Sororities And Frats Submit Program Bids

Other Groups Urged To Take Part In Annual Assembly Contest

Four sororities, three fraternities, and the student government association on the annual assembly committee submitted their programs for consideration by the student government association, according to a statement by Dean Robert F. Stroud.

Dean Stroud said that if the committee on the annual assembly committee gives its approval, the programs will be sent to the student council, according to a statement by Dean D. H. Gatchell.

Program Bids

Dormitories are eligible for competition in the annual assembly contest according to a report compiled by the student government association.

The council is now planning details for the series of programs which will be announced by the program committee when the council begins its work next semester. This council is expected to be announced the first week in January.

B. G. Recognized

By New York State Board Of Regents

B. G. has been recognized by the New York State Board of Regents as an organization of a fifth co-op house in New York City.

Five sororities, three fraternities, and one student government association have submitted programs next semester. This is the first time that this organization has been recognized by the board of regents.

Organization of a fifth co-op house

The organization of a fifth co-op house in New York City was announced by the board of regents. This is the first time that this organization has been recognized by the board of regents.

Gail Roth, director of the organization, said that the organization was established in 1939. She said that the organization was founded to provide housing for students who were not able to afford to live in the city during the school year.

The organization was founded in 1939 and has been in operation ever since. It is located at 528 E. Wooster for men students and 1667 E. Wooster for women students.

The organization has been in operation for over 20 years and has been successful in providing housing for students who are not able to afford to live in the city during the school year.

Everybody Knows Janitor Jim McDowell

But Did You Know This Until Now??

For the first time in 45 years, Jim McDowell, that slightly stooped, kindly old janitor in the Men's Gym is exposing his life to the public. Living a good life ever since his days at the University, Jim has always been a private person, never wanting to talk about his life. But when the opportunity to tell his story came along, he could not resist.

Jim McDowell was born in a poor family, and had to work from a young age to help support his family. He worked in various jobs, from a tobacco factory to a grocery store, but it was never enough. He finally found work as a janitor at the university, and he was happier than he had ever been in his life. He jumped on the chance to be out here all the time, and he hasn't looked back since.

Jim McDowell is a legend at the university, and his presence is felt in every corner of the Men's Gym. He is the kind of old man who knows everyone's name and has a smile for everyone. His laughter echoes through the halls, and he is a source of joy for everyone who meets him.

Jim McDowell is more than a janitor; he is a father figure to many of the students. He is always ready to lend a helping hand, and his advice is sought after by everyone. His presence is felt not only in the Men's Gym, but in the entire university.

Jim McDowell is an inspiration to us all, showing us that even the most humble of jobs can make a great difference. His life is a testament to the power of hard work and determination, and his story is a reminder to us all that we can make a difference in the world.

So the next time you see Jim McDowell, take a moment to appreciate his hard work and dedication. He is a true legend, and his story is one that we should all be proud of.
