Huge Crowd Views Clinic

An overflow crowd of 1,200 persons comprised of coaches and students watched "Chuck" Taylor, a recognized authority on basketball, give an illustrated lecture on Nov. 9 in the University gymnasium.

Taylor, a former member of the New York Celtic basketball team and now traveling under the auspices of the Wilkes Athletic Co. thrilled the crowd with his clever ball handling trick shots.

Taylor was aided in his demonstration by members of the Varsity basketball squad. Several plays were described and run through by two variety teams under the direction of Mr. Taylor.

Proceeding the basketball clinic, "Chick" Graeme gave a talk on the care of wounds, etc. Harold Anderson, coach of basketball at Toledo U., gave a short talk on the new basketball rules that will be used this season.

The stadium will be located on the north side of the football field, where the present wooden stadium is located. The structure will be 300 feet long and 17 tiers high, and will extend from goal to goal. It will have press-box 36 feet long, with the necessary wiring for telephone and telegraph connections. Underneath will be sanitary accommodations, storage rooms, and a refreshment stand.

The construction will be of steel and concrete.

DOPE Upset AS Falcons Tie ADA

Local Eleven Outplays ONU

Homecoming is a gala event in any college, whether it may be Hayrack Teachers or Podunk Tech. Bowling Green State University was no exception and they nobly played the part Saturday afternoon. Ohio Northern trotted out his 1936 edition of the Falcon gridders to face the much smaller and less experienced Ockerman contingent.

The Bears left the field with a 7-7 tie and they were extremely fortunate to gain an even rating with the Falcons. A 15 yard penalty for unnecessary roughness forced the Orange and Brown back into their own territory where Northern took advantage of the "break" and scored in the final stanza.

The Bears took the field as favorites and from pre-game dope, looked like easy masters of the situation. The Bear forward wall outweighed the Falcon backfield, and their backs threatened to give the Bee Gee defense a busy afternoon. All in all, figures, except those on the big black score board in the end zone, favored the Polar Bears from Ada.

The clean vicious tackling that predominated the Falcon performances all afternoon came into its own early in the second quarter when Johnny Chestwood and Dan Clingamen, Ockerman's two fine ends tackled the Southern safety man on one of Jim Inman's long punts and the Polar Bear punt returner fumbled on the twenty 30 yard line, giving the Falcon eleven that golden opportunity to score.

The Bowling Green grid squad that fought Ohio Northern to a 7-7 tie Saturday afternoon was the smoothest working and toughest team of any college that have put out on the field this year. More than that, it was a team that knew not the meaning of defeat. The action was plentiful and the affair wouldn't have leaked into your parlour.

Cheer Leaders...

"Last Saturday, I heard this among the students: Bee Gee never has considered anything anything anything anything anything anything anything anything anything.

One who ever stop to think that it might be you? Do you help support a cheer leader by contributing your voice during a yell? Whether your voice is weak or strong, every one working and cooperating together will help immensely. A cheerleader can't yell alone, he needs all the students to back him up. What do you say, student body, are we going to put more effort forth and yell or leave it up to the cheer leader to do a solo? I think it might be a good idea to print some yells we don't know so well in the News Box, could I learn them.

This comes from one who was once a cheer leader. It is evidence from reading his remarks that a cheer leader, though he be no angel, is really conscientious in his effort to support the team. He wants to work with the crowd as well as possible; he wants to lead the yells the crowd wants; but unless the crowd cooperates, he might just as well be in bed.

As for the printing of yells, this came too late to our notice to comply, but the staff would be glad to print such yells if the cheer leaders would compose them, or gather together on paper those already used, and give them to some member on the staff--

QUILL TYPE

The present members of Quill-Type entertained the alumni members at a luncheon Saturday, Nov. 14, at 12:15 noon, in the Methodist church. Covers were later fifty-five.

Miss Mee, one of tables beautifully decorated with the season's flowers. Attractive place cards in the form of red quilts with the names written in black carried out the club's colors.

A short program followed the announcements. Each of the students present was given a pen and a sheet of yellow paper. Miss Nellie Ogles, the other faculty sponsor, was also present.

The remainder of the time was spent in visiting until the guests departed to attend the football game.

The Y. M. and W. C. A. are sponsoring the lecture.

