Congressman Dudley White took the lead in the number of degrees received at the annual commencement in the University Auditorium last week. The college of Education took the lead in the number of degrees being given, conferring 122 degrees of bachelor of science in education. The College of Business Administration gave 23 degrees of bachelor of science in business administration, and the College of Liberal Arts gave 22 bachelor of arts degrees. Two graduates received the degree of bachelor of science.

Mr. White received an honorary doctor of laws degree. Congressman from the thirteenth Ohio district, White was given the honor for his outstanding work in his Washington life. He started early in life as a newspaper man and never to leave college work. He is publisher of the newspaper at Norwalk, his home town, and is active in newspaper circles in northwest Ohio. The degree was conferred upon him by Dr. F. J. Prout.

Dr. Samuel W. Graffin of White Plains, N. Y., gave the commencement address. Rabbi Leon Feuer, of the Collingwood Temple, Toledo, gave the benedictory sermon.

872 Students Enroll For Summer School Session

Register C. D. Perry announced yesterday morning that 872 students had registered at the campus in the past two weeks. The total enrollment includes both graduate and undergraduate enrollment and is slightly lower than the enrollment last summer.

Forty-five students have enrolled in the summer band school.

Cecil Leeson, Nationally Known Artist Will Play Classical Compositions On 'Swing' Instrument

Cecil Leeson, saxophone recitalist, will be heard this morning in the University Auditorium at 10:15 in the first assembly program of the summer according to Prof. John Schwartz, chairman of the entertainment committee.

Leeson is not a jazz player. The novelty of his his approach to the music in a saxophone recital has brought him national fame. Leeson is Bowing the first instrument that is the backbone of swing in its use and professional players and educators have proven it.

Leeson's musical education was obtained at Daza Musical Institute in New York. He has toured extensively in concert, and has been soloist with the New York Philharmonic, the Rochester Philharmonic, the Montreal Symphony and the Sinfonie D'Orgue De La Societe Radio-Canada.

This year he is programming with the New York Philharmonic Orchestra, and will perform all the works of Leopold A. Sonata Opus 96 for Saxophone and Piano, and Paul Dukas' Sonata Opus 19 for the same combination. He also plans to perform a number of arrangements and transcriptions according to the professor's program.

Welsh returns from absence leave

Prof. W. C. Welsh returned from a seminar's leave of absence to teach at Summer School.

Welsh was granted a leave of absence for the summer to care for the woman who was in the hospital at Shaker Heights. He was granted a leave of absence for the summer to care for the woman who was in the hospital at Shaker Heights. He was granted a leave of absence for the summer to care for the woman who was in the hospital at Shaker Heights.

The Infirmary plans call for a $60,000 structure with modern facilities for hospitalization and accommodations for 20 beds. The exact location of the infirmary is as yet uncertain. Original plans were to locate it on the campus, between the two women's dorms. Recent substantial rumors have been circulating that the building may be built back of Kohl Hall on the drive to the power plant.

The second building under consideration is a $45,000 cottage-type women's dormitory. The new building will accommodate 32 to 48 women and will be located on Tenth Ave., directly south of Shidell Hall. Room rent will vary from $2 to $2.50 per week.

Facilities in the new dormitory will include kitchen accommodations for parties and breakfast. Daily meals will be taken outside the dormitory, probably at Shidell Hall. Four rooms will have double desks and the others will be double rooms with single beds.

C.A.A. To provide Training For 45 Student Flyers

The Civil Aeronautics Authority will provide flying instructions to 45 Bowling Green State University students this summer, according to the program announced by President Frank J. Prout. The classes opened June 10 and will continue to Sept. 10.

The course will be supervised by Major J. R. Rawley, who will instruct the ground work phases, and Mike Murphy of the Findlay airport will handle the flying course. The course consists of 20 hours in the air and 72 hours ground work, covering theory of flight, aircraft and design, civil air regulations, navigation, meteorology, etc.

