Novice Debaters Win Decisive Victory At Hiram Tournament

The entire class in Wholesale

ing with instructor Louis F. Marchant and Dean Hendberg made a trip to Lima on Jan. 6, to go through the United Buyers Association Wholesale Grocer

Mr. Smith, president of the company, entertained the students through a tour of the buildings and explained every feature of the house. He is a very impressive and disarming speaker. After the tour Mr. Smith showed the students a moving picture of how the Lima Wholesale company stimulates sales for retail stores.

Mr. Warneke, sales manager of the association and formerly associated with the Atlantic & Pacific, gave the class a complete history of the organization and told how they set up retail stores using their own national brand of groceries.

Heidelberg Halts Falcon Victory Streak

The undefeated record of the Halts in the Falcon high school at Lima was broken by the excellent Heidelberg team last Thursday night by the score of 39 to 36. The game was played at Tiffin in the Tiffin Columbian high school gymnasium.

Duff Madaras started things going with three baskets in five minutes. Holdersky killed the score but Zechman tossed in two quick baskets going with three baskets in five minutes. Holdersky killed the score but Zechman tossed in two quick baskets.

The Falcon defeat was expected but at that time they were able to hold the Halts in front 20 to 20.

A special feature of this week's meeting of the Y. M. C. A. will be a "Swim" in the To-
dido, Y. M. P. pool. Another high-light of the program will come when the Chief Secretary of the Toledo District, Mr. Radebaugh will speak to the members. He will tell what the opportunities are for young men in Y. M. C. A. work. All members who are going on this "Swim" are ask-
ed to be in front of the Ad. building at 4:30 Thursday afternoon, with ten cents, and ready for a full evening's ac-

Last Thursday evening the C. A. C. had as their speaker Dr. Siebens, who gave an infor-
tal talk on "Governmental Trends in Europe Today." He passed a map among the boys showing how much of the world today is under the Dictatorial Rule. After this very fine talk, a period for discussion was held. Another very interesting feature was a quartet under the direction of the sponsor, Prof. Faulk.

Caution! Consider Campus!

Like sheep following their leader—drowns of students are doing endless damage to our campus lawns. Needless of the courteous rear, it appears that they are waiting for the “Big Bad Wolf” to chase them off.

The trespassers might be excused when the walks were treacherous and taking to the lawn seemed the only refuge. But the sidewalks are no longer slippery. There is a definite need for united cooperation to further damage.

In the future, it would be appreciated if students would go plodding across the slushy lawn.

The ground is soft and mucky from the recent thaws, but it seems the girls are quite treacherous and taking to the lawn seemed the only refuge. But the sidewalks are no longer slippery. Therefore, it should not be called a recreation room. It is more recreational for bowling, ping pong, billiards and other games which are purely recreational.

Cheering Comment

Whoever saw a winning team without a cheering student body behind it? None. Doubtless, it is a well known fact, that the cheerleaders of Bowling Green University are among the leading teams in the Ohio Conference and a lot of it is due to the exceptional team cheering we have had at the recent games by the student body. Whenever the “going gets tough” some human aids have been on the job and the local supporters will work wonders in turning the tide from defeat to victory. This was evident in the game with Mount Union and again last week when Hiram appeared on the local court.

Now, we all know that there cannot be any noise without cooperation from the support sections and they may be the most important part of a place to play games and lounge in a very informal manner. Further, a recreation hall, as defined by other schools, is a building which presents facilities for the students to “shoot the long, ping, pongs and billiards and other games which are purely recreational.

BOWLING GREEN’s new annex does not fit this description; therefore, it should not be called a recreation room. It is more of an accommodation for dances, balls and affairs of a somewhat formal nature. In this light it merited an eminent and dignified title.

The Bee Gee News is, therefore, presenting the name Recreation Hall and is incorporating it in its policy. Without any formal christening, therefore, shall we go to the Recreation Hall Saturday evening?

Ad Class Visits Printing Plant

The advertising class of the business administration department visited the Gray Printing Co. of Fostoria, Ohio, on Thursday, Jan. 13, for the purpose of viewing the advertising production and printing industries from a practical standpoint. The tour of the plant was made especially interesting due to the fact that it was conducted by Mr. Gray, president of the company.

