(f) To cause to be in funds fully secured, the funds and accounts created by or provided for herein which are not delivered to the Paying Agent, and to cause the Paying Agent to secure all funds in the Debt Service Fund as required by Section 8 hereof.

Section 19. Each fully registered Bond shall bear interest from its date. Each fully registered Bond issued in exchange for coupon Bonds shall be dated as of the interest payment date next preceding the date of its authentication, unless authenticated upon an interest payment date or dates, in which case it shall be dated as of the date of its authentication or as of the same date as the coupon Bond if authenticated prior to the first interest payment date of such Bond; provided, however, that if at the time of authentication of any fully registered Bond, interest is in default, such Bond shall be dated as of the date to which interest has been paid.

The principal of all fully registered Bonds and of all coupon Bonds registered as to principal alone shall be payable at the office of the Bond Registrar, together with such interest as may be due thereon. Sinking Fund Bonds, when issued as such, shall be made on each interest payment date to the person appearing on the registration books herein provided for as the registered owner thereof, by check or draft mailed by the Bond Registrar to such registered owner at his address as it appears on such registration books.

Coupon Bonds, upon surrender thereof at the office of the Bond Registrar with all unmatured coupons and all matured coupons in default, if any, appertaining thereto, at the option of the holder or registered owner thereof, be exchanged for an equal aggregate principal amount of fully registered Bonds, of any denominations or denominations authorized by this Resolution and bearing interest at the same rate and maturing on the same date.

Fully registered Bonds, upon surrender thereof at the office of the Bond Registrar, together with an assignment duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Bond Registrar, shall be registered as to principal alone on the books of the registered owner thereof, be exchanged for coupon Bonds bearing interest at the same rate and maturing on the same date, with coupons attached representing all unpaid interest due or to become due thereon, or for fully registered Bonds of any denomination or denominations authorized by this Resolution in the aggregate principal amount equal to the principal amount of such registered Bonds, or the unredeemed portion thereof, and bearing interest at the same rate and maturing on the same date.

Title to any coupon Bond, unless such Bond is registered as to principal, and to any interest coupon shall pass by delivery in the same manner as a negotiable instrument payable to bearer. The holder of a Bond may be registered as to principal alone on books kept for the purpose by the Bond Registrar, upon presentation thereof to the Bond Registrar which shall make notation of such registration thereon.

Any Bond registered as to principal alone, or any fully registered Bond, may be transferred only upon an assignment duly executed by the registered owner or his attorney in such form as shall be satisfactory to the Bond Registrar, to be made on such books and endorsed on the Bond by the Bond Registrar. Such transfer of a Bond registered as to principal alone may be to bearer and thereby transferability by delivery shall be restored, subject, however, to successive registrations and transfers as before.

In all cases in which Bonds shall be exchanged, the Bond Registrar, shall issue and deliver Bonds in accordance with the provisions of this Resolution. All Bonds and coupons surrendered in any such exchange shall forthwith be delivered by the Bond Registrar to the Board and be cancelled by it. The Board and the Bond Registrar may make a charge for every such exchange or transfer of Bonds sufficient to reimburse them for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and in addition the Issuer may charge a sum not exceeding Two Dollars ($2.00) for each new Bond delivered upon such exchange or transfer, and such charge or charges shall be paid before any such new Bond shall be delivered; provided that the Bonds originally issued hereunder as fully registered Bonds shall be exchanged or transferred without making any such charge.

Neither the Board nor the Bond Registrar shall be required to make any such exchange or transfer of Bonds during the ten (10) days next preceding an interest payment date on the Bonds or, in the case of any proposed redemption of Bonds, after such Bond has been selected for redemption.

As to any registered Bond, the person in whose name the same shall be registered shall be deemed and regarded as the owner thereof for all purposes, and payment to or on the order of such registered owner and the interest on such fully registered Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinafter provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond including the interest thereon to the extent of the sum or sums so paid.

