ELECTION CAMPAIGNS STIR STUDENT INTEREST

N. Y. A. Increases

Employment List
To 107 Students

One hundred and seven University students are employed here in N. Y. A. this year, an increase of fifteen over the number employed last year.

The number of students that it is possible for the University to employ is theoretically based on a certain percentage of the enrollment at a given time last year. The percentage for this year was raised to 0.3 percent as against 0.2 percent for 1927-28.

The appropriation from the Federal Government is $1085 per month, or $14,465 for the coming year.

Students are selected on three important points: ability to do college work successfully, financial need, and promise. No student who has less than a two point average is eligible to hold an N. Y. A. job.

Of the one hundred and seven selected, sixty-seven were undergraduates, and forty were freshmen. Ohio students were given preference out of state students merely because they are Ohioans, and the same N. Y. A. appropriation. For that reason Ohio students held seniority over residents of other states.

To freshen up, employment classrooms have been photographed, and the name, B. G. address, and telephone number of each student, and member of the faculty, will be mailed directly to pay checks. This year the Ohio State University has enrolled 2800 students, an increase of 270 over last year's enrollment.

Homecoming Queen To reign

Over Annual Celebration

Having obtained the approval of the Social Committee, the executive committee of the CCO announced Monday completion of arrangements for the selection of a Homecoming Queen to reign at the Kent State football game here Nov. 5.

Students to Vote

On All Officers

For Four Classes

With election day only two days away, both the S. L. G. and the C. C. O. are in the midst of one of the most extensive campaigns the University has seen. Both factions completely filled the campus with campaign material at press time, after a long week of changes and additions.

All the class offices will be filled by the coming election as well as the election of the freshman Social Committeeman and the freshman Student Councilmen. The vacancy left by Bob Wirth in the junior class will be filled by an election of the junior class officers.

In the senior class, two of the most outstanding men on the campus, Millard L. Kermit Long, and Kermit Long, are contending for the presidency. Both parties have been most active. Both parties in their campaign are more year, he acted as assistant editor of the Y. M. C. A. handbook, this year it is being printed by the Federal Government, and will be turned off all night. So the word has gone out that the lamp posts will be turned off all night.

According to the officials in charge, the situation is becoming serious. Either the street lights must be left on all night—not a very sure cure, at that—but the street lights must be turned off all night.

If material for the shades on the south side of Williams Hall doesn't come soon, there probably won't be a lamp post left standing between Shaelor and the center drive. Williams Hall, a Shaelor

It's an Omnibus Election

Students voting Friday had better take along a capacious container to carry the many blanks members of the election committee are going to hand them. To the casual observer, the election has all the appearances of an overcrowded street car.

It all started innocently enough as an emergency election to fill the vacant position of a candidate who had not chosen April 25th, according to schedule because the Board of Publication's amendment of the constitution took place just the last week of school. But Council discovered it had a Lame Duck amendment still to be passed. Since it said something about the new Council taking office Oct. 1, the freshman candidates for Council had to be included.

But this was only the beginning. There was still a row of seats left next to the conductor. So in piled candidates for freshman social committee members. And then Council members spied the stacks going to waste, and with a sweeping gesture invited the class officers of every class to make themselves at home. By this time the visible part of the car was the advertising on the ceiling.

But even that couldn't last when the CCO came up at the back of the car and tried to get votes. The freshmen candidates for Council had to be included.

And so the fact still remains: the CCO, a student organization designed to put students in office is lead by a man who is not elected.

Outsider Leads CCO

For the past few weeks the Committee for Campus Organization has been under the leadership of a man who is not enrolled in the University this fall, and who has not completed enough hours of study to credit him with the position of a sophomore.

This situation prevailed for a time because of the CCO's ignorance of their chairman's withdrawal from the University. However, having been unofficially warned by members of the opposing faction, the CCO organised and tried to elect a new chairman, but up until Monday the News had no word of the election of a new chairman.

So the fact still remains: the CCO, a student organization designed to put students in office is led by a man who is not a student.

FIND REACTIONS TO ORGAN HOUR

President R. E. Offenhauer proposed plans for a weekly, forty minute organ recital during the chapel period last week. These recitals would be given at a time when most students would be free to attend, but attendance would not be compulsory. Dr. Offenhauer asked the students to think over this proposition.

