FALCONS BATTLE KENT FOR ANNIVERSARY AWARD

Coach Moe Ankney's Bowling Green Falcons (3-5 overall, 3-3 in the Mid-American Conference) return home to Doyt L. Perry Field for their annual Parents' Day game vs. the Kent Golden Flashes.

At stake will be the Anniversary Award, a travelling award that goes annually to the winner of the BG-Kent football game. Kent currently has possession of the award thanks to last year's 31-19 victory.

The Falcons, stinging from two-straight losses on the road at Eastern Michigan and at Miami, still have hopes of a winning season in 1989. A win against Kent this week would give the Falcons a 3-2 record at Perry Field this season. With victories against Kent and Western Michigan the next two weeks, BG would show a 5-3 MAC record. An additional non-conference victory at Tulsa (Nov. 18) would lift Ankney's Falcons to 6-5 overall, a big improvement over last year's 2-8-1 record.

Last week, however, the Falcons were tripped up by the Miami Redskins, 17-13, in Oxford, OH. BG fell behind, 10-0, in the first quarter and came no closer than three points the remainder of the game. The win snapped Miami's winless streak at 20 games, which had been longest in the nation.

Kent (0-9 overall, 0-6 MAC) dropped a wild 47-42 decision at home to the Toledo Rockets, last week. The two teams combined for a MAC record 89 points in the contest, eclipsing the previous record of 84 points, set in a 49-35 BG victory over Toledo in 1973.

25 Years—Thanks To You!
Now in his fourth year as head football coach at Bowling Green State University, Howard M. (Moe) Ankney believes the future of Falcon football will be as bright as its past.

"Bowling Green football is strong, and Bowling Green football is respected across the country," Ankney says. "When our players put on the Bowling Green uniform, they are eager to go out and uphold that winning tradition."

Hanging on his Doyt L. Perry Field office wall is a framed list of five objectives. Meet these goals, Ankney tells his players, and Bowling Green will maintain its reputation as one of the top two Mid-American Conference football programs of the 1980s.

—BOWLING GREEN FOOTBALL GOALS—
1. Each player earn a college degree
2. Continue the winning tradition
3. Beat Toledo
4. Win the California Raisin Bowl
5. Each player become the best that he can be as a student, as an athlete and as a person.

With these goals in mind, Ankney will lead his Falcon football team into the 1989 season, the 71st season in the long history of intercollegiate football at BGSU.

Appointed as the University’s 13th head football coach on December 30, 1985, Ankney has coached the Falcons to second-place finishes in the MAC twice in the last three years. BG finished second in 1986 and second in 1987, before struggling to an uncharacteristic eighth-place finish last season.

Ankney has a 12-20-1 overall record at BGSU, a record that reflects the challenging non-conference schedule Bowling Green has played the last three seasons. BG lined up against a defending national champion one year, and then a team that played for the national title the next. In 1986, the Falcons visited Minnesota and Washington. In 1987, it was Penn State and Arizona. And last season, West Virginia and Texas Christian were confronted.

The Falcons will be challenged again outside of the MAC in ’89. BG opens at East Carolina and closes the season at Tulsa. In between, the Falcons host Akron at Perry Field.

Ankney, a 1964 BGSU graduate, returned to his alma mater after serving six seasons as the assistant head coach, defensive coordinator and secondary coach at the University of Arizona of the Pacific-10 Conference. In leaving Arizona, he left a long-time coaching associate and friend, Arizona Head Coach Larry Smith. Like Ankney, Smith is a Bowling Green graduate, and the two coached together for 10 seasons.

Prior to joining the Arizona staff in 1980, Ankney was Smith’s defensive coordinator and secondary coach at Tulane for four seasons between 1976-79. And before that, he was the secondary coach at Ball State in 1971 when he joined the Ball State staff. His five-year head coaching record in the high school ranks stands at 24-21-5. While coaching in the Dayton area, Ankney earned his master’s degree from Miami University in 1969.

Ankney, 47, a native Ohioan, grew up in Xenia before moving to Kettering as a high school senior. A 1960 Fairmont High School graduate, he was an all-state quarterback and a participant in the Ohio All-Star game.

Ankney entered the coaching profession at the high school level. He was an assistant football and wrestling coach at Eaton High School for the 1964-65 seasons and then became head coach at Dayton Northridge in 1966. He moved on to Dayton Wayne High School as head coach in football and tennis in 1967 and stayed until 1971 when he joined the Ball State staff.

While at BGSU, Ankney played on two MAC Championship teams as a reserve quarterback and lettered twice under legendary Coach Doyt Perry. The Falcons went 23-5-1 from 1961-63.

While an undergraduate, Ankney earned election to Omicron Delta Kappa, a leadership honorary, Phi Alpha Theta, a history honorary, and Kappa Delta Pi, an education honorary.

Ankney was reared in a football family. His uncle Pete was his head coach at Fairmont High School. Pete Ankney also was a head coach at Canton McKinley High School and at the University of Dayton. Moe’s father, Ben, coached at Miami University and at Xenia High School.

Moe and his wife, Caralee, are the parents of two daughters (Angela, 26, and Molly, 21), a son (Andy, 24), and two grandchildren (Ashley, 3, and Bryce, 1).

Howard Milton Ankney was born June 23, 1942.

Founded in 1946, the Mid-American Conference is one of the nine Division I-A conferences in the country along with the ACC, Big 10, Big Eight, Big West, PAC-10, SEC, SWC, and WAC.

The MAC consists of nine state-supported institutions in the midwestern states of Ohio, Michigan and Indiana. The nine current members—Ball State University, Bowling Green State University, Central Michigan University, Eastern Michigan University, Kent State University, Miami University, Ohio University, the University of Toledo and Western Michigan University—have all been members of the conference for 15 or more years.

Throughout its existence, the MAC has been in the forefront of national legislation that has enhanced the academic integrity of intercollegiate athletics. The MAC has had an academic progress rule, strengthened admittance standards and qualitative grade point average requirements for its student-athletes long before the NCAA adopted or discussed implementing such academic standards.

The MAC currently sponsors 18 championships. In men’s sports, the MAC has sponsored championships in football, baseball, cross country, golf, tennis, and track and field since its founding, and added swimming and wrestling championships five years later.

In 1980, the MAC Council of Presidents voted to bring women’s athletics into the conference structure. The MAC currently sponsors women’s championships in basketball, cross country, field hockey, gymnastics, softball, swimming, tennis, track and field, and volleyball.

In the 43-year history of the conference, numerous MAC football teams and players have received national recognition. Bowling Green was recognized as the national conference champion in 1959, and Ohio won similar honors in 1960. After MAC teams achieved major college status, Toledo compiled a 35-game winning streak from 1969-71, the second longest such streak in modern major college football history. Miami beat Florida, Georgia and South Carolina in the 1973, 1974 and 1975 Tangerine Bowls. In the last few years, among the non-conference victims of MAC teams are opponents from the Big 10, Big Eight, SEC and WAC.

The 1989 MAC Champion will represent the conference against the champion of the Big West Conference in the California Raisin Bowl on December 9 in Fresno, CA.

