The relative merits of the location between the Practical Arts Building and the present Science Building and a location on the north side of Ridge Street between Ridge Street and the cemetery were discussed at considerable length.

Mr. Rodgers finally moved that the Board approve the location of the Science Building between the Practical Arts and the Old Science Building. Mr. Kershner seconded. On roll call the following vote was recorded: Rodgers, yes; Kershner, yes; Bachman, no; Coriell, no. The motion was declared lost.

The President was then directed to try to find some way whereby property on the Ridge Street site might be secured for the Science Building. Mr. Rodgers moved that the State Architect be asked to assign the architectural firm of Britsch and Hunger, Toledo architects, to the task of drawing the preliminary plans and specifications for this Science Building. Mr. Bachman seconded. On roll call all members voting yes.

Mr. Rodgers moved that the President be directed to take the necessary steps to secure a transfer from Student Fees or V-12 Rotary the sum of $7,500 for the above mentioned architectural services, this being one percent of the estimated cost of the Science Building. Mr. Kershner seconded. All members voting yes.

The President recommended an increase in the dormitory board rate for girls from $4.50 to $4.75 and for boys from $4.50 to $5.00. Mr. Kershner seconded. All members voting yes on roll call.

Following a discussion of the problems relative to the construction of our proposed men's and girls' dormitories, Mr. Bachman moved that the President be authorized to issue the bonds necessary for the completion of the proposed group of five dormitories for men between Kohl Hall and the Riding Stables. This would complete the authorization of bonds provided for in the minutes of March 13, 1943. Mr. Kershner seconded. Voting yes: Coriell, Rodgers, Kershner, Bachman. Motion carried.

The President presented the resignation of Miss Grace Wills as Head of the Art Department. Mr. Rodgers moved that this resignation be accepted. Mr. Bachman seconded. Voting yes: Coriell, Rodgers, Kershner, Bachman. Motion carried.
