A Digest Of The Week’s News

As the war entered its second year, the news was still filled with reports of air raids, but the President intimated in his speech last week that this news was being withheld because of its strategic nature. The Royko-King loan was signed by the President and the Prime Minister of the United States.

The new project, known as the “Nuclear Power Plant,” was financed by the government.

StudentDiscusses World Problems To Forum

Student John Brown spoke on the theme of “The Future of the World” at the student faculty committee meeting on Monday. Brown, a member of the College of the Arts and Sciences, said that the world is facing a moral crisis. He called for a greater emphasis on education and for the prevention of war.

Students Can Achieve A Greater Patriotism

The question immediately arises then of what is patriotism, and whether we can all be considered patriotic. The answer is yes, and the reasons are simple. Patriotism is a love of one's country, and it is a responsibility to that country. Whether we are students or not, we all have a responsibility to our country. It is our duty to be patriotic, and to do our part in making our country strong.

The question of what is patriotism is not a new one. It has been debated for centuries, and the answer has always been the same: patriotism is a love of one's country, and a responsibility to that country. Whether we are students or not, we all have a responsibility to our country. It is our duty to be patriotic, and to do our part in making our country strong.

Swimmers Go To Oberlin; Cagers Invade Ypsilanti

Coxmen Strive For Win Against Veteran Yeomen

Sophomores Carry The Brown And Orange In Cage Pool; Kent State Will Open Home Meets Early In January

The Falcon natators meet the Oberlin swimming team Friday in their second contest of this fall with one victory, so far this year, as they beat Slippery Rock last week. The Brown swimmers will not try for the win column, having lost to Case in the first meet.

Coach Dunske's Coxmen are slated for a great season this year. Two of their mainstays*, Art Cecil and Jim Leedy, are not back, but come of their own stock.

Bob Warren and Bill Farouhnr, both on the last lap.

The Yeomen won the place for themselves among the year's conference meet being down Wednesday. Case the Coxmen looked good yard free style. Other firsts were earned by the Yeomen pool.

The Yeomen's pool will be out to break into the win column, having lost to Case in the first meet. The Brood swimmers will be out to break into the win column, having lost to Case in the first meet.

Falcon Meremen Cap Four Firsts In 48-27 Defeat

Coach Build Cox's Falcon meremen have had a successful season, and last Saturday in the Oberlin pool.

The Yeomen won the place for the Falcons and the 800 Yard free style.

Claudette Solves Double Trouble In "Skyrack"

Falcon Facts

By DON CUNNINGHAM

Who are some of Bowling Green's outstanding athletes of several years ago? If this question as asked to some of the present members of the student body, you could meet some that those others would not be able to name. This column will name some that could rank the names of some Falcon greats.

We will name those following our college years with black hard hats and black hard hats of appliances but after their last game or match many of these former Falcons will not be able to name them.

But the names will be of interest to us.

The names will be of interest to us.
