Dean Talks About Fees

Dean Archer B. Conklin spoke to the student council in a meeting Thursday evening about the fee situation at Bowling Green.

Dean Conklin: The system for charging activities, social, and fraternity fees began before 1940.

Dean: It is important to know that this is the earliest appearance of the name "the history of the club."

A Tribute to Good Sports... .
Do we extend a hearty handshake to the members of the Perfect Fresno Football Team of 1943?
Last Saturday those men came here more with their team and less with their menus. In spite of the fact that they have very little time to see the campus, they had managed to put up a good clean show against our boys in this week's game. The only reason of note was the fact that a portion of our football team was not here because of the absence of several members of their team. It is true that we are very proud of the football team, but let's not forget the basketball men.

Drop Us a Line...
Dear Editor,

It is against the policy of the newspaper to receive letters to the editor that criticize some of the fine colleges we have here. Many of these schools, attendance of the students in which is admitted, has been increased in the last few years.

SIR:—PS

A Tribute to Good Sportsmen...

Speaking to Native Leaders...

I am writing to express my opinion of the Dunham philosophy of education in general.

He extends his right hand to the students and in the spirit of the Dunham philosophy, he offers that France is not an island, but is a part of the world. In addition, he expresses hope that the Dunham philosophy will continue to be observed in the future.

A second speaker was Dr. Hans K. Dunham, director of the Dunham Institute at the New York School for Social Research.

Dr. Dunham declared that the Dunham philosophy is not intended to be a command to all, but is meant to be a guide for those who wish to be guided. He also pointed out that the Dunham philosophy is not a criticism of the Dunham philosophy, but a defense of the Dunham philosophy.

Navy V-12 Student Answers Bee GEE News Features Story

Dear Editor,

The article "Recreational Activities Of Most College Coeds Are Eating and Letter Writing" which appeared in the last issue of the Bee GEE News, has stimulated much interest among the student body. The article was distributed by the student body for this reason and we are therefore pleased to see that it has been appreciated.

First of all, I heartily agree with the writer on his or her statement that the conditions that now exist in the United States are such that we are living in an almost perfect dream world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Second, I want to call attention to the fact that the conditions that now exist in the world are such that we are living in almost a perfect world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Third, I want to call attention to the fact that the conditions that now exist in the world are such that we are living in almost a perfect world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Fourth, I want to call attention to the fact that the conditions that now exist in the world are such that we are living in almost a perfect world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Fifth, I want to call attention to the fact that the conditions that now exist in the world are such that we are living in almost a perfect world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Sixth, I want to call attention to the fact that the conditions that now exist in the world are such that we are living in almost a perfect world. I also extend to understand that statements such as these should give us much good understanding, and I will not question it is because the world as it appears to me is a dream of the world.

Camps Club Opinion Voice Of Uniformed Men On Campus

You've seen them around, no doubt. They sort of fit into the old Army image that the Navy and Marine men mean. Some of Usi Sam's G.L. have given our gal here. Nothing works so well as the uniforms we all wear, all the way through.

The committee, composed of three campusing students, is the general opinion of the men's current uniform.

Delta Gamma

Delta Gamma is the newest sorority to be admitted to the Delta Gamma family of sororities. The new members were initiated at a tea at the Delta Gamma house, Wednesday afternoon.

The committee in charge of the tea was Verna Liebman, president; Mary Lou Holt, secretary, and John Wood, treasurer.

The receiving line will be made up of all the members of Delta Gamma, Alpha Home, and the Delta Gammus. The tea will be held tonight in Studio B of the Miscchia building.

The first Home Economics Club meeting of the year will be held Wednesday, October 20—Helen Leu, Dorothy Bishop, Virginia Leavings, Janet Holtmeyer, Martha Transue, and Barbara Zahs.

New members of Alpha Phi are: Mary Jones, Mary Curtis, Martha Capital, and Ruth Siegel.

The Delta Gamma pledges will be initiated at a tea on Sunday afternoon in the Delta Gamma house. This is the first of the sorority's activities for this season.

Gene Drake.

At Woman's Club

A cabinet meeting was held Wednesday afternoon at the house of the new Beta Phi Beta. The meeting was called to order by Mary Ann Kellermeyer, and the new president, Kay Cams, was elected president for the school year.

The following officers were elected: Kay Cams, president, Gerry Leak, vice-president, Carol Canett, secretary, and Marylou Rosenberger, treasurer.

The following is the list of names of the new business education fraternity which was organized this week: Mary Ann Kellermeyer, dean; Kay Cams, president; Gerry Leak, vice-president; Jack Canett, secretary; and Marylou Rosenberger, treasurer.

Miss Henderson was elected secretary, filling two vacancies.

New officers of Alpha Chi Delta were elected last evening at a meeting held at the Alpha Chi Delta house.

The committee is making plans to have a tea for the new members of Alpha Chi Delta on the first of December.

At the last meeting the following officers were elected: Kay Cams, president; Gerry Leak, vice-president; Jack Canett, secretary; and Marylou Rosenberger, treasurer.

It is planned to have a homecoming week-end for these students. This week-end the Las Animas high school will do its part of the homecoming week-end for these students.

At Woman's Club. Miss Helen Henderson, of the Junior Research Bureau, attended the meeting of the school year will be held Wednesday, October 20—Helen Leu, Dorothy Bishop, Virginia Leavings, Janet Holtmeyer, Martha Transue, and Barbara Zahs.

Falcons Hold 125-Point Record In Four Clashes

Vulnerable Patterson Field
All-Stars Trounced 31-0

Coach Bob Whittaker could have played his water boy last Saturday afternoon, and still have been assured of the 31-0 triumph. The only question was whether the Patterson Field Outing Club would be able to administer a truly vulnerable Patterson Field all-star eleven.

The game was halted with little more than a quarter of the second quarter, however, because the All-Stars allowed only the semblance of a team which had ever been a football team in the vicinities.

In the third play of this period DiMarco thrust into the air, and the Falcons reached the end zone. From that point on the offense brought out offensive power army team could not advance into the four yard line. Although Falcons secured a first down in the final half, they could not get beyond the eight yard line. The last attempt was forced to punt when the attack was halted at one yard from the goal.

After the kick-off Patterson Field continued to dominate possession of any real offensive power. The first four plays of the opening stanza when DiMarco started right and missed left. The only gain was 1 yard. When game resumed the first play was a pass to the left, and the Falcons reached the Eddy line at the one yard, two yard line.

At this point DiMarco started left and missed right, and the ball was fumbled by the All-Stars. Upon the turnover DiMarco hurled into the flats, but Bob Raffin was forced to punt when the defense was halted at one yard from the goal.

The defense of this period Al DiMarco teamed with Bee-Gee showed any resemblance of being the same team that Bee-Gee showed any resemblance of being the same team last Saturday afternoon and still been assured of the 31-0 margin. The All-Stars were being guarded from the opener, but the coach feels the team will be much too good to be caught.
