FALCONS MEET RESERVE SATURDAY

FROSH CLASS ENTERTAINED AT DANCE

On Monday night Sept. 14th, the Student Council took charge of a reception for all Freshmen and new students. Upon entering the Physical Education building, they were given papers on which to write their names and that of their home town. They then met President Williams and the Deans. Instead of going to the long faculty line, they were escorted to the group of faculty members in whose department they were enrolled, where the evening began. After an informal chat, they were given tickets that contained a choice of going to the long faculty line or to the women's gym. They then met President Williams, Dean Anderson, and Dean Richman. A display of $22.50 for all female freshmen from the women's gym, and President Williams' suite were shown. The dancers were dancing in the women's gym and in the Ad. building. President Williams' suite was furnished with a sofa bed, a desk, and a bookcase. The dance ended at 11:30 p.m., and the freshmen left in a car to go to the Norday educational center to attend ceremonies.

Wails of a Wall Flower

It is a small world those days when Hollywood comes to the Educational Center of Northwestern Ohio to conduct a social function. Last Thursday night the sumptuous summer residence was the scene of a grand party, and 500 guests were invited to partake of the festivities. Among those who attended were Miss Jeanette Croy and Miss Florencia de Soto, who are students at the university. Later on, they attended a dance given by the Student Council.

FACULTY PICNIC

The Faculty Picnic, an annual event for faculty members, the office force, and their families, was held last Thursday evening at 4:00 in the Men's gym. At six thirty, a group of female guests arrived, and the first dance began. The music was provided by the university band.

MANY ATTEND CHURCH SERVICE

All attendance records for student activities were broken on Monday night at the First Presbyterian Church. Dr. Kohler's sermon, which dealt with the meaning of the word "faith," was a great inspiration to the Westminster Club and the Westminster Club took charge of going to the long faculty line. It was characterized as being the greatest sermon ever preached at the church. President Williams expressed a welcome on behalf of the local church. Professor M. T. Tomlinson led a "sing" in a most effective manner with the entire assembly. The hundred percent present participation, Laurence Williams, vice-president of the university, announced that the meeting of next week, which will be conducted by the upperclassmen, will be held in the same room. President Williams announced that freshmen would conduct a meeting by themselves at the next assembly.

A SUCCESS

Last Wednesday evening the Intermediate Teachers Club, the Women's gym, and the Ad. building were turned into a "sing"ing room." President Williams, Dean Anderson, and Dean Richman were present to round out the evening with a "sing"ing. President Williams - Bill Edwards, the reserve coach, the coach of the Freshmen, and the coach of the Women's gym, was in attendance.

FALCONS MEET RESERVE SATURDAY

In his second season at the head of his team, Coach Harry Ocker will send his warriors against Western Reserve of Cleveland in the opening game for the local. The contest is to be played on the 24th at Massillon, Ohio, the home town of Coach Ocker, who will be absent.

A FACT

Reliable reports indicate that there is a scarcity of properly qualified high school teachers of agriculture, commercial subjects, home economics, and industrial arts.

"Y" BOOK STORE CONTINUES SERVICE

The Y. M. C. A. wishes to call attention to the fact that the bookstore which is being operated by the Y. M. C. A. will be open to receive and sell books all next week. The hours that the store will be open will be the same as last week. We will continue this service for students as long as the number of books which are ordered and delivered practical. We wish to urge all upperclassmen who have books to bring them in or to have them delivered to us. After this week the number of used books that will be sold will be reduced.

To those who have been looking for an announcement of the Y. M. C. A. program we must advise you to watch the bulletin-board in the very near future. A larger group is in the offing and promises to be an excellent outing for the college men. In due time the program will be set up and will clashing, when the leadership on the campus to carry out its execution. The cabinet and officers of the present year will welcome all new students who are interested and expect the active support of all of the Y. M. C. A. men of last year.

EARL C. WYER, President

STUDENT COUNCIL SETS EM'UP

The Student Council wishes to thank heartily all those upperclassmen who so willingly co-operate with us in every way their willingness to do everything possible before the end of the year. We hope that you will continue to be as active in the future. A hamburger fry is in the offing and promises to be an excellent outing for the college men. In due time the program will be set up and will clashing, when the leadership on the campus to carry out its execution. The cabinet and officers of the present year will welcome all new students who are interested and expect the active support of all of the Y. M. C. A. men of last year.

EARL C. WYER, President

MIXER A SUCCESS

Last Wednesday evening the freshmen get their first good look at the much-feared upperclassmen at an all-university mixer in the Men's gym. The affair was rendered more interesting by the presence of the Y. M. and Y. W. C. A. The music for the evening was furnished by Carl Beach and his orchestra. With a much improved stage, a truly enjoyable evening was spent by all. For those who did not care to round dance, Dr. and Mrs. Swanson were in charge of folk dances. We had many requests that this be carried over to the next week, which will be conducted by the upperclassmen. From this we can see that the freshmen are very nice class and expect big things from them.

