Local Men Ranked At Top
In V-12 Strength Test
John Phillips Finishes First; Scissors Surpass Marines

Strength tests taken by Navy V-12 students at the University has determined today that the physical fitness program here is superior to that of most colleges.

Though only about one-seventh of the nearly 400 V-12 students here are formerly Bowling Green men, four of the five best records in strength tests in July were made by those returning to the local campus.

John Phillips, president of Five Brothers fraternity, was tops in the test.

Jack Lewis of Gartfield Heights, who had no previous college experience, was second. In third, fourth, and fifth places were Harvey Hanna, John Vieland, and Robert Babcock—all former Bowling Green men.

With the exception of Lewis, a marine, all five are sailors.

Scores for the 382 men who took the tests ranged from Phillips 66.4 down to 25.4.

The median score of 46.9 compares favorably with that of other Ohio colleges.

Median for the men was 27 squat thrusts, 40 set-ups, 18.7 push-ups, 38.3 squat jumps, and 9 pull-ups.

"As is evident from a comparison with other naval units, our men are weak in the arms. Their work on push-ups and pull-ups is poor," Lt. (jg) A. Tapp, physical training administrator, asserted.

Bowling Green V-12 men will have another strength test the 16th and final week of this term.

Those ranking in the upper 70 per cent will be permitted to take intercollegiate sports or maintenance next term, but those in the lower 30 per cent will continue on the program in effect for all men this term.

The intercollegiate program will include daily participation in the chosen sport and swimming (three days a week for non-swimmers, one day for swimmers).

The maintenance program requires a similar amount of swimming and daily intramural activities in each of the first two classes.

First week of the physical training program was primarily general conditioning. This week apparatus work is being stressed. For the remainder of the term there will be wrestling, boxing, juj, and combat games.

Beauty Wed

Gerry Bircher, 1941 homecoming queen at Bowling Green, was married Saturday evening in a church wedding in her home town of Louisville, near Canton, to Max Barker of Mogadore, O.

The couple will live in Hudson, O., where the bride, a 1943 graduate and beauty queen of Bowling Green, will teach English and history in the high school while her husband continues employment at the Goodyear Aircraft Corp. in Canton.

Mrs. Barker, daughter of Mr. and Mrs. Joseph M. Bircher of 230 South Baird Avenue, will make her home in Hudson.

Gerry Bircher has been a member of the Alpha Chi Omega sorority and the Sigma Chi fraternity for the past two years.

Mrs. Barker has been active in the Alpha Xi Delta sorority and the Sigma Chi fraternity for the past two years.

The couple will live in Hudson, Ohio, and will later establish a home in Cleveland.

Peggy Hiltz To Return

Peggy Hiltz of Norwalk will return to Bowling Green this fall. She and her husband Harry are expecting their first child, a baby girl, in December.

Peggy Hiltz is a senior at Edon High School, where she was a member of the senior class. She plans to continue her education at Bowling Green University.

Cooke Article Is Published

Dr. Gilbert W. Cooke, associate professor of business administration, is the author of an article on "Savings Deposits in Mutuals: A Non-Mutual Banks," in the July issue of the Journal of Business.

How Do You Men Compare?

The average V-12 student at Bowling Green State University is 5 feet 9 inches tall, weighs 158 pounds, is 19.9 years old, measures 29.5 inches at the waist and 36 inches at the chest.

So discovered Lt. (jg) Aubry Tapp, physical training administrator, as a result of statistics gathered early in July and tabulated since then.

Nearly All ‘V’ Officers Find Houses

The housing problem has been solved by most of the seven petty officers stationed at the University.

Lt. Comdr. John Sharpley, who heads the Naval Training Unit, has been able to house his wife and their 6-year-old daughter at 128 Truxton Avenue truly occupied by Mrs. and Misses Paul and Francine.

Mrs. Ferguson will come to Bowling Green in the near future.

Lt. (jg) Floyd Siewert, in charge of the physical training program for the naval fliers, and his wife and 6-year-old daughter will move next week from 1444 South Main Street into the W. C. Jordan home at 128 Truxton.

Capt. Joseph Anastasio, who heads the marine detachment, and Lt. (jg) Aubry K. Tapp, V-12 physical training administrator, stay at 245 North Prospect Street.

Lt. Robert E. Jones, in charge of the fliers, lives in Williams Hall with his men.

Lt. Lt. (jg) John H. Cornell, V-12 medical officer, and his family are temporarily in the Seven Sister houses.
