**VOL. XX. BOWLING GREEN STATE UNIVERSITY, OCTOBER 23, 1935 No. 6**

**School Leaders Met Here Oct. 17**

Twenty-three members of the County Superintendents Association of Northwest Ohio and other educators met in the University library Oct. 17, for a discussion of school problems. The Foundation program required the county superintendent to be the chief topic of the program. Included were: the emergency school program; re-education of compensation board members; transferring territory; inter-county transmission; survey problems. County Superintendents who attended were: A. N. Thornton, Toledo; J. E. Church, Tiffin; C. L. Shafer, Van Wert; L. M. Schumaker, Wapakoneta; R. E. Floyd, Findlay; A. G. Schulke, Fort Clinton; Frank C. Ramdoll, Kostonn.

(Continued on page 2, col. 2)

**DELBIS HOLD HOUSE PARTY**

Members and lady friends of the Delhi fraternity informally observed Columbus Day last evening with a house party at the fraternity house.

(Continued on page 2, col. 4)

**FORUM MEETS 29th**

The Student Forum will hold its 29th meeting of the year Monday evening at 7:30, in room 410A. Arthur Knape, a member of the chemistry department, will present the topic, "Dr. Kohl's Analysis of the Chapel Program Last Year." He will discuss the methods used in setting up the program and the basis of selecting the entertainment for each program. The program will be sponsored by the Student Council and will be followed by questions and discussion among the students.

A means by which students who board themselves may learn of reduced rates on food has been arranged by those interested in the welfare of the students. Seven local grocery stores have agreed to cooperate by sending lists of special reduced prices on food which will be published in The Student in the meal periods. New lists will be posted each Monday afternoon in the Food Science Administration and Physical Education buildings. The lists will contain the names of the proprietors of the stores and the contents of the lists agreed to by them. These stores are: A. O. Dehn, Port Clinton; Walter Barnes is president of the Delhi fraternity; Robert M. Brown, secretary; and Walter Panning, treasurer.

**ELECTIONS**

**SENIORS HOLD ELECTION TODAY**

The Senior class votes today for its class officers and adviser. The nominees are: President—Wilson Kuhlman, senior; Vice-President—Ralph Asmus, junior; Secretary—Emier Baden, and Ruth Griffith, treasurer. Vote for the officers will be taken from 11 a.m. to 3 p.m., today.

**JUNIORS NOTICE**

Due to the fact that only two candidates were nominated for each junior class office except secretary, the election committee has decided that the final election will be held on Monday, Oct. 28, from 11 a.m. to 2 p.m. with the running of the properly primary elections.

The candidates are: Secretary—Beverly Seibert; Vice-President—Don Fricker; Robert M. Brown, secretary; Alene Vickers, Mary Cramer, Florence Gomara, treasurer—Owen Bunts, Lawrence Ringeinger, Social Committee Representative George Rohrs, Wayne Phillips.

Soph's Elect James Vann

The Sophomore class met in the auditorium last Thursday afternoon and elected the following officers: President—James Vann; Vice-President—Franklin Black; Sec.-Treas.—Dwight Van Atta; Faculty Adviser—Dr. Zaugg.

**NYA Uses New Time System**

The government was tardy in the matter of furnishing operating plan for NYA student aid. The University had to start off on its own and make up its own procedures. It was the expectation that students could be paid for work they did the first week, but there was no authorization. The definite information did not reach the office until Oct. 12. This year the monthly periods will end on the twelfth of each month. The university officials are having to revamp their procedure and to take care of clerical work that was half finished last year. This means a composite time sheet showing every day and every hour that 108 students worked up to Oct. 12. Hereafter, the bi-weekly sheet will be posted weekly. At the close of the month it will be necessary to eliminate only one sheet and there will be no delay.

**"Frexy's" Birthday Is Celebrated**

Dr. Williams was honored on his birthday by an informal gathering of the administrative officers, the office staff, and the Superintendent of Buildings and Grounds. At Dr. Williams' home, Oct. 15, the evening was taken up with games and a social good time. Mrs. Williams and daughter, Mary, served refreshments. The guests de- parted wishing Dr. Williams many more years of service and happiness.

**Faculty Dames Meet**

The Faculty Dames club held its first annual meeting at the home of Mrs. Reebs, October 28. Those who attended the first session report that they enjoyed Dr. Hinson's discussion of the Honor System. Come out Monday and help your fellow students discuss current topics. Topics: Student Council and Untruths in Advertising.

**Dr. Kohl's Analysis Stirs Assembly**

Professor Carmichael opened the regular session last week with a scripture reading followed by the Lord's prayer. Pauline DeVos played a violin solo, "Meditation" from "Thais". She was accompanied by Arlene Gill.

Dr. Kohl spoke on "What Is a University?" He endeavored to show that universities are legal corporate entities which prove from some authority; their organization is very definite. History shows that originally the A. B. marked one as an apprentice and the M. A. licensed one to teach. Universities have always enjoyed rare privileges.

Many departments may be found in one university. They are public and private enterprises engaged in boosting business institutions. Harvard spends one-tenth of its budget on the arts and the Michigan specialists in medicine. Others conduct research, teach, publish, and prepare their students for positions that may ever be in demand. A university through its many.

(Continued on page 2, col. 4)

**Budget Issue Again Raised**

On the invitation of the Finance Committee representatives of the state-supported universities appeared before the Finance Committee on Oct. 16 in hearings of the University budgets. The committee seemed to be seriously concerned that the significance of the University in attendance at the various universities.

The question of salary reduction was under discussion. In this regard Dr. Williams emphasized the importance of salary consider- ations in respect to the quality of an institution. Most men are around thirty years old before they secure their Doctor's degree, and their professional life is shorter than that of other learned professions. After a man has reached the age of fifty he becomes daunted by age if the finds himself without a position.