MAC schools have a reputation for developing outstanding coaches. In last year’s Fiesta Bowl which pitted Notre Dame against West Virginia for the national championship, it was Kent graduate Lou Holtz against Bowling Green graduate Don Nehlen. On the same day in the Rose Bowl, Miami graduate Bo Schembechler directed his Michigan team to victory over Southern Cal coached by Bowling Green graduate Larry Smith. Among other current or former head coaches who played at and/or coached at MAC schools are Woody Hayes, Ara Parseghian, Don James, Paul Brown, Bill Mallory, Dave McClain, Don McCafferty, Weeb Ewbank, Frank Lauterbur, John Pont and two of the three 1988 inductees into the National Football Foundation Hall of Fame: Doyt Perry and Jack Mollenkopf.

Among current NFL players from MAC schools. Dolphins’ linebacker John Offerdahl (Western Michigan) was the 1986 Rookie of the Year, Rams’ center Doug Smith (Bowling Green) is a Pro Bowler and 12-year veteran; Bengals’ defensive back Robert Jackson (Central Michigan) is the senior member of the five former Chippewas in the NFL; and defensive lineman Brent Williams (Toledo) is a rising star with the Patriots.

After concluding successful NFL careers, Bernie Casey (Bowling Green) and Tim Brown (Ball State), two former standouts at current MAC schools, went to Hollywood and have made numerous television and movie appearances.

MAC student-athletes are regularly selected to the GTE Academic All-America teams. In the last six years alone, MAC student-athletes have received Academic All-America honors 82 times. Since the Academic All-America program was established 20 years ago, MAC football players have earned that distinction 38 times. Five of the 48 Division I football players honored on the 1988 Academic All-America team were from MAC schools.

The year 1988 will be fondly remembered by Doyt Perry, the former player, coach and administrator at Bowling Green State University.

In January of '88, he learned that he would be an inductee into the National Football Foundation’s College Football Hall of Fame.

In October, when Bowling Green hosted Miami at Doyt L. Perry Field, the man in whose honor the stadium was named was there for a special on-campus presentation by the National Football Foundation.

In December, Perry was in New York for the Foundation’s Hall of Fame Dinner. He was officially enshrined into the College Football Hall of Fame at Kings Island, OH, this past June.

Perry’s association with BGSU dates back almost 60 years when, as a student, he lettered nine times in three sports (football, basketball and baseball). The Croton, OH, native received his degree in 1932 and began coaching on the high school level before becoming an assistant football coach at Ohio State University in 1951.

Perry returned to his alma mater as head football coach in 1955. The next 10 years, he led the Falcons to a 77-11-5 record for a winning percentage of .855, topped only by Knute Rockne and Frank Leahy of Notre Dame. His teams won five MAC Championships and the national college division championship in 1959.

Perry, who retired from coaching in 1964 to become BGSU’s athletic director for six years, developed such outstanding coaches as Jim Young of Army, Bill Mallory of Indiana, Don Nehlen of West Virginia, Larry Smith of Southern California, the late Dave McClain of Wisconsin and Bowling Green’s own Moe Ankney.

BGSU Sports Information Office

TOM ADDIE
6-3       275       OL       Akron, Ohio

A fifth-year senior with experience on both the offensive and defensive lines, Tom is in his third season as a starter for the Falcons. The last two years, he started at offensive guard. This year, he has started every game at offensive tackle.

Because of his size and strength, Addie has impressed his coaches with his ability to handle his opponent in one-on-one blocking schemes.

Off the field, Tom is a member of the Minority Student Business Association and is active in Fellowship of Christian Athletes. He is an interpersonal communications major at BGSU.

Tom was a heralded player out of Archbishop Hoban High School, where he earned all-state honors. He lettered in football, basketball and track.

ROB BRUMER
6-3       245       DL       Grosse Pointe, Michigan

Rob ends his collegiate football career after spending the last four seasons practicing on the Falcon scout teams. Although he hasn’t lettered in football at BGSU, Brumer has been a valuable contributor on the practice field and in team meetings.

He is a former Scout Team Player of the Week.

An electronics technology major at BGSU, Rob is a member of the Pi Kappa Phi fraternity.

At Grosse Pointe North High School, Rob lettered twice in football and once in track. On the gridiron, he earned first team all-state honors and played on two county championship teams.

DERRICK CARR
6-6       265       DL       Detroit, Michigan

Hard work and a fierce determination have made Derrick Carr one of the best defensive linemen in the Mid-American Conference. Currently he is fourth on the team with 61 tackles, with seven of them coming behind the line of scrimmage.

Derrick has all of the tools for an outstanding defensive lineman in college football...size, speed and strength. And, he is excellent in pursuit from the backside.

With 113 solo tackles and 84 assists, Derrick is three tackles away from recording his 200th career tackle at BGSU. He is also eight tackles shy of matching his season-best total of 69, set last season.

Derrick is a visual communications technology major at BGSU. He has volunteered his time to help the homeless in Detroit.

MIKE HOLMES
6-0       185       DB       Alliance, Ohio

Mike has been a steady four-year member of the Falcon secondary under Coach Ankney. He has been a starter all four years, at cornerback as a freshman and junior and at safety as a sophomore and senior.

This year as a free safety and team tri-captain, Mike has recorded 47 tackles, despite missing some action with a concussion. He also has two interceptions to his credit this season.

Last year, Mike was in on 91 tackles from his cornerback post. He now totals 260 tackles in his career. As a freshman, he made 46 stops and was listed among the top “true freshmen” in the country, according to The Sporting News.

Active in Fellowship of Christian Athletes, Mike is a business major at BGSU.

LARRY LAMBRIGHT
6-3       235       ILB       Barberton, Ohio

Larry is regarded as the best all-around linebacker on the team, and he is showing people why with his team-leading 96 tackles this season. Those are by far the most tackles he has had in any one season at BGSU.

He was named BG’s Defensive Player of the Week after the Akron game. He made eight solo tackles and assisted on five others in 53 plays against the Zips.

One of BG’s tri-captains, Larry has registered 10 or more tackles in all but the first game this season. Larry has five interceptions to his name, three of those coming his freshman season.

Strength is his real asset. He bench presses 430 pounds, most on the team. Larry is a physical education, coaching and health major at BGSU.

338 yards and passed for none, while BG totaled 349 yards, including 218 through the air. Kent's Greg Wagner rushed for 104 yards and two TDs. BG quarterback Steve Spray came on for the injured Eric Smith and sparked the Falcons with 151 yards passing and 10 yards rushing, including a five-yard run for a touchdown.

—BG—

BOWLING GREEN OFFENSE: The Falcons continue to move the ball mostly through the air heading into Week 9 of the 1989 season. BG leads the MAC in passing offense (2,416 yards per game), but the Falcons are eighth in the conference in rushing (78.4 YPG). Last week at Miami, BG passed for 231 yards and 396 yards per game), but the Falcons are eighth in the conference in rushing (78.4 YPG). Last week at Miami, BG passed for 231 yards and 396 yards per game, but the Falcons are eighth in the conference in rushing (78.4 YPG).

