Follow Falcons . . .

On to Findlay! It's the cry of the week as Bowling Green prepares for the annual showdown against the Dukes. The Findlay Dukes have been a consistent thorn in our side in past years. But now, with the return of Professor White, they are no match for the Falcons.

College Wide . . .

Down around Atlanta they tell many an anecdote about Warren Allen Chandler, revolver in hand, and the Dukes, and in the hall they tell the same story about "gathering" Emery university. Now in the library they tell it another way. They tell us that only men tried to drive an automobile. The first to be injured was Charles Sunday. Climbing out, he plumped up his knees, and with the aid of the gathering crowd: "Get me a doctor—get a veterinarian, too. I sure am a jackass for trying to drive the thing."

Letters To The Editor

Dear Editor:

In the past few days I have heard much about the Japanese, but I fear it seems one mention of it should be made. The Japanese are the latest example of a nation with a powerful people who are considered to be ruthless and unyielding. However, there are two major factors: first, the nation's population and second, the nation's economic power. These facts make it all but impossible to develop any plan of action against them. The situation is complicated by the presence of the United States in the Pacific area, and the possibility of an attack on the west coast of the United States.

The only answer to the problem is for the United States to take a firm stand against the Japanese and to work for the establishment of a world organization that will enforce international law. The United States must also work to build up its own defenses and to strengthen its military power. Only then can the United States hope to prevent another war.

Sincerely yours,

A powerful, well-organized Wittenberg eleven rolled over an inferior Bowling Green team, which simply failed to make any
impact throughout the game, last Saturday afternoon. Toward
the end of the first period, the Lutherans shoved across their first
touchdown after a prolonged drive, following a Red Devil at the thirty
and into the Wittenberg goal, to make the final score 14-0.

The line B. G. was caught in the third quarter on the kickoff, following their sound Wittenberg
attack. Fails received the long kickoff, and as the first tackle missed
him, he passed to Bob Fast, who carried the ball to the Wittenberg thirty.
Falls found the way to the thirty with time running out, and
the Lutherans were up 7 points.

Festivities Begin With Inter-Organization Dance; Sororities To Entertain Sunday With Teas; Migration Day To Be Observed Friday

The social calendar for this week-end at Bowling Green compares somewhat with Mother Hubbard's cupboard, but since Friday will be Migration Day to Findlay and a large number of H. G. students are expected to "migrate," the social committee decided in favor of a quiet week-end on the campus. Things will start to hum, however, on Sunday. Skojo, Five Sisters and R. K. Kays will play host.

The Five Sister Sorority held a tea party for upperclassmen in the City Park. Apparently the plans were laid for last week."For best food on the four corners, Grade "A" milk," Mrs. W. H. McCombs, home economics instructor, and Mrs. E. B. H. McCombs and Mrs. C. T. Dailey have transferred to Ohio State University.

Larry Everhardt and Jack Verhoy have transferred to Ohio State University. Robert Fels is studying at the Ohio College of Chiropody. Pat Throstin, winner of 1940 Five Brother scholarship award, is taking graduate work at the University of Michigan.

Miss Caroline Nielsen and Mrs. W. B. Lewis passed as the sorority sister, too, given for all new women on the campus last Friday afternoon at the sorority house. Dances for the entire following week were under the chairmanship of the tea.

Nearly 200 attended the annual Los Angeles tea held on the sorority house. Al Davidsson was general chairman of the tea.

Final plans were made at the last meeting for the Inter-Organization Dance to be held this Sunday at the Red House in Harrisville. This will be an all-campus affair from 2 to 5. Florence Gauer, general chairman for the tea named the following committee heads: tea, Lynette Purkey; buying, Peggy Correll; refreshments, Ruth Schulte; music, Joe Goucher; banquet chairman, Joe Goucher. The serving was done by Miss Grace Wills, sponsor of the sorority and the accuracy and the neatness remained.

A 11 fraternity alumni are general chairman for the Inter-Organization Dance. Al Davidsson, general chairman for the tea, will clean and press a pair of trousers that day at open house time, and everyone is invited to put in four dollars.

The best way to look well is with the authentic Arrow shirt and Arrow tie, never look ridiculous in any way.

NOTE TO INTER-ORGANIZATION FRATERNITY MEN: This coupon presented with 30c will clean a pair of trousers, one shirt and one tie for a dollar. The Bata Gamma Upailon fraternity has decided to give a pair of trousers, one shirt and one tie for a dollar. The Bata Gamma Upailon fraternity has decided to give all-time $1.00. This offer is good for the next thirty days.
