The Board of Trustees of the Bowling Green State University met on the above date. The members present were Mr. E. E. Coriell, Vice President; Dr. R. J. Johnston, secretary; Mr. Minor Kershner, Treasurer. President J. J. Urschel was absent due to illness and Commander White was absent because of service with the United States naval forces. President Prout was also in attendance.

In the absence of President Urschel, Vice President Coriell presided.

The minutes of the previous meeting were read and approved.

The following resignations were presented:

- George Harrison, Janitor, effective Dec. 3, 1942
- Alice Murray, Janitress, effective Dec. 8, 1942
- Wayne Canfield, Janitor, effective Dec. 16, 1942
- Margaret Purdy, Distributive Education, effective Feb. 1, 1943

Dr. Johnston moved that these resignations be accepted. Mr. Kershner seconded. Voting yes: Coriell, Johnston, Kershner. Motion carried.

The following appointments were recommended by the President:

- Charles Clingo, Jr., Groundsman, to replace Kenneth Wyandt, transferred, at a salary of $1300, effective Feb. 1, 1943.
- John Rhoda, Janitor, Physical Education Dept., at a salary of $1200, effective February 1, 1943.
- Crayton Pearce, Janitor, Administration Building, at a salary of $1200, effective Jan. 15, 1943.
- Eleanor Wyandt, Janitress, Library, at a salary of $720 effective February 1, 1943.

Moved by Kershner that these appointments be approved. Dr. Johnston seconded. Voting yes: Coriell, Johnston, Kershner. Motion carried.

A petition was presented from the Student Council asking for an increase of 50 cents on the Student Activity charges for the coming semester, said 53 cents to be applied to the credit of The Key. This increase was made necessary because of the reduced enrollments and the consequent reduction in income to cover the cost of The Key.

Dr. Johnston moved that this petition be approved. Mr. Kershner seconded. Voting yes: Coriell, Johnston, Kershner. Motion carried.

The President advised at some length as to the recent developments of the army and navy groups that have had this institution under consideration for the training of army or navy men. Nothing definite could be presented to the Board at this time.

The President reported that the State Architect's staff had visited us Friday of last week to make a study of the location of the proposed fraternity unit of four buildings. It was the recommendation of the Architect's Office that we locate these buildings on the plot of ground directly between the University barn and Kohl Hall, facing Wooster Street.

Dr. Johnston moved that the Board approve this recommendation of the State Architect's Office. Mr. Kershner seconded. Voting yes: Coriell, Johnston, Kershner. Motion carried.

The summer school personnel was presented to the Board for approval.

Salaries were not indicated and cannot properly be indicated until the legislature has completed the appropriation for the University and until the summer school enrollment has been completed. Mr. Kershner moved that the recommendations for summer school be approved. Dr. Johnston seconded. Voting yes: Coriell, Johnston, Kershner. Motion carried.

Dr. Johnston then read to the Board a two-page letter from Mr. Shafer of the Economics Department in which he made a plea for employment in the summer school. After a short discussion, the Board instructed Dr. Johnston to send the following communication to Mr. Shafer:

Bowling Green, Ohio
January 25, 1943

Mr. Joseph Shafer
Bowling Green, Ohio

My dear Mr. Shafer:

Your registered letter was duly received and carefully read to the Board of Trustees at their meeting this afternoon. A brief and spirited discussion followed, participated in by all persons present excepting President Prout. I was directed to write you as follows:
1. The members of this Board approve of the decision of President Prout not to reemploy you for the coming Summer School Session.

2. These Trustees wish to emphasize to you that this Board is a legislative and not an administrative body. It is very well satisfied to leave the settlement of the administrative problems of this University, where they are supposed to be—in the hands of its President. It has always supported his decisions and expects to do so or get a new President in whose decisions it can properly have confidence.

3. From your letter we read quite conclusive evidence that you have not been and are not now in a cooperative frame of mind toward the University Administration. We earnestly advise you that if you are unable thus to be cooperative we shall be happy to receive your resignation from the faculty of Bowling Green State University.

The Board was unanimous on all three of the above points.

Very truly yours,

H. J. Johnston, Secretary
Board of Trustees
Bowling Green State University

There being no further business the Board adjourned.

Attest:

Vice President
Secretary