The class was able to follow the progress of an advertisement from the original layout to the final product.

Exchange

From the College Campus:

Tulodo University’s physical education department for women has made a class in modern dance for freshmen for the first time. This class started Jan. 3 under the supervision of Miss Bertha D. Rensberg who is director of the women’s physical education. Unlike our classes here, it is held once a week only, and is considered an extra-curricular activity for which W. A. A. credit is given.

A story comes to us from the “Campus” in which it is said to be true. It might interest certain Bowling Green students. It seems that a professor arrived late one day to find the class in an uproar.

“Indignant, he shouted, "Gentlemen, order! Beep!" Yelled the class in unison.

Methodists Organize National Fraternity

On January 12, 1938, several Methodists University. Students met at the local church to elect officers and make preparatory plans for the formation of a special church.

To bring into effect the plan, a group of thirty-odd Methodists, the first church group in the country, were organized.

1. To aid in making the work more permanent and in church.

2. To aid in increasing the support of the church.

3. To aid in bringing the increase and other students into contact with the church.

SHAVINGS BY BOB BARON

Whenever Kent State U. and Bee Gee State U. meet in any athletic game it's more than just a contest because neither would like anything better than to see the scalp of its sister school hanging in its victory list, but both Kent comes to Bee Gee Friday night to meet the Falcon cagery a super-struggle is in the making. The reason is that both have won two and lost one in the series and both are ranked equally at the present time.

But in addition to that, the size and experience of the two squads are almost identical. Although the record of the Falcons, which shows 4 wins and 4 losses, is less formidable than the six victories and 1 loss experienced by the Lindseians, the general caliber of the teams which Kent has faced has been much higher than that of past Falcon opponents.

Since both teams have lost one game in the conference a Falcon victory will virtually eliminate the loser from the contender class of the loop while a Kent victory would keep them within striking distance of the leadership.

For us, we're picking the Falcons again because we think the Hiram fracas was an experience that B. G. will recall dimly. falcon coach, and that B. G. will calmly continue to lead Falcon marksmen.

The leaders in the league will be the Rebels who will knock out the Mark Center, Ohio, and get back into the Ohio Conference running Friday when Kent State U. and Bee Gee State U. meet in Bee Gee.

KENT CAGERS HERE FRIDAY

Bowling Green will attempt to get back into the Ohio Conference running Friday when Kent State's Flashes invade the local hardwood. Past records of the Falcons indicate that they will have a few sophomores who have been continually crowning lettermen for starting berths.

Meanwhile, Coach Landis has had a hard time this week ironing out the glaring faults in passing and shooting shown in the Hiram and Heidelberg games.

The Five Bros, Prat has dominated the tournament so far. The Delhi Fraternity is running up a record of 5 wins and 0 losses.

The dark horse in the league is the Rebels who will knock off some of the best in the league, now that they have hit their stride. The Rebels have 3 men in the high scoring column: Creyle, freshman, 68 points; Rydner, Sophomore, 47 points; Hefner, Sophomore, 40 points.

Incidentally this man Creyle was an All-State forward from Ohio three years ago. He played on the Mark Center, Ohio, high school team, who were runners up in the state class B tournament.

Rychner was an all-county forward from Hicksville, Ohio, high school, who was second in the scoring column.

Hefner, another Rebel star, was also all-county forward in class B from down near Lima, Ohio.

Kent Stalwarts

These three veterans of Kent State University's cage team are expected to give the Lindseians plenty of trouble when they invade Bee Gee Friday night with one of the best basketball teams in the Flashes' hardwood history. Kemp is a fine backcourt man and that B. G. will calm their future conference schedule.

The Falcons stayed nicely in the lead in the first 10 minutes of the second half and it was 35-25. Bishoff and Cordisco soon went out on fouls and were replaced by Smith and Kiny. Heidelberg went into a fast break and scored two by Kiny and Bishoff. From back of the center line, they scored two baskets to make it 42 to 34 with 2:43 left. George Fischlein, then Zachman made the last Falcon basket, but Heidelberg made another long one and then a short one to put them ahead 36 to 36. Then Harold Conrad, with 15 seconds to play, scored in the hoop to pull up from the seventh spot.

