STUDENTS URGED TO ATTEND WOODY COUNTY PUBLIC FORUM

Benet, Pollock, Baker, deSales, Werrenrath on Schedule

Tickets for the Woody County Public Forum may still be secured from various faculty members: Miss Wills, Dr. Hopper, Prof. Fauley, Miss Dunnin, Dr. Bourne. Although the first number of the series is over students are urged to buy student passes to save money. Single admissions are 25 cents while if bought in season ticket each number would be 10 cents. The tickets are $1. Don’t miss the chance to hear Dr. Rafferty, Pollock, Wills Benet, Count deSales and others. You may never again have this opportunity.

This forum, of which Martin Hanna is president and Dr. Hopper the secretary, has been conducted for the benefit of everyone in the community. It is a great opportunity for wide awake citizens to listen to discussions and help decide issues before them today. After the lectures there will be a public discussion in which everyone can enter.

These forums are to be held in the high school auditorium and are to begin promptly at 8:00 p.m.

The program for this winter is as follows:

Oct. 5 - Dorothy Fuldhaim
Nov. 2 - Capt. Patrick Smith
Nov. 16 - Maj. James Sawders
Nov. 22 - Channing Pollock
Dec. 7 - Charles C. Batshelor
Jan. 11 - Jacob Baker
Jan. 25 - Count Raoul de Sales
Mar. 1 - Martha Gelhorn
Feb. 15 - William Rose Benet
Mar. 1 - Biehl Werrenrath

Admission prices for a season ticket are $2 for adults in the community and are to be $1 for university students. Four hundred and fifty tickets have been sold and about 100 have been sold to outsiders. These figures are proof that the event will be a financial success though the tickets are priced so very low.

College Hymn

Home of aspiring souls, our college stands
On fertile plains where once reigned
dreamed Indian bands,
Where gorgeous sunsets tint the bending sky,
Where pioneers strong in dust now lie;
Keep high the flame enkindled as their shrines,
Our hearts in beauty to entwine.

DR. ALLEN CONTINUING RESEARCH ON WHITMAN COMPARISONS

To Appear Again Before Modern Language Group

Dr. Gay W. Allen of our English department, recently published an article entitled “Walt Whitman and Jules Michelet.” It was published at the Sixth Congress of the Modern Language Association, held in New York University, and was reviewed and highly praised by the “Norweegian”, one of the most prominent French papers.

Dr. Allen’s field is in the comparison of Walt Whitman and other European writers. His work has already received recognition, and he has been highly interested in her fatherland for the following popular magazines, Etudes anglaiscs, American author, and in English and Germanic Philology.

Dr. Allen is new working on another booklet, to be entitled, “Walt Whitman’s Long Journey.” This book, carrying the Motif in Whitman’s work, he will also compare the use of it in the Scandinavian authors, Werangel, Hans Christian Andersen, and Johannes Jensen.

Dr. Allen appeared before the Modern Language Association two years ago when it was held in Cincinnati, and has been asked to appear again this year. Some of the prominent Whitman scholars to be present are: Newton Arvin, of the New Republic staff, Clifton Furr, University of Illinois, Conservator of Music, and Emory Holloway, well known biographer. Dr. Allen’s next appearance will be in Chicago during the Christmas holidays.

“Y” Groups Hear Spanish Speaker

Thursday evening Senora Floripe spoke to a joint meeting of the Y. M. C. A. and Y. W. C. A. on “A Spanish Tragedy.” Her broad and fastidious knowledge of the subject combined with her charming manner of presentation made the program a success. The evening for the entire group. Senora Floripe’s recent travels in Spain formed a picturesque background for her talk and her interest in her native tongue was a stimulating force. Some of the leading groups in Spain took in the lecture. Senora Floripe is the director of the Salamanca Conservatorio de Musica and Emory Holloway, well known biographer. Dr. Allen’s next appearance will be in Chicago during the Christmas holidays.

Stay For Homecoming...

Freshman and all other students, we urge you to plan to stay over for Homecoming week-end. Put your suitcases away this week, make big and all alumni and attend various activities on Homecoming time. Of course, it is only a foretaste of the real Homecoming to be planned for later in the year.

These remarks are especially for the benefit of the freshmen, but all students are urged to attend the Homecoming observances.

For the benefit of the freshmen we will say that all these preparations are for the purpose of renewing old friendships. The Delhi fraternity is having a fraternity dance at the Legon Lounge. The Theta Pi Sigma is having a luncheon Sunday afternoon at the Women’s Club. Of course, at this club the Five Sisters Sorority plans to have a luncheon also at one o'clock. The Five Sisters are having an alumni meeting on Saturday morning. From then on they will return to the schedule of catering for hot chocolate.