—BG—

KENT OFFENSE: Kent's passing problems stem from some in inside linebacker LARRY LAMBRIGHT paced BG with 11 tackles, including seven solos. Junior inside linebacker CHARLES DOTSON and senior safety MIKE HOLMES both registered 10 tackles, while senior tackle DERRICK CARR and freshman safety ARTIE MANGHAM were both in on nine stops. Cornerback MIKE HAACK, a true freshman, made eight tackles, recorded his first career interception and was named BG's Defensive Player of the Week.

—BG—

HEARD AND THORNTON MAKE MAC HISTORY: Senior flanker RONALD HEARD and senior split end REGGIE THORNTON became the first pass-catching tandem in MAC history to both reach the 2,000-yard mark in career pass receiving yards. Heard ranks fifth in the MAC with 2,204 yards receiving, while Thornton surpassed the 2,000-yard mark at Miami, now at 2,084 yards.

—BG—

HOCKMAN A THIRD PASS-CATCHING THREAT AT BGSU: With Reggie Thornton and Ronald Heard as teammates, it’s easy to get overlooked when you’re a tight end averaging 4.5 catches per game. But in his three years at BGSU, senior KYLE HOCKMAN has “quietly” reached a pair of pass-catching milestones…100 receptions and 1,000 yards. With three games to play, Hockman has now caught 102 passes for 1,103 yards.

Their names are familiar, because they have made an impact on football at all levels of the game — high school, college, and professional.

They belong to the Falcons’ Nest of Coaches, an organization created in 1984 for the purpose of promoting the proud tradition of Bowling Green Falcon football. Through the development of student and graduate-assistant programs at Bowling Green, most of these coaches got their start at this Mid-American Conference institution. They’ve studied and matured under the coaching philosophies of Warren Steller, Doyt Perry, Bob Gibson, Don Nehlen, Denny Stolz and Moe Ankney, to name a few. Today, they are making a name for themselves and for their respective football programs around the country. Though they may be miles apart, they share at least one thing in common. They are members of a fine football coaching fraternity at Bowling Green State University, the Falcons’ Nest of Coaches.

Falcons Fans,
Get The Home Team Advantage

For years, your Northwest Ohio Marathon dealer has been a part of your community. He is proud to call his business his own. Proud to be part of the community.

Today, many oil companies have foreign ownership, but Marathon is 100% American owned and operated. That’s important to your Marathon dealer because he knows you are the person he has to please . . . not someone overseas.

That’s the home team advantage you get with Marathon.
More than 50 former Falcons have been drafted by or played for a team in the National Football League, American Football League, World Football League, United States Football League or Canadian Football League.

Among them have been several players who have made significant contributions to their professional teams: players such as Bernie Casey ’61, a wide receiver with the Los Angeles Rams and San Francisco 49ers in the 1960s; Bob Reynolds ’63, an offensive tackle with the St. Louis Cardinals for more than a decade; Jamie Rivers ’67, a linebacker for three pro teams for nine years; Bob Schnelker ’51, an offensive end with the New York Giants; Phil Villapiano ’71, an all-pro linebacker with the Oakland Raiders and Buffalo Bills; Mike Weger ’67, a Detroit Lions defensive back; and Dave Preston ’77, an all-purpose back with the Denver Broncos.

Currently, several former Falcons dot the rosters of professional teams. They include All-Pro center Doug Smith ’78 with the Los Angeles Rams and defensive back Martin Bayless ’84 of the San Diego Chargers. A 10-year NFL veteran as a player, Bob Schnelker ’51 is in his 27th season of coaching in the NFL. He has been offensive coordinator for the Minnesota Vikings since 1986. Ron Blackledge ’60 is in his eighth year as offensive line coach for the Pittsburgh Steelers.

New to the NFL scene is Kyle Kramer, a fifth-round draft pick of the Cleveland Browns earlier this year.

Three former Falcons have been drafted as high as the second round — Bernie Casey by San Francisco (1961), Bob Reynolds by St. Louis (1963), and Phil Villapiano by Oakland (1971). Mark Miller was BG’s only third-round pick (by Cleveland, 1976). Martin Bayless was tabbed in the fourth round by St. Louis (1984). And like Kramer, Jamie Rivers was selected in the fifth round by St. Louis (1967).

BGSU Committed to Minority Enrollment

With the number of college-bound minority students declining throughout the country, a Bowling Green program is helping reverse those figures.

And, so far, the program is a 100 percent success. During the summer of 1988, 22 minority students comprised the initial class of the Pre-College Summer Program for Black and Hispanic High School Students. The goal was to better prepare the students for college by providing them special courses to enhance their academic backgrounds. "The results were beyond our expectations," says Jack Taylor, assistant vice-president for minority affairs. All 22 of the students, then high school juniors, are enrolled in a college or university this fall. Fourteen of them are Bowling Green students.

Last year's success attracted a higher number of participants this past summer. For six weeks in June and July, 49 Ohio high school juniors lived on campus, took courses and held part-time jobs. Instruction, much of it individualized, focused on English, mathematics, computer science and study skills. Also, the sciences were given special emphasis because "minorities are traditionally underrepresented in that area," says Dr. Dalila Kiple, who coordinated the program.

"It (the program) is a good way to introduce the students, many of whom have never been on a campus before, to university life and to develop confidence in their academic abilities," adds Taylor.

The program is part of Bowling Green's commitment to attract more minority students; a commitment that has produced an upward turn in minority enrollment the past few years. In fact, minority undergraduate enrollment has increased by 13.2 percent this fall over what it was in 1988-89. This increase follows a 15.2 percent rise from 1987 to 1988.

Of equal importance is the 84 percent retention rate for black and Hispanic freshmen enrolled last year, which is higher than the 81 percent recorded for the entire 1988 freshman class.

This fall's total of 894 minority students is 104 more than last year and is the second highest total in University history. Blacks account for the largest minority undergraduate contingent at Bowling Green this fall with 636, or four percent of the total enrollment. Hispanic numbers grew from 129 to this fall's record high of 140. Other minorities, primarily Asians, went from 96 to 118 undergrads.

While the overall minority numbers are up, this fall's enrollment of black and Hispanic freshmen is about the same as last year's record enrollment in both categories.

University President Paul J. Olscamp said, "While I had hoped to see continued gains in the black and Hispanic freshman representation, I am encouraged that we have 169 new black freshmen this fall when just three years ago there were only 77. There's been a significant gain among Hispanic freshman. For example, in 1985 there were only 15 freshmen Hispanic students enrolled at Bowling Green, compared with 39 in each of the past two years."

Olscamp, who personally visits high schools with high numbers of minorities to recruit students to Bowling Green, said the University will continue its efforts to increase minorities. "It hasn't been easy, given all the competition for high quality students, but I'm confident our efforts are paying off and that we will continue to improve in this absolutely vital educational objective."
Office of Admissions Holds Preview Day

If you see some new faces on campus today, they no doubt belong to visiting high school students, their parents and teachers, who are here participating in the Office of Admissions 14th Annual Preview Day Program.

Display booths featuring information on academic programs and student services and activities were viewed this morning in the Grand Ballroom. Campus tours were conducted throughout the morning and special open houses and demonstrations were offered by various departments. Over 200 faculty and staff members and 100 students lent a hand in making our visitors feel particularly welcome. The Office of Admissions hosts Preview Day each year in order to provide prospective students with an opportunity to view many segments of college life. This year, over 2,500 students, parents and teachers will participate in Preview Day activities, and a second Preview Day is scheduled for December 2.