STANDARDS FOR TEACHERS TO BE REVISED IN OHIO

The United Press brought forth this startling news for us recently: "Standards for teachers in Ohio High Schools are being revised and probably will go into effect next September. R. G. H. Reavis, supervisor of high schools in the state department of education, revealed today." The article goes on to state that the added requirements will probably be additional study in preparation for each and any of the subject fields of teaching. Furthermore, a try-out syllabus of the new standards has been ready for distribution about Oct. 1; mainly from this syllabus will the new standards be decided. Watch this column for further announcements on this subject.

WISE CUT

The Freshmen think that not all Freshmen are silly's when it comes to picking the Freshmen who have the sillies. They're really funny little tricks.

Signed, A Big Freshman
Perhaps I should entitle this column "Thoughts Over A Reducing Bill-Fold." I suppose you've been noticing how thin your wallet is getting, with the cost of living ranging from college.
It's awfully hard on their weight—in fact on their health in general. But for myself, I don't try to check up on their "low"—generally it has a bad effect on me, too. So I just had to on those green gel water bottles, I can say, and scan for a horse's.

Despite my best friend's skinny figure.

Let's open that hillside and fold and look at the groopest picture of Dick-Ge, I'll bet there are lots nice looking fellows on campuses and smoother dancers—too bad, Dick, but I do think that kid that brought home from the dance the other night has a few points worth noticing—let's say he's "a mighty fine fellow.

What's this?—a new card with a bit of poetry scribbled on it. I can make it out—it's sorta blurred but it's something like this:
The man in the close shave is bright and shining, and therefore turn mine inside out.
... now if that's talking of Dick, I wish I wasn't going home tonight. For surely the front from the back anyway.

Thursday: My classes seem to come easy; I won't have to study.
Friday: I kinda' like the music, I wasn't going ever get back there; I hate to study.
Sunday night: I don't think I can ever go back there; I hate it.
Saturday night: What? Why the rally, of course.
Sunday: No, I don't want to wait till morning to go back. I'll rather go tonight because I can see that the rally is more a serf. Monday: Isn't this routine awful?
Tuesday: Wonder if I dare skip church tomorrow.
Wednesday: I'll go to church this first time so, I won't get taught."

Your Columnist

Chatter

People who work constantly at a killing pace are generally better than those of us who were not educated Macphersons. Whose brain was not the least amount.

Though he studied all day he couldn't make a bit of headway in the course.

-The Frosh could make better time in learning the College hymn if more of the Upperclassmen knew it, especially the one. "Meet me at the yard gate a get away with singing the ap-

-Presumably, Tuesday: I'll bet he's step-

-It's sorta blurred that Pref isn't bad - maybe that course won't be the same later on. I was just trying to scare me—hug, but in college isn't so bad after all.

-What's this I hear you say— the teething is over and what was the "eagle said".

Signing off till next week.

WHAT'S THIS?

No Chapel seats assigned! Our momentary elation was cut short by a dread of the unknown events-to-come. We'll get 'em yet.

ANNOUNCEMENTS

Wednesday, Sept. 23—
Beta Pi Theta meets at 7:00 P. M.
Math Club meets at 7:00 P. M.
Kappa Delta meets at 7:00 P. M.

Thursday, Sept. 24—
Y. M. C. A. meets at 7:00 P. M. in Ad. building
Saturday, Sept. 26—
B. G. vs Western Reserve at Massillon
Monday, Sept. 28—
Emerson Literary Society meets at 7:00 P. M. Ad. building
B. G. News Staff meets at 4:00 P. M.
Tuesday, Sept. 29—
Opening Meeting of Folk Dancing group.

We Beg To Remark

This year was auspiciously begun with seen things two rows and one head of maple. This may marks the return of fickle prosperity.

The making of shows, wasn't "The Great Ziegfeld" an excellent spectacle? It did raise the people and it may be that the "Ziegfeld myth" was simply being given a bath and fingered polish, or whether it portrayed the real Ziegfeld. Personally, we'd rather believe the bright myth and the real Ziegfeld.

ENROLLMENT

The office reports that there are more than 1,100 student already enrolled in Bowling Green State University, and approximately twenty-five graduate students. It is hoped that the total will reach 1,200 for the semester. Accurate figures will be published next week.

Force of Habit

Two acquaintances who had not been seen a great deal visited me the other day, and the first time called at his house on Sat-urdav evening. Mrs. Macpherson called on me and said, "Does Macpherson live here?"
They asked, "Ask." "Was," was the women's re- ply, "just carry him in."