Dr. Ogg Will Head Library Until Librarian Is Named

Dr. R. C. Ogg, chairman of the Library Committee, will have general supervision of the library during the summer term until a new librarian is appointed, as ordered by President Frank J. Prout to succeed Edmon Long.

Mr. Low recently resigned his position as head librarian to accept a similar position at Oklahoma A. & M. College at Stillwater, Okla. hom. Lejla Long, a student assistant for the past three years, will be in charge of the loan desk for the summer session. Miss Welton Brooks will also work as a full-time assistant for the summer to care for the new catalog and improve periodicals. Both Miss Brooks and Mr. Long received their degrees here this year.

Miss Gladys Burling, assistant librarian, has been granted a leave of absence for the summer. She will enroll at the University of Chicago to continue work in her degree in library science.

Seven Programs Are Planned For Summer Term

The following at various series and assembly meetings according to the professor's program.

The Program of Prof. John Schwartz, chairman of the entertainment committee.

Dr. and Mrs. Joseph Rueck, Czechs, will give a lecture and recital, their material coming from the former central European republic, July 11.

Will Irwin, famous newspaperman and author of several books, including propaganda and the News, will lecture on world affairs July 21.

The last program of the season will be a lecture by Alexander Meiklejohn, July 31.

Smith To Direct Special Speech, Drama School

A special Summer School of Speech for high school students will be conducted on the campus for five weeks beginning June 24 under the direction of Prof. Elden T. Smith of the speech department.

Twenty-two students throughout Ohio were selected through scholarships to enroll for the course. Only students with superior ability in dramatics or oratory were awarded the scholarships. Professor Smith has stated. During the summer period the students will produce several plays, including for which they will design the stage sets and learn all important phases of dramatic production.

Students will live in dormitories and will have access to all recreational facilities on the campus.

Bee Gee News

Back to B. G.
The University looks forward to greater achievements...

The University welcomes you back to summer school. Several significant changes have occurred during the past year and the University has grown culturally, socially and in size.

The present column member a few years ago that Bowling Green seems to be destined to remain a small town college and a normal school. However, current changes and advances of the University that your Alma Mater will become one of the most outstanding institutions of higher learning in the state and middle west.

Fared well and made its mark among the established schools, and directed by a progressive and vigorous president, Bowling Green has emerged from its recent years of river Ohio's youth a well rounded education and professional training.

The record breaking enrollment of last fall indicated that Bowling Green definitely has something to offer.

The $500,000 building program completed last year increased the number of buildings one-third and with the completion of the natatorium and women's gym, BG is today a fully equipped physical education plant in the state.

This year marked the initiation of magna cum laude honors for the top-ranking seniors. The administration has indicated a policy which will be turned toward improving and raising the scholarship throughout the University.

The athletic program is definitely on the upward trend with varsity teams making impressive records in football, basketball and track.

Students may look forward to a greater emphasis on scholarship, an improvement of the University's academic standard. It is believed that the University, better organized fraternity and sorority set up, a young and energetic faculty, and the completion of the new natatorium will have a healthy distribution of extra-curricular activities.

With such an outlook for the future, Bowling Green State University shall continue to improve and continue to give Ohio's young men and women the training and preparation that they need to take their places in a democratic nation.

If U. S. Must Help England, Let It Be Supplies—Not Men...

With the crushed French nation in the hands of the Nazis, dictator running rampant over war-torn Europe, the impassioned British Empire threatened with extinction at the hand of “Blitzkrieg” Hitler, the United States faces the gravest World crisis since the first World War.

In a word, without a doubt will carry the campaign to the British Isles in his unhesitating sweep through the continent, after he has worked a satisfactory peace from the French. The British are shivering in their boots, and rightfully so since they, as any other nation, are vulnerable from the air, the key to Hitler's lightning war.

The question in the minds of most Americans seems to be: “Must we lend aid to the Allies and try to get into the war?” to “How soon will our men be in Europe?” to “Can we stop this atrocity, coupled with twenty century propaganda and fifth column, before this Nazi weapon gets us in the war when it is unnecessary.”