Special recognition is given to Bowling Green State University Alumni Association, whose financial support helped make today’s program a success. For those students and parents who participated, we hope you found Preview Day to be a meaningful and enjoyable experience.

Preview Day attracts large crowds every year.

THE FALCON CLUB NEEDS YOU!

To All Falcon Fans:
You are the key to success for our Falcon teams! The BGSU Athletic Department depends on the Falcon Club to raise more than $248,000 in 1989. This money will help fund athletic grants-in-aid, assist in the recruiting of prospective student-athletes, and provide funding for athletic facilities budgets.

Members of the Falcon Club are alumni, parents, friends and fans who provide financial support, volunteer hours and advisory expertise to the BGSU athletic program and share in the many benefits the Falcon Club has to offer.

The Falcon Club has ambitious goals for 1989 and is eager to involve YOU in our activities. The need to support our program is at an all-time high. Your financial contribution and BGSU’s athletic program are a winning combination.

We are very proud that Bowling Green’s athletic program is recognized as one of the best in the country. All of our 19 teams are highly competitive and very representative. Falcon Club membership offers you the opportunity to support these teams. Falcon Club donations have greatly aided our program, and to continue that winning tradition throughout the 1989-90 campaign will require another supreme Falcon Club effort.

I look forward to having you join the Falcon Club in 1989!

Sincerely,

Charles F. Nagle
Associate Athletic Director

I am interested in learning more about the Falcon Club and its activities.

Bowling Green State University offers a range of educational opportunities expected in a large university, yet retains the personalized small-school atmosphere of its early years. When Bowling Green Normal School opened its doors in 1914, there were 15 faculty members and all 158 students were studying to be teachers. Today, the University has nearly 720 full-time and 200 part-time faculty and 17,800 students on its main campus. Degree programs are offered through the Colleges of Arts and Sciences, Business Administration, Education and Allied Professions, Health and Human Services, Musical Arts, Technology, and the Graduate College. Within the undergraduate colleges are Schools of Art, Mass Communication, Nursing, and Health, Physical Education and Recreation.

The University offers more than 170 undergraduate degree programs, 75 master's degree programs and has 14 departments granting doctoral degrees in 53 specialty areas.

In addition to courses on the main campus, the University's Firelands College campus, located in Huron, Ohio, offers 17 two-year associate degree programs, as well as courses which fulfill the first two years of a bachelor's degree requirement. Firelands College enrolls about 1,200 students.

Fully accredited at the highest state, regional and national levels, the University has chapters of most national academic honor societies, including Phi Beta Kappa and Phi Kappa Phi. Bowling Green is also a member of the National Association of State Universities and Land Grant Colleges.

The University's faculty members, 82 percent of whom hold the highest degree in their fields, include Fulbright Scholars, authors and nationally known researchers. The caliber of the faculty is reflected, too, in the number of academic programs which are regionally and nationally recognized, including the chemistry department which hosts an Ohio Eminent Scholar in Photochemical Sciences. The Ohio Eminent Scholar program was created by the Ohio Board of Regents to attract world class scholars to the state's universities.

Committed to teaching, faculty are scholars as well, generating new knowledge through independent research and involvement in University units such as the Population and Society Research Center, the Center for the Study of Popular Culture, and the Social Philosophy and Policy Center. Bowling Green is also the site of the National Drosophila Species Center and the Mid-America Stock Center—the largest scientific facilities of their kind in the world—where University faculty assist in supplying some 400 species of fruit flies to scientists involved in genetics and cancer research around the globe.

The University's students come from throughout the United States and nearly 60 foreign nations. While most students are between the ages of 18-22, the number of those older than 25 is increasing. During the spring term of the 1988-89 academic year, there were more than 2,700 "non-traditional" adult students enrolled in undergraduate and graduate degree programs on a full- or part-time basis.

The focal point of the 1,250-acre campus is the nine-story Jerome Library, with its collection of more than 4 million items, including 1.5 million books plus journals, periodicals, microforms, government documents and other materials. Special sections of the library include the Center for Archival Collections which houses materials relevant to northwest Ohio history and the Sound Recording Archives with 400,000 recordings. The Institute for Great Lakes Research, located in Perrysburg, contains an extensive collection of materials on the shipping industry's past and present.

The University is continually refurbishing its more than 100 existing buildings and upgrading facilities to meet current needs. An example is the recently completed $3.65 million addition to the Business Administration Building. A major renovation of Williams Hall, home of the history, sociology and political science departments, was completed in 1988. Upcoming renovation projects include Shatzel Hall and Overman Hall. Also, numerous computer facilities have been installed and upgraded throughout campus.

VISIT US AFTER THE GAME!
When Dr. Paul J. Olscamp became Bowling Green State University’s eighth president in 1982, he charted a course that would move Bowling Green into the ranks of the country’s most important national educational resources. The effort, he said, would be an unrelenting commitment to excellence in teaching, research and service at the University. Indeed, he adopted the slogan “An Environment for Excellence” to describe his hopes for Bowling Green.

Since then, everything the energetic Olscamp has done at Bowling Green has been aimed at fulfilling that vision. Early in his administration, Olscamp and the faculty outlined the task to be done in a 27-goal document called the Role and Mission Statement. Most of the goals centered on improving the quality of undergraduate and graduate programs, the learning environment and the faculty and its resources.

Now, as Olscamp begins his eighth year at Bowling Green, many of the Role and Mission Statement’s original goals have been met and Faculty Senate’s Committee on Academic Affairs has assigned new priorities including the recruitment of minority faculty and students and greater emphasis upon research production.

More than any other president in Bowling Green’s history, Olscamp has sought to fully involve the faculty in University governance. Faculty now have an important role in developing the annual budget and share authority with the president in interpreting the University’s Academic Charter. Before the change, only the president had that power. The faculty also have greater control over the curriculum and development of new academic programs.

Olscamp brings a personal touch to the presidency and frequently hosts students for breakfast at his home, eats with them in campus dining halls and attends as many student events as his schedule permits. In the past five years he has hosted more than 575 faculty at a series of “fireside talks” at the president’s home. During the academic year he holds weekly forums for students wanting to discuss campus issues.

Highlighting The Olscamp Administration

A great deal has happened at Bowling Green since Dr. Olscamp arrived on campus eight years ago. With the support of the Board of Trustees and the assistance of dedicated faculty and staff, there have been many important accomplishments. Some of those include:

Academic Programs
- Creation of Bowling Green’s first endowed professorships, in management, finance, chemistry and philosophy.
- Development of the Center for Photochemical Sciences, the only one of its kind in the country. Photochemistry is a multi-billion dollar growth industry and some key research for that industry is being conducted at Bowling Green.
- Winning Ohio Eminent Scholar positions in photochemical sciences and applied philosophy.
- Addition of doctoral programs in applied philosophy and photochemical sciences; the 13th and 14th Ph.D. offerings at Bowling Green.
- Increasing to 53 the number of National Merit scholars enrolled, the most ever in University history and a figure that will place Bowling Green in the top 25 percent in the country.
- Establishing the University’s first major scholarships for minority students.
- A network of more than 20 microcomputer labs throughout the campus, including labs in each residence hall, as part of an effort for all students to have a background in computer usage by the time they graduate.
- Securing more than $4.4 million from the Ohio Board of Regents’ Selective Excellence Programs, which are designed to attract the world’s top scholars to Ohio, conduct pioneering research and develop centers of excellence on the state’s campuses. Eminent Scholars have been awarded in both the sciences and the humanities, which reflect a remarkable breadth of scholarship.
- Increasing library holdings to more than 4 million items, including 1.6 million books, plus journals, periodicals, microforms, government documents and other materials.

