Art Shany, Junior Class Pres., Leads Prom Committees In Bringing "Name" Band to B. G.

A "name" band is coming to Bee Gee. Breaking all precedent, the junior class Monday signed Emerson Gill and his NBC broadcasting orchestra to play at the annual Junior-Senior Prom to be held Saturday evening, February 4, in the Reception Hall. The book-up will begin this week, and advanced prices are $2.00 a couple. Admission at the door will be $2.25.

Chairman of the dance committee and junior class presi- dent, Art Shany who was large- ly responsible for securing Gill, has already begun coordinating the various committees in an effort to place the Junior-Senior at the top of the season's gaieties.

E. C. Offenhauer Improves Slowly

She did not hear of her husband's death until Saturday, January 7—eight days after the accident.

The "maestro" will probably lead his road tours. Only a few days after his engagement here he will begin a new radio program in a nationwide hook-up. The "maestro" will probably feel quite at home when he comes to Bowling Green, since he was born in Gibsonburg, 0., and at one time attended To- ledo University.

Ockerman announces Spring Grid Program

Coach Harry Ockerman called the first football meeting of 1939 to order last week. Spring practice was scheduled to begin the meeting. Not much work will be done before the finals but the new season will find gym workouts scheduled twice a week. Coach Ockerman wants his charges in top physical condition and is using this method to accomplish it.

Nineteen men from last years squad were present as were twenty-seven fresh aspirants.

Marianet's rangy backgammon came rocketing down from the cliff heights of the undefeated class last Saturday night when the Bowling Green Falcons pasted a 43-39 set back on their clean Ohio Conference record.

The victory gives the Landis- men a standing of two victories and one defeat in conference play and raised them considerably in the race.

"Zoch" Zecharia again paced the B. G. scorers with 11 county- although he had tough luck in hitting the drapers with any regularity.

Capt. Cordisco and Bishop played fine all-round games with the work of Bishop especially outstanding.

The battle was a hotly contested affair until the last minute. The B. G. team broke away with a spirited thrust. The half time score was 22-21 in favor of Bee Gee.

The scoring was evenly divid- ed with Zechman capturing 11, Kermazas nine, Madaur six, Bishop seven, Cordisco six, and Creyle two.

Nesho, longest Pioneer center, lead the river town lads with 11 tallies.

Training sessions were drawn up, plans discussed, and the official 1939 track schedule was made known a meeting of veterans and candidates. Tuesday, Dec. 10th, in the gymnasium.

Coach Landis looks forward to a successful season by virtue of the high caliber of his 1938 freshman squad. The schedule

Coach Paul Landis, after a week of track practice, was highly pleased with the conditioning of his squad. Likewise the athletes they displayed in the early season was gratifying.

"It looks as though the boys know we're in for a tough time of it in strength, and they're showing it. As Wayne U., Michigan State Normal, Ohio Wesleyan, and the others, and have begun in earnest to prepare for them," the coach elaborated.

"In setting up the special track and field bulletin board which will carry, Monday thru Friday, pictures of the various events and depict the right way to do things. The men should keep posted on their events.

"The space under the stadium will be utilized by the squad in inclement weather.

"The freshmen have reported, but any others interested see me. Candidates Bill Warren and Jim Hallegger will look after the events, declared head coach Landis.

SPECIAL MENTION
Among things which merit mention this is the fact that Friday the thirteenth was Pee Woe Bishop's birthday, which he celebrated Saturday together with the rest of the team, by a fine running in a win for the Falcons as attested by the 43-39 fact on the score board . . And there is no question but that the Skol Stunt when it will be em- barked in all attendance as being one of the finest of the event.

Social return. There are those who can earn and talk. Program of activities to halt the suit case parade. Glamur is the key word for the remainder. The university temporary budget will have upon salaries and building maintenance, the places such funds are spent. The fact that it is only a temporary budget, the expenditures of which are used only until the legislation passes upon our permanent biennial budget, should answer the question. The effect will not be as injurious as some think. For a few months before the state legislature passes upon our biennial budget, and once that is acted upon, what money we might have left in our temporary budget lapses. This indicates that our biennial budget will come through before our temporary funds are exhausted.

But the administration is further supported by possessing some money left over in student fees from the 1937-38 biennial budget. This amount should thus aid in taking care of all expenses for even the most minimal type of temporary budget. It is only a temporary budget.

Don Raye will play for the annual Graduating Sophomore Formal on Saturday, February 21, from eight-thirty to eleven-thirty in the Reception Hall. No plans are being made to have an elaborate dance as the funds are limited. Decorations will be simple, consisting of flowers, and a decorated table for serving the usual punch and cookies. Wilma Holt, Donna Parker, and Doris Kerns are arranging the entertainment. Among the guests are Dean and Mrs. Hissong, Dr. and Mrs. Heray, Mrs. Sharp, Miss West, Miss Roth, Miss Lorenz, and Miss Day.

Formal initiation for LAS AMIGAS pledge took place last night at the apartment of Miss Grace Wills, sorority sponsor. Following the quaint candlelight service, the active and new members attended "The Human Adventure," a group, and returned to Miss Wills apartment for a late lunch. Emma Reits, Bernadette Bader, Jean Galvan, Melva B lick, and Mary Jane May are the new LAS AMIGAS girls. Visiting at the house over the week end were Wahnita Kirshner, and Don Yackee.

Three pledges were formally initiated by the Phratra Sorority last Thursday evening at the security house. The new members include Martha Simmons, Kathleen Lowry, and Ada Rahelfeld. However, Kathleen will not be an active member very long. She is leaving this week to teach at Ohio University. The sorority is also losing Marian Jurion, who will transfer next year to Toledo University.

The "nickel-swing" sponsored by the Key Staff was hailed as a success by Editor Harlan Highfield and staff members. Bill Cromer, general chairman, made approximately fifty calls to get the swing underway.

The Skols rated the spotlight this past week with their sweater swing Friday night and the "whispered about news of their lovely president Iva Mae Bushey. I'm curious to know if her quiet charm and dignity shown at the "Fun for all" dance will hold a flattering heart with her prospective plans for a trip to China.

ABOUT SMALL TALK
Marjorie Hills says, "Ne one can expect to talk well (or at all) unless she has something to talk about, and the most successful subjects, unless you're a brilliant monotone, are those in which other people usually share a knowledge and interest. Test yourselves on these:
1. Have you seen, or read, reviews of three plays now running in New York?
2. Have you a wonderful hobby?
3. Have you a warm admiration for or a violent dislike of (a) Father Coughlin; (b) Dorothy Thompson; (c) Sir Anthony Eden; (d) Charles Lindbergh?

ABOUT SMALL TALK
Marjorie Hills says, "Ne one can expect to talk well (or at all) unless she has something to talk about, and the most successful subjects, unless you're a brilliant monotone, are those in which other people usually share a knowledge and interest. Test yourselves on these:

2. Have you a wonderful hobby?
3. Have you a warm admiration for or a violent dislike of (a) Father Coughlin; (b) Dorothy Thompson; (c) Sir Anthony Eden; (d) Charles Lindbergh?
