HOLT PILOTS FOR SOUTHLAND

Another highly successful chapter in the B. G. travel book was completed when an ultra-enthusiastic group of travelers returned on the afternoo...
Let's Cooperate. When you have finished an article pass it on to some colleges. When someone destroys a magazine, everyone carries away or destroys a magazine. These periodicals are from destroying property. Occasionally someone inadvertently come to be known as the Friendly University.

There is a tract of farming region. On the eastern edge of the town is a spot which was only made use of as a temporary lawn. Where the present spot all campus activities as far as possible, give sports a boost better than the people who compose it, faculty and students. Above all let us be a little more considerate of each other so that in the future his institution may come to be known as the Friendly University.

Let's Cooperate.

We are again on the threshold of a new year. We are a little better equipped for university library at B. G. with libraries of other institutions of similar standing? We are fortunate in having one of the most modern and best equipped libraries in the state for a school of our size. There are nearly 50,000 books and more than a hundred different magazines and newspapers for the use of students.

It is necessary to draw up certain rules in order to give everyone good service and discourage certain thoughtless people from destroying property. Occasionally someone inadvertently carries away or destroys a magazine. These periodicals are too valuable and cannot be accomplished by students alone, but requires the cooperation of students and faculty members. All students are expected to keep the library be open more hours and get your hair cut at the very fortunate group that visited Florida during the holiday vacation certainly missed a heap of breezy weather. Prof. Holt, geography instructor, and wide traveler, was the chaparoon of the southern trip.

The Changing Scene

The scene is on a flat, interesting middle-western plain. The town is a county seat for a farming region. On the eastern edge of the town is a special ponds 35c creams 25c

Inefficiency of The Library

Carlyle's statement that "The True University of these days is a Collection of Books" is true, but what good is a collection of books if you don't have access to them when you need them? Why does the library stay open Friday evenings and all day Saturdays? It is true that the week-ends are reserved for the students, but Friday afternoons, but even the students attend there. There are some students who would much rather rent a book than attend a dance or a football game. It is essential that the library be open more hours for those students who desire to do more than the minimum of reading.

Fraternities

The Delta men returned from their Christmas vacation with new enthusiasms and determination to do better and more in this new year. A few resolutions are in the air: 

- more study
- better health
- no more stomach and toothaches.

It is the hope of the fellows made New Year's resolutions (but broken except the one made Robert Ruth. Bob resolved to "never abuse his Christian siecktry this year and after working a couple of half days, is inclined to believe he will carry through."

President Walter Barnard is busy composing a new and original theme song for the Fraternity. He says it will be something about the music giving "down and around."
The Falcons won their second conference basketball game on Wednesday, Dec. 18, by defeating Ashland College, 37 to 26, in the local gym. This victory placed B. G. on top in the conference standings and placed B. G. in the cellar in the conference with three defeats and no victories. Ashland came into northwestern Ohio for a week-end visit and left without winning a game in three starts. Toledo U defeated them 44 to 14, then B. G. defeated them and finally Defiance College whipped them 59 to 18.

Ashland jumped into an early lead of 5 to 0 but it lasted only until the Falcons got the range of the basket. The lead was soon overcome and at half time the local five held a 16 to 11 lead.

Bouncing back after interim the Eagles of Ashland started a scoring spree and made the Falcons hustle to keep their lead. In the closing minutes the B. G. five pulled away to a safe lead and a victory.

Ken Weber, the scoring ace, again led the Falcons in total points by posting seven field goals for 14 points. Red Stevenson, at center, caged three field goals for 14 points. Red Stevenson, again led the Falcons in total safe lead and a victory.

In the closing minutes the Lima Beans and Celtics engaged in a game to fight for last place. This game was won by the Beans. The Celts were at the bottom of the heap. While the last place battle was going on the strong T. M. C. A. team continued winning by defeating the Wostor Marheads and wind-up play for the week.

The team play of the Falcons showed improvement and their clever ball handling was a spectacle to watch. With a few more games played under their belt the local team should be as strong as any other school in the conference.

In order to get into shape for the second part of the season the Falcons have been practicing since last Thursday. The distance to Westerville is too great for much practicing. The following is the box score of the game:

Referee: Bechtel (Wittenberg)

At half time the Falcons led 8 to 2.

The Outdoor truck team made a much as the local truck team were victorios over Capital and Heidelberg and lost to Ypsilanti and Toledo U.

The Falcon's four first places made a better record than the local five but B. G. failed to place any men in second place. John Hartman, ace of the truck team, won three firsts by taking the 100 and 220 yard dashes and 220 yard low hurdles. Ken Weber won the discus for the other first.

The Outdoor track season found the Falcons losing meets to Otterbein and T. U. the Falcons losing meets to Ashland and Lima. This was a good game but due to the Delhi Y. M. C. A. on the other court it passed almost unnoticed.

The 800 o'clock game the Commodors came through with another victory. This time the victim was the Celts. This was also a well played game but again the interest was centered on the other court where the erratic Five Brother bunch was beating the Straight Shooters. The Straight Shooters were undefeated until this point and can well blame their defeat to the loss of men when the Freshman squad was picked.

On Wednesday night the strong Delhi team again hit a winning stride when they beat the Purity Boys. This game was featured by the scoring of Barnes who made 13 points for the Delhi boys. At the same time the Straight Shooters were losing their second straight game to the undefeated Purity bunch. Both of these teams lost hotly when the Fresh squad was picked but the Purity boys seemed to have retained more team work. Hence the victory.

Immediately following the Purity-Straight Shooter game the Lima Beans and Celts entered in a game to fight for last place. This game was won by the Beans. Hence the Celts are at the bottom of the heap. While the last place battle was going on the strong T. M. C. A. team continued winning by defeating the Wostor Marheads and wind-up play for the week.
