Summer School Opens June 5 For 6 Weeks
Increased Attendance Expected As Changes Are Announced

The summer session bulletin is now in the hands of the printer and will be ready to distribute about the first of March. The opening of the session will be on June 15 and the term will continue for eight weeks. A post-term session of three weeks is planned if there is enough demand for it.

A noted increase in summer attendance is expected due to the new certification law requiring all undergraduate students therefore to make allowance for a larger enrollment this summer.

The Commercial Department will reduce its half a state staff. This arrangement to make it possible to obtain a state in two summer sessions instead of one post-term session. This is the first time for several years that commercial work has been offered in the summer.

The practice of offering one half a state minor in Physical Education which was begun two years ago will be continued through the summer.

Graduate instruction that has been offered in Education, English, History, Mathematics, and Social Science. A wide range of both professional and content courses will be offered in the College of Education and an extensive amount of work in the College of Liberal Arts will also be given.

The summer school staff will be composed almost entirely of the regular faculty. The local chapter was first organized in May, 1934, under the leadership of Miss E. B. Urechel, former instructor in French at Miami University. It was assisted by Professors Leon Ford, head of French, Howard L. Cacho, and Dr. Russell Beaver, all active members of the department at Miami.

Registration was preceded by a formal dinner, held in the large dining room of the Woman's Building. Ten colors, purple, gold, and white, were carried out in the table decorations on either side of the large center bouquet of yelow jonquils and white narcissus. Posters were tall yellow tapers in three-branched candelabras. Purple and white place cards marked places for thirty-one.

The impressive candle-light service was held in the穿息 room. The four guest-members were the colorful satin robes being lent to the fraternity and sent from Florida for the occasion. The soft violin music with accompaniment furnished a fitting background for the ceremony. It was played by Miss Dorothy Robertson and Miss Margaret Zauger.

Beta Theta, an honorary scholastic fraternity, was founded in April 20, 1920 at Birmingham, Alabama. The chapter is affiliated with the Stansfield Hall. There are at present thirty-five other chapters.

Mrs. Nordmann, wife of Dr. B. F. Nordmann, passed away Thursday, Feb. 20th. Funeral services and burial at Menasha, Wisconsin.

National French Fraternity Installed on Campus

On Saturday, Feb. 22, the circle France, located on campus, an organization, was installed on the campus of Bowling Green State University. The local chapter was organized entirely in French.

The installation was conducted in French by Prof. Leon Ford, head of the French department at Miami University. He was assisted by Professors Leon Ford, Howard L. Cacho, and Dr. Russell Beaver, all active members of the department at Miami.

Registration was preceded by a formal dinner, held in the large dining room of the Woman's Building. Ten colors, purple, gold, and white, were carried out in the table decorations on either side of the large center bouquet of yellow jonquils and white narcissus. Voted Year's Best

One of the best Assembly programs of the year was a musical rendition of the three artists, Misses Kline, Krupski, Massman, and Szymkowiak, was nothing short of sensational. The audience was held captive from start to finish. The three artists sang a medley of modern American songs and the audience was thrilled to pieces. The audience gave them a standing ovation.

The students were highly impressed with the performance and many of them expressed their appreciation to the three artists.

Ind. Arts Conference

A state conference on Indus-
trials Arts sponsored by the Ohio Education Association, the State Department of Education, and State Teacher-Training institutions will hold an all-day meeting in Cincinnati on March 21.

The work of these educators will be a revision of the Industrial Arts courses in the state.

Three sessions of work, a luncheon, and a banquet will be held for the benefit of those attending.

The morning program will be a description of the work in several Industrial Arts centers which has been sponsored by the State Department of Education, the State Education, Supt. Ralph E. Dugdale, Toledo, will preside at the luncheon.

All teachers of Industrial Arts in the state are invited to attend. Prof. Crowell and Prof. Powell will represent the University on the occasion.

To Hell With You

"To hell with you," is the average person's opinion of a Bowling Green student. You are constantly growling about conditions and resume your hum-drum level of entertainment.