The Home Economics Club is having their breakfast at nine o'clock Saturday morning in the new apartment. Some other sororities and fraternities have been busy with plans. These are only a few of the plans originating.

The big thing, of course, is the All-College hop on Friday night, following the football game with Wittensby.

For the benefit of the freshmen we will say that all these preparations are for the purpose of renewing old friendships. It strengthens loyalty to the University.

It Seems

By Andy Rohrbough

It seems to me that the utter lack of a repertoire of college songs is a complete disgraceful. Although I will never forget the songs I was impressed when I first heard 'the "College Hymn."' I never supposed that it was the only college song known to the students. I would place as the minimum that should be known: a campus song of some type, a victory song, and a foolish song or two.

During the rally last Friday the need for a good stock of songs came very apparent. Several attempts were made to sing a good song, but after running "Hall, Hall, the Gaunts All Here" there was simply nothing more everybody knew. Then too, after the rosetta was formed and the session of yells were given the only thing to sing was the hymn. The hymn is not a song to the pep session or the hymn. And whose fault is it do you have no college songs? Why, the students, of course. If the students have to plan to some particular group I would say the Music Department. Not to Prof. Tunicleffe and his flock of long-haired professors, but to the students themselves. I don't care how well you thumb a piano, warp a fiddle, or if you can scratch varnish off the roof with a sickle high, while vocalizing. They should be able to come down to earth and sing enough to make just a few peppy tunes suitable for Saturday night. We say regarding Band, Harmony and some of those other masters of old music, but we would appreciate a little more ordinary music that might be more practical.

I wish to add another occurence to the Five Bros. for the splendid did rally dance and hope that I am not too old fashioned to do so. I am not too old fashioned. I honestly think that everybody has a good time in spite of the fact it was watered down, it wasn't certainly their fault. You know even good times could be had in the presence of turf. We say regarding Band, Harmony and some of those other masters of old music, but we would appreciate a little more ordinary music that might be more practical.

FALCONS UPSET CAPITAL SATURDAY WITH SCORE 12-0

Showing the versatility and drive expected of them earlier in the season, a rejuvenated Falcon football machine Saturday scored a 12 to 0 victory over a highly favored Capital eleven, before a dedication day crowd of 27,500. The old dedication day tax was knocked for a loop as Bowling Green dominated play in the game, and scored touchdowns in the first and fourth quarters to beat the boys from Columbus for the first time in three years.

Led by Wayne Stewart, who scored one touchdown and add to it in another, the Falcons out-gained Capital 213 yards to 103 yards and scored 14 first downs to 5 for the Lutherans. B. G. 1’s first tally came in the first quarter after a sustained march of 75 yards. Stewart rushed off 20 runs and 22 yards to bring the ball deep in Capital territory, and then drove off tackle from the 5-yard marker for the score. His kick for extra point was blocked. The Falcons capitalized on a blocked punt by Heisler in the fourth quarter and took the ball on the 30 yard line of the blue and white. After a pass and a run, Stewart dropped back and took a perfect pass into the arms of Clingaman in

The uniformed dummy which was displayed hanging by its neck, was an object of much interest at the Fives Room dance. Most satisfactory was that the team was successful in Capital squared around and handling them as the dusk was cleared after. Byrck Marshall had carried it to the head of the snake dance. Observing the work of the centers of the other teams of the paper, one couldn’t help notice the fine ball handling of the boy who got off one or two misdirected passes.

The fine play of Steve Pen-

President Offenhauer addressed the Wood County M. H. Student from Urbana Jr. College, and returned the team here, this Saturday.

The Capital band was very good, their efforts between the halves nearly as fine as our own musical organization. The four cheerleaders contributed to the colorful atmosphere of the game, but fortunately our boys gave them little to cheer about. Incidentally Lois Egbert's fre- lodi night cheer leading indicated she would be a fine candidate for the regular squad.

The Capital victory will again make our supporters most optimistic concerning the record of our team for the remainder of the schedule. Over-optimistic observers predicted an undefeated season for our team and were very bitter concerning the B.W. and Ypsilanti encounters. If everyone would quit talking and realize that we will not get into any of our remaining games with any better than an even rating from the various systems listed in the papers, the team would benefit greatly. If our team is successful in their efforts to turn in more victories, we should be very much pleased and not take atti- tude that they were "sup- posed to win."

The ceremony was closed by the singing of the national anthem.

President Emeritus H. B. Williams opened the dedication Saturday at the victorious game over Capital University.

The dedication was of interest to the state as well as to the community inasmuch as there were representatives from Bowling Green and Governor Davey's legislature. Bowling Green was represented by the mayor and the superintendent of schools. Senator Adams, State Representative Canfield, and former Senior Dunlop represented the interests of the Ohio government.