The Board, the Bond Registrar, and the Paying Agent may deem and treat the registered owner or his legal representative, as the absolute owner of such Bond or coupon, as the case may be, whether such Bond or coupon shall be overdue or not, as the absolute owner of such Bond or coupon, as the case may be, whether such Bond or coupon shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Board, the Bond Registrar, nor the Paying Agent shall be affected by any notice to the contrary.

The Board agrees to indemnify and save Bond Registrar and Paying Agent harmless from and against any and all losses, expenses, costs or liabilities incurred by them, acting in good faith and without negligence hereunder, in so treating such bearer or registered owner.

In case any registered Bond is redeemed in part only, the Bond Registrar, upon redemption, or for fully registered Bonds of any denomination or denominations authorized by this Resolution in the aggregate principal amount equal to the principal amount of such registered Bonds, or the unredeemed portion thereof, and bearing interest at the same rate and maturing on the same date.

All the Bonds are, and are to be, equally and ratably secured by the pledge of receipts, and the other terms, covenants and conditions contained in the Bond Resolution, and the Board and the University agree to perform the terms, covenants and conditions thereof. Reference is hereby made to the Bond Resolution for a more complete description of the nature and extent of the security, the rights of the holders of the Bonds and coupons and the terms and conditions upon which the Bonds and coupons are, and are to be, issued and secured, to all of the provisions of which Bond Resolution each holder, by the acceptance hereof, assents.

This Bond may be registered as to principal only in the name of the owner on the books kept by or on behalf of the Board for that purpose at the principal office of the Paying Agent, such registration to be noted hereon, after which no transfer hereof shall be valid unless made on said books by the registered owner in person, or by his duly authorized attorney, and similarly noted hereon; but this Bond may be discharged from registration by being in like manner transferred to bearer, after which it shall again become transferable by delivery; and this Bond may again and from time to time be registered or discharged from registration in the same manner. Such registration, however, shall not affect the negotiability of the Bond or the liability of the University, and the Paying Agent shall continue to be payable to bearer and be transferable by delivery. The Board and the Paying Agent above named may deem and treat the bearer of this Bond, or, if this Bond be registered as herein authorized, the person in whose name it is registered, and the holder of any coupon appertaining hereto, as the absolute owner of this Bond or of said coupon for the purpose of receiving payment of, or on account of, the principal, premium, if any, and interest due hereon and for all other purposes.

The Bonds are issuable as coupon Bonds, registrable as to principal, in the denominations of $1,000, and as registered Bonds without coupons in denominations of $1,000 and any multiple thereof. This Bond may be registered as to principal and in accordance with the provisions on the back hereof.

To the extent and in the manner permitted by the terms of the Bond Resolution, any covenant, condition or provision in the Bond Resolution or in any resolution or amendment thereof, without necessity for notation thereof, by the Board and with the written consent of the holders of not less than 66-2/3% of the principal amount of outstanding Bonds thereby secured, excluding any Bonds held or owned by the University, but no such action shall result in changing the redemption provisions or interest and principal maturity dates or reducing the principal amount or interest rate on any Bond without the consent of the holder.

No provision of this Bond or of the Bond Resolution and no reference herein to the Bond Resolution shall have the effect of incorporating in the terms of this Bond any provision which would alter or impair the obligation of the University and the Board, which is absolute and unconditional, to pay, from the funds herein described, the principal of and interest on this Bond at the times and places and in the coin or currency provided herein or in the Bond Resolution, which failure shall have continued for a period of ninety days, the holders of 5% in principal amount of the Bonds then outstanding shall, by notice in writing to the University, have the right to declare the principal of all the Bonds then outstanding to be due and payable immediately and the principal of all the Bonds then outstanding shall thereupon become and be immediately due and payable, but solely from the net receipts aforesaid.

