Dr. Zaugg presented an in-

"An Old Way in a New Day". The conflict of old and now 
was variously illustrated by 
the speaker to the wisdom of 
both old and new points of view

**PhraTRA Phrases**

PhraTRA Sorority held its annual Founders’ Day banquet at the Nockey Saturday evening, in commemoration of its foundation, Jan. 16, 1933. It is rumored that we are to have a Chapter at Toledo soon.

We were glad to see Naomi Curtis, Ruth Nachtrieb, Virginia Rankin, and Fred Stoneker back with us, but we are sorry that one of our members had to be ill.

Our house was filled to capacity over the week-end (what with the kids from the "dorms" who just don’t like those dorm regulations) and otherwise our Ogsten entertained her mother from Mansfield and Betty Cogger her sister Ruth from Canton. Come again, folks!

An mystery—is he or is he not engaged? Two of our members were talking it over very seriously.

It is too late to congratulate the fellows for beating T. U. Now he’s shown Northern!

**Seven Sister Scribbles**

Brrr! Brrr! Good morning. You think this arn weather would keep everyone at their studies? No, Sevens. Fancy Woodworth and Jo Herman went to Tiffin last week-end and won under such captions as the telescopic. The teams returned with five out of eleven decisions which we consider successful, considering that debate in B, G, S. U. is merely a class project and an extra-curricular activity.

Brr! Parson the shiver. Did you see the T. U. basketball game? The Sevens were so excited over the whole evening’s entertainment that not much work was accomplished.

Brr! The frozen finger writes and having frozen off, it quits.

**Five Sisters**

Have you seen the new Five Sister quad? We’re modified to see 322 W., Wooster where Mrs. Sears, Vernie Freeman’s dorm? We are delighted with her and we are delighted with our new dorm. Mr. and Mrs. Sears, Vernie Freeman’s dorm? We are delighted with our new dorm.

The room is a very nice place and the residents are very friendly. We are glad to see Naomi Curtis, Ruth Nachtrieb, Virginia Rankin, and Fred Stoneker back with us, but we are sorry that one of our members had to be ill.

**Sophomore Formal**

The Graduating Sophomore Formal was a very gala affair of last Friday night. The Women’s room was very nicely decorated with blue skies, a moon and many shining stars, palms plumed throughout and numerous small lamps were lighted. Even the orchestra played in a great hall. Everyone looked his best. A spirit of congeniality reigned and everyone enjoyed the dance to the highest degree.

The sponsors present were: Miss Lorraine, Miss Dorothy, Miss Ruth, Miss Day, and Dr. Hoppos. Other faculty guests were: Mrs. Hoppos, a job and Mrs. Hinsong, and Dr. and Mrs. Zaugg.

The formal was sponsored by the Kindergarten-Intermediate and Primary departments.

Second degree was given to seven pledges last Tuesday. The girls are Betty Creger, her sister Ruth, Mary Krouse, Evelyn Buckman, Margaret Jones, Esther Stabler, Elizabeth Hartlow, Mary Shep- man.

**Las Amigas**

Celebrations seem to have been in order at the Las Amigas house last Tuesday night. We work the true form of the game, which proved to be one of the most exciting and fast series that Bee Gee has seen in a long time. If you saw a group of girls chewing on a stalk of celery it wasn’t a toothpaste ad but the Las Amigas girls eating refreshments furnished by the pledges. We found that their high spirits were a great aid in initiating the pledges after the game. The cause for celebrating was made even greater when Joanne Lewis came home from applying for a teaching position at McCutchenville and told us she was hired and was to report at work the following day. So the celebration began in a big way. An impromptu party was called. The daltry, delicious and light lunch may have been given us indulgence but then we don’t have cause for celebrating every day.

A quintet of grim faced Falcons took the floor Tuesday night against their arch rival T. U. Their prospects were much as theirs for the tip off. They had one thought in mind and that was victory. If they could bottle up T. U.'s offense and succeed in shooting a few baskets, their victory would be theirs. You, who were among the 2,000 people there, know the outcome.

The Falcons battling and fighting to the best of their ability subdued the favorite Rocket team by a score of 38 to 23. The T. U. team with four victories and one defeat was expected to romp at ease over the Falcons. The Falcons quickly put guards on the Falcons. Thirty-seven foul shots were called, 22 against B. G. and 15 against T. U. Thomas, Stevenson, and Crowe, and went out of the game via the foul route while T. U. lost Crowe. The Rocket team showed such weakness under the basket as B. G. took the ball off the backboard consistently.

The victory gave the Falcons three wins and one defeat while T. U. has won two and lost one in the conference. Following is the box score of the game:

Time after time, faked the T. U. men out of position and dribbled in for an easy basket to score. The Falcons ball handling was clever and it worked a man in a position to score on several occasions.

The game was rather rough, caused no doubt by the close guarding of the Falcons. Thirty-seven foul shots were called, 22 against B. G. and 15 against T. U. Thomas, Stevenson, and Crowe, and went out of the game via the foul route while T. U. lost Crowe. The Rocket team showed such weakness under the basket as B. MARIETTA AND CAPITAL WIN DECISIVE SCORES

Having defeated Toledo decisively Tuesday night the Falcons, in a couple more conference games. In Marietta Friday night the Falcons met an undefeated conference team and after the game the Pioneers were still undefeated, having disposed of R. G. by a score of 35 to 23. The first half was a hard fought battle with the lead changing hands several times. R. G. took an early lead and held it at the end of the first ten minutes but Marietta started up and grabbed a 16 to 11 lead in the second half, like the first, was a hard fought battle but the lead of the Pioneers was protected and they came out on the long end of a 35 to 25 score. On Saturday night the Falcons moved up to Columbus to play Capital U. The Falcons were off their game in their first half and finished on the short end of a 36 to 6 score. The second half found the Falcons starting to play the kind of basketball they are capable of playing. Capital was completely outclassed during the second half but their tremendous early lead was too much for the Falcons to overcome although they outscored the B. G. boys. But a tight
