Losing their first conference game
penned to Kent State by an 8-7
score didn't mean the start of a

when they bounded back with a 23-1

start. The Kent defeat makes their
record in conference play, three
wins and one defeat.

Behind the three hit pitching
of Greg Espen the bowlers proved
their hitting ability by blasting out 22 safeties to easily
defeat Bluffton 23-1 in their last

four singles while the three

Stop Thief! The Myers Boys Are On Another Baseball Rampage

Though they haven't been in trouble with the law, the Myers brothers have built up a reputation as law-abiding citizens.

They're two outstanding base stealers on the varsity baseball team.

Doug has averaged two stolen bases a game this season. Against Findlay College he stole home while brother Don scored what proved to be the winning run.

The brothers say that Bob Spangler, diamond coach at Columbus North, "taught us all we know about baseball." The 1939 North team won the city championship and the 1940 nine won the state championship.

Doug—earlier Clyde Myers—was third baseman before the Myers were confederate in '39, the year he was graduated from high school. He stayed out of school a year until Doug could make him attend the University where they are seniors.

On the varsity basketball team Doug is a forward and Don a guard. Last year they were on the championship intramural team in football and baseball and this year in volleyball.

They also are proud of tennis, in which sport Doug reached the finals of a Michigan tournament last season.

Last summer the brothers played that season on the Ohio State University's varsity baseball team in Columbus. Don expects to be on the Ohio State Highway nine this year, while Doug isn't sure with what team he'll play.

The only brother combination in campus athletics the Myers boys both weigh 145 pounds and have blue eyes. They room together at Rush Hall, belong to the same fraternities and have the same classes—"but we've never double dated."

They have the same hobby—collecting swing records—and the same vocational objective—personal personnel work.

Their father starred in football, basketball, baseball, and track in high school and college. He stayed out of school one year until Doug could j Quiz his way into the University where they are seniors.

Chapter houses are maintained by Edith academic fraternities and sororities, a recent checkup reveals.

Falcon Natators Hit Heights In Past '42 Season

Swimmers Promise Bright Future For Next Season

Swimming again came into the limelight at Bowling Green and great achievements are expected of Falcon swimmers in the future. It won't be the same though for Coach Cox, now at the Navy.

This season the Falcon swimmers won six meets and lost four, but their highest success came in the conference meet when they placed third. In dual meets the Falcons won over Akron, Kent State, Case, Oberlin, Kenyon, Wittenberg, and Wooster.

Letter winners were Bob Hart, Jean Bellard, Dan Glenn, Jim Gor ley, Bill Molnar, Bill Hartman and Paul Sharp.

The list of freshmen winners included Earl Christy, Phil Hude, Rob Hoffer, Ken Kurt, Elmer Notter, Jim Nickley, and George Sprenger.
