After due notice had been given the following Trustees met in the Board Room at 1:30 p.m., November 3, 1961: Mrs. Ward and Hessars, Bachman, Canary, Donnell, Ernsthausen, and Schwyn. Mr. Rodgers was absent due to illness.

It was moved by Mr. Bachman and seconded by Mrs. Ward that the minutes of the meeting of October 7, 1961, be approved. The motion was unanimously carried.

Mr. Bachman read a note addressed to the Board of Trustees from Mr. and Mrs. Arch E. Conklin expressing their appreciation to the Board for naming the new Men's Residence Hall in honor of Dean A. B. Conklin.

Mr. Kreischer presented suggested changes in the application of the Administrative Service Charge and stated that the nonrefundable feature of the Administrative Service Charge made it difficult to administer.

It was moved by Mr. Bachman that the motion originally passed on October 19, 1960, be amended to delete the word "nonrefundable" and to insert "that said Administrative Service Charge shall be refundable only if admission is denied by the University," and that said changes be effective the second semester 1961-62. The motion was seconded by Mr. Donnell. On roll call, all members voted "aye." Motion carried.

The Resolution as amended shall read as follows:

That an Administrative Service Charge be established, payable in advance by each student applying for admission to the University; that for admission, the amount of this charge be $25 for the applicant who has not previously been enrolled in the University; that for a former or continuing student the rates be $10 per semester, $10 per full summer session, and $5 for each semester term of six weeks or less in duration; that said Administrative Service Charge shall be refundable only if admission is denied by the University; that said Administrative Service Charge not apply to admission or registration in a course or program for which fees are combined and charged on a semester-hour or program basis, since regular educational and service charges are included in such combined fees; that said Administrative Service Charge become effective with applications for admission or registration in September, 1961; that the previous Orientation Fee of $10 and the previous Administrative Service Charge of $10 per semester on student-housing applications be discontinued on September 1, 1961.

Mr. Kreischer requested direction relative to the use of the Urschel Apartments. He stated that the Urschel Apartments had formerly been used as a dormitory housing twenty-four men students but that it had been suggested that the facility be converted into a four-family apartment house for new faculty members. Mr. Bachman suggested that this facility be converted to its original use as four apartments, Mr. Ernsthausen moved and Mr. Donnell seconded that this action be taken. On roll call, all members voted "aye." Motion carried.

Mr. Bachman stated a communication had been received from the Ohio Fuel Gas Company in which it was requested that the Board of Trustees grant an easement to lay a ten-inch medium pressure gas line along the southern boundary of the University Airport as a replacement for its five and three-sixteenths inch line, such line to make available an adequate supply of gas to the University Airport, the Industrial Arts Building, and the Central Heating Plant.