No Trouble At All

Doc—When the dance tonight, my suspension broke right in the middle of the dance floor.

-We were terribly em-barrassed?

No, my roommates had seen.

Slight Difference

Waiter—Did you enjoy your dinner, Sir? Customer—Yes, except the sweet. That was the worst.

Waiter—Did you have the plum or lemon pie?
Customer—Oh, no. I don't know, it tasted like glee.

But what was that? It was the plum pie, I simply cannot read on that chart... The pie was a success.

Badly Optician—How many lines can you read on that chart?
Patient—What chart?

THE FIVES were all on deck Thursday night for the first regular meeting of the new season. Sue Bellows is our commander for this trip. So far it looks like a pleasant voyage, although we miss some of the crew who didn't come back. Just the same, we're glad to see so many of the old ones.

Mary Caroline Lehman is the first lady to follow formal initiation last night.

Next Sunday, Sept. 27, the gangplank will be down to the entire University. We hope you will all come aboard to inspect our quarters between three and five o'clock in the afternoon.

We urge all freshmen boys to step in and see us anytime. We're confident you will enjoy some mighty fine "yarns."

We wish you all a "Bon Voyage."

THREE KAY KAPERS

We keep a heart all back together again—just one big happy family in our new home. We had an informal party complimenting all the lovely freshmen girls standing for our Carillons. The evening was spent in getting acquainted through the avenues of bridge, games and dancing.

Our house was filled to overflowing and we're looking forward to seeing them all again soon.

One of our Alumni is going to be paying quite a bit of attention to Lobengrin weddings and marriages. One person is Miss Ellen Rook. We hope that John enjoys her cooking as much as her as a member of our group.

Esther Shred and Janet Kozak are having fun trying to boil their luck elsewhere. Esther is going to attend Ohio State and Janet is going to take up nursing at Lorain County Hospital, Toledo. Don't forget Homecoming.

Goodbye for now, but remember—309 N. Summit is open to you and all! Make use of this invitation and come to see us.

ALWAYS WELCOME

FRATERNITY - SORORITY

DELHI DOPE

The Delhi Fraternity is proud to again be an active organization on our social and in our campus. We expect to do even better and greater things than we have done in the most successful year of 1935-36.

The seventeen brothers at the house take great pride in the completely redesigned and redecorated interior of our home at 244 N. Prospect. In fact, our living quarters are ideal.

We'll be having an "All-College Snoker" in the near future for the announcement.

LAS AMIGAS

The Las Amigas Sorority is happy to greet all of the new students. Our new house is at 223 Lake Wood with Mrs. Frank Pierent as our housemother. The girls staying at the house are Marjorie Lindsey, Virginia Miller, Phyllis Good, Evelyn Mack, Betty Nan Bowde, and Ruth Mount. We are beginning the year with a house-warming meeting Tuesday night. We hope with the aid of Miss Wills, our sponsor, and Ruth Ellen Mount, our new president, to have a very successful year. We wish the same to all of you.

PHRATRA PHASES

Phratra house is full to the brim this year. If you wonder "who's who" come down and see us. Our house is open for inspection from top to bottom. We have a special welcome for Freshmen girls.

A lot of our members who graduated have fine jobs and are very happy about them. We wish them a lot of luck. This goes double for our brides.

Welcome & everyone from Phratra.

THAT DO THEIR COOKING

Do you know that when you have gathered your lunch up you have spent 35¢ or 40¢? Why not cut that in half? Come to the Shell Station Lunch Room and get that big Jumbo Sandwich and a good cup of coffee all for 15c...try it once. It will make you a full meal.

GEO. ALDRICH
Falcons to Meet Western Reserve
(Continued from page 1, col. 5)
son, and others. Linemen who expect to see action on the front arie: Cordisco, isna, Westin-
ry, Herbert, Dotson, Heckler, Young, Cingaan, Hagemeyer, Trexel, Frantz, Newlove, Mus-
tain and others.

The schedule faced by the Falcons is by no means an easy one. Nine games are on schedule this year, more than usually faced by a B. G. team.

Only four games are cared at the home lot. The first chance for the university to get a look at this year's team will be on Oct. 10 when Ypsilanti, which is Coach Ockerman's Al-
men, invasion B. G. for a ui.-sle with the local griddera.

Nothing is being predicted in the way of a victory in Sat-
urday's nights game at Mas-
silon; but, however the outcome of the game, you can be assured the boys were in there trying during every minute. We expect the boys to have much more success this year than last. They must have coiilidi-nce and the college must haro confidence in them. Let's :all get behind Coach