RECEPTION HALL TO BE SCENE OF SOPHOMORE FORMAL

The Reception Hall in the Administration Building this Saturday, January 22, will be the scene of the graduating Sophomore Formal. Betty Gets, President of the Kindergarten-Primary Club, and Dorothy Adams, President of the Intermediate group, head the group planning this second formal dance of the season. Their assisting chairs are Donna Parker, Music; Virginia Fels, Program; and Wanda Sitter, decorations. These graduating Sophomores will dance to the music of Guy Workman and his orchestra, and are the first to use the New Reception Hall.

NEW YORK SPEAKER HONORS PRESIDENT EMERITUS

The dinner on January 12 at Batzal Hall brought together faculty and special guests who paid a friend and educator, Dr. Homer R. Williams. Acting as toastmaster for the occasion was Mr. E. L. Bowsher, Superintendent of Schools of Toledo. Miss Harriet Hayward, representing the faculty, and Mr. F. J. Prout, representing the Board of Trustees, gave toasts, which were responded to by the President Emeritus. Prof. Merrill McEwen added to the occasion by singing three songs, "America," parodied the "Looney Tunes," and the "Looney Heart," by Tchaikowsky and "Duna" by McGill. The address was delivered by Dr. F. J. Brown, Associate Professor of Psychology, New York University. Dr. Brown spoke on "The Functions of an University."

Three tall ivory-colored tapers, set in a ring of green leaves and yellow chrysanthemums, decorated the tables for the dinner honoring President Emeritus William. The cocktail, which was planned the three-course meal, was chilled fruit served in colored grapefruit shells, top- ped with cream. As a fitting climax for the bountiful main course of turkey, individual molds of ice cream, shaped as various fruits were served with small ice and decorated cakes.

Special guests at the dinner were: Dr. J. E. Williams, President, Kent State University; W. B. Bliss, Secretary of the O. R. A. Mr. and Mrs. E. L. Bowsher, Superintendent of Toledo schools; Mr. and Mrs. L. N. Montgomery, member board of trustees; former president, N. A. Ganz, and A. L. Gehrke; former representative Myrna B. Hanna; Mr. William Diamonp; Senator and Mrs. Fred Adams; Mr. and Mrs. A. B. Conklin, Superintendent of Schools, Bowling Green; Mr. and Mrs. A. C. Cassery, Editor of Sentinel Tribune; Dr. and Mrs. F. D. Hallock, and Mr. and Mrs. Marshall Sherrer.

SKOL HELL WEEK

It was Hell Week in the Skol Sorority for the poor pledges, who were seen around the campus with horn-rimmed spectacles and red and blue fingernails, diligently scrubbing the steps of the Ad. building with their toothbrushes. All week they performed menial duties at the sorority house, which was cleaned by rough initiation last Tuesday night. Last night formal initiation for pledges took place.

FROSH DANCE

The Froshmen are to be congratulated on their attempt at sponsoring a social affair. The Froshmen all-campus last Friday, Jan. 15, was a resounding success, from the standpoint of both "Froshmen" and upperclassmen. The decorations, simple yet effective, were carried done in green and white. Mellowing of green lights, and a green and white canopied orchestra pit, were the decorative highlights. Wayne Williams and his ten-piece band swung into rhythm, for the crowd, some of the dancers swayed into the "Big Apple" Dance. In the receiving line were: Dr. and Mrs. R. E. Offenhauer, Dr. Clare Martin, Dean and Mrs. Harris, Dr. McMillan, Dr. and Mrs. Williams, Miss Maude E. Sharp, Dean, and Mrs. C. J. McCain, Dr. and Mrs. E. C. Powell and Mr. H. L. Meyer.

PHRATRA FOUNDER'S DAY DINNER

The Phratra sorority celebrated the fifth anniversary of the organization Sunday with dinner at the Women's Club. Sixteen places were marked at a long table decorated with yellow and green flowers. Mary Louise Frasier gave a short talk, which was followed by another by the president, Catherine Reck. Miss Ninas Beattie gave an interesting talk on the founding. Tuesday night four upper-classmen were formally initiated into the Phratra sorority. Those girls are Marion Wyper, Jane Stahl, Shirley Hanson, and Rita Haskin.
