WHY MUST THE U.S. 'DEFEND'

The returning alumni will really have something to celebrate when they attend the Silver Anniversary celebration in June. The longer they've been away from here, the more they'll have to celebrate. The 25 years of Bowling Green State University is only typical of many other departments within the University. CAMPUS CONSCIOUSNESS

The most appealing thing about the good ol' U. S. A. is the feeling of the people. Even the thermo-embolism there is a ventriloquist's dummy. But for that one night, everything is right. The returning alumni will really have something to celebrate when they attend the Silver Anniversary celebration in June. The longer they've been away from here, the more they'll have to celebrate. Independent Send Seven Candidates
Into Elections

Maddock Leads Non-Frat-
Non-Sorority Students

Campus independents are offering a slate of seven candidates in the election today in an effort to give equal representation to the majority of the students of the University. We do not belong to any fraternity or sorority, according to the charter of the third party group. Kenton Maddock.

The Independent Party says Maddock, is planning to continue its efforts next year, and with more time for organization at that time, it expects to conduct an extensive campaign for class offices.

The ballot being offered today is as follows:

Expect 2000 Alumni For Anniversary Celebration

(Continued from page 1, col. 5)

Since the Silvery Anniversary Tower is being held in connection with the Jubilee commemoration, a great number of former students are expected to attend all programs given during the three-day period from June 3 and 5.

STEADY INCREASE IN ENROLLMENTS MARKS RAPID GROWTH OF UNIVERSITY

The speech department has been a valuable asset to the University in offering entertainment, speech improvement programs, and practical experience to the student body.

Last summer the University secured a recording machine and is in aid of speech correction work. Last fall all students in business classes, under the supervision of Mr. Upton Palmer, worked in the clinic.

During the year the speech department has presented two three-act plays and has presented the fall commencement exercises, a winter commencement exercises, and spring commencement exercises.

Attendance Leaps From War Time Low Of 208

To Present 1290

Hitting a new high in enrollment figures this year, Bowling Green State University has shown a steady increase in numbers since beginning.

In 1912-13 the school was founded as a normal college. Since then the addition of a College of Liberal Arts in 1920 and a College of Business Administration and a graduate school, granting master's degrees, in 1928 have contributed greatly in the increased enrollment.

Three hundred eighty two students registered in the initial year. Until the United States entered the World War, when only 200 students enrolled, there was a gradual increase.

In 1919 the school was chartered as a normal college. Since then the enrollment has been rising. The School of Business Administration it is easy to understand what the new drawing card for men students is in this school.

Homecoming Date Is Earlier This Year

Homecoming celebrations for 1939 will be moved up to October 28-29 from the customary November dates in an effort to take advantage of the milder weather of the earlier month.

On Saturday afternoon homecoming the Falcons will meet the All-American team of Ohio State.

Campus improvements will be featured in the program of the salute.

Birds carrier 55 1-2 Points To Finish A Strong Second In Meet

The 18th annual Northwestern Ohio College Invitational Track and Field meet was held on the Bowling Green track last Saturday, May 6. The Falcon of B. G. made an excellent showing and finished a second strong, far ahead of other competing schools with a score of 50 3-2 points. The Beckers of T. C. I. took first 1-1 2 points to retain the championship which they won in 1938. This was the first he had ever held on the track and it was the first meet of such importance to be held here. The acquisition of such an excellent track plant climaxes twenty years of splendid competition for the Falcons and this meet was worthy of the day being held on the dedication.

A strong Hillsdale nine proved to be just another stepping stone to the Falcon's road in a successful season as they fell before the chance and wise Falcons 3-2 Tuesday, May 2 in the Bay Arena.

All Falcon wrestlers were victorious, except the only one in the team's first to fall in the match was the fourth in the list of 37 teams, in the tournament.

Although Bowling Green collected seven hits on their attack, they were unable to drive home a run. And the third reception in three tries was the last one as the Falcons are able to hold them.

The game went into extra innings after both teams had scored. The Falcons defeated the Owls 5-3 in extra innings in their second game of the season, as they walked off the Bay Area with a 3-2 victory.

The Owls played the Falcons in the city park diamond was a thriller from start to finish. The Falcons were not able to drive home a run. The Owls outstripped the Falcons in three tries in their second game of the season, as they struck out the Owls 5-3 in extra innings.

At present the Falcons are hitting it at a clip better than .300 and are scoring grades as a pitching from Tommy Singell. If they are able to display the same speed of ball that they have been, the Falcons will have a halftime if the Owls enter the Bay Arena park next Saturday.

M. BUD COX HIRED AS NEW UNIVERSITY SWIMMING COACH

Malcolm Bud Cox, 29 graduate of Ohio State, will assume his duties in the Physical Education Department next as swimming instructor and football assistant. The school, as a result from President F. B. Frost early this week.

Mr. Cox, who is now teaching at Chelsea Cliff, N.Y., had extensive coaching experience in the Polar Bears, while he was in his second year of teaching, and had coached his team to a victory in the Big Ten conference.

Cox will have complete supervision of the natatorium and all existing courses and intercollegiate competition. His duties on the gridiron have not yet been defined.

He was A. U. middle-weight champion of 1931, and played pro-football with the Cleveland Rams in 1930.

Have 14 Lettermen Endures Difficult History To Reach Present High Rank

By Al Scott

Back in 1917, when the All-America teams were chosen by the sports writers in the hills of France, the first basketball season of history to Bowling Green State University was formed. By this time the campus was crowded with a pair of buildings, Alumni House and basketball rooms were blasted out of the athletic setup. The game, although played with two hoops and a ball, resembled the modern game. But back then, basketball also resembled the modern game. But back then, basketball also

Improvements Delay Baseball Progress

By Richard Doncaster

Bowling Green State University's extensive field building program has jeopardized its baseball season. In the time since Coach Paul Landis was inaugurated into service.

The fact that in the first years of Coach Landis' term men named for first team positions are lettermen, and the second season, 14 are lettermen. A long time ago this was the case and the 1939 team boasts that it reaches every man in the local gymnasium before a conference.

MESSAGE FROM ALUMNI PRESIDENT

Only one in the existence of the Alumni Club can we participate in the celebration of her Silver Anniversary. That opportunity is coming at last.

The quarter of a century has shown growth, progress, and new ideals, for the better things of life. And we have reason to view the future with optimism.

We are苹nvited to lend our support to the Alumni Association, and we urge you to be in line with the campus for the Alumni Banquet on June 3, at 6:30 and the Silver Anniversary Program, June 4 at 8 o'clock. Place to attend, so that we can enjoy these happy moments together.

Shanly & Highfield To Attend Pi Kappa Delta Initiation

Bowling Green will be represented by Harcer Rightfield and Arthur Shanly at the annual trial initiation Phi Kappa Delta May 15. Highfield and Shanly will be among speakers from Bowling Green State University and Bowling Green State University.

Pledges from the three schools will be initiated at the meeting.

The mission of the club is to promote elevation of the standards of men and women in high schools.

Three Deans Agree on Departmental Division Of Duties

For the purpose of efficient administration and for a clear statement of responsibility, the various administrative departments of the University were last week definitely placed under the jurisdiction of the three deans of the colleges.

The assignments were as follows:

Dean Clyde Hissong—education, humanities, library, science, religion, psychology.

Dean G. Harshman—English, foreign language, mathematics, music, physical education, social science.

Dean Ralph G. Bischir—administration, business administration, geography, physical education, sociology. Although these assignments are not necessarily permanent, they will be in force until further notice. Neither is the distribution based upon colleges, but is merely an assignment of departments to deans.
