The Board of Trustees met on the above date. All members were present but Mr. Kershner. The minutes of the previous meeting were read and approved.

President Prout reported that the Science Building is progressing very nicely and we are about two to three weeks behind schedule which is very good considering the bad weather we have encountered the last few weeks. He reported that there were a number of change orders found necessary for the various contractors as a result of additions desired by the Chemistry Department and some omissions by the Architect's Office. He reported the following change orders had been recommended and requested that the Board of Trustees approve the issuance of these orders:

The Einheit Electric Construction Company - Extras to AC Contract - $500.00. This is to provide for additional conduit in the basement which was originally omitted because the completion of the basement was taken as an extra and no provision was made for electric service. It also provides for exhaust fans, switches and pilot lights for ventilating the various rooms and additional outlets in some of the laboratories.

The Watts Construction Company - $1164.00. For the installation of 41 concrete bases on the roof slab to provide for adequate mounting, ventilating fans and motors. Provide acid resisting connections in waste lines where they were originally omitted - $69.65. To install acid resisting waste lines in cold water and gas services to a laboratory hood in Room No. 1 - $135.71. To install an acid resisting line in Room 1-B - $263.84. To install an acid resisting line in Room 23 - $354.00. To install clear heat absorbing glass for all exterior windows on the south side of the building - $977.00.

Heating Plant - Extra order to Watts Construction Co. - $50.00. To provide and install water proofing plaster on an area not covered by specifications. This area is the north side of the column 3-B.

It was moved by Mr. Schwyn and seconded by Mr. Donnell that the above extra orders be approved.

All members voted aye.

Motion carried.

It was moved by Mr. Donnell, seconded by Mr. Bachman, that in the future the President or Business Manager should have authority to enter into any change orders not exceeding $1,000.00 without referring the matter to the Board of Trustees.

All members voted aye.

Motion carried.

The President presented the bids on the heating plant received on February 17. The following list is a tabulation of the low bids and were recommended for contract awards by Director Linzell:

TOTAL: $307,997.70

311,894.41 --- total revenues
Mr. Bachman moved that the above low bids be accepted and the Director of Public Works, Mr. Linzell, be directed to enter contract with the said low bidders. Mr. Donnell seconded; all voted yes on roll call.

The President presented the bids for tunnels received this date:

- Mosser: $33,435.00
- Steinley Wolfe: $38,537.00
- Kranz: $42,000.00
- Watts: $41,611.00
- Groscup: $33,360.00

Mr. Donnell moved that the low bids to the Mosser Construction Company be accepted and the Director of Public Works, Mr. Linzell, be authorized to enter into contract with the said low bidder. Mr. Bachman seconded; all voted yes on roll call.

The Board discussed a proposed change in Williams Hall whereby 80 additional beds could be secured by adding a third floor. The cost of this addition would be $105,000.00. Mr. Schwyn moved that this addition be approved as soon as possible. Mr. Donnell seconded; all voted yes on roll call.

Considerable discussion followed on the proposed use of the Gracel quarry as a University swimming pool. The Board felt that before a decision was made they would like to study the problem. It was agreed that the decision would wait.

Mr. Kreischer reports that it will be necessary to transfer funds for sinking fund payments for Dorms 8 and 9 and has suggested the following for approval by the Board:

- FH0M - Kohl Hall: $2,000.00
- MR 3 & 4: $1,661.00
- MR 5: $500.00
- Emergency Dorm: $4,000.00
- Try Hall: $1,000.00

Mr. Kershner moved that the low bids of the American Seating Company, $4,911.20, and of the Kerer-Johann-Wemler, $96.00, be approved. Mr. Donnell seconded, on roll call each man voting yes.

The President informed the Board that the bids for the remodeling of Williams Hall will be opened on May 9. The total estimated cost is $158,000.00 including lockers.

The President then made a report of Senate Bill 2246 relative to loans to colleges and universities from the Federal government to build dormitories. It was the unanimous vote to avail ourselves of funds when they become available to build at least a large men's dormitory east of the art building.

The President presented a request of Beta Sigma Fraternity for a loan of $1500.00 from dormitory funds to furnish their lounge. It would be paid, beginning in 1951, in yearly installments of $500.00, running over a period of three years. Mr. Bachman moved that the loan be granted. Mr. Donnell seconded, all voting yes on roll call.

Mr. Fred Grosecup was authorized by the Board to secure approximately 2000 loads of dirt at $3.50 per load for the grading in front of dorms 8 and 9. It is estimated that the project would cost $7000.00 and would be paid for from Federal Rotary funds.

The following payroll changes were presented. Mr. Schwyn moved they be accepted, Mr. Donnell seconded, all voting yes on roll call.
