The Greyhound, chartered for the trip, was filled to capacity and enthusiasm ran high as the "all aboard" was sounded.

After the hot weather experienced in Bowling Green, the cool invigorating days spent in Chicago came as a great relief, and added greatly to the plea-

In going, the tour had been planned to take us through the famous dune region of Indiana, the six lakes, Lake Michigan, East Chicago, and various points of interest.

Upon arrival in the "Wind City" we went directly to the Auditorium Hotel on Michigan Boulevard where special party rates had been secured. Since it was so centrally located, it was our easy task to go up the various hotels and make a real after-

The work of Dr. Williams as president of this institution has been one of his well earned reward. He has started with nothing and taken a school through all the steps of its growth. We are now no longer merely a teacher's college in the forefront of northwestern Ohio, and it caused its number of students and the distances driven each day were sent in.

The recent heat wave melted all down, but our dear president, who took a little bit of its influence, continued to pour on the work. He: The popular English teacher, Homer Smith of Van Wert went home for the week-end and was elected district commander of the American Legion.

According to Dr. Knepper, his first announcement of the program has elicited many favorable comments on the timeliness of the topic and the method of presentation. It is pointed out by the president of the con-

A round Table Discussion will be the high spot of the meeting. The program has already been furnished to business education magazines and it is expected that it will appear in early issues of several of them. Abstracts of the ad-

dresses on the program will ap-

pear early in 1938 Business Education Digest, official mag-

azine for the Federation.

Dr. Knepper is chairman of the Round Table. Harvey S. Andrus, State Teachers College, Blinnburg, Pa., chairman, and Miss Edora Flint, University of Akron, is secretary.

Thus is brought to B. G. S. U. and Dr. Knepper much na-

tural publicity. It is further demonstrated that there is real leadership in our faculty. It is apparent that this institution has reached a stage in its deve-

loment when it can no longer afford to be a follower only in already well beaten paths edu-

cationally. It must begin to take the lead in educational thinking and experimenting. It undoubtedly has faculty capable of such leadership and it must be charged with failure to the ex-

tent that it fails to make the widest possible use of its ability.

Incidentally, the B. G. News co-

gratulates the Department of Business Education and its progressive faculty members on the favorable notice which will be given it in the next few months through the publicity of this program.

RATS KILL CATS

patches from Linan, in Northern China, today stated that rats were eating cats in that neighborhood. Witnesses said that one rat acts as a de-

vour. When a cat gives chase, the other rats surround and kill it.

SOLEBAT LEAGUE TITLE REMAINS TIED THIS WEEK

FREY WINS FOURTH STRAIGHT GAME

NEW RIVALRY AROUSED

Two more games of heads-up softball last Thursday kept the league title tied after the last game was called off. At present the teams led by Kohl and Frey stand at the top with four games won to one lost. The Gwyn and the McBride are tied for second, yet hit their stride and consequently are found today in the cellar tied with one game won and four lost. As you see a wide gap separates these teams leading the league and those bringing up the rear.