Physical Plant
- Nearly $66 million in state capital improvement funds for renovation and new construction projects.
- Completion of $7.2 million Physical Sciences Laboratory Building in 1984.
- A $3.65 million addition to the Business Administration Building completed in 1988.
- A $9.1 million addition to the Fine Arts Building scheduled to get underway in the next 18 months.
- Major renovation and refurbishing of existing campus buildings including Williams, Overman, Hayes and Shatzel halls. Construction of a $2 million office building to house faculty and staff temporarily displaced by renovation projects and later to be used for permanent offices.

University Finances
- Growth in the University endowment from $1.9 million in 1982 to more than $20 million by the end of 1989.
- Creation of an internal endowment fund of $4 million from various University reserves. The balance is approaching $8 million and is expected to reach $10 million in three years. Interest on the $10 million principle will be used to supplement the academic budget.
- Developing a plan that restructures debt service obligations and is projected to result in a $35 million principle in 11 years. Interest on that amount, which could approach $3 million annually, will go toward the academic budget.
- Most successful fund raising drive in University history. With the assistance of the development and alumni office, the 75th Anniversary Fund raised more than $15 million in three years; well above the $12.5 million goal. Donations included the University’s first two $1 million gifts—from the Stranahan Foundation of Toledo for the Social Philosophy and Policy Center and from Harold and Helen McMaster of Perrysburg for the McMaster Leadership Institute. In 1988 the Stranahan Foundation awarded a $3 million grant to the Social Philosophy and Policy Center.

...1988, 1989 NCAA All-American

When, in the year 2000, historians look back upon 85 years of intercollegiate athletics at Bowling Green State University, they'll stop and take a second look at the 1980s. Bowling Green sports teams of the 80s have achieved a level of success matched by few.

In all, Bowling Green teams have won 23 conference titles the last nine years, 18 in the Mid-American Conference and five in the Central Collegiate Hockey Association. Eighteen teams have gone on to post-season play in the NCAA, NIT and California Bowl.

Each of the 19 sports at Bowling Green has enjoyed success in the 1980s. Here is a brief look at the “Winning Tradition” of the Bowling Green Falcons...

BASEBALL — Coach Ed Platzer’s Falcons tied the best start in the 72-year history of the sport by beginning the 1989 season with a 14-2 record that included a shutout win over NCAA tournament participant Michigan. BGU can boast about one of the finest college baseball facilities in the region, Steller Field. The Falcons are also a MAC leader in producing future professional players. Roger McDowell helped pitch the New York Mets to the World Series Championship in 1986, while Orel Hershiser did the same in 1988 with the Los Angeles Dodgers.

MEN’S BASKETBALL — Coach Jim Larranaga has built a solid foundation that should produce a Mid-American Conference championship contender in 1989-90. Strong recruiting classes the last three years and an exciting up-tempo brand of basketball have made venerable Anderson Arena once again “The House That Roars.” Historically, BGSU leads the MAC in post-season appearances and victories.

WOMEN’S BASKETBALL — Coach Fran Voll, the two-time Mid-American Conference Coach of the Year, has led the Falcons to three-straight MAC Championships and NCAA Tournament appearances.

Soaring Falcons!
Bowling Green Is A 1980s Success Story

BG has ruled the MAC with a 46-2 league record the last three years. A MAC record crowd of 4,100 flocked to Anderson Arena for BG’s NCAA Tournament victory over Cincinnati last March. With two starters returning, including two-time All-MAC center Angie Bonner, Voll’s Falcons figure to remain a MAC power in 1989-90.

CROSS COUNTRY — Highly-respected Sid Sink, who ran his way into the national limelight as an athlete at Bowling Green in the 1970s, has maintained that winning tradition as head men’s and women’s cross country coach in the 1980s. Sink was a 10-time All-American at BGU as an athlete. Now as a coach, he has guided the Falcon women to four Mid-American Conference CC titles in nine years. His 1989 men’s and women’s teams both are likely contenders for MAC honors.

FOOTBALL — Bowling Green has the second-best record in the Mid-American Conference this decade, as the Falcons have finished either first or second in the league standings six of the last seven years. The Falcons have won two MAC titles and made two trips to the California Bowl since 1980. BG also holds the MAC single-game attendance record of 33,527 at Doyt Perry Field. Coach Moe Ankney’s 1989 squad features two-time All-MAC receiver Reggie Thornton and 16 other returning starters.

GOLF — Coach Greg Nye’s men’s and women’s golf teams play on some of the most challenging courses in the country against some of the top teams in the nation. The BGSU men regularly travel to Florida and the Carolinas for their annual spring tune-up. The Falcons have won four Mid-American Conference Championships and made four NCAA Tournament appearances in the last 19 years. The Falcon women annually compete with the very best teams in the Midwest.

GYMNASTICS — Year in and year out, Coach Charles Simpson fields a MAC title contender and the 1988-89 season was no different. BGU set a new standard with a 180.5 team score during the season, the first time in the history of the program BGU has bettered 180 points, while continuing to be a threat for league honors. The Falcons have qualified as a team for post-season competition four of the last six years.

HOCKEY — One of the most consistent programs over the last few years has been the hockey program. Under head coach Jerry York, BGU has become a most attractive place for a hockey player to continue his pursuits. Among the many accomplishments has been a national championship, the University’s first, in 1984, berths in three straight national tournaments, eight straight trips to Joe Louis Arena for the CCHA Finals and four regular-season league titles. In all, the Falcons have won seven conference titles and appeared in eight NCAA tournaments.

SOCcer — Coach Gary Palmisano’s Falcons have posted a winning record in all but two seasons during the 1980s.
(Continued from page 52)

The Falcon booters also captured the 1988 Kwik Goal/BGSU Soccer Cup for the third-straight year. BG players have earned All-America honors seven times, the most recent being Jon Felton, while Kyle Royer became the first boater to earn Academic All-American honors following the 1988 season.

SOFTBALL — Head Coach Jacqui Joseph begins her second year with the Falcons, after making an impressive debut last spring. Coaching a young and inexperienced squad, Joseph proved to be a patient and able leader, molding her players into a very competitive unit in the Mid-American Conference. The outlook for the 1990 season is bright, with the return of all but one starter from the ‘89 team.

SWIMMING — Coach Brian Gordon, MAC Co-Coach of the Year in 1988, has continued a rich swimming tradition as he approaches his third season of coaching both the men’s and women’s teams in 1989-90. The Falcon women have made winning a habit in the 80s. It began with the MAC Championship in 1980-81 and has continued with no worse than third-place finishes in successive years. This winter, the men will host the MAC Championship at beautiful Cooper Pool, one of the Midwest’s top swimming and diving facilities.

