Two-Thirds Majority Needed to Pass Bill

Students vote today on the amendment to the student association constitution which will create a board of publications to nominate candidates for Key editor, and associate editor and Bee Gee News Editor. Voting is in Reception Hall from 8:00 to 4:00. A two-thirds majority is needed to pass the amendment.

The election committee appointed by the Student Council is composed of George Squire, Virginia Mae Powell, James Gilmour, John Avey, and Josephine Mercer. Whether the amendment passes or not, election of a Key editor is almost impossible this year because of the amendment. Student Council will nominate three candidates to be voted upon by the student body; if the amendment passes, the new board will do the nominating.

In either case, there is possibility of an election being held during exam week, George Squire, Council president, stated.

Faculty Seeks Opinion

Faculty are asking their students about their grades this week. The spectacle of professors requesting information and opinions from the supposedly ignorant student body on their own campus is a folk fable.

But others are resolving to take advantage of this chance to express fully their opinions, previously only half-formulated in bulk session or in gossip, to the committee. For as Dr. Krepper, chairman of the committee, stated, “These questionnaires can be of great value to us in revealing undergraduate attitude and thought. We will carefully consider the findings of the poll.”