ALUMNAE VISIT

Now that all our alumni guests have come and departed after the heartiest welcome of Bee Gee could extend to them, we're trying to settle down to assignments and get back to business.

It was such a pleasure to see everyone again, though, that it is hard to plant our feet once more in the "soil of knowledge."

Among our alumni sisters presented at the house this week-end were Betty Bennett and Martha Cas, who now attend Ohio State university.

Jane Kraus, now a student at the University of Michigan, and Helen Maher, of Defiance,

HOMECOMING has come and gone for another year except that the alumni have appeared in grand style, and we all felt we were to see them all.

The alumni had a chapter meeting at 8 o'clock on Friday night at Eta Psi's; they attended the football game in a group, and back to the house for tea completed the entertainment for the day. Yellow mums and the sorority colors of yellow and black decorated the house for tea after the game.

Fifty alumni and active members bravely braved the change in weather and attended a breakfast at the Woman's Club Sunday morning. Perhaps the well known cursive was due to an over crowded sleeping condition which, it seems, existed in any place where there was a bed. Several alumni stayed with us and we will always have room for them and anyone that ever drop in.

Homecoming is over but we're looking forward to even a bigger and better one in 1957.

SEVEN'S

So many of our friends and alumni were back that it seemed this was the most successful Homecoming ever held here. The Sevens held a Birthday dinner at the Woman's Club Saturday evening for the alumni. The room was lighted by blue tapetones, and was decorated with blue crepe paper, and everything was done by the alums. In the center of the table was a large birthday cake decorated with 14 candles and the sorority crest. During the dinner a welcome address was given by the president, Margaret Shelles, a response was given by Mrs. Dora Campbell, president of the alumni. Miss Nielsen, our sponsor, then cut the birthday cake. Several songs were sung by the entire group. After our dinner we attended a party at the Sevens house for a genuine get together and dance. Everything from school teaching to old flames were discussed, and it took it from both men and women. Interesting facts were revealed.

Vollberg Johnson, a former member of the Commoner Fraternity, was among the hundred couples that danced in the Sevens home. The Five Brothers really did their part in making this Homecoming successful.

"The biggest and best Homecoming of all!"

This is the quotation which we most frequently heard after all the excitement of the "coming-back" was over. And why not show more activity, if we are going to advance?

The Commercials seemed to enjoy the week-end. Those fellows who attended the Friday night dance appeared to carry their smiles with greater confidence and supreme happiness. At the Saturday midnight dinner a group of fifty brothers and sisters gathered for a general get-together. Everyone had an enjoyable time. The brightest spot of the night came when the alumni present showed a willingness to organize into an active group.

Did you know that on the eleventh of November the flag staff celebrated its thirteenth birthday? Did you also know that on one of the present active members of the Commoner Fraternity was greatly responsible for having a flag at the top of that tall piece of wood? We congratulate him for his efforts.

We've been having a high old time in the house this Homecoming week-end with thirty of our alumni back to enjoy Homecoming with us.

At end of campus on the lawn is the Drill Field, a fine place where there was a bed. The X's some voters put before the names on the ballot are real politicians, for instance. If some of us were as rich as some of our brothers and guests, we'd be for the biggest and best Homecoming ever held here. The Sevens held a Birthday dinner at the Woman's Club Saturday evening for the alumni. The room was lighted by blue tapetones, and was decorated with blue crepe paper, and everything was done by the alums. In the center of the table was a large birthday cake decorated with 14 candles and the sorority crest. FALCONS CLOSE SEASON WITH HEIDELBERG

Inman, Ihnat, Bateson
Conclude Careers

Three Falcon players will be appearing in their last games in BG uniforms as the University team meets the Heidelberg team Friday afternoon on the local gridiron in the final contest of the season.

Captain Inman and "Jenkey" Ihnat, two regulars, and Ross Bateson, a reserve, are the fellows making their last appearance.

For three years Ihnat has

been a power in the line and
Inman has been an outstanding
man in the backfield. His punt-
ing, passing and line bucking
have been a tremendous help to
the Falcons. Both of these fel-
lows will be missed next fall
when football practice begins.

The game Friday afternoon
with the Student Princes is a
pretty even affair but the odds
favor the Falcons to conclude
their season with a victory.