TENNIS — Robert Keefe Courts have been the site of many top MAC tennis matches in the 1980s including the men’s 1989 conference tournament. The men’s team, guided by new coach Gene Orlando, improved two spots in the conference tournament and had a seven-match winning streak, the longest since 1979, during the 1989 campaign. The women’s tennis program, under the tutelage of second-year Coach Sheila Chiricosta, has also begun to prosper posting its first winning record since 1983.

TRACK & FIELD — Bowling Green, long associated with success in track and field, was once again represented at the NCAA Track and Field Championships in 1989. Beth Manson repeated as an All-American in the discus, making Mid-American Conference history as the league’s first two-time All-American in women’s track. The Falcon women have posted two consecutive top-three finishes in the MAC. Coaches Sid Sink and Tom Wright guided BG’s men to within 22 points of third place last spring.

VOLLEYBALL — Coach Denise Van De Walle’s Falcon volleyball team has earned a spot as one of the top programs in the MAC. Bowling Green has steadily improved its standing in the league under Van De Walle including a runner-up finish in 1987 that earned the Falcon coach MAC Co-Coach of the Year honors. BGSU is looking for more of the same to close out the 80s as they return eight letter winners who concluded the 1988 season with wins in eight straight matches.

REALTY INC.
Bowling Green State University has enjoyed tremendous intercollegiate athletic success in the 1980s.

In the last 10 years, Falcon teams have won a national championship and 23 conference titles.

This glowing track record has resulted from an effective administration, a hard-working staff, good coaching, fine facilities, and, of course, outstanding performances on the fields, courts and ice.

A growing athletic endowment program is another reason. Athletic endowments will play a leading role in guaranteeing successful Falcon teams down the road.

The Charles E. Perry Society provides a significant and everlasting avenue of support to Falcon athletics.

The society was established in 1983 for the purposes of funding athletic scholarships through private contributions to the athletic endowment fund.

The society is named after its founder, Charles E. Perry, a 1959 graduate with honors (and two degrees) from Bowling Green State University and a former place-kicker on the Falcon football team.

Perry currently the president and CEO of The Friedkin Companies in Houston, Texas, was one of the principal founders of the Falcon Club and is the organizer and sponsor of an annual fund-raising event for the BGSU athletic endowment fund. This fund-raiser is called the Perry Society Golf Outing, and has been held the past seven years at the Muirfield Village Golf Club and, most recently, The Golf Club, in New Albany, Ohio.

In just seven years, the Perry Society has contributed approximately $100,000 raised through the golf outing to the athletic endowment fund. Perry Society members contribute $1,250 per year for the privilege of playing in the golf outing, with every dollar donated going directly to the athletic endowment fund. When a player contributes a total of $5,000, an endowed scholarship is established in the player’s name within the Perry Society.

There were six charter members in the Charles E. Perry Society: Ashel Bryan, chairman of Mid-Am Bank, Bowling Green; Jim Dimling, retired vice-president for corporate administration at the Marathon Oil Company; Robert Ludwig, chairman of the board for L-K Motels, Inc; Thomas Orchard, vice president for investments at Paine-Webber; Michael Wilcox, president of Wilcox Financial Group; and Robert Bagno, owner of Pastiffma Pasta Shop.

Since 1983, there have been 10 additional members: Kermit Stroh, president of Moulton Gas Service, Inc; William Primrose, Jr., president of The Dickey-Grabler Company; Pat McGohan of McGohan & Associates; Thomas Noe, president of Numismatic Investments of Ohio, Inc; William Lloyd, retired secretary-treasurer of the Winzeler Stamping Company; Gerald Harms, retired president of Harms Electric Company; Peter Halleck, Attorney at Law; Jim King, president of Buckenmeyer & King CPA's; John (Jack) Laskey, president and chairman of The Port Lawrence Title & Trust Company; and Ed Ferkany, vice president for sales at Worthington Industries.

While it remains an exclusive organization, the Charles E. Perry Society should continue to grow in the coming years, according to BGSU Athletic Director Jack Gregory.

“The private dollars are so critical to the success of Falcon athletics in the future,” said Gregory. “The Perry Society supports our intercollegiate athletic program today, but the real benefit will be realized five, 10 years down the line. The University will benefit, our athletic teams will benefit, and most importantly our student-athletes will benefit.”

Gregory added that the interest generated from each $5,000 endowment in the Perry Society fund will be used to reduce the debt on the BGSU Athletic Fitness Center.

Before becoming president and CEO of The Friedkin Companies, Perry was chairman and CEO of Worldvest, Inc. Prior to that, Perry had been vice chairman, CEO and partner with golfing great Jack Nicklaus in the Golden Bear/Nicklaus Organization. Perry was instrumental in helping develop the organization into a substantial private business enterprise.

Perry’s previous jobs have included senior officer for The Charter Company, founding president of Florida International University, and several positions at BGSU. He served as admissions counselor, director of admissions, director of development and assistant to the president.

Perry has been honored on numerous occasions, including being named one of the Ten Outstanding Young Men in America by the U.S. Jaycees in 1971. Four years later in 1975, he was granted the Distinguished Alumnus Award from Bowling Green State University.

Charles and his wife, Betty, have one son, Tom, and a daughter, Lynn.
Since his appointment eight years ago as athletic director, John C. (Jack) Gregory has set a standard of excellence designed to place Bowling Green State University on equal terms with today's elite intercollegiate athletic programs.

In his first seven years at Bowling Green, Gregory has challenged his staff of administrators, coaches and classified workers to settle for nothing less than the very best. His challenge has resulted in some of the finest moments in the history of intercollegiate athletics at BGSU — moments such as:

• the 1984 NCAA Division I Ice Hockey Championship;
• 12 Mid-American Conference regular season championships in football, men's and women's basketball, softball, women's cross country, gymnastics, and men's golf;
• two California Bowl appearances;
• three MAC post-season tournament championships;
• three Central Collegiate Hockey Association regular season championships;
• one CCHA post-season tournament championship;
• 11 NCAA Tournament appearances in hockey, basketball, softball and gymnastics, including a MAC record five appearances in the last two years and seven in the last three years;
• three home NCAA events the last two years in hockey, softball and women's basketball, the most ever for a MAC member over a two year period;
• and the 1987-88 Jacoby Trophy, awarded annually to the MAC school with the best overall record in women’s sports.

Gregory came to Bowling Green during one of the most difficult periods in the school's 72 years of intercollegiate athletics, a time when BGSU and the MAC were fighting for NCAA Division 1-A status in football. Behind Gregory's leadership, the football program attained 1-A status.

During Gregory's tenure here, BGSU has proven to be a marketing and promotions leader. Record crowds have attended Falcon football, hockey and women's basketball games. Crowds have swelled, too, in sports like soccer, volleyball, gymnastics and softball. In 1983, 33,527 fans packed Doyt L. Perry Field to witness the annual college football classic between Bowling Green and Toledo. BGSU and MAC single game attendance marks fell that afternoon. Two years later, the Falcons drew a record 112,110 fans for five home games, giving BGSU the second-largest average attendance (22,422) in MAC history. In 1987, Bowling Green set still another MAC attendance record by playing in front of 84,574 fans at Penn State.

