Key Beauty Contest Plans Are Changed

Due to the change of the schedule of the Christmas vacation, the Key Beauty Contest plans will be given out at the Key office, located in the first floor of Stroh Hall, instead of January 3 as previously announced.

The meeting with the picture will be returned to the Key office by Friday, December 12.

Note: No further notice will be issued.

New Student Council

Passes In Land-Slide Vote

Deborah C. Hambro of Bowling Green will be present at the meeting on the topic of "How Will Spends Vacations?"

Presenting a different vacation holiday scene for the first time this year, this representative group of Bowling Green students, composed of 12 residents, will open the season with a happy New Year. They are: Laila Akins, William Thompson, Patricia Graves, Martin V. Crawford, Robert E. Fox, Paul England, and Michael A. Robinson. The cast in which this group will play is a billion-dollaruin of Wintergreen.

How Will They Spend Their Vacations?

Some people plan to travel, while others intend to study. Still others will spend time with family and friends. And, of course, some will simply relax at home.

New Student Council

The new student council at Bowling Green State University was elected 412 to five in an unexpectedly close vote cast last Wednesday.

The election took place at 7 p.m. on Monday, January 5. Anyone willing to sit in on the meeting was welcome to attend.

The constitution provides for a social committee, which is composed of nine students. Among those who will serve this year are Lee Rains, president; Jimmie Moore, vice-president; Gary Rains, secretary; Janie Pfeifer, treasurer; and Robert A. Moore, the corresponding secretary.

The new student council will hold its first meeting at 7 p.m. on Monday, January 12, in the Student Union.

Events of the Old Year Pass In Review as College Memories

By BETTY ROSSCRAVEN

Three months of hectic activities have filed their way into our college memories. As we are in the closing days of December, let us take a moment to reflect on the one thing which brought us together this year. The Red Cross effort is one in which everyone participated. It overflowed with good fellowship left over from the Christmas—material things do not mean so much. This is what all of us mean by Santa Claus. Christmas—his oneness with us. Let's keep up our belief in Santa Claus for, after all, he is a Santa Claus.

A Merry Christmas To All...

To civilian students and servicemen, a Merry Merry Christmas and a Happy New Year.

To the students of BGSU, we have the best vacation possible and come back to Bowling Green in 1949 overflowing with good fellowship left over from the Christmas—material things do not mean so much. This is what all of us mean by Santa Claus. Christmas—his oneness with us. Let's keep up our belief in Santa Claus for, after all, he is a Santa Claus.

To the servicemen on campus... The Christmas season is a time of remembrance, and we think of those men who are fighting for our country.

Help the Red Cross...

The YWCA is making a Red Cross drive. All students are urged to participate. The Red Cross work on Friday evenings from 6-8 p.m. in the Past... their efforts have not been entirely successful, and there is no excuse for not one in which everyone on campus should aid in some way. This opportunity on Friday evenings is a real one in which we can show the servicemen and friends in the service.

Our Gift This Year...

"You, Virginia, there is a Santa Claus," are famous words from the Christmas story, which we have more than one good reason for believing in these words this year. There is a Santa Claus is one in which everyone on campus should aid in some way. This opportunity on Friday evenings is a real one in which we can show the servicemen and friends in the service.

Trebble Clef Hour Of Charm Entails Much Hard Work

An hour of charm was presented by Bowling Green University's Hour of Charm, the Treble Clef Club when they sponsored "The Golden Era." What a night for all music lovers! Back of this brief hour of public performance are many weeks of organization, memorization, and rehearsing. The audience will hear the results of the Treble Clef gives a program as part of the 1948-1949 program. Behind the scenes are found little-known facts about the well-known organization which has been doing so much for music lovers for so many years. The Treble Clef Club is the old-established organization with a 10-year record behind them. It was created and maintained by the late Miss Helen Margerum of this city, and has been directed by various presidents since that time. In the past three years the club has had approximately 50 members, and the two accouterments are not too many. The present club is under the direction of Miss Helen Margerum and Miss Janet Lewis.

The- Treble Clef Club gives two concerts a year, the spring and the fall, and the spring program is given in the spring of this year and the fall program in the fall of this year. On March 6 the Treble Clef Club presents "The Golden Era." Because of the overwhelming request the Christmas concert will be held in the auditorium and several guest artists and music students may attend. The concert will open the fall season and will be given on November 8. It will be held in the auditorium and music students and music lovers may attend. The concert will open the fall season and will be given on November 8.

Marie Cook, director of the Treble Clef Club, has been under the direction of the Treble Clef Club since the formation of the Treble Clef Club. Under her direction the club has been successfully maintained and has become one of the most respected clubs on campus.