It is a truism, "As is the teacher so is the school." Whatever else in the way of buildings, equipment, etc., an institution may have it will not achieve the highest ends without a faculty of approved training and experience. In fact it is essential that a university faculty be a group of highly trained and well trained men and women who are con- sistent in their knowledge of the current requirements of their training. Such men and women are far from being cons- tantly meeting the rapidly changing requirements for college teach- ing and to have facilities for conducting the best university program there must have a adequate measure of support.
The following church affiliations were indicated by B. G. U. students on registration day:

Methodist Episcopal, 294
Lutheran, 114
Presbyterian, 109
Unitarian, 48
Church of Christ, 76
Church of the Brethren, 71
Roman Catholic, 34
Evangelical, 20
Congregational, 22
Reformed, 13
Mennonite, 13
Adventist Protestant, 12
Baptist, 11
Church of God, 8
Episcopalian, 6
Christian Union, 5
Episcopal, 0
Presbyterian, 109
Lutheran, 114
Methodist Episcopal, 294

The whole room enjoyed the story and hoped he would read another soon. Wendell Shaler, who is attending the home school in their room, also visited the church and was impressed with the program for the day.

We cannot rise to the status of professors and students alike.

Church in Toledo.

Perhaps much research is just the church has known. The Hidden treasure—squirrels have been bringing in the bark, leaves, and even more than he anticipated. He is enjoying his work there teaching at Pettysville this fall.

The Fourth grade invited the students to attend an actual excavation of ancient ruins.

The party spent some time viewing many magnificent edifices. It was a worthwhile experience watching the archaeologists at work on their excavation of ancient ruins.

COUNTY MEN MEET (Continued from page 1, col. 1)

Raphael and Maria Iliuviames, still visiting from Quebec today.

Control of body and feeling was illustrated to Dr. McCain by an Italian military parade in which a horse and bicycle was featured.

In Italy, Dr. McCain closed with the words that to appreciate any country we need to know the life of that country.

Success and Pleasure

Paul Shafer, another of last year's graduates, also visited the campus this afternoon. He tells us that he, too, is enjoying his teaching duties at Port Clinton.

Mr. Francis Babione, one of the party spent some time in Italy last summer in a talk on 'Understanding Our World Neighbor.'

Meetings of Dr. Kohl's class will be held on Tuesday, Oct. 23 at 8:00 p.m. Subject—Trisection of an Angle. Everyone is eligible for this course who has had at least one semester of Calculus.

Corrections

Due to a change of plans there will not be an Alumni Party November 9.

Ach! Ach! 'Vat a meeting! Well, man has come for the first six weeks work. Many of us will be disappointed with our grades, but I am so happy that those should merely be a spur to us to strive for greater achievement. The vacation from classes this week-end would offer most of us an excellent opportunity to engage in scholarly pursuits. Permit me to quote Dr. Kirk in his speech of Wednesday last, "The heart of a university is scholarship. Scholars fill out the heart of life." And now I must say—long—until next week.

Rules For Intramural Sports

It is the objective of the de- partment of Physical Education to have all men in the institution participate more or less regularly in some form of physical recreation.
Every effort is being made to realize the highest possible development of the intramural program. Intramurals offer to every man a chance to play for recreation in a wide range of sports, some of which may be played in later life, an opportunity for healthful exercise with the fun and zest of friendly competition, and wide social contacts with other students.

The department thinks it advisable to have available and readily accessible in the bulletin board the names of all students eligible to enter any of the sports. House eligibility may enter teams for participation. Men must be living at Bowling Green or any other institution. Any administrative member of their class. A player may not play on more than one team in the same sport season.

House Eligibility

5. House members of their fraternity must be filing for each sport at the time the sport is announced in the Bulletin. This not only facilitates the administration of the work but it also tends to enable the student to realize greater pleasures and values which are a part of intramural programs. Such purposes are the aim of these few pages.

A list of all players eligible for house eligibility for each sport at the time the entry blanks are handed in. New names may be added at any time. Intramural Department must be filed before 5:00 p.m. on the bulletin board in the main gymnasium. All must be filed before 5:00 p.m. on the bulletin board in the main gymnasium.

1. Any student who has received a varsity letter in any sport at the time the entry blanks are handed in. New names may be added at any time. Intramural Department must be filed before 5:00 p.m. on the bulletin board in the main gymnasium.

2. Play 2nd round by Oct. 29

Rules for Elimination

1. Play first round by Oct. 22

2. Play 2nd round by Oct. 29

3. Play 3rd round by Nov. 4

4. All contestants arrange for matches with opponents.

5. Each contestant place telephone number after her name on the chart by the end of the week. Only one match is needed by the winner of the week. Only one match is needed by the winner of the week.

6. Failure to play on scheduled time.

7. All matches consist of two out of three sets.

8. Winners of each match record result by chart in the chart by the end of the week.

9. Remember W. A. A. points.

TENNIS TOURNAMENT

The intramural program in Bowling Green State University is in its infancy and experimental. The situation here is quite unique and different from that of any other university in the state. An administrative plan must be formulated and be adapted to its particular situation. We are not absolutely sure that the plan being used is the best feasible one for Bowling Green. Because of this, we all realize that we must welcome any constructive or critical criticism concerning various phases of the intramural program. With the student's assistance and cooperation the department hopes to work out a highly efficient and well organized program.

Therefore if you have suggestions of any kind please drop them into the box in the Men’s Gymnasium provided for that purpose or communicate same directly through the Bee Gee News or personally see the intramural director.
