BE IT FURTHER RESOLVED that in recognition for the twenty-seven years of service to Bowling Green State University as Professor, Dean of the College of Business Administration, Vice President and President of the University, this Board of Trustees extends to Dr. Harshman its appreciation for the years of diligent, conscientious, and constructive services, and

BE IT FURTHER RESOLVED that the title of President Emeritus be granted Dr. Harshman effective upon his retirement as President, and

BE IT FURTHER RESOLVED that Dr. Harshman shall serve as an Administrative Consultant to this Board of Trustees and President of this University and shall render such services as deemed necessary from time to time by this Board and President.

It was moved by Mr. Bachman, seconded by Mr. Ernsthausen, that the above Resolution be adopted. The following members voting "aye": Bachman; Canary; Ernsthausen; Schwyn; Ward. The motion carried.

There being no further business, Mr. Schwyn declared the meeting adjourned.

It was the opinion of the Board of Trustees that the word "Local" be deleted from the phrase "Local Capital Improvements" on page 2, of the minutes of the meeting of October 1, 1962 with the amended statement as follows:

Administration Building - The project is progressing on schedule and it is hoped the facility will be completed by the contract completion date on May, 1963. Total estimated cost for the Administration Building is $1,592,735.00, including equipment, of which $1,250,000.00 was appropriated for this purpose from the Capital Improvements Fund.

It was moved by Mr. Bachman, seconded by Mrs. Ward, that the minutes of the meeting of October 1, 1962 be approved as amended. The following members voting "aye": Bachman; Donnell; Ernsthausen; Schwyn; Ward. Motion carried.

It was moved by Mr. Bachman, seconded by Mr. Donnell, that the minutes of December 9, 1962 be approved. The following members voting "aye": Bachman; Donnell; Ernsthausen; Schwyn; Ward. Motion carried.

It was moved by Mr. Bachman, seconded by Mr. Donnell, that the minutes of December 9, 1962 be approved. The motion was unanimously carried. (This motion should be deleted inasmuch as it is duplicated above)

It was moved by Mr. Ernsthausen, seconded by Mrs. Ward, that the minutes of the meeting of January 25, 1963 be approved. The motion was unanimously carried.

It was moved by Mr. Bachman, seconded by Mr. Ernsthausen, that the following personnel changes be approved:

It was moved by Mrs. Ward, seconded by Mr. Bachman, that the following resolution concerning membership requirements in student organizations be approved:

WHEREAS, every recognized student organization must submit a copy of its constitution, (local and national) and by-laws or other satisfactory information governing its operation to the appropriate University (or College) official. The University (or College) will accept in good faith the provisions of such constitutions and by-laws, indicating that the local organization is free to select members upon the basis of individual merit and that membership in the local organization is not governed by restrictive clauses which deal with race, religion, or national origin.

NOW, THEREFORE, BE IT RESOLVED that should a student organization be in conflict with University policy in the selection of its members, the group will be asked to submit evidence that action has been or is being taken to remove such restrictive membership provisions; such as, a request for a waiver of the restriction from the national organization. A reasonable period of time as determined by a designated committee or council of the University may be granted to remove the restrictive provisions. Continued restriction of membership contrary to University (or College) policy will result in withdrawal of University recognition of the student organization. Student organizations having as their primary purpose the deepening of their religious faith or the perpetuation of a national cultural tradition may be accorded recognition where these purposes are clearly stated in their constitutions and by-laws.

The following members voting "aye": Bachman; Donnell; Ernthausen; Schwyn; Ward. Motion carried.

It was moved by Mr. Bachman, seconded by Mr. Donnell, that the following resolution concerning off-campus housing for students be adopted:

RESOLVED, that the University will approve an off-campus residence for student housing only if the landlord of the residence affords equal consideration to every student who applies to him for housing accommodations. While the University recognizes the sanctity of the home and the rights of the owner, the laws of the State of Ohio, as regarding State University housing, require that all students be considered alike. According to these laws, they cannot be denied housing in a University approved home because of race, religion, creed, or national origin.

