DR. SIEBENS MEASURES

HITLERISM, DEMOCRACY

Point: Out Rise of Dictatorships
As Democracies Fall, U. S. A.
As Liberty's Last Stand

"America may be the last bulwark of the West," Dr. Siebens, of the First Presbyterian church, with these words kept an audience on Hitlerism before the Assembly on January 16.

Prodding his discussion with a description of the trend away from democracy, Dr. Siebens pointed out that, although Japan, Turkey, Italy, Russia, and Germany as nations which, since the War, have felt the heel of a dictator. The speaker then showed that Germany, at least, elected the Nationalists to the Fascist state of Italy. At any rate, is based on the principle of "the Junkers," the large industrialists who were the power behind the throne of the Kaiser's, is the only experiment, Von Himmlen's Republic.

The speaker's final remarks were devoted to the question: Is Democracy doomed? Dr. Siebens professed his belief that the tolerant Christian influence in America will, if maintained and strengthened, save democracy for the world.

Footlights and Klieg Lights Lure Public

If you can stand James Dunn you will like the movie "Bright Eyes," starring Shirley Temple. The sudden and complete popularity of the latter is probably due to the fact that she is one of the few girls who act naturally and child-like, but not too naturally nor too child-like. Liking a good cry or not being averse to immensely dramatic situations spiced with humorous situations might also help you to appreciate it. After all, the cinema provides an outlet for humdrumness and melodramatics never go out of date—nor will it be necessary to the discredit of humanity.

Four thousand people, of ideas, of sentiments that occurred during the World War. Closing his thought-provoking analysis, Dr. Siebens showed that the Nazi movement was being financed by the "Junkers," the large industrialists who were the power behind the throne of the Kaiser's, is the only experiment, Von Himmlen's Republic.

We Beg to Remark

Incorporating the news of the week in a bigger and better issue gives more room for Stu- dent. Opinion. Therefore, the Assistant Editor shall be encouraged, not as a place to blow off excess steam, but to bring attention to important problems from the student body. The Assistant Editor shall not do what you wish to have your name signed, any thing and everything.

The Hauptman Trial, the biggest news given the public and opinion. What has gone wrong since the indictment of Saun, is gradually a drawing conclusion. There's not much news in bowing down to gangster-and-such movies as long as you do not wish to have your name signed, anything and everything.

COMMUNIST SUPPRESSION . . . .

Those who differed with Dr. Siebens when he stated last Wed- nesday that America, at least, was not yet guilty of abrogating the rights of political minorities will find support in last week's Washington News.

It seems that a House "committee on un-American activities" was recently convened to find out the facts in the air. As the committee therefore is drafting legislative proposals to destroy this "red menace." If enacted, these bills will disfranchise the Communist party, bar the mails to radical and "anarchistic" newspapers and other literature, and provide for the confinement of all foreigners, Communists (whether naturalized or not) in concentration camps until arrangements for their deportation can be made.

Of course, these proposals will probably never get out of com- mittee, but the fact that intelligent America in high places can seriously advocate such unconstitutional, un-American measures should demonstrate that Dr. Siebens was right in another re- spect.

Those who cherish the American ideals of liberty, tolerance, and freedom must exert an eternal vigilance to save them from being undermined by well-wishing but unthinking reactionaries.

PHRATRA PHASES

On Tuesday, Jan. 15, the pledges of Phratra Sorority successfully completed their third degree. After the meeting the girls danced and enjoyed a social hour. During the evening the pledges again portrayed their versatility in many ways.

Last night the following were formally initiated into the Sorority: Mary Copas, Alene Cream, Mary Louise Frasier, Lucille Grant, Florence, Virginia, Vera Schaffner, Geneva Shealy, and Florice Wray. Soft globes and a Centrum create an atmosphere of solemnity which prevailed throughout the service.

Following the ceremony, a variety of card games furnished entertainment. The Sorority colors were delightfully carried out in the refreshments.

Last week the Sorority observed Founders' Day by a formal dinner at the Woman's Club. The table was decorated with a lovely bouquet of white anemones and red carnations. Naomi Curtis, President of the Sorority, introduced the following speakers who talked on subjects pertaining to the occasion: Miss Brattie, sponsor, Virginia Dunton, Ruth Nachtrieb, Margery Shelles, and Winifred Stoner, alumnae of the college.

