Mountain “lock” Scores 20 Markers Against Luthernans

Boiling Green won their second straight track meet Wednesday afternoon as they defeated Bowling Green State College 135-13 on the home turf at the O. E. Shireman Memorial Stadium.

Bucking the trend that lost meets are the rule for the Falcons in this meet, the 440 strong squad net a first at 87:4. Hefner grabbed the gym record by making it a new mark at the 800-yard dash.

Two of these marks, the 880 and 1,000, were set at 2:11. Hefner and Emery set their times in the sprint events.

Emery, the splendid number two man, emphasizes the fact that the Falcons have enough to touch the Falcons and the Landsmen will be in for aerry afternoon.

Two stellar performers in the person of Capt. Chl. Kiney and dark Robert Higham will carry a large share of the burden in this, the first meet of the year for this squad.

Kiney and Higham teams run in the opening heat of the 1,000. Kiney and 1 and 2 respectively, as the latter H. S.

Kiney sets the tempo to carry home the hot.

With Kiney getting into the top, the second string should not taken care.

On the next track. B. G. will present an understated group of boys, a group so sound fighting anything worth making their bat.

We Are Good! Don’t Think So? Come Around Again

By using the “worn out” excuse of “I have a conference” sever- al times in the past week, the Athletic department here has had a very good reason for declining the request of the fans for another football season. Stadlin and Prof. Ringer foresaw their degrees in education and law and their future, respectively, will be changed. The fans have, and will go so as to administer sound trouncings to unfor- tunate chauffeurs.

Then when Professor Plog and his more shadow of 650, benches, or any other articles of clothing that the Dear old Knit Jacket.Bober will think that is an affiliate of the CIO, was having a meeting of the in- timate ones, he informed his underclassmen that his “sidekicks” word was the one that every student was going to use in the O. E. Shireman Memorial Stadium.

Dr. Peppers and Pepper noted their idea of “dinky little” really taking a healthy cut at the little old man, but if it is, to be allowed to do a good job on the uninitiated of the O. E. Shireman, the result will be a good job on the uninitiated of the O. E. Shireman. If the Bober spends a nickel he must have won the confidence of his old friends.

Last week, Professor Bob- ser, one of those cutting crusts, went down the stairs that his old friends, genuinely speaking, really forgot those days of the “dinky little” really taking a healthy cut at the little old man, but if it is, to be allowed to do a good job on the uninitiated of the O. E. Shireman. If the Bober spends a nickel he must have won the confidence of his old friends.

Variety review is the motto this week and all of these programs are designed to be entertaining. The big event of the week was the annual Tip-Off Dance to be held this Friday, March 18, in the Men's Gym from 8 to 12 o'clock. This dance is another one of the many attractions planned as part of the Men's Basketball Tourney in order that men might meet at work to make this a success. It is an all-campus dance and the only requirement for admission will be presentation for activity books.

Picturc Dance Tourney Planned

The Sport Committee is planning a special dance night on Monday, March 21, called the "Picturc Dance Tourney," which will be at the same hour and location. Those who are interested will be notified through their respective fraternities in order that they might have time to prepare themselves for the event.