The following members voting "aye": Bachman; Donnell; Ernthausen; Schwyn; Ward. Motion carried.

It was moved by Mr. Ernthausen, seconded by Mr. Bachman, that the following University Motor Vehicle Regulations be approved:

UNIVERSITY MOTOR VEHICLE REGULATIONS (REVISED)

1. The University recognizes that the use of automobiles is a part of the daily living of most Americans, and considers it a part of a student's education that he develop habits of responsible citizenship in this respect. Since students of Bowling Green State University have demonstrated their ability and willingness to make wholesome and constructive use of automobiles, the University permits any student to bring his automobile to the campus if he and his parents feel that it is desirable for him to do so and if he agrees to abide by the rules and regulations adopted by the University.

2. As a condition of enrollment, the University requires the registration of all student-owned motor vehicles or student-operated motor vehicles regardless of who owns the motor vehicle. To register a motor vehicle, the student must, within 24 hours, after arrival of the motor vehicle in Bowling.
SECTION 1. REGISTRATION

A. As a condition of enrollment, the University requires the registration of all student-owned or student-operated motor vehicles. Failure to register a vehicle constitutes a violation, and the violating student is subject to a minimum fine of $25 or required withdrawal from the University.

B. Failure to display properly the registration decal constitutes a violation and is subject to penalty.

C. Failure to remove previously used automobile registration decals is interpreted as a failure to display properly the registration decal, constitutes a violation and is subject to penalty.

D. Failure to renew a Temporary Special Registration Permit on or before the day it expires constitutes a violation and is subject to penalty.

E. Falsification of information provided at the time of registration shall be a violation and is subject to penalty.

SECTION 2. SPEED REGULATIONS AND LIMITATIONS ON THE CAMPUS

No person shall operate a motor vehicle in and upon the street and highways at a speed greater or less than is reasonable and proper, having due regard to the traffic, surface, and width of the street or highway and of any other conditions then existing; and no person shall drive any motor vehicle in and upon any street or highway at a greater speed than will permit him to bring it to a stop within the...
assured clear distance ahead. It shall be prima facie unlawful for the operator of a motor vehicle to operate at a speed exceeding 15 miles per hour on any street or highway of Bowling Green State University.

SECTION 3. RIGHT-OF-WAY OF PEDESTRIANS ON THE CAMPUS

It shall be the duty of the operator of any vehicle to yield the right-of-way to a pedestrian walking in or upon any street or highway of the Bowling Green State University campus.

SECTION 4. TRAFFIC REGULATIONS OF OHIO AND BOWLING GREEN

A. A student who has been found guilty of numerous, persistent, and/or flagrant violations of traffic regulations—either those of the State of Ohio, or the City of Bowling Green, or of the University—may be denied the use of his motor vehicle for a specified period, or required to send his motor vehicle home and refrain from driving any motor vehicle for a specified period of time, or fined up to $25, or any combination of these penalties.

B. This does not constitute double jeopardy as the student is not being placed in jeopardy a second time as his appearance before the Student Court results from a violation of this University Motor Vehicle Regulation and not for the violation or violations for which he has already been held in jeopardy.

SECTION 5. VIOLATION OF A UNIVERSITY REGULATION

Use of a student automobile in connection with any violation of a University regulation shall be considered ipso facto a violation of University automobile regulations.

SECTION 6. STUDENT PARKING

A. Student parking areas are: Parking area No. 1, east of the Stadium, excluding designated areas in Lot No. 1; Parking area No. 2, north of Overman Hall; and from time to time, such areas so posted with proper signs.

B. Between the hours of 7:00 a.m. and 5:00 p.m., students are prohibited from parking a motor vehicle in parking areas designated as “Faculty, Employee, Visitors Parking”, or in parking areas designated as “Assigned Parking.”

C. Where parking space is specifically restricted and assigned, such as for Head Residents or for Visitors, others may not park in such space at any time.

D. For the purpose of loading and/or unloading, students may park at the loading zones only for the length of time posted on the regulatory signs.

