Birchers Wins Queen Race In Walk; Bowls Named Yarning Prexy Over Erby, Harkness

Leading the strongest independent party in years, Gerry Birchers, junior from St. Mary's, has been named Yarning Prexy for the remainder of the season. Birchers plans to continue the work of his predecessors and expand the activities of the group.

Birchers has already begun planning for the annual Yarning Party, which is scheduled for early November. The party will feature a variety of activities, including a dance, a drama contest, and a talent show. Birchers is also planning to organize a Yarning Club, which will meet weekly to discuss various topics of interest to the group.

In addition to his work with the group, Birchers is also a member of the Inter-Organization Committee, which is responsible for organizing and coordinating the activities of the various student groups on campus.

Birchers is looking forward to the upcoming season and is confident that his group will continue to be successful. He is especially excited about the Yarning Party, which he feels will be a great success.

What a day for Falconettes at Bowling Green State University. Last week our flag, Miss Eileen, brings a message home that the Falconettes must get ready to do their duty and that the Falconettes must not be afraid.

Last week we saw that the Falconettes must get ready to do their duty and that they should not be afraid. The Falconettes must be ready to do their duty and that they should not be afraid.

Falconettes, too, are called upon to be ready. The Falconettes must be ready to do their duty and that they should not be afraid.

During the last few weeks we have been so busy watching the Falcons put their season underway that we have neglected to take a look at what some of the future opportunists of the Whitman clan have been doing during Saturday afternoon.

HEIDELBERG TOPS OPPONENT

To date the Student Princes of Heidelberg have the best record with three consecutive victories. In their opener they power-handled the Continentals from Ohio's side by a 1:24 score. In the next game they hopped to Ashland to roast the Eagles 21:6. Then Saturday Ted Turner's eleven out-footed a determined Capital squad 10:3 to give the Tri-colors their second conference win.

Wittenberg takes second place in the opponents standings with some good future dates if you're interested. During the last few weeks we have been so busy watching the varsity and generally holding a spot in the limelight of fall athletics that some of the other varsities have been questioned. Big Stan Yoder played Falcon center, brought down Busch, and added a number of points to the Falcon count. From all reports the Falcons really looked like a biff-time ball club for those who have seen them in action.

City Rifle Range Opens For Season

The Bowling Green Rifle Club is going all out this year. They have increased the rifle range through the generosity of the members. The range is the new home of the Mountain Range. It has opened its season with some new members, and the credit for this goes to the new Rifle Range. The Rifle Range has long been a favorite of the Falcons and other Falcons. The Falcons have had their share of opportunity to display their skill in the art of marksmanship. The Falcons are proud of their home and they have been working hard to be the best in the field of rifle shooting.

In order to display their skill in the art of marksmanship, the Falcons have been training diligently. They have been working hard to improve their shooting skills and their aim. The Falcons have been practicing their shooting for some time now and they have been working hard to be the best in the field of rifle shooting.

Stun Redskins; Line Plays Improve As Two Sophomore Tackles Are Uncovered

A brilliant offensive display by Green Grover cracked in on its entrance into stiffer football competition last Saturday when they encountered a half-time deadlock of 0-0 before a capacity Dad's Day crowd at the Oxford field.

The Falcons really lived up to the high-time marks and the coaches of the Tricolours thought they presented a beautiful passing attack which kept the other team's defense at bay. The Falcons had too much for the Redskins and the game ended in a 0-0 tie. Despite the fact that the Redskins had three passes Little Dan's efforts were of no avail.

The Falcons won the game and featured a strong running attack by the Falcons. Bob Might and Walter Kowalczak's outstanding performance was aided by Isel, Martin and Bollard at guard and Wayne Blostrom on Monday night, October 11.

According to the Missouri State high school rules, the Falcons are required to pass a skill test in order to be eligible for participation in varsity football. The Falcons have successfully passed their skill test and are now eligible to play in the varsity football season. The Falcons are proud of their performance and are looking forward to a successful season.