Your inquiring reporter has obtained the reactions to this proposal of the following students:

William Cryer thinks that twenty minutes of popular music and twenty minutes of classical music would please everyone.

George Dickey says that if there were four ten minute recitals it would be okay by him.

Henrietta Timan, a graduate student, knows she would like it if one of the experienced music students did the playing.

**BEAT CARROLL**

**DOUBLE TALK**

By BOB BARON and BILL FRITC

The handful of loyal Bee Gee roots who followed the team to Columbus last Saturday are probably telling their friends what a wonderful passing attack the Falcons unleashed against Capital, but, before becoming too enthusiastic about the supposed strength of the Falcons, one should consider what the Orange did was accomplished against a pass defense composed almost entirely of inexperienced sophomores. What this air attack will do against John Carroll this Saturday should be the determining factor in the true strength of the Falcons. Not only in breaking football with the Fighting Lutherans of Capital University.

**FALCON SPORTS**

**FALCON DRILL HARD FOR CARROLL TILT**

The Falcons, after the scoreless tie at Bealey last Saturday, are drilling intensively for the John Carroll tilt this Saturday. The Cleveland Catholic decisively stopped a good Detroit Tech team Friday night with the chalk-marked greenery by 19-0 score at Tech's field. Carrell, playing in a higher-bracket, has had contact in past seasons with such Cleveland schools as Reserve, Baldwin, Wallace and Case.

Looking from all angles and monitored by any yardstick the John Carroll eleven appeared to have a sound running attack that held the ball and got its score. John Carroll holds a slight edge over the Falcons but the Orange and Brown are in excellent physical condition. The Bowling Green eleven have a tough customer on their hands but they should put on a better show than the other one they staged at Flint last week. Bowling Green has a fighting chance, and when the final score is posted it will be a mighty close one.

**BOWLING GREEN FACES STRONG SQUAD SATURDAY**

"Every Man on a Team," we are swiveling into the intramurals this week with entries for the men's bowling, table tennis, badminton, and frisbee toursneys. A doubles and singles all-college table tennis champion will be determined by Bob Baron defending the singles crown and John Conrad the doubles. Five Brother's will defend the valley ball crown. The volley ball league will run into the second week in November, at which time intramural basketball will start.

Fraternity managers are receptive to their entries in the games. Independents who are organizing house teams or groups of houses into teams should select managers immediately.

Jones Takes Bon Bons
In Football Contest

Hobey Jones won the second Bee Gee News football contest and the prize of a box of Bon Bons given by the Potters Trustament. Of the five games rated he missed picking only the B-G. Capital tie and won only 45 points off the correct score of all five games.

Due to the apparent lack of interest in the contest, the second only 35 entered last Sunday found the match last Sunday found the final score to be 27-21.

CAMPUS ACTIVITIES

PHI SIGMA MU FORMAL DINNER TONIGHT

At the first Phi Sigma Mu meeting Wednesday, Sept. 21, the officers and four new members were initiated; Paul Whitaker, Robert Dorsey, Charlotte Devens, and Helen Kear. The remainder of the evening was spent socialising and in making plans for the banquet to be held at the Women's Club on Wednesday evening, Sept. 28.

AREKEON LEADS

Abe Keown, junior, is executive chairman of the Student Council, upperclassmen, campus political unit, an official report showed today. The men and treasurer posts are filled by Meredith Miller and Bill Creamer. The SGL executive committee is composed of the following: Johnie Rohrs, Bob Brann, Dave Stone, Franke, Grant Grazi, Virginia Crouse, Ned Henninger, Tim and Francis. Mary and Ford McKee.

WESTMINSTER HOldS OUTDOOR MEETING

The Williams Hall girls Friday night meeting is planned for Westminsterites next Sunday evening. Students planning to go will meet at the church at 6:30; those who wish to go may sign in the "well". The Individual and the State" will be Dr. A. M. Hayes topic at the Sunday-School hour next Sunday morning.

It is well to be taught, even evil. —Ovid, Met. Book Four.

Capitol's Fighting

(Continued from page 3, col. 2)
only successful aerial attack. Meanwhile, the Orange forward wall completely stopped the Lutherans running game, and the Capital eleven had to rely on passing for their gains.

Both teams tried for field goals, but both of Capital's as well as Bee Gee's low effort were blocked.