E. A Visitor is a person who is not connected in any way with the University, either as a student, faculty member, or employee.

SECTION 7. PENALTIES

Whoever violates the provisions of Section 6 or other parking regulations of Bowling Green State University, within the academic year, shall for the first offense be fined $1 by the Student Court; for the second offense a minimum of $3 plus one week’s suspension of driving privileges, for the third offense, a fine of not less than $5 nor more than $10 and a two weeks’ suspension of driving privileges; and for the fourth offense, a fine of not less than $10 nor more than $25 plus suspension of driving privileges for the remainder of the academic year and the automobile to be taken to the Student’s home.

SECTION 8. METERED PARKING AREAS

Parking Area 13 and Parking Area 17 are metered parking areas. (NOTE: This area is available to all including full or part-time students.) The following meter deposit shall be made for the parking of an automobile in a metered space on campus.

(a) A nickel for thirty minutes, a dime for one hour, a quarter for two hours, and one half hours, or a combination of coins at these rates for a maximum of twelve hours. Parking of properly registered automobiles in metered space on campus without charge is permitted between the hours of 10:00 P.M. and 6:00 A.M.

(b) Commercial vehicles larger than one-quarter ton pickup or panel delivery trucks are prohibited from parking in any metered parking space.

(c) Any automobile parked in a metered space for which the meter shows violation will be ticketed by the University Police.

SECTION 9. PENALTY

The violating driver and/or owner of a vehicle ticketed for meter violation is permitted, within the first hour after the ticket has been placed on the automobile, to discharge his obligation by inserting a quarter in a courtesy box provided in the parking area. If the obligation for such a violation shall not have been discharged within said first hour after the ticket was placed on the automobile, the driver and/or owner is permitted to discharge his obligation for the violation any time within the first 48 hours, by going to the Headquarters of the University Police and paying one dollar. The driver and/or owner of an automobile ticketed for overtime parking, for which the obligation has not been discharged in the manner previously set forth shall be considered in violation of the University regulations for safety and traffic control under authority of Section 3345.04 of the Revised Code of Ohio. The driver and/or owner of any automobile ticketed for metered parking violation for which the obligation has not been discharged in accordance with the preceding provisions within 48 hours after the ticket was placed on the automobile shall be cited by the University Police to a Court of competent jurisdiction as provided under the University Regulations for Safety and Traffic Control and/or the Public Laws of Ohio.
Ohio. If such driver and/or owner is judged guilty of violating the provisions, he shall be subject to such fines as may be assessed by the Court.

SECTION 10. GENERAL PENALTIES FOR VIOLATIONS

A. Any student convicted by the Student Court of a violation of any of the provisions of the Bowling Green State University traffic regulations for which a specific penalty is not otherwise provided shall for the first offense be fined by the Student Court not less than $1 nor more than $25; for the second offense, not less than $3 nor more than $50; for the third offense, not less than $5 nor more than $100; and for the fourth offense not less than $10 nor more than $100.

B. In addition to the authority to levy fines, the Student Court shall have authority to impose, for continued or serious violation of the automobile regulations of the University, any one of the following penalties: (1) temporary revocation of the student’s automobile permit; (2) full revocation of the student’s automobile permit, requiring that the automobile be returned to the student’s home immediately; (3) recommendation to University officials that the student be suspended from the University.

SECTION 11. STUDENT’S RIGHT OF APPEAL

Any fine or other penalty imposed by the Student Court shall constitute an obligation of the student under the authority of the University Administration and the Board of Trustees. A student convicted by the Student Court under these regulations may appeal his conviction or penalty to the Assistant Dean of Students, who may establish rules for hearing the appeal, the finding of which may confirm, waive, or alter the conviction or penalty, with written explanation to the student and to the Court stating the reasons for the decision.

The University Police Department is open 24 hours a day, 7 days a week. If, for any reason, a student finds that he cannot comply with the regulations, he should contact the Police Department immediately. Questions regarding motor vehicle regulations should be referred to the Police Department.

