CLEVELAND STUDENTS ORGANIZE NEW CLUB

During Christmas vacation, the present and alumni students of Bowling Green State college, who live in greater Cleveland, organized a club to be known as the Bowling Green College Club. The purpose of the club is to promote a closer bond between the individual and his college, and to renew and form friendships with other present and alumni students of the college, who live in greater Cleveland.

The first meeting was in the form of a luncheon at the Spanish Room of the May Co. in Cleveland. At this time the following officers were elected: Juncrose Bader, president; Carolyn Carman, vice president; Mrs. Cecil Brown, alumni, secretary-treasurer.

All present and former men and women Bowling Green students of greater Cleveland are cordially invited to join the club. Names and addresses of interested people may be sent to the officers.

The next meeting will be a luncheon during the spring vacation.

Mr. Franklin Moss, class of '32, of West Unity, Ohio, now a Junior high school teacher, was our guest at the first meeting.

Delegates From Bee Gee "Y" Attend Tri-State Conference

Y. M. C. A. delegates from 23 colleges and universities of Indiana, Michigan, and Ohio met in Fort Wayne, Indiana, this last week end to bring together for discussion the problems concerning voluntary Christian efforts on the respective campuses.

The delegates from the Bee Gee State College Y. M. C. A. were Fred Whitman, Lawrence Ringenberg, Franklin Belding, Harley Barnette, and Prof. L. E. Fauley, sponsor.

The program of the conference included talks by T. W. Graham, dean of Oberlin college; Dr. Frank D. Slutz, Dayton, O., industrialist; and A. R. Elliot of New York city; besides discussion forums in which experiences on individual campuses were shared and discussed.

This first attempt to hold a tri-state college and university Y. M. C. A. conference was very successful. It has planned to continue to share in building a New Student Christian Movement for our present-day needs.

Y.W.C.A. ENTERTAINED BY FRESHMAN GROUP

The Freshmen members of the Y. W. C. A. led by Mary Gray conducted the New Year's program for the meeting of Jan. 10. Violet Peoples presented a number of beatitudes to serve as guides to the members for the year. Annabelle Lee entertained with a piano solo. Mary Gray read a selection on the passing of the old year and the coming of the new. The program for the next meeting on Jan. 24 will be a discussion of world peace.

---

Delhis Sponsor

Prosperity Dance

Saturday night, Jan. 12, the Delhi Fraternity broke tradition and instead of the usual Depression dance sponsored an all-college Prosperity dance. Dim lights, very delicious punch, and colorful balloons all made the evening enjoyable. The event of the evening was the distribution of money, one bill of which was marked and entitled the finder to a real dollar from the Delhis. Music for the successful evening was furnished by Lee's Ambassadors.

DR. BOURNE GIVES WORLD PEACE TALK

Last Thursday evening Dr. Bourne spoke at the regular Y. M. C. A. meeting on the possibilities of world peace. A logical, common-sense analysis of the problem of securing international confidence was presented.

Dr. Bourne emphasized the fact that peace cannot come with preparedness, but there must originate and develop in each individual the sincere desire for world peace. As long as people, and the nations they make up, do not comprehend the intrinsic causes of war it will be impossible for peace to be assured.

B. G. Girl Debaters "Take" Kent Tournament

Kent State College was host to representatives of five institutions at a debate tournament for women, Jan. 11 and 12. Schools taking part were Heidelberg, Toledo, Manchester, Ind., Kent and Bowling Green.

There were four rounds of debate, each debate judged and criticized by a coach of debate. B. G. girls won 6, tied one and lost 2, thus "stealing the show".

Kent arranged a dinner, furnished rooms for the girls of each college, and served a delicious breakfast to students, coaches and chaperones. They also issued cards for the all-campus party on Friday evening. Scholastically and socially, the tournament was a decided success.

---

DEBATE PROGRAM

Jan. 23 our friends from Teachers College, Cape Girardeau, will visit our campus for one or two debates. Professor Rose is bringing a woman's team.

Jan. 24, a split-team debate will be held at the American Legion hall, Bowling Green. Bowling Green and Baldwin-Wallace will furnish the speakers.

---

Commerce Corner

Its last business meeting and regular program of this semester was held by the Quill-Type on Jan. 9, in the Practical Arts building. Those on the program and their numbers were:

Mr. Shafer—"Current Events".
Miss Binert—Paper on the "Shakespearean Stage".
Mr. Tubbone—Talk on the "New Deal".
It was decided that the next meeting would be a social one, and further information on it will be given next week.

Norris the Valiant

No one who knows anything of the career of Senator George Norris can help but admire this gray-haired statesman from the Nebraska prairies. His name has been connected with every piece of liberal legislation in Congress for the last quarter of a century.

It was Senator Norris who pushed a Muscle Shoals bill through Congress seven times before his dream was realized in the TVA of the New Deal. It was this progressive Nebraskan who brought about the abolition of the "Lame Duck" sessions of Congress by the Twentieth Amendment. Some time ago, Senator Norris explained the results of his latest victory.

Nebraska, last Nov. 6, amended her constitution to provide for an unicameral legislature elected on a non-partisan ballot. He listed the benefits, benefits which our own State Government classes have worked out often. We hope that Ohio will some day adopt this far-sighted reform.

Senator Norris has already laid plans for his next battle—the abolition of the electoral college, which has cut-limed its usefulness. There are few men today who have given so much in public service. We only wish that men of his stature could be gilded with immortality. But as it is, there are many years ahead for Norris the statesmen, the liberal. We hope that his battles of the future will be as successful as those of the past, and that some day he will receive his just reward.

