Many Try For Cast Of Comedy, "Beggar On Horseback"

Second Student Play To Be Given March 9

Fifty-seven students tried out last Wednesday, Thursday and Friday for parts in "The Beggar on Horseback", the comedy by Kaufman and Connelly to be produced by the play production department on March 9.

Tryouts in scenes are being carried on this week, and the eliminations are still being made. The cast will be announced soon.

"The Beggar on Horseback" is the second production of the dramatic art classes of Mr. Up- ton Palmer. At present members of the classes are working on scenes of the play.

Construction of the scenes and intensive rehearsals of the cast will begin after semester examinations.

Wheeler McMillen, Former Wood County Resident, To Speak At County Forum

Eminent Author Speaks On "Farm Chemergy"

Wheeler McMillen, former Wood County boy, will speak at the meeting of the Wood County Public Forum, Sunday, January 22, at 3 p.m. at the high school on the subject, Farm Chemergy.

Of vital interest to any producer or consumer of farm products, farm chemergy deals with the utilization of agricultural produce for other than food purposes. Mr. McMillen is an authority on this subject and is president of the National Farm Chemergic Council.

EDITs FARM MAGAZINE

He has written many books on farm chemistry and on other farm problems. At present he is the editorial director of Country Home, formerly Farm and Fireside, and prior to this position he was editor and associate editor of this magazine.

Mr. McMillen is in a position to discuss farm chemistry from the view of both farmer and manufacturer, for, besides being associated with outstanding industrial leaders in the National Chemergic Council, he is a successful farmer with land in New Jersey and in Hardin county.

Born in Wood County, Wheeler McMillen has many friends and relatives in Bowling Green. He attended secondary school and college at Ada, Ohio, and is a graduate of Ohio Northern University.

MAAS NAMED DRAMA PREXY PRO TEM

William Maas was named temporary president of the new dramatics organization, at a meeting of students interested in such a group on January 9.

Committees were appointed to make plans for organization and to look into possible affili- ation with a national fraternity.

National groups under con- sideration are the National College Players, Tau Alpha Phi, and Alpha Psi Omega.

W.A.A. To Teach Would Be "Bugs"

In answer to popular demand, the W. A. A. is again offering dancing lessons on Wednesday evening from 8:00 to 9:00 in the Reception Hall. There will be the usual charge of ten cents per person for an entire evening of capable instruction.

POWELL WILL TALK ON "HOUSES" AT CHAPEL TODAY

Professor E. C. Powell, of the Industrial Arts Department, will give lecture and speak on the subject of "Houses" at 10:00 o'clock in the usual chapel.

The slides, which were made by Professor Emeritus C. J. Bierce and a film exposed by Prof. Powell, illustrate architectural details that make houses distinctive. The slides are photo- graphs of actual homes in north and central Ohio.

New Orientation Course Reveals Frosh Vocational Interests

Jordan To Interview Each Freshman

The Orientation Course, established this year for the first time, has been the means of discovering, among other things, that out of 421 freshmen who were asked the question, "What were the outstanding influences which led you to choose your vocation?", the major influence was that of discovering, among other things, that 157 freshmen have not as yet chosen their vocational interest.

During the second semester, Dean Jeffer will interview each of these students to discuss their vocational interest. The results of this investigation will be made known to the students.

ARThUR SHANly

Shanly, himself, is heading this important finance committee which includes Weldon Brooks, Nel Heminig, and Steve Poteet. Kemert Long, senior proxy, is chairman of the committee, with Carl Koch, Margaret Zautz, and Elmer Weitz working with him. The report of this committee will be composed of Grace Seaton, chairman, and Jane Giemmer and Jane Hobart.

GILL WELL KNOWN

Emerson Gill is widely known among the county and frequently boards from many of his radio shows. Only a few days after his engagement here he will begin a new radio program in a nationwide hook-up. The "master" will probably feel quite at home when he comes to Bowling Green, since he was born in Gibsonburg, O., and at one time attended To- ledo University.

Ockerman Announces Spring Grid Program

Coach Harry Ockerman called the first football meeting of 1939 to order last week. Spring practice was opened at the meeting. Not much work will be done before the finals but the next few days will find gym workouts scheduled twice a week. Coach Ockerman wants his charges in top physical condition and is using this method to accomplish it.

Nineteen men from last years squad were present as were twenty-seven frosh aspirants.

BUDGET SLASH EXPLAINED

There, no doubt, are still many people who are wondering what the effect of recent reductions in the University temporary budget will have upon salaries and building maintenance, the places where such funds are so necessary. The fact that it is only a temporary budget, the expenditures of which are used only until the legislature passes upon our permanent budget, should dispel any fear. The effect will be no more injurious as some think.

Perhaps a slight economizing may be necessary if the recent reduction in the budget runs its maximum time, but the university is not ready to be in a state of budget lapses. This indicates that our biennial budget, which is spent. The fact that it is only a temporary budget, will have plenty of opportunities to sit in the sitting rooms when they are uppersession—of course if they want to get the regular sitting-room sitting room accommodation—altogether the better.