Sell-out crowds for BGSU hockey games are also a tradition, making game tickets the hottest item in town each winter. This year, the BGSU Ice Arena will attract even larger crowds; an additional 1,700 seats have been added to the north end of the arena.

With the growing interest in TV sports programming, Gregory has aggressively negotiated for live television coverage of BGSU sports events. Last year, Falcon football, basketball and hockey all attracted live TV coverage. The 1989-90 year promises many of the same. Falcon football and basketball will be seen again around the country as part of the MAC Game of the Week on Master Video Productions, while Falcon hockey will continue to play in front of a national TV audience as part of the CCHA Game of the Week on Pro-Am Sports.

Gregory, 61, has also been instrumental in the record-breaking development of the Falcon Club, the University's official athletic department booster club. Recent membership drives have encompassed the Toledo, Cleveland and west central Ohio areas, resulting in unparalleled growth in cash and pledges. The Falcon Club has more than doubled its income and grown to such an extent that it compares favorably with any athletic support organization in the country.

Still, Gregory understands the integrity of collegiate athletics depends on the continued emphasis of the “student” in student-athlete. In that regard, he appointed a director for academic and regulatory affairs in 1984, the first such appointment in the MAC. Today's student-athlete is offered every opportunity for a fulfilling educational experience at BGSU. Many student-athletes have earned academic honors, such as the 134 BGSU scholar-athletes with grade point averages of 3.0 or better in 1988-89. In just the last three years, 11 BGSU scholar-athletes have been named Academic All-Americans, an uncommon distinction among MAC schools.

A 1952 graduate of East Stroudsburg State College, and holder of a master's degree from Temple University, Gregory came to Bowling Green from Yale, where he served for four years as associate athletic director.

Gregory began his professional career in 1952 as a teacher and coach at William Penn High School in New Castle, Delaware, and later at P.S. Dupont High School in Wilmington, Delaware. In 1959, he returned to East Stroudsburg as head football coach and assistant professor of physical education. One of the most successful coaches in the school's history, Gregory was inducted into the East Stroudsburg Athletic Hall of Fame in October, 1983.

Gregory was named assistant football coach at the U.S. Naval Academy, and, in 1967, he was named head football coach at Villanova University. In 1969, he moved to the University of Rhode Island, where he served as head football coach for seven years. In his 25 years on the high school level and at East Stroudsburg, Villanova and Rhode Island, Gregory's teams compiled a record of 192-69, including four undefeated seasons and seven league championships. He was twice selected as NAIA Coach of the Year, twice selected as Pennsylvania Coach of the Year and was named NCAA District Coach of the Year.

Gregory was lured away from coaching in 1976 by the Green Bay Packers of the National Football League and served in the personnel department for three years before moving to Yale.

Jack and his wife, Peg, reside in Bowling Green and are the parents of two sons and one granddaughter.
Today's Halftime Show

1989 FALCON MARCHING BAND

WELCOME MOM & DAD! It's Parents' Day at BGSU and the Falcon Marching Band wants to get in on the act by warmly welcoming the parents of all BGSU students. We know that there are many parents of the band members in the stands today, and we want to let ALL of you know "We're glad you're here!"

Today marks the end of the home football schedule, and consequently, the last outside performance for the 1989 season of the Falcon Marching Band. We don't want to leave Doyt L. Perry Field today without recognizing the individual classes represented within the band and especially, our seniors. We're very proud of the contribution that each has made to this organization, and very simply stated, "We can't do it without them!" We wish each of our graduating members the BEST in life and in their future endeavors!

Today's halftime presentation represents the BEST in jazz literature that we can bring to you! Beginning, first, with Duke Ellington's "Caravan," the Falcon Marching Band will swing and drive to the second selection, Count Basie's "Beau Brummell!" We welcome the Pommerettes, again, to the field to high-step and kick to this selection. From hard-driving swing to the lush jazz ballad, we perform for you our rendition of Stan Kenton's "Here's That Rainy Day." And to close, is there a more definitive swing tune than Louie Prima's (immortalized by Benny Goodman & Gene Krupa) "Sing, Sing, Sing!"

Just a reminder! The Falcon Marching Band will present its annual Marching Band Concert on Sunday, November 12 at 3 p.m. in the Bowling Green High School Gymnasium. We cordially invite you to share, celebrate, and re-create the highlights of the 1989 Falcon Marching Band season. Bring a friend... or, A CROWD! It promises to be an exciting time!

NCAA Notes

Q: Who is an "athletic representative?"
A: ■ One who has made financial contributions to the athletic department (i.e., Falcon Club members).
■ One who has been asked by the athletic department, in the past, to assist in recruiting student-athletes.
■ One who has assisted or is assisting in providing benefits, such as providing job opportunities, to enrolled student-athletes.
■ One who is or has been involved in promoting the institution's intercollegiate athletics program (Varsity BG Club, etc.).

Q: Once an individual has been identified as an "athletic representative," how long does he/she retain this identity?
A: Forever.

Q: Is Bowling Green State University responsible for the acts of athletic representatives and booster support groups?
A: Yes. Athletic representatives are governed by the same NCAA and University rules and regulations as those placed upon all institutional athletic staff members.

NCAA Stands Firm On Athletic Representatives

Dictionary-makers agree on the definition of representative. However, of late, the word has been interpreted differently at many colleges and universities across the United States.

To ensure that confusion does not reign, especially in the matter of recruiting prospective student-athletes, the National Collegiate Athletic Association has set hard-and-fast rules for: 1. Who athletic representatives are, and, 2. What they can and cannot do.

In 1987, the NCAA banned athletic representatives (see box to left) from any involvement in the recruiting of prospective student-athletes. That involvement includes on- or off-campus contacts by 1. personal visit, 2. correspondence, or 3. telephone calls.

Bluntly, the answer to all questions regarding the involvement of athletic representatives in the recruiting process is an unequivocal "NO."

The new legislation does not prohibit "unavoidable incidental" contacts with prospects, their parents or friends. The contact would be "legal" provided that: 1. it is not pre-arranged by the representative or a member of the athletic department, 2. it is not made for the purpose of recruitment, and, 3. it is in the course of "normal civility."

Bowling Green Intercollegiate Athletics urges all athletic representatives to comply with all NCAA regulations. If questions arise, please call the Bowling Green State University Athletic Department at (419) 372-2401.

Retired Jersey

The only football jersey ever retired at Bowling Green is #29. It was worn by Paul Miles from 1971-73, when he rushed for 3,239 yards and 25 touchdowns. He was a three-time All-Mid-American Conference running back, gaining more than 1,000 yards in each of his three years on the varsity.

Why The Falcons?

The 1989 season marks the 62nd anniversary of Bowling Green's nickname, Falcons. Before 1927, BG teams were called the Normals or Teachers. Ivan Lake '23 suggested the nickname, Falcons, after reading an article on falconry. Lake, managing editor and sports editor of the BG Sentinel-Tribune at the time, proposed the name change because it fit headline space and because falcons were “the most powerful bird for their size and often attacked birds two or three times their size.”

Why Orange and Brown?