Five Sister Flashes

The Five Sisters are extremely busy preparing for the annual winter formal. The executive board of the Swan. The entire performance was a great success, and we are looking eagerly for more of the Bee Gee Players excellent performances.

We noticed scene of our sisters at the Sophomore formal. Worlds dance, Sophomores! The basketball team showed some fine pep at the game Saturday. Come along everybody and give the players your hearty support.

Don't forget to make it a date with your Valentine for Feb. 9. It's the all-college Valentine Dance which we are sponsoring. It's one of those big events of the year.

Skol Skrolls

The active administered second degrees to the pledges last night. Tuesday, Jan. 22. Sally Gerding officiated as G. G. P. The pledges came through this final in fine shape.

The blue-red line of setting sun
Is like a clotted streak of blood—
The black, bare, wind-bent trees
Are afar in the sullen night.

The pulsing warmth of springs
Reflects the twilights golden unrest.
Well, if you want a good time,
What the "mystery alarm" shall stand for the "lucky number". In the end pleasure, according to all the world.

We are anticipating a busy week. Monday evening the pledges will receive their third degree. Tuesday eve the basketball team plays at Ohio Northern, a game which many of us will undoubtedly attend. Friday evening the Communists Frat is sponsoring an all-college party in the big gym. A temporary date bureau will be established at the Fraternity house at 307 E. Wooster street. "aate" for the dance simply and address anytime this week.

The most outstanding events of the past week was the Prosperity Dance. Several new features were added to take advantage of the unusual opportunity offered by this bureau.

The "Commoner Combine" promises to mix studies, exams, pleasurable, and amusing activities at all of the laws of "Variable Proportions". Come to find out what "the commoner" shall do for the "lucky number". In the mean time, read a philosophy book on the market. What does the ? mark mean. Well, if you want a good time, simply call at the "Big Gym." Friday eve, Jan. 23, at about 8:30 o'clock.

DELHI DOPE

After a week of school Delhi is again in step with the college affairs. The most outstanding of our accomplishments during the past week was the Prosperity Dance. Several new features were added to the enjoyment of the evening. We wish to congratulate the young lady who received the trip one dollar bill as a reward for finding the "lucky money". Wayne Phillips, Junior Riggle and William Stoddard, respectively the pledge degree last Tuesday night, and are now active members and will be glad to help us carry on the good work.

Falcons Defeated by T. U.

High Class Basketball

A good many people around the school seem to be unaware of the fact that there are fifteen high class basketball teams putting forth their best efforts between 7:00 and 10:15 every Monday and Wednesday night for the championship. The first game of the season was played between the Falcons and T. U. last night. The Marrietta aggregation, after handing the Heidelberg "Student Princes" a severe whipping the night before, defeated the Falcons, 33-22, but seems to have lost something. Whatever it is, we trust that they will continue to outshine Marrietta and be given some very nice defense. Under the basket they got the ball practically all the time.

Weber was really hitting a stride that was beautiful to watch. His work at the tip-off was very commendable and if he continues to improve, he will really be a threat to any man. His long shots were very clean. Lewis didn't have much trouble to keep from travelling as he did in the T. U. game. He received a few wrinkles but this proved very unsatisfactory. The ball teams are waiting anxious to see good basketball drop out of their usual form. The Travelers were an unrecognizable outfit until they turned up with a 16 to 18 victory over the Delhis in a game that had the spectators pawing the air. Each team has been defeated once, the Falcons having dropped one to the House of Fatty earlier in the season. This House of Watty team has proven somewhat of a disappointment, having dropped one to the Travelers a few weeks ago we had a winning team. The Delhis dropped one to the House of Fatty earlier in the season.

TABLE TENNIS TOURNAMENT

An All-College table tennis championship tournament for singles and doubles will soon be under way. The tournament will be open to all men. Bagatelle opened the season last night and several free throwers are ironed out. Many of the players were suffering with colds which produced a decided effect upon their play.

For the opponents Cupp and Davie Mostov were the most consistent. Bagatelle opened the season last night and several free throwers are ironed out. Many of the players were suffering with colds which produced a decided effect upon their play.

The Intramural Department Makes Plan for Second Semester Sport Program

The Intramural Department is sponsoring and conducting a second semester basketball league. The first game of the season will be played on Tuesday, February 6, 1935.