England doesn't need our men. She is unprepared. She needs machinery, war material and supplies. Since it is to our continued welfare that she should win the war. It is in the interest of the United States to lend all the aid necessary to stop Hitler short of conquest, before that war. There is no need to repeat the slaughter of American men, women, and children. If it must lend aid, can do more toward terminating the war by sending material and supplies than by sending men.

University shows year of progress

Term marked by new advancements on campus

Sept. 17—Six hundred freshmen registered with total enrollment reaching 13,105. Ten full-time members of the University faculty began work: J. M. Cadwallader, Professor of English; R. B. Peirce, supervisor of technical training; Paul F. Mose, business teacher; and A. B. Cook, dean of men.

Sept. 25—Two thousand students were present in the Student Union Band under the direction of E. E. Benner in the Menter Gym.

Oct. 4—Civil Aeronautics Authority of Washington, D. C. named Bowling Green as a center of instruction for students of the United States Air Corps. J. E. Rainey was given 25 students.

Oct. 11—Mildred Wolfe, freshman, was elected homecoming queen.

Oct. 20-21—Annual Homecoming celebration attracted a 200% increase to the campus. Frank J. Pratt was inaugurated in impressive ceremony. Falcons won homecoming game with German.

Nov. 17—Prof. Upton Palmer, drama instructor, opened the drama season with “Buy the Dead,” satire on war.

Dec. 5—President Frank J. Pratt spoke on station WPTQ. A first broadcast concert series. Total of 20 programs will be given over the station during both semesters.

Jan. 5—University's new Natatorium was dedicated in an open house affair. The University Council, Beta Gamma Upsilon, first organization chartered at the University, was dedicated in an open house.
**Sport Sparks**

By BOB BARON

If you are the type of student who takes your school work to interfere with his recreation. I realize that the suggestion of any type of physical exertion to you teachers is quite bold, but after all, most of you are still young enough for war service, and you really ought to be able to throw a few hand grenades without spraining a shoulder; so why not limber up this summer?

**FUN FOR EVERYONE** . . .

It has been announced that the physical education departments will be open for summer school. This means you can choose from the campus sports menus—swimming, tennis, handball, horseback riding, baseball, horse shoes, shuffleboard and table tennis. Here's a tip on table tennis: the best table, regulation Detrotiers, are in the Women's Gym. Men can use them.

Off the campus there is also much to keep you busy outside of your studies. Of course you return to the stores for your summer clothes. The water is swell this summer and it's the highest in 20 years. A dive from the high dive point around the quarry will hardly amount to more than a "spasm" these days.

**HAVE YOU BROKEN OIL?**

For golf addicts the nine-hole B. G. Country Club is open as well as Riverly Hills course at Waterville. You can play all afternoon. Play early morning at the local course for 25 cents; afternoons, 18 holes for 50 cents. Riverly's fees are 55 cents for 18 holes on week days and after 4 p.m. then it is reduced to 35 cents.

If you want to improve your general riding, Paul Luding a local pro, will give you the low point around the quarry and hardly amount to more than a "spasm" these days.

**DO YOU EVER ROW A BICYCLE?** . . .

That's funny, we rode one once. If you like cycling, you rent bicycles at Yoder's Service Station right across from the Parrot. The fee is 25 cents per hour.

And, by the way, should you happen to become a victim to inebrius somnolentus (sunburn to the French), where do you find first aid advertisements in the Bee Gee News concerning the newest relief lotions.

---

**Budd Cox Announces Swim Schedule In Natatorium**

Facilities of the new $175,000 University Natatorium, put into operation during the past year, will be available to Summer School students for both recreational and instructional purposes according to a statement from M. Budd Cox, swimming instructor.

The University will furnish sterilized suits, towels, and all other equipment excepting your own. Bathing payment of a $2 fee. Bathing caps are the only personal belongings permitted in the pool. Caps for both sexes are on sale now at the Natatorium.