The following members voting "aye": Bachman; Donnell; Ernsthausen; Schwyn; Ward. Motion carried.

The Board of Trustees previously approved an excess credit fee of $10.00 per credit hour for each credit hour over 17, currently 18 during any one semester of the academic year; and $15.00 per credit hour for each credit over 6 during any one regular summer session or more than 12 semester hours of credit in the extended session.

It is the opinion of the authorities of the University that such a fee penalizes the good student who might be capable of carrying excess hours.

It was moved by Mrs. Ward, seconded by Mr. Donnell, that authorization be given to permit excess credit by capable students, with the approval of the dean of the college, without the payment of excess credit fee. The following members voting "aye": Bachman; Donnell; Ernsthausen; Schwyn; Ward. Motion carried.

It was moved by Mr. Bachman, seconded by Mr. Donnell, that the administration be authorized to make the faculty promotions as outlined below, effective with the beginning of the 1963-64 academic year.

Proceedings, Trustees Bowling Green State University
March 8, 1963

After due notice had been given, the following Trustees met in the Board Room of the Administration Building at 2:00 p.m., May 3, 1963: Carl Schwyn, President; Sumner Canary, Vice President; Alva Bachman, Secretary; Mrs. Anita Ward, Messrs. James C. Donnell, and John Ernsthauen. Also present were Dr. Ralph G. Harshman, Dr. K. H. McFall, Mr. E. J. Kreischer, and Dr. F. E. Leedy.

Mr. Schwyn, President of the Board of Trustees, called the meeting to order.

It was moved by Mr. Ernsthauen, seconded by Mr. Bachman, that the minutes of the meeting of March 8, 1963 be approved. The motion was unanimously carried.

President Harshman informed the Board that University officials were contacted by Representative Charles Kurfess and Senator Tennyson Gayer relative to the availability of the Rossford Army Depot. It was deemed advisable to investigate the possibility of the use of this facility by Bowling Green State University. As a part of the investigation Dr. K. H. McFall, Mr. E. J. Kreischer, and Mr. F. E. Leedy, representing the University, and Mr. George Wilson, Director of Industrial Development of the State of Ohio, met with a representative from the Surplus Properties Department of the Department of Health, Education, and Welfare in Washington, D. C., President Harshman asked Dr. McFall to report on the investigation.

Dr. McFall stated that the Rossford Army Depot, consisting of 886.53 acres and containing 103 buildings, is bounded by Oregon Road, Glenwood Road, State Route 795, and the Toledo Terminal Railroad. By present routes the southern edge of the Depot is approximately 16 miles north from the Bowling Green State University campus. The northern half of the Depot composed of 410 acres contains 35 structures, including warehouses, National Activities Building, and Administration Building. There are pads of cement surfaces which can be used for parking. There are spurs of railroad track for access of heavy freight to the warehouses. By remodeling and the installation of partitions, the National Activities Building could provide fifteen classrooms, five laboratories, fifteen seminar rooms, and fifteen offices. The Administration Building could provide offices and seminar rooms. There are four classrooms in the building housing the Packaging School.

It would appear that approximately 410 acres at the northern end of the Rossford Army Depot could, with adequate funds for reconstruction and remodeling of buildings, serve as a center for an engineering technological type institution to prepare technologists in an integrated program of two or three years length. If adequate funds are made available for the needed remodeling in the National Activities Building, for the purchase of equipment, and the purchase of office equipment for the Administration Building, it would be possible to open an educational center by using these two buildings. If the Packaging School were to remain in Northwestern Ohio, a contractual arrangement could be made with the United States Army to provide the instruction for that type of operation. After the start of an engineering technological institution, it is possible that conversion could be made of some of the warehouse buildings for various purposes, such as research requiring large spaces and for additional classrooms and laboratories. It is conceivable that a sewage treatment plant could eventually become both a laboratory for technologists in sanitary engineering, as well as a treatment plant. If an application to secure this portion of the Depot were approved, the 410 acres would be given to the University on the condition that it be used for educational and research purposes; that it be maintained; that, if any sale of the land is made, the profits from
