The problem which has been a sore spot with students for a long time has been happily exposed itself at the Student Senate meeting of this Friday. It was like trying to get through the “A” section of Reese Library. A well planned party, but the moment you set foot on the floor, you find yourself in the close quarters.

The new fee increase may not exactly be sufficient to make the students consider an all campus dance, but it is a step in the right direction. It is not enough to afford to pay extra janitorial bills but it is enough to indicate that they are willing to give what is necessary for an all campus dance could be given in the Women’s Gym and there would be plenty of room to dance.

Yes, I am very much disappointed with the "younger generation." Are we really the only ones who care to review the Gannett papers issued during the war? I suppose that Japan attacked us because our papers were too sympathetic to the Axis Powers.

I am a God fearing, Christian person who will stand ready to give my life for right, and I will stand ready to fight for the right. I, for one, will stand ready to give my life for the right, and I will stand ready to fight for the right.