Privilege cards were granted to students wishing to swim in the Natatorium for recreational or instructional purposes on registration day. The cards must be presented at the pool to gain entrance.

The swimming schedule has been posted by Mr. Cox, indicating swimming classes for credit, and periods for recreational swimming for both sexes, faculty children and faculty members.

Personal instruction will be given upon request during any period. Arrangements can be made with Mr. Cox.

Van Wert Man
Elected Head
Of B. G. Alumni

Supt. C. D. Fox succeeds
Ralph A. Schaller
As President

C. D. Fox, Van Wert school superintendent, was elected presi-
dent of the Bowling Green State University Alumni Asso-
ciation at the group’s annual plenary and reunion here Satur-
day evening. M. M. Munro, Bowling Green; Don Bain, Ma-
rion, and Horace Pelton, Berea, were named vice presidents, and
Mrs. Melva Gibson Rockwood, Bowling Green, was chosen sec-
tary.

President R. A. Schaller pre-
sided at the informal dinner
where more than 150 plates were
served. Miss Harriet Hayward
and Prof. W. P. Holt were hon-
cored at the dinner for 25 years of service while the class of 1910
also was honored. Mrs. C. B.
Mahaffey of Rudolph spoke for
the class.

Miss Esther Hardy, of Fre-
mont, spoke in honor of Miss
Hayward and Prof. Holt. Presi-
dent J. L. Prout spoke briefly
of the future of the university.
A constitution was read and
adopted and the officers elected. The group greeted the class of
1940 and Arthur Shanley re-
sponded for them.

A complimentary program of
“The Taming of the Shrew”
was presented in the auditori-
num.

Year In Review

(Continued from page 2, col. 3)
College of Education, in charge.
May 15-16-17 — R. i. h
Jaynes, freshman, and Welds
Berliner, senior, starred in
Shakespeare’s comedy, “Tam-
ing of the Shrew.” Another
successful Smith production.
May 17—Gene Lewis was
named Queen of the Queen.
Most colorful and complete pro-
gram in the history of the Uni-
versity. The Queen rode in a
horse-drawn Victoria carriage
to a solemn and impressive
quality, where the coronation took
place. Movies in technicolor were ta-
gen of the entire ceremony.
May 24-25—Bowling Green
was host to the Big Six track
and field meet in which 20 Ohio
college and universities com-
peted. Bowling Green took
fifth place with Oberlin win-
ing the meet. Last year Bow-
ling Green placed tenth in the
same meet.
May 17—Honors Day was
initiated here as part of the May
Day celebration. The day, to
become an annual tradition, is
assigned to give recognition to

Dr. Wilde E. Steidtman, associate professor of biology has
been invited to a member of
the summer school fac-
culty at the University of Michi-
gan.

Dr. Steidtman will have
charge of general botany and
will teach an advanced course
in zoology at the University.
He received his doctor’s de-
gree in botany at the University
of Michigan in 1935.

Mrs. Steidtman and the
two children, Sally and Jimmy,
will live in Ann Arbor with Dr.
Steidtman during the sum-
mer term.

Overgard Will
Conduct Band
Tomorrow At 8

Conductor

GRAHAM TOBERCROST
Steidtman Is Named
Instructor At Michigan

Overgard, guest con-
derctor from Wayne Uni-
versity, Detroit, will conduct a
concert by the Summer Band
School tomorrow evening at 8
p.m. The concert will be played
either in the outdoor ampithe-
ter or in the University audi-
torium depending on the weather.

The concert is free to all
University students and will feature several solos and a
concerto trio.

The summer Band School is
now in its second week and has
45 students enrolled according to
Prof. Charles F. Church, Jr.,
director. The enrollment in-
cludes high school, graduate and
University students. En-
rollment for the final two weeks of
1940 will be open Monday, June 24, Professor Church said.

Three more concerts will be
given before the Band School
season July 6.
