Frazier Reams, Jr. and Mrs. Anita Ward could not be present.

Also attending were President Hollis Moore; K. H. McFall, Secretary to the Board; Stuart Givens, Faculty Representative, 1975-76; Ramona Cormier, Faculty Representative, 1974-75; Dennis Bottomsari, Student Representative; Richard Rakin, Vice Provost for Student Affairs; Richard Edwards, Executive Assistant to the President; James Hof, Vice President for Public Services; Elton Ringer, Associate Vice President of Resource Planning; Kenneth Rothe, Provost; Colleen Smith, Administrative Assistant to Mayor Charles Bartlett; representatives of the press; and several observers.

The Chairman called the meeting to order at 3:15 p.m.

Before consideration of the minutes of the May 15, 1975, meeting, Mr. Savage recommended a correction to the minutes as distributed to record that Mr. Spiegel made the motion, Mr. Lipaj seconded the motion, that Mr. Savage be nominated as Vice Chairman for the 1975-76 fiscal year.

No. 90-75

With this correction, Mr. Savage moved and Mr. Simmons seconded that the minutes of the May 15, 1975, meeting be approved. All members present voting "aye"—the motion was approved.

Contract Salary Recommendations for 1975-76

President Moore announced that before proceeding to the consideration of the agenda item of personnel changes and salary data for 1975-76 he would like to recommend to the trustees the appointment of a new vice president, Richard Edwards, with the combined title of Vice President and Assistant to the President in recognition of his function and Cabinet status.

No. 91-75

It was moved by Mr. Savage and seconded by Mr. Spiegel that Richard Edwards be appointed Vice President and Assistant to the President, effective July 1, 1975. All members present voting "aye"—the motion was approved.

Mr. Edwards reported briefly concerning his meetings in Washington with representatives of American Telephone and Telegraph (ATT) and Ohio Bell with the Federal Communications Commission (FCC) concerning the microwave telecommunication system between Bowling Green and the J. Preston Levis Regional Computer Center in Perrysburg. He added that FCC played a very constructive mediating role and that agreement was reached that Ohio Bell would install a small piece of equipment at a cost to the University of $36 per month which would meet the tariff requirements, and further, that the system should be operational by July 1.

Dr. Rothe described the process which was followed in the development of the recommendations for 1975-76 salaries for staff members appointed under contract and distributed an outline of the steps involved.

President Moore expressed appreciation for the efforts of Dr. Ferrari and Dr. Rothe in developing the salary recommendations and explained that these are late this year because it is the second year of the biennium and the exact amount of appropriations for 1975-76 is not yet approved. He added that the recommendations next year will be made earlier and asked that the Board consider appointing a committee to review salaries for administrators before recommendations are made next year for 1976-77. President Moore recommended the approval of contract salaries as listed in the salary book.

No. 92-75

It was moved by Mr. Rood and seconded by Mr. Lipaj that the personnel changes and the salaries for 1975-76, as listed in the Salary Data Book, be approved.

The Secretary conducted a roll call vote with the following results: Voting "yes"—Mr. Bryan, Mr. Lipaj, Mr. Rood, Mr. Savage, Mr. Shanklin, Mr. Spiegel; Mr. Simmons abstained. The motion was declared approved by six affirmative votes, with Mr. Simmons abstaining.
