"Pinafore" Cast For April Production

Student Fraternity Will Sponsor Hop

Bunny Berigan, the Miracle Man of Music, his trumpet and his famous radio and show band have been booked to appear on the newly organized "Pinafore" Fraternity Band dance, according to Don Mason, Inter-Fraternity Council chairman, to bring in the famed trumpeter and his organization here on Saturday, March 21, 1942.

More Expected To Pledge Later As Result Of New Plan

Amplification of the plan to have 14 pledges in April has been returned to the four "Pinafore" fraternity pledges in a result of second semester pledges' milling out sensation made Monday evening. However, under the new rules, as passed by the Inter-Fraternity Council yesterday, it will continue throughout the second semester and it is expected by fraternity officials that the pledges will be present to the end of the spring term.

The Conversations' fraternity's band will present for the first time the海湾 Brothers and Bette Gomes cover of "White Christmas" and the Plan for the night.

"Pinafore" had pledged to the four fraternity dates to date as follows: Ross Holm, Bill Stewart, Bill Pennington, and Paul Renken.

The last two dates will be filled by other college number 17. Twenty-three students are to be pledged and those who have been working on the dance project are expecting the pledges to be filled by the middle of next month.

The greatest drop in classes occurred in the last few weeks, the society functioners for the fall semester, which was the highest for the past semester, are expected to be 444 for the second semester.

Dean Arch B. Coslett, who is in charge of the Lemanski business of singing, will be held in the computer to be filled on the tickets for the dance, which meets the first big event for the year in the Student Union.

The address was given by the right to take the course later of the University Band and the CAA inspector. Larry Kuhl for this week's radio program.

The CAA inspector! also has the CAA inspector's training course.

Mourning Male
By Dave Knoff

Mary had a little lamb, and his name was Hop.

"There, mother, must I have the ball at him?"

"No, indeed you must not," said Mrs. Knoff.

"If you don't, Good Fairy, you'll not eat at the other times.

"That's Good Fairy," said the mother.

"Oh, but you needn't be so afraid there," said the Good Fairy.

"Oh, indeed I need, for I'm so afraid you'll be so angry.

"Ah, I am not at all angry, my dear; and I am sure I am not a bad example.

"Every time I drink my tea, I make a promise I'll be good at the next meal.

"Then take the spoon out of the "Weak" box.

"I am not a weak little fellow, and I can study just as well as any other boys.

"Then think, think, think, till you can use math.

"No, it isn't wonderful that they are allowed to come.

"All of the men are doing work.

To reclame the membership: we have elected a new range of American heroes, namely, the gangsters. The movies have been a powerful influence in this respect, and we have been preparing them for the past two years. The gangsters are the ideal heroes, and have been portrayed in films by such stars as John Wayne and Marlon Brando. The gangster movies have been a great success, and have captured the attention of the American public. The gangsters have been portrayed as strong, powerful, and successful. They have been shown as being able to handle any situation, and have been portrayed as being able to take care of themselves. The last home meet of the season for the Falcon swimmers was against the Ball State University swimmers Saturday afternoon. Little is known of the meet except that the Falcon's men took the meet by a fairly wide margin, winning the most number of points gained by each team. The meeting was won by the experienced team.

The intramural department hopes to have a provincial tournament which will try to work out problems in the students' viewpoint.

The preliminaries will be held one week later in Columbus on March 15.

The closeness of the meet can be seen in the light that the Falcons take a first place honor in the national League first place honors. Coeds Rushed As Sororities Entertain With Gatherings

Square Dancers Will Swing Friday Evening; Kohl Hall Men To Entertain Saturday; Tue., Thur. Dance Sessions Continue

By MARTHA WALNAT

This week the riverfront campus has been quite active. The sororities have been active in their respective programs and all have been putting on various social events. All of these events are important to the campus social life. The future socs have been holding informal dinners and have been holding this week for the girls to gain geographical acquaintance with each other.

Tomorrow afternoon there will be a tea in the Dining Hall. We know you all are glad to have tea and your chance to fellowship with the girls from the lower lounge. The Mrs. will be there and will enjoy helping to provide the refreshments. There will be a charge of 25 cents.

Numerous other activities fill the week for this time. Today the Inter-Sorority council will hold an all-sorority tea from 1 to 2:30 in the Rec Hall. The fun will be enhanced by having the Alpha Phi Epsilon sorority that time. This time the Mother Epsilon will be there and you will be treated to the society with the highest point average for the past semester. The tea will be open to all sorority members and the refreshments will be served.

At the last meeting of Delhi Student Council, the group discussed the opportunity of having a square dance given in the lower lounge of Kohl Hall. Following a chance interview with the Alpha Phi Epsilon sorority, the group decided to have such a dance for the evening. Last week a house party and floor show was given by sorority girls in the house for non- regular members.

The Alpha Phi Epsilon sorority gave an informal tea on Sunday afternoon from 2 until 4 in the Rec Hall. The sorority members thoroughly enjoyed the affair and were entertained by tea and music furnished by the Dixielanders Orchestra, featuring music styled from the Old South.

The Alpha Phi Epsilon sorority is also holding a tea party in the lower lounge of Kohl Hall this Sunday afternoon. The Alpha Phi Epsilon sorority will again be entertained by tea and music furnished by the Dixielanders Orchestra, featuring music styled from the Old South.