We Beg to Remark

Fifteen days to Exams! About time to start hitting the line hard.

"Ignorance is Bliss"; if you know how little you know.

Orchid Epidemic

Few have noticed that a great epidemic of Orchid Fever is raging on this very campus. The symptoms are a great desire to slang orchids, verbally or otherwise, and a deceptive and powerful sensation of brotherly love. Look yourself over, and if you seem to be coming down with it, con-...
HOME ECONOMICS CLUB

The Home Economics Club held its monthly meeting last Wednesday evening in the studio of the Practical Arts building.

There were approximately sixty present at this meeting, the speaker for which was Miss Marjorie Muggy from Radcliffs in Toledo. Miss Muggy is an interior decorator and she spoke regarding this profession as a possible one for women with Home Economics training.

It is the purpose of the club this year to bring to our meetings speakers representing the many fields open to Home Economics graduates other than the teaching field. Mrs. Wagner, Home Demonstration Agent, spoke at the meeting in December. In times such as these in which specialization is being stressed, this type of program offers many suggestions to those interested in professions for women.

Shatzel Hall Notes

Surprise! About four-fifths of Shatzel girls stayed the past week-end. It certainly was nice to see the dorm so lively over week-end. We might suggest that there be more basketball games and dances to hold the girls here.

Shatzel was proud to have one of its girls play in the college band Friday night at the basketball game. Good work on that drum, Miss Mary Jane Bernath.

Miss Martha Decker was called home a few days because of the death of her aunt.

Miss Virginia Banning was not able to come back to school till Wednesday on account of illness.

Williams Hall News

Diamonds, for which so many girls yearn, are now on the fingers of Betty and Fern.

Dancing vacation some of the girls treated themselves to a headful of curls.

Cutting up rats, for some, is great fun. As for me, I must say, I'll be glad when it's done!

On Wednesday night we heard a great noise. And the dorm soon was overflowing with boys.

New windows the rooms in the eastern wing got. And all of the girls seem to like them a lot.

"The Scandalmongers"

PHRATRA PHASES

Saturday evening Phratra pledges entertained the members, Miss Bentzin, adviser, and Mrs. Forrest, house mother, with a theatre party. After returning to the house, the pledges showed origination and initiative by singing a clever song in honor of the sorority after which refreshments were served. The sorority colors, green and yellow, were carried out in a delightful manner. Distinctive favors were presented to each. The evening was brought to a close by attending the Prosperity Dance. The pledges deserve much praise for their efforts and we also thank Mrs. Forrest for her willing cooperation and help.

Since today is the second anniversary of our sorority, we shall celebrate with a formal banquet at the Woman's Club tonight. We are hoping to have several of the alumnae with us.

Skol Skrols

Tuesday night, Jan. 15, the Skol pledges entertained the active chapter with an attractive bridge supper at their home. Dainty refreshments were served and the tables were decorated with black and gold to carry out the sorority's colors. First prize was awarded to Virginia Young and the consolation prize went to Mary Cramer. Mary Kirk, president of the pledges, had charge of arrangements. The actives take this opportunity to thank the pledges for the lovely party—we certainly enjoyed ourselves.

Nice dance, Delhis!

Girls of the dormitory who have completed their duties as proctors for the past two weeks are Geneva Michener, Violet Peoples, Maureen Jellison, and Helen Hitchcock. The house board members include Dorothy Pace, Mary Ellen Wittenbrink, Jean Nervins, and Amy Kennedy.

The Commoners

Last Tuesday evening, Jan. 8, the Commoners gave the first degree to their pledges. They are to be complimented on their earnest endeavor and good sportsmanship with which they are fitting themselves for membership to the fraternity.

Friday there was the basket ball game too. Nice work, fellows! You have wonderful team work and great possibilities. Let's go places in the conference this year. Before this will have been printed we shall have played Toledo—the great question mark of the season. Regardless of the outcome we're with you—Beat Toledo!

Congratulations, Delhis for the wonderful dance. Who said the depression wasn't over? We all paid our debts Saturday evening and the treasurer reports unusual financial circumstances for the week ending Jan. 12. Our greatest difficulties were encountered in trying to find "change". Forward—??? We've beaten Toledo, Bee Gee was well represented at the game. The "Swan" is a success. Bee Gee wins over Marietta. Not impossibilities are they? Your correspondent—C'est Moi.

FALCONS WIN THIRD CONFERENCE TILT

Trounce Otterbein, 41 to 35

Friday evening January 11, the Falcons won the third victory of the year. After winning two conference games from Kent and Ashland they went out on the floor with this "New Deal", in spirit and defeated our old rival, Otterbein by a score of 41 to 35. It looked in the first few minutes of play as though our opponents were going to win by a big margin. They tallied the first six points of the game. Bee Gee then took time out and looked over the situation. From that time on each team had plenty of trouble both offensively and defensively.

Practically all through the first half neither team was able to gain any ground upon the other one. Only a few points existed, at any time, between the two scores. Never did either team have a safe lead.

Loucks, six foot five center for the opponents, appeared as though he was going to give the local cagers a real hard time. Due to the versatility of the Otterbein Brown men they managed to cope with the situation with great ease.

Lewis for the Falcons, gave the opponents plenty to worry about, scoring 17 points handling the ball very deceptively, and making the breaks. Weber did a beautiful job of guarding another of these "Baby Giants" that are so prevalent in the Ohio Conference this year. Weber had his quota of fowls late in the first half but chalked up eight points during his time in the game.

The most colorful men on the opponents squad can in hot water until liquids are added, then pour into pan.
