adding to thy fame.
Time will treat you kindly
Years from now you’ll be
Ever dearer in our hearts,
Our University.
From your halls of ivy
To the campus scene,
Chimes ring out with gladness
From our dear Bowling Green.
When all is just a mem’ry
Of the by-gone days,
Hear our hymn dear Alma Mater
As thy name we praise.

Ay Ziggy Zoomba
Ay Ziggy Zoomba is Bowling Green’s unofficial fight song. Gil Fox, an Air Force bombardier in World War II stationed in Italy, brought a loose translation of a Zulu war chant back with him, and since its introduction in 1946 to a campus spirit assembly, it has kept its place in BGSU history.
The Falcon football team traditionally sings “Ay Ziggy Zoomba” after each victory.

Ay Ziggy Zoomba
Ay Ziggy Zoomba Zoomba Zoomba
Ay Ziggy Zoomba Zoomba Ze
Ay Ziggy Zoomba Zoomba Zoomba

Doyt L. Perry Stadium, with its 30,599 seating capacity, is celebrating its 37th year as the home of Bowling Green State University football. Last year, permanent lighting was installed at the venue and home attendance doubled.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Stadium had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982. This season will mark the first with permanent lighting.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Stadium set the conference record for single-game attendance. That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out Toledo at Perry Stadium in November. More than 28,000 fans turned out that day, raising Bowling Green's season attendance to an all-time high 112,110, an average of 22,422.

In 1994, BG fans bettered the mark of 1985 as 114,602 fans, an average of 22,960, attended the five home games. Perry Stadium is more than just a football facility. The east side of the stadium includes locker rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift 12 years ago. A physical fitness center/weight room opened its doors to all intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Stadium are the Falcon Club offices and clubhouse, the men's and women's soccer and track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 20th year of operation, the Stadium Club's 106 theatre-type seats, which are all sold, provide loyal BGSU fans with the best view of the game. The President's Box, located at the top of the east side of the stadium, provides luxury seating for President Sidney Ribeau, his guests, and other supporters of Falcon football.

The construction of elevators on both sides of the stadium, completed in early 1998, has made the stadium more accessible for all fans. Renovations to all boxes on both sides and the stadium club have taken place over the last few years making for a more "fan-friendly" atmosphere. Bowling Green won the first game ever played in Perry Stadium, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won over 67 percent of their home games, compiling a 114-57-6 record in the 177 games played at Perry Stadium.

Over the last 19 seasons, Bowling Green is 70-24-4 at home for a .734 winning percentage.

Perry Stadium is named in honor of the man who led Bowling Green to a 77-11-5 record in his 10 years as the head coach of the Falcons. Doyt L. Perry was simply one of the greatest football coaches of his day. His .855 winning percentage over 10 seasons in the 1950s and 1960s remains one of the highest in football history. In fact, Perry is fifth all-time behind Bob Reade (Augustana), Knute Rockne (Notre Dame), Frank Leahy (Notre Dame), and Larry Kehres (Mount Union) in winning percentage among coaches with at least 10 years of service.

YEAR TWO OF THE CURT MILLER ERA BEGINS
The BGSU women's basketball team opens the 2002-03 season this weekend. The Falcons of head coach Curt Miller hosted Youngstown State last night, and will face Iona tomorrow (Nov. 24) at 1:00 p.m at Anderson Arena. Miller welcomes back eight letterwinners from last season, plus senior Francine Miller, who missed all but four games last year and was granted a medical hardship.