You fret about poor social graces. Dean Sharp gave an excellent talk on manners and singing "The Old Refrain" and "The Little White Donkey" by Ebert, Italian waltz.

Commoners

Another week has passed and here we are again with pen in hand. Although the B. G. S. band is in the midst of a losing struggle, we emerged victorious and were happy. Tha week of the real thing is over. Our ancient and modern rival, Toledo, offers the opposition. B. G. U. will have the opportunity to either prove that they are a real fighting team or else they may confirm the surmises of some that it was a fluke and that the fellows may prove their unquestioned superiority over our schoolmates from Old West.

This week will witness the formal beginning of Student Government for B. G. U. and we are behind this movement and make our government; a type that will command the respect of every student enrolled in the institution and the faculty as well.

Ye Olde Five Brothers

Ye Olde Five Brother's Fraternity joins the University in extending their sympathies to Professor Nordmann, on the death of Mrs. Nordmann, Thursday.

The Fraternity meeting was a significant occasion as nine second degree Neophytes were honored with the third degree. A high spot of the meeting was when the name "Quill-Type" was adopted. The Siberian Singers under the directorship of Nicholas Vasiello will give an evening entertainment March 10. Much is expected of this choir in the way of musical entertainment.

Quill Type

The Quill-Type dance was held Sunday evening at the Women's gym. The gym was gorgeously decorated with red and white streamers. Red and white, the colors of Quill-Type, denote the ribbons of a typewriter and the ink of accountants. Ernie Griner's orchestra played to a happy rhythm.

Appetizers were served throughout the evening. Leonard Perkins, a former student of the commercial department, is now employed as a stenographer at the Royal Manufacturing Co.

Rollin Simmons is working part-time as a stenographer at the Court Street Garage.

Seven Sister Scrivbles

It's something new! Have you ever asked anyone to define a "red hot news"? Well, we believe there were so many "red hot news" along that line. Doris Kern says that love is a tickling sensation bound to catch you with sister, sister, sister. Dorothy Robertson theorizes in saying that there are two kinds of lovers and sister in formation, notify our pledges. The fevers were very happy to have sister, sister, sister, sister, sister, sister, sister, sister, sister, sister.

This week will fitness the weather. Here's our hope for warm weather. We hope for the speedy recovery of Dr. Smith. The Fraternity certainly missed him during the meeting.

Dehi

At a meeting of the Dehi Fraternity, Feb. 17, the following officers were elected for new term beginning April 13. Pres. — Allen Bishop, Mt. Blanchard, Ohio. Sec. — Robert Kuhlman, Belle Plaine, Ill. V. Pres. — Own Butts, Wausau, Wis. Pres. — Wayne Phillips, Belle Plaine, Ill.

FALCONS TRADE HONORS

Varsity Plays Well

The Student Princes of Heidelberg proved to be no match for the Falcons last Wednesday night when the two teams met in a conference game 38-32. The B. G. team led by Wilson and Thomas was the victor from all angles piled up a 27 to 11 margin at half time.

The second half found the Falcons running up their total to 34 in four minutes to enjoy a 34 to 1 lead. The game that started out to be rough became worse and in a short time B. G. started out to be rough became a 34 to 13 lead. The game that followed with five. A good hair cut enlivens your appearance. Always glad to see your friends. Flowers For All Occasions.

TREY BOLLES FIRST

B. G. CLUB MEETS

Last Thursday evening a group of the fellows had a short meeting before the game with Heidelberg. The meeting was well attended and arrangements were made to sell confessions at the High School tournament Friday night. The cooperation of the student body in buying ice cream bars at the games has given the boys lots of encouragement and the vote Thursday evening made definite the project of awarding graduating Senior Varsity blanket if they have won two letters in one sport or three letters in different sports. A vote was also taken concerning the managers, and the result was the decision to make head managers members of the Varsity B. G. club the same as any other award man. If the rest of you varsity men are interested in blankets awards and other project the club is sponsoring, you must take part soon. Do not be paid for as the first Freshman senior ended in a tie, and the second was won by the seniors.

An All-College Table Tennis tournament for the college championship starts this week. There are 3 double teams and 17 single entries ready to battle it out with paddles.