No. R

KNOW ALL MEN BY THESE PRESENTS, that Bowling Green State University (herein called the University) a State University of the State of Ohio, and its Board of Trustees (herein called the Board) jointly and severally acknowledge themselves to owe and for value received hereby promise to pay, from the revenues and in the manner hereinafter set forth, to the registered owner of this Bond appearing on the books kept on behalf of the Board for that purpose at the principal office of the Paying Agent, or to registered assigns, the sum of

$1,000

on the first day of April, 1955, in lawful money of the United States of America, upon presentation and surrender of this Bond at the principal office of the Toledo Trust Company, Toledo, Ohio, or its successor as Paying Agent, and to pay in like money and from the revenues and in the manner hereinafter set forth, to the registered owner hereof by check or draft mailed to him at his address as it appears on said Bond registration books, interest on such principal sum from the date hereof at the rate of three and one-eighth per centum (3-1/8%) per annum until payment of such principal sum has been made or provided for, semi-annually on the first day of April and the first day of October in each year.

This Bond is one of a duly authorized series of bonds, herein called the Bonds, of like tenor and effect, except as to number and maturity, aggregating in amount $2,500,000 and issued to provide funds to construct Founders Quadrangle, the 1955 Project Dormitories referred to in resolution of the Board duly passed April 23, 1955, herein called the Bond Resolution.

The Bonds are subject to redemption prior to maturity at the option of the Board, either in whole or in part, from any funds in the Surplus Fund established by the Bond Resolution or from any funds in the Debt Service Fund in excess of the amounts required to be in said Fund under said Resolution, or from any other funds that may be made available therefor, on any interest payment date from April 1, 1960, to April 1, 1965, inclusive, at the redemption price of the par value of said Bonds together with a premium of 3-1/8 per centum of such par value, and on any interest payment date after April 1, 1965, at the redemption price of the par value of said Bonds without any premium, in all cases with accrued interest to the date fixed for redemption.

If less than the entire unmatured portion of the Bonds is called for redemption at any time or from time to time, the same shall be called in the inverse order of their maturities, and if less than all outstanding Bonds of one maturity are to be called, the Bonds of that maturity to be called shall be selected by lot in a manner to be determined by the Board. Notice of any such call for redemption shall be given by publication once a week for two consecutive weeks in a financial journal of national circulation published in the Borough of Manhattan, City and State of New York, and by registered mail addressed to the owners of all registered Bonds as their names and addresses appear on the books kept for the registration of Bonds, the same to be deposited in any United States post office, and the first such publication to be made not more than forty nor less than thirty days prior to the date of redemption, upon which date interest upon the Bonds so called shall cease (unless default shall be made, on presentation, in the payment of the redemption price). Whenever any Bonds are registered, no such publication shall be required.

Said Bonds are issued pursuant to and in full compliance with the general laws of the State of Ohio, particularly Section 3345.07 of the Revised Code, and pursuant to the Bond Resolution. Said Bonds are negotiable instruments, but anything in the Bonds or the Bond Resolution to the contrary notwithstanding, neither said Bonds nor the indebtedness evidenced thereby shall constitute a claim against or lien upon any property of the State of Ohio or any property of or under the control of said Board excepting such parts of the receipts of the operation of the Pledged Dormitories referred to in the Bond Resolution as the said Board has pledged pursuant to the Bond Resolution and said Bonds to secure the payment thereof, nor shall the general resources of the University or the Board or of the State of Ohio be required to be used for, nor the general credit of the University or of the Board or of the State of Ohio be pledged to, the performance of any duty or obligation provided for in the Bond Resolution or said Bonds, except that said duties and obligations shall be provided for out of such receipts of the operation of the Pledged Dormitories (referred to in the Bond Resolution) as the said Board has pledged for such purpose pursuant to the Bond Resolution or said Bonds, provided, however, that nothing herein shall be deemed to prohibit the Board from
using, of its own volition, any other funds held by it and available for use in performance of any of the duties and obligations, or in payment of any of the liabilities, provided for in the Bond Resolution or in said Bonds.

