McEwan To Hold H. M. S. Pinafore Tryouts Thursday

Gilbert and Sullivan's Comic Opera Stated for Tuesday—23

R.M.S. McEwan, the famous Gilbert and Sullivan series, is scheduled for presentation on the evening of April 11, 21 and 22, according to Prof. Merrill McEwan, head of the music department.

Persons who wish to try out for the leading roles should go to the Bowers Auditorium, Monday, January 25, where the tryouts will be held until 9 o'clock. This will allow the candidates sufficient time to work on the assigned roles.

The scenic and dramatic pieces will be produced by the famous Gilbert and Sullivan series. They will be directed by Mr. Ian Lake, manager of the Bowers Auditorium, and Mr. Lake, a graduate of the University of Michigan, will have charge of the scenery.

As many of the traditional arrangements of the American National Symphony Orchestra are to be used, by permission of the composer.

A Digest Of The Week's News

The phenomical work of the out-numbered and out-equipped Russian forces under the command of the General Douhet. Stalingrad, in the battle for Leningrad, continued to be the center of the nation's effort in the Far East. Although pressure was being brought to bear on the German defenses, the Russian forces, under the brilliant leadership of General Koniev, whose brilliant defense tactics have exceeded the enemy's expectations as well as being delayed an action that might give the allies time to send reinforcements to this area.

However, in the Malay Peninsula, the Japanese Army continues in its advance on Singapore, despite a deluge of a tropical rainstorm, the only possible variation that could affect the progress of the German offensive. In the early hours, the Anglo-Australian forces suffered heavy casualties, with the loss of many of the smaller vessels. The defense of Singapore, however, continues to receive heavy aerial attacks, and the accidental loss of several ships, including the HMAS Sydney, has led to the evacuation of the city. The Japanese forces have continued their advance, and the situation is critical.

In Europe, the Red Army has advanced to the south of the Volga, taking Bryansk, and other major cities. A Japanese invasion of the Philippines is feared, and the situation in the Far East is critical.

Elsewhere, the Reds are employing the large number of American fighters that were promised, and the air battles are becoming more intense. The battle for the control of the skies is crucial, and the Axis powers are struggling to maintain their air superiority.

In the Middle East, the Allies continue to make progress, with the capture of Tripoli and the withdrawal of the Axis forces. The situation is volatile, and the Americans and British are working to secure the control of the Mediterranean Sea.

Defense Stamps Now On Sale At Business Office

Sale of 20-cent and 3-cent defense stamps was underway today at the post office, with the sale of 20-cent stamps being most popular. The sale of 3-cent stamps was slow, but there was a steady demand for the higher denomination.

The students are seeing the sale of these stamps as a way to contribute to the war effort, and there is a demand for stamps at the university business manager.

Six Modern BGSU Students Live in "Old Holland" Mode

by JOE TRUE

Speaking of campus innovations, we find the "Jones Holland" (so named after the Jones family from whom the name was acquired) to be a major step into the future for students. The main feature of this new dormitory-style residence is the "Living Room," a large common area where students can relax and socialize. The "Old Holland" is also equipped with a kitchen, laundry facilities, and a reading room. The dormitory is popular among students who value a more relaxed and informal living environment.

COMMUNERS' DEFENSE BOND DANCE WILL Feature AIR RAID SHELTER

By MARTA WALRATH

The national emergency has been entered the frivolous and silly days of trousseau. The Commumers’ Fraternity will hold an all-campus dance Saturday evening in the Women’s Gym that bears the name, Defense Bond Dance. They will even take air raid precautions as the dance will feature an air raid shelter motif in the decorations.

Johnny Royal and his Bighorn Shivers and Gandy Gander will return to the campus to sing the musical numbers for the evening. Other entertainment will be provided by the Shells, Bruce Fisher, Jack Wilcox, and Joe Plack. The Shells have already in progress the dance theme. Air raid sirens will alarm the campus and when the Shells have finished their song, Miss Mildred Geiger will announce the theme of the evening: “Remember Pearl Harbor.”
