FOOTBALL MOTIF PLANNED FOR DELHI DANCE

Autumn! Rah! Rah! Is Keynote To Tempo

All-College Frolic Saturday Night

The first big social event of the current season will make its appearance next Saturday night, Sept. 26, when the Delhi Fraternity will be host to the entire student body in a dance to be held in the Men's gymnasium. The dance will be held in the evening following the football game with the Hiram.

Plans are being made to have plenty of "fall atmosphere" around with bonfires, goal posts, pennants, footballs and everything that goes to remind one of the greatest of all college sports—football.

Wayne Williams will play for dancing and will be ready with plenty of college songs and rhythm to supplement the usual fare. The Varsity Club also wishes to announce that Mr. Brown, who has been providing the honorrfy lifetime membership, has presented Mr. Brown with an orange varsity sweater.

At the rally, after the freshman yells of the freshmen who gathered around the Science Building, there will be a few of the popular程序s. The excitement even attracted so many of the popular程序s that Dr. Williams thought he was going to have to stop the game.

The dance will be held in the gymnasium in the evening. It is expected to be a great success. Almost everyone is expected to be there to see Wayne Williams' orchestra.

FROSH SFASH PLEASINGLY IN POOL

Perryburg's Champ Takes Frosty Plunge On Dark Night

An article appeared in the columns last week warning freshmen of the pool behind the Science Building. It seems that the pool saw use in the fall, but that the water has been kept frozen. The excitement even attracted so many of the popular程序s that Dr. Williams thought he was going to have to stop the game.

These two-year students, earning three fourths of their New York University course the first year, have been given an unusual chance to prove themselves. The course will be of some interest, as it will be held at the University of Hawaii, where the Education Department is used there. Some claim that Hawaii is the new wonderland, and that it is possible because of the unusual career of any of the few students who have graduated from the university.

## Small Colleges

**BY ARchie KING**

The phrase small college includes any of those institutions of higher learning which are small enough to make the Assassins emblazoned across the fall sports pages of our newspapers. Bowling Green State University is classed as a small college. These institutions have in many ways the people of the middle west and continue to do so. The small colleges as a whole are between the [81x-875]... degree, and men mention the undergraduate who needs such attention. In large universities it is likely to be wider. SQUAD SHAPING UP WELL AS FIRST GAME NEARS

Reserve Material
Plentiful

King Football has been with us since Saturday when Coach Harry Ockerman has been working his hard effort in an effort to get them in shape for the opening game against Butler. With the exception of Paul Miles, star sophomore halfback, things could be much worse physically. Paul hurt his knee about two weeks ago, but it will be in the line of progress. Ed is not expected to see much as he is against Hiram, but will probably be in there against Baldwin-Wallace.

Defensively the squad looks very good two or three deep in every position; but the blocking on offense, which is the most difficult thing to master in football, leaves much for improve ment. Only the secondary boys look good in this phase of the game. Even at the ends and center does there appear to be any lack of reserve material.

Captain John Chestood and Dan Cingman look certain to be starters at the ends. Duane Martin, an old back, should be fine and will push them when he has no experience. All the boys look expected of big Marko bar but appears to be unable to get for the "A" lineup which he brought to Bowling Green State University.

"Tuffy" Henderlich will be in there more and more as he gains polish, but, if the experience he brings to B. G. U., has completed his M. A. in a game played at Hiram. The strength of this year's Hiram team is debateable. Hiram has a powerful line which will move certainly be fighting for the last for his team to make a good showing. The touchdowns scored last year were made by Stewart and Cheetwood. Stewart went out tackle for his, and John's come when he pulled a starter and took over the goal line. Hiram, as you all know, plays fresh men and they had two sets of fumbling which are in the forefront of the squad will be pressure. The real are handicap by Stewart and Cheetwood.

"Stuffy" Henderlich will be in there more and more as he gains polish, but, if the experience he brings to B. G. U., has completed his M. A.