Burnt Orange and Seal Brown have been the school colors at Bowling Green State University since 1914, the first year of classes. Legend has it that Leon Winslow, an industrial arts faculty member, got the idea from watching a woman's hat on a bus trip to nearby Toledo, OH. He liked the brown and orange color combination. So, too, did former Cleveland Browns' Head Coach Paul Brown. Following a trip to the BGSU campus in the 1940s, Brown borrowed the colors for his All-America Football Conference teams. The Falcons and Browns still share their colors today.

Frieda & Freddie Falcon

Frieda Falcon and Freddie Falcon are the official mascots of the Bowling Green Falcons. Together with the BGSU Cheerleaders, Frieda and Freddie boost spirit at intercollegiate athletic events. Tryouts are held each spring, and the winners remain anonymous to the student body until each is beheaded at the last home hockey and basketball games.

The Varsity BG Club is an exclusive organization open only to former Bowling Green State University varsity letterwinners, who, for a non-tax deductible contribution of $10 per year, can help operate the club and support BGSU athletics at the same time. Almost 500 former Falcon letterwinners were Varsity BG Club members last year. Again this year, the Varsity BC Club is offering a lifetime membership for $100; no other dues will ever be required. Lifetime memberships for those 65 and older are only $50.

The Varsity BG Club undertakes three major projects each year, the first of which is the spring Recognition Reception honoring the College Coach of the Year, the High School Coach of the Year, and the Special Recognition Award Winner. Then in July we will enjoy another Doyt Perry Golf Outing at the BGSU Forrest Creason Golf Course. Each fall, the annual Varsity BG Day festivities take place in conjunction with a Bowling Green football game. It’s a great day to return to campus and visit with former classmates and teammates.

We are looking forward to another big year for the Varsity BG Club and Falcon athletics, and all we need from you is your participation.

**Membership Benefits**

All active members of the Varsity BG Club will receive:

- Membership in an exclusive organization open only to BGSU varsity letterwinners.
- A list of special activities and programs, such as the ones described above.
- Subscription to the quarterly newsletter.

Doyt L. Perry Field, with its 30,000-plus seating capacity, is celebrating its 23rd year as the home of Bowling Green State University football.

Built in 1966 for approximately $3 million as a replacement for the 43-year-old University Stadium, Perry Field had a capacity of 23,272 until bleacher seats were installed in both end zones in 1982.

One of the largest and most attractive athletic facilities in the Mid-American Conference, Perry Field holds the conference record for single-game attendance.

On October 8, 1983, a huge crowd of 33,527 packed into Perry Field for the annual Northwest Ohio rivalry between Bowling Green and Toledo, establishing a school and MAC record for single-game attendance. The Falcons went on to set a season record, breaking the six-digit figure for five games with a total draw of 100,021. It marked the first time in history that Bowling Green averaged more than 20,000 fans for five home football games.

That figure was topped in 1985, when Bowling Green posted a perfect record (11-0) in the regular season and clinched the MAC Championship by shutting out arch-rival Toledo at Perry Field in November. More than 28,000 fans turned out that day, raising Bowling Green’s season attendance to an all-time high 112,100, an average of 22,400.

Perry Field is more than just a football facility. The east side of the stadium includes dressing rooms, equipment and training rooms, along with the Athletic Department offices. The west side received a face-lift two years ago. A physical fitness center/weight room opened its doors for all 19 intercollegiate athletic teams in the summer of 1988.

Also situated on the west side of Perry Field are the Falcon Club offices and clubhouse, the academic affairs office, the track and cross country offices, as well as maintenance and storage areas.

Sitting atop the press box on the west side of the stadium is the plush Stadium Club. Now in its 10th year of operation, the Stadium Club’s 106 theater-type seats, which are all sold, provide loyal BGSU fans with a fine view of the game. The President’s Box, located on top of the east side of the stadium, provides luxury seating for President Paul J. Olscamp and other supporters of Falcon football.

Bowling Green won the first game ever played in Perry Field, defeating Dayton, 13-0, on October 1, 1966. Since that time, the Falcons have won almost 65 percent of their home games, compiling a 72-39-3 record in the 114 games played at Perry.
Doyt L. Perry Field celebrates its 23rd anniversary as the home of Falcon football this season. Widely-regarded as the finest facility in the Mid-American Conference in which to watch football, Perry Field seats 30,599.

Authorized personnel ONLY are allowed on the field before, during or after the game. Your adherence to this policy is appreciated.

Banners and signs may be displayed at Perry Field ONLY with prior permission from Ken Kavanagh, assistant athletic director. Kavanagh can be reached during weekday working hours at 372-2401.

Emergency medical aid is available from the ambulance crew in the northeast corner of the stadium. Services are provided courtesy of the Wood County Disaster Services Agency.

Field headquarters for stadium game operations are located on the ground level of the east side of Perry Field. The telephone number is 372-2401.

First aid is located on the east side of the stadium next to the equipment room. It is easily marked for emergency situations. Trained medical personnel are in attendance at all Bowling Green State University football games.

Lost and Found is located at field headquarters (see above) during the game or at the Perry Field office of Ken Kavanagh, assistant athletic director, after the game. Kavanagh can be reached during weekday working hours at 372-2401.

Rest Rooms are located on both the east and west sides of the stadium and can be found between ramps 2 and 4, 6 and 8, 1 and 3 and 5 and 7.

Telephones are situated at frequent intervals on ground level on both the east and west sides of Perry Field.

Your cooperation is requested in observing the rules and traditions of this University and of the state law that makes it illegal to bring or consume alcoholic beverages of any kind at an athletic event or to possess an open container of alcohol.

Makers of the Dirt Devil.

Dirt Devil
by Royal
Last season, he appeared in six games, made three tackles and earned his first letter. Calvin registered two solo tackles at Texas Christian. As a sophomore in 1987, he was credited with solo tackles against Ball State and Central Michigan.

Calvin is a construction technology major at BGSU. A product of Detroit Chadsey High School, he recorded 75 solo tackles and 30 quarterback sacks as a senior.

RICK YOUNG
6-3 270 OL Upper Sandusky, Ohio

Rick may be completing his short two-year stay at BGSU, after transferring from the College of DuPage in 1988. He was a second-team JuCo All-American on the offensive line.

Last year, he lettered for the Falcons as an offensive tackle behind Harold Arrowsmith. This year, a knee injury has kept him on the sidelines in recent weeks. Coach Ankney believes that Rick may be eligible to return for another season because of the NCAA medical hardship rule. However, Rick’s status for the 1990 season is unclear as of today. When healthy, he has been both a starter and reserve left guard.

At Upper Sandusky High School, Rick was an all-state performer in football, wrestling and track.

Rick is a physical education, coaching and health major at BGSU.

SHAWN ZIMMERMAN
6-3 255 OL North Canton, Ohio

Shawn has persevered over the last three years and finally earned a starting spot at offensive guard for the Falcons.

During his collegiate career, Shawn has played linebacker, nose guard and even a little fullback. As a freshman, he lettered while playing linebacker behind All-MAC standout Joe Foley.

This year, Shawn added 40 pounds to his bench press, and with that added strength, came better results on the field. He has been a starter at left guard for five of BG’s eight games this season, sitting out the other three games with an ankle injury.

Shawn graduated with a degree in political science earlier this year.