The Pledged Dormitories are defined in the Bond Resolution as the Project Dormitories to be constructed from the proceeds of the Bonds; Williams Hall; the 1949 Dormitories, the receipts of which are pledged for an issue of bonds dated March 15, 1949, viz.: Men’s Dormitories numbered VIII and IX, Kohl Hall, Women’s Residences numbered 3, 4, and 5, Shatziel Hall and Cottages 1 and 2; the 1954 Dormitories, the receipts of which are pledged for a second issue of bonds dated January 1, 1954; all dormitories which may hereafter be constructed or acquired in whole or in part from the proceeds of the sale of Bonds issued pursuant to the Bond Resolution and on a parity with this issue of Bonds; and all dormitories of which receipt has been held to provide additional security pursuant to the provisions of Section 17 of the Bond Resolution.

The Bond Resolution provides that this issue of Bonds and Bonds issued on a parity therewith pursuant to said Resolution shall be payable solely from the following sources, to wit: (a) the net receipts of the Project Dormitories, Williams Hall, and all dormitories which may hereafter be constructed or acquired in whole or in part from the proceeds of the sale of Bonds and the net receipts of any dormitories pledged pursuant to the provisions of Section 17 of the Bond Resolution; and (b) the net receipts of the 1949 Dormitories and the 1954 Dormitories, subject only to the existing pledges of receipts thereof to secure respectively said bonds dated March 15, 1949, and said bonds dated January 1, 1954.

All the Bonds are, and are to be, equally and ratably secured by the pledge of net receipts, and the other terms, covenants and conditions, contained in the Bond Resolution, and the Board and the University agree to perform the terms, covenants and conditions thereof. Reference is hereby made to the Bond Resolution for a more complete description of the nature and extent of the security, the rights of the holders of the Bonds and coupons, and the terms and conditions upon which the Bonds and coupons are, and are to be, issued and secured, to all of the provisions of which Bond Resolution each holder, by the acceptance hereof, assents.

This Bond is registered in the name of the owner as to principal and interest on the books kept on behalf of the Board for that purpose at the principal office of the Paying Agent. To transfer hereof shall be valid unless made on said books by the registered owner in person or by his duly authorized attorney but only in the manner, subject to the limitations, and upon payment of the charges provided in the Bond Resolution, and upon notation of such transfer on the Bond Resolution. The Board and the Paying Agent may deem and treat the person in whose name this Bond is registered as the absolute owner thereof for the purpose of receiving payment of or on account of the principal, premium, if any, and interest due hereon and for all other purposes.

The Bonds are issuable as coupon Bonds, registrable as to principal, in the denomination of $1000, and as registered Bonds without coupons in denominations of $1000 and any multiple thereof. As provided in the Bond Resolution, registered Bonds without coupons may be exchanged for coupon Bonds bearing interest at the same rate, maturing on the same date, and having attached thereto all unmatured coupons and any matured coupons in default or for registered Bonds without coupons bearing interest at the same rate and maturing on the same date, of authorized denominations, and coupon Bonds bearing all unmatured coupons and any matured coupons in default may be exchanged for a like aggregate principal amount of registered Bonds without coupons bearing interest at the same rate and maturing on the same date.

In the event of (a) failure to pay any interest on this Bond, when and as the same shall have become due and payable, such failure continuing for a period of sixty days or (b) failure to pay the principal or any Bond, when and as the same shall have become due and payable, whether at maturity, by acceleration or call for redemption, which failure shall have continued for a period of sixty days or (c) failure to perform or observe duly and punctually any other covenant, condition or agreement on the part of the Board or the University, in the Bonds or in the Bond Resolution, which failure shall have continued for a period of ninety days, the holders of 25% in principal amount of the Bonds then outstanding shall, by notice in writing to the University, have the right to declare the principal of all the Bonds then outstanding to be due and payable immediately and the principal of all the Bonds then outstanding shall thereupon become due and payable, and be immediately due and payable, but solely from the net receipts aforesaid.

