This Back Matter is brought to you for free and open access by the Journals at ScholarWorks@BGSU. It has been accepted for inclusion in International Journal of Aquatic Research and Education by an authorized editor of ScholarWorks@BGSU.
The Lifesaving Foundation Collection
Luke Wadding Library
Waterford Institute of Technology

- The Lifesaving Foundation Collection has been integrated into the extensive library collection and organised by Dewey Decimal Classification order.

- A critical mass of materials are shelved at 363.14

- The materials are linked on the library catalogue http://witcat.wit.ie by a series link ‘The Lifesaving Foundation Collection’.

- A small number of items are reference items, which can only be accessed by visiting the Luke Wadding Library at Waterford Institute of Technology Libraries.

- Professor John Wells, Head of the School of Health Sciences will be the primary contact for external researchers interested in coming to the library to view the Collection.

- Researchers will be facilitated with Temporary Access cards and subject to agreement allowed to borrow items from the Collection.

- Inter Library Loan will be an option where possible.

Kieran Cronin is Deputy Librarian, with responsibility for archives and special collections, at Waterford Institute of Technology’s Luke Wadding Library. He has worked at Waterford Institute of Technology Libraries since April 2007. He is responsible for the development of existing and new library services and resources for WIT’s students, staff and the local community.
