reviewing revisions, which is much less than the desirable minimum of four to six months. "There is a tendency for the Regents to look at higher education in this state as though it were monolithic," he said, and added that he would make some recommendation to the Regents at their next meeting.

Other

Mr. Shanklin commented that the BG News should recognize the Senior Class—"at least on the back page"—for its drive to encourage upcoming graduates to make a financial commitment to the University while still on campus. He stated that the campaign committee to date has obtained pledges to the University in the amount of $16,000. He also said the Board should express appreciation to the Senior Class for this effort.

Mr. Simmons said he believes that what the Seniors are accomplishing is important to the University as well as to the students as they leave the University.

Mr. Bryan stated that students should be informed of the proper way to send communications to the trustees. He said he received a letter (addressed to the trustees but mailed to him) from Rose Patrick, a student, objecting to the University's policy of charging for hours carried over 18. She indicated she had planned to graduate in June of 1971 by carrying 20 or 21 hours next year, but now would not be able to carry out these plans because she would not have money to pay for the extra hours. Dr. Bond said he had investigated and found this girl to be an excellent student and that he wants to find a way to reward good students and still be reasonably consistent in following the University policy.

Mr. Bryan said that communications intended for the Board of Trustees should be addressed to the Board through the President's office.

There being no further business, Mr. Simmons declared the meeting adjourned at 4:15 p.m.  

After due notice sent to each member, a special meeting of the trustees was held in the Alumni Room of the University Union with the following members present: Delmont Brown, Ashel Bryan, Robert Dorfmeyer, Charles Shanklin, Donald Simmons, Virginia Stranahan, Anita Ward, and Robert Winzeler, Sr. Dudley White, Jr. was absent.

Chairman Simmons called the meeting to order at 8:35 a.m. stating this special meeting was held to announce the name of the next president of the University. He complimented the Search and Screening Committee for "doing a tremendous job" in screening candidates and added that recommended candidates were interviewed by members of the Board of Trustees.

Mr. Simmons then asked Mrs. Ward, Chairman of the Search and Screening Committee, if she wanted to make a motion concerning the selected candidate.

No. 85-70

Mrs. Ward moved, Mr. Bryan seconded, that Hollis A. Moore, Jr. be unanimously elected the seventh president of Bowling Green State University effective July 1, 1970.

Voting "aye," were Messrs. Brown, Bryan, Dorfmeyer, Shanklin, Simmons, Winzeler; Mrs. Stranahan and Mrs. Ward. Chairman Simmons declared the motion carried unanimously.

Mr. Simmons then inquired of the trustees and President Jerome if there was any other business to bring before the meeting. The President indicated that he was not bringing anything to the agenda at this meeting. "Bowling Green," he added, "is a great university to turn over to Hollis Moore and this is a tremendous opportunity for him, especially since the events of the past week have made a different ball game out of higher education."

Mr. Simmons stated that during these past hectic ten days he had been in constant touch with the campus, adding "these are trying times throughout the United States." He said he was pleased and proud of the way the students had handled the happenings on the campus and very proud of the manner in which President Jerome, members of the faculty, vice presidents, deans, chairmen, and the Faculty Senate—all who were involved in meeting with the students—helped "keep the cool." He said he knew the other Board members were very pleased and hoped that the same kind of support given President Jerome would be extended in the future to Dr. Moore.

Mr. Simmons announced that newly-elected President Moore, his wife Marian, and son Andy would be available immediately following the meeting for a press interview.

Mr. Brown indicated that he had some matters to bring before the Board and would like to have another meeting held in the near future. Mr. Simmons stated a date would be set for the meeting.
There being no further business, Mr. Simmons asked if there was a motion to adjourn. Mr. Shanklin moved, Mrs. Ward seconded, that the meeting be adjourned. All members present voting "aye," the motion carried unanimously.