Next week's question: Are you in favor of the president's "reorganization program?"

Iva Bushey Sails For China Feb. 24 To Wed Lieutenant Schatzel

Iva Mae Bushey, prominent student, will sail on the S. S. President Pierce, bound for Tientsin, China, February 24. After completing her semester's work, Miss Bushey will marry Lieutenant John Jenkins, whose Naval post is at Tientsin. The date of the wedding has not been set.

Success

The Skid Swatter Rassel was condemned by many of those present, as the finest dance of the year. He did not show his usual incisiveness in the success, due to the fact, they really had nothing to anyone. Either Long, dance chairman, serves credit.

Love Knots

My observations are such that, although, Donald Magill, is everything set; he really shouldn't tread on untamed ground. Mary Pickford and Don Patterson, local talent, are keeping rather steady company. Fox has gone hunting and the lovely Miss Harriet Tressler. Miss Dohler's 

Tying his cravat around his dance escort. Sailor beware!

His Honor and our basketball captain "closed the deal" as he placed a ring upon Terry Drew's finger during Xmas vacation.

LOVELY PEOPLES

At the annual general butterflies fluttered about. Amongst them is Mrs. Nellie Simkins and Wilma Hoit; Jim Hollinger and Janet Stump; Will Johnson and his wife; Will White and his sister; "Red" Siminski and Wilma Holt; Jim Argubright (censored!?!?); "Red" Smonos and wife; Bob Cullen and Betty Bishop; John Dolfaren and his heart throb from Findlay; J. Klemmer and a lovely River Rouge feminine.

Evelyn Frizzel of the Fifth Sister Society was reported to be becoming a member of the regular semester. Incidental to this I find Tahbi Wagger former student of the Detroit encircling the dance floor over the week-end. Draw your own conclusions.

JUST A VISION

I see a journey into foreign lands, and you yourselves doing one of "something" either for the better or for worse. My congratulations! A deep, deep, mystery!

I am reluctantly told that beginning February 27th, under the guidance of assistant backfield coach, Jim Inman, 50 rough and ready candidates, will be given a spring football conditioning program. It is hoped that with the assistance of the gym every Thursday afternoon between the hours of 3 and 4. Plans have been drawn up, maps will be thrown on the floor, and Coach Inman will proceed to drill fundamentals into the Falcons.

Coach Paul Landis, after a week of track practice, was greatly pleased with the conditioning of his squad. Likewise the freshmen who displayed in the early season was gratifying.

"The freshmen have reported, but any other interested see me. And Managers Bill Warren and Jim Halleger will look after the teams," declared head coach Landis.

All-Star Team To Be Picked From Managers

The Intramural Basketball league is swinging along rapidly. The American league does minutes high scoring which will mean nothing when finals are played off. Managers will be asked near the completion of the tournament to assist in picking the All-star five.

The fury of intramural play is somewhat heightened since the half, at the basketball game Saturday winning 31-29 in an overtime period. The Jayvee's step out for the Jayvee's. Final score board . . And there is no question but that the Skol Born when change was emer ged by all in attendance as being one of the finest of the year.

This game will terminate the first round of the schedule. And other such schedule will be played before the end of the season."

The winners of each game were decided last Thursday by these results:

Foxes 14, B. G. Rockets 9
Basket Masters 7, Pride of Bee Gee 7
Flashes 0, Fleet Wings 0
Black Jacks 15, Great Danes 12

Mable Stieher surprised everyone out at the rifle range last week, including herself, when she shot 50-60, or five bull's eyes. This was just her second time out.

Last week, we discussed the auditing process at the college. Dr. Hargreaves said that the auditor was to begin her audit of the college finances on Monday. We have been wondering what effect the recent reduction in the college budget will have upon salaries and building maintenance, the places where such funds are spent. The fact is that it is only a temporary budget, the expenditures of which are used only until the legislation for a permanent budget is passed. Each of the legislative committees will answer the question. The effect will not be as injurious as some think.

MAY WE SUGGEST...

Like all other college activities our chapel programs either improve or degrade. They never remain on the same level, for when they appear to be running along on the same plane, they are, in reality, declining. To maintain good chapel programs, so that they will be useful and valuable to their students, we must consider a good chapel program.

Although we think programs should have an unsteady ground, Mary Pickford and Don Patterson, local talent, are keeping rather steady company. For has gone a hooting and the lovely Miss is married to Troye. Miss Delores Vaverga attended the Skol dance. Sabre walkers! UH! UH!

The campus and our basketball captain "closed the deal" as he placed the Sabre dancers' hand in Terry drawer during Christmas vacation.

Evelyn Prassel of the Five Sister Sorority was reported to be in love with a third-year student from the assembled multitude. Incidentally to this I find "Floyd" Wagner former student and Delhi sorority by over the weekend. Draw your own conclusion.