To the extent and in the manner permitted by the terms of the Bond Resolution, any covenant, condition or provision of said Resolution may be modified or amended, without necessity for notation hereon of reference thereto, by the Board and with the written consent of the holders of not less than 66-2/3% of the principal amount of outstanding Bonds thereby secured, excluding any Bonds held or owned by the University, the proceeds of which have been pledged for any purpose not inconsistent with the terms of the Bond Resolution, and all such modifications or amendments shall be effective as to all Bonds without the necessity of notation hereon. The consent required by this provision shall be evidenced by the execution of an instrument in writing and the delivery thereof to the Paying Agent signed by the holder of a Bond in whole or in part.
**NOTICE:** Nothing can be written on this Bond except by the Paying Agent, as Bond Registrar, having charge of the Bond registry, without impairing its negotiability.

Bowling Green, Ohio
June 17, 1955

The Board of Trustees met at 2:00 p.m. on Friday, June 17, 1955. The following members were present: E. T. Rodgers, President; Carl H. Schey, Vice-President; Alva W. Bachman, Secretary; James C. Donnell II, Treasurer.

The minutes of the April 23, 1955, meeting were approved.

The President reported that, after careful consideration of a number of names submitted, the Faculty Committee on Honorary Degrees had recommended and a heavy majority of the faculty had voted that the following persons be awarded honorary degrees:

Dr. Joseph E. Duty
Doctor of Laws

Dr. William Terry Wickham
Doctor of Laws

It was unanimously agreed that honorary degrees be awarded Dr. Duty and Dr. Wickham, as recommended by the Faculty Committee on Honorary Degrees.

The President reported to the Board that the improvement and reduced occupancy of houses now occupied by fraternities on the campus had produced an increasing disparity in quality of housing between the fraternities now housed on the campus and other fraternities recognized by the University. As the residential facilities on campus are improved still more in the next few years, the relative position of the fraternities not provided with University housing will be increasingly difficult. Only one off-campus fraternity, the Sigma Alpha Epsilon, is in a position to provide an adequate house of its own for its members anytime in the years immediately ahead.

It was moved by Mr. Bachman, seconded by Mr. Donnell, and unanimously voted by the Board that the President be authorized to make plans for the construction of additional houses of good quality on the campus of the University, to be made available to fraternities recognized by the University.

President McDonald reported that, in accordance with the directive of the Board at the April 23 meeting, University officials had decided to request the State Director of Public Works to readvertise the heating construction (including air conditioning) for the Music Building. The Gesling Company was the low bidder for the heating (including ducts for air conditioning) less deductive alternates covering the refrigeration units and tower, with a bid of $151,800. The State Director of Public Works, at our request, has entered into a contract with the Gesling Company for this work.

It was moved by Mr. Donnell, seconded by Mr. Bachman, and unanimously voted that the President be authorized, at a time that he deems appropriate, to take the necessary steps to secure the refrigeration units with related mechanism and tower necessary to complete the air conditioning of the building; the purchase to be made from the lowest bidder following competitive bidding as required under the laws of Ohio; that the funds required for purchasing and installing these items be derived from the 1955-57 appropriation to the University for additions and betterments.

President McDonald reported that bids were received in the office of the State Architect and Engineer on Tuesday, June 20, for construction of Founders Quadrangle. Since bids for the general construction and kitchen equipment were in excess of the architects' estimates, University officials have asked the State Director of Public Works to enter immediately into readvertising for the general construction contract, with a revised estimate of cost as submitted by Britsch and Munger.

It was moved by Mr. Donnell, seconded by Mr. Scheyn, and unanimously voted

(1) That the State Director of Public Works be requested to enter into contracts with the low bidders for the plumbing, heating, electric work, and elevators for Founders Quadrangle, as follows:
