The Board of Trustees met on the above date. Members present: Mr. Bachman, Mr. Rodgers, and Mr. Schwyn. The minutes of the previous meeting were read and approved.

The President notified the Board of the receipt of a Federal check of $4330.00 final payment toward the construction of dormitory accommodations in the North Dorm area. He recommended that this money be deposited to the credit of the emergency dormitory fund. Mr. Bachman moved that this sum of $4330.00 be deposited to the credit of the emergency dormitory fund. Mr. Schwyn seconded. All voted yes on roll call.

The President notified the Board of the advertising for the new men's dormitory #8. Bids will be received on March 11. He indicated that receipts will be available for the building of #8, and it is possible that they will be available for building #9. It was the unanimous judgment of the Board that, if possible, we should build two dormitories instead of one.

President Prout presented to the members of the Board of Trustees a resolution authorizing the issuing of $350,000.00 of dormitory revenue bonds, the proceeds from the sale of these bonds to be used for the construction, equipment and site improvements for dormitories 8 and 9. The resolution presented is as follows:

March 12, 1949

The Board of Trustees met in Room 21 of the Shawan Hotel at Tiffin at five o'clock on the above date. Members present - Mr. Rodgers, Mr. Bachman, and Mr. Schwyn. Mr. Donnell and Mr. Kershner were unavoidable absent. The minutes of the previous meeting were read and approved.

The President submitted to the Board a summary of the bids received Thursday, March 10th for the construction of one of dormitory #8 and dormitory #9. The question immediately arose as to whether one or two dormitories should be constructed at this time. The President reported that the Attorney General approved the purchase of Dormitory Revenue Bonds under the terms of the Adams Act for investment by the State Teachers Retirement System or the State Employees Retirement System. He further stated that the State Employees Retirement System has asked for the privilege of purchasing not more than $300,000.00 worth of these bonds. Mr. Bachman moved that in view of the fact that financing of two dormitories has been secured, the Board authorize the construction of dormitories #8 and #9. Mr. Schwyn seconded. All voted yes on roll call.

The President then submitted the following recommendation of the State Architect:

Steinle-Wolfe Company

Mr. Bachman moved that the recommendation of the State Architect be approved and the necessary steps be taken to have the proper contracts drawn with the above mentioned low bidders for the construction of these dormitories. Mr. Bachman seconded. On roll call each man voted yes.

In view of the fact that there was no low bidder for the heating, both Hildebrand and Gesling submitted bids of $19,880. Mr. Bachman moved that the heating contract be awarded the Hildebrand Company of Toledo. Mr. Schwyn seconded. On roll call each man voted yes.

The President discussed with the Board the sources of funds for the erection of the Building. It was moved by Mr. Bachman and seconded by Mr. Schwyn that President Pruett be authorized to purchase dormitory revenue bonds under date of issue March 15, 1949, in an aggregate sum not to exceed $100,000.00, said bonds to be purchased from surplus funds in dormitory or other local accounts where, in the opinion of the President, the money should be invested in revenue producing bonds.

Voting aye: Mr. Rodgers, Mr. Bachman, Mr. Schwyn.

Motion carried.

The President requested that the following letter from Director Sowers be inserted in the minutes as a matter of record:

The Board of Trustees met on the above date. All members were present. The minutes of the previous meeting were read and approved.

The President asked the Board to discuss the desirability of reducing the number of students per room fifty per cent in the Federal Government temporary housing. After considerable discussion, Mr. Donnell moved that the President be directed to cut the occupancy of the above mentioned dormitories to fifty per cent of the present occupancy with a proviso that the overload be continued, if necessary, in order to care for the students who next semester will be assigned to dorms 8 and 9, said over-occupancy to continue only so long as 8 and 9 remain unfinished. Mr. Kershner seconded the motion. On roll call, all members voted yes.
